			Saul Banuelos Luna	Defendants need to be able to get the chance of getting their voices heard. Everything said in court by the opposing party is always true truth. Like in my case opposing party's statement under oath was based on lies and half truths. I'm a U.S. Veteran and didn't have the chance to show my evidence and cause of it I had my father rights taken away and possibly be deported. When in reality I'm the victim of physical abuse, domestic violence, financial abuse, emotional abuse, manipulation, blackmail and parental alienation.
