Agenda #	Relate To	Position	Name	Comments
15-A.		Favor	Dr Cecilia Anamika Biswas Ghosh	
		Oppose	Stacie Perkins	Previous law Civil Code Section 1942.8 was sufficient to cover unusual rental situations and does not require being amended. Additionally, the public remains unaware that an act of kindness might likely land them in an expensive battle over squatter eviction, with no help forthcoming from law enforcement or the courts to remove them. Private individuals should never venture into lodging 'homeless' types inside private homes without understanding the full legal implications for themselves and their neighbors. The County caused this problem and it is not up to private property owners to solve it!
