Temple Street Los Angeles, CA 90012</p> <p>Subject: Demand for the Immediate Removal and Criminal Investigation of Commissioner Stephen Marpet and Judge Brett Bianco for Judicial Misconduct and Civil Rights Violations</p> <p>Dear Members of the Los Angeles County Board of Supervisors,</p> <p>I am writing to formally demand the immediate removal and criminal investigation of Commissioner Stephen Marpet and Judge Brett Bianco for gross judicial misconduct, abuse of power, and violations of due process in Los Angeles County Dependency Court. Their actions have directly resulted in the wrongful separation of my children from my custody, a blatant violation of constitutional rights, state law, and legal ethics.</p> <p>Legal Violations and Misconduct</p> <p>1. Fabricating Grounds for Child Removal</p> <p>Commissioner Marpet sustained perjured allegations by social workers, violating my due process rights and ignoring California Rules of Court (CRC 10.20, CRC 5.534, CRC 5.682).</p> <p>No trial on the merits was conducted, and I was never given the opportunity to cross-examine false testimony.</p> <p>2. Obstruction of Justice and Cover-Up by Supervising Judge Brett Bianco</p>

			<p>Judge Bianco refused to grant a rehearing despite clear evidence that Marpet violated court rules and due process.</p> <p>By upholding Marpet's decisions, Bianco confirmed a systematic policy of separating families without evidence or legal justification.</p> <p>3. Violations of Established Case Law</p> <p>Their actions directly contradict binding California appellate rulings (In re James Q., In re Malinda S., In re Drake M., In re J.A.), which affirm that mere allegations of drug use, without proof of harm, do not justify child removal.</p> <p>Demand for Immediate Action</p> <p>1. Immediate Removal of Commissioner Stephen Marpet and Judge Brett Bianco from the bench to prevent further harm to families in Los Angeles County.</p> <p>2. A full independent investigation into their rulings, including reviewing past cases where they unlawfully removed children from parental custody.</p> <p>3. Criminal prosecution under California Penal Code § 118 (perjury), § 182 (conspiracy to obstruct justice), and § 236 (false imprisonment) for their role in unjustly separating children from families.</p> <p>4. A public hearing and review of dependency court policies to end the widespread practice of rubber-stamping child removals based on fabricated allegations.</p> <p>This is not an isolated case—this is a systemic issue that has devastated countless families. I demand an immediate response and will not cease efforts until justice is served.</p> <p>Sincerely, Raneisha Hubbert</p>
