Dear Supervisors:

**RECOMMENDATION TO APPROVE A SOLE SOURCE CONTRACT TO EXTEND A PILOT FOR
DOMESTIC VIOLENCE EXPERTS AT THE CHILD PROTECTION HOTLINE
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

The Department of Children and Family Services (DCFS) requests the Board's approval to execute a sole source contract, which will continue the pilot program with the Young Women's Christian Association (YWCA) of San Gabriel Valley to provide Domestic Violence Experts (DVE) at the Child Protection Hotline (CPH) effective March 13, 2025 through June 30, 2026, with the option to extend for an additional one-year period through June 30, 2027.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DCFS, or designee, to execute a sole source contract (substantially similar to Attachment A) with the YWCA of San Gabriel Valley to continue providing DVE for the CPH originally funded with American Rescue Plan Act (ARPA) funds. The sole source contract term is for an initial one year period effective March 13, 2025 through June 30, 2026, with the option to extend for a one-year period effective July 1, 2026 through June 30, 2027, at the County's sole discretion. The maximum contract amount for the period of March 13, 2025 through June 30, 2026, is \$387,500, financed by 23 percent local funds and 77 percent prevention funds from the Office of Child Protection (OCP). Sufficient funding for this contract is included in the Fiscal Year (FY) 2024-25 Adopted Budget and will be included in the Department's budget requests for subsequent years.

2. Delegate authority to the Director of DCFS, or designee, to exercise the one-year extension option by written notice or amendment, provided that: a) sufficient funding is available;

b) County Counsel approval is obtained; and c) DCFS notifies the Board and Chief Executive Office (CEO), in writing, within 10 working days after the execution of such amendments.

3. Delegate authority to the Director of DCFS, or designee, to increase or decrease the maximum annual contract amount up to 10 percent when such a change is necessitated by additional and necessary services, provided that: a) sufficient funding is available; b) County Counsel approval is obtained; and c) DCFS notifies the Board and CEO, in writing, within 10 working days after the execution of such amendments.

4. Delegate authority to the Director of DCFS, or designee, to terminate the DVE contract for contractor default or for convenience, provided that: a) County Counsel approval is obtained; and b) DCFS notifies the Board and CEO, in writing, within 10 working days after the termination of the contract.

5. Delegate authority to the Director of DCFS, or designee, to negotiate and execute amendments to the DVE contract for any mergers, acquisitions or changes in ownership; for any revisions required by changes in local, state and federal regulations; or for necessary changes to meet the needs of the County's DVE program provided that: a) County Counsel approval is obtained; and b) DCFS notifies the Board and CEO, in writing, within 10 working days after the execution of such amendments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended action will establish a new contract with the YWCA of San Gabriel Valley in order to continue the pilot program, providing services to children and families impacted by domestic violence. This pilot program was initially funded by ARPA funds.

DVE at the CPH addresses the challenges families impacted by domestic violence face in accessing and utilizing prevention services through the continuation of the DVE contract. Assessing, categorizing, linking and servicing domestic violence is a complex matter. This project has resulted in CPH Children's Social Workers (CSW) being better trained and equipped to perform their duties, which includes ensuring proper identification and early intervention at the inception of the call to promote equitable results. This has brought about a reduced reliance on DCFS, reduced long-term intervention by DCFS, increased involvement in community services that specialize in addressing domestic violence, decreased trauma of violence, and multi-generational impact for families involved. The DVE project ensures better assessments and early linkage to appropriate services, creating better outcomes for families.

This pilot project is the first of its kind specifically developed to address domestic violence in an effort to mitigate child safety issues. DCFS CPH is making groundbreaking efforts to compile data regarding domestic violence, which allows for the ability to analyze the community needs. Great consideration was given in the development of this project to address inclusivity and ensure the community needs are met when concerning diversity. This project has the potential to have long-term effects to combat generational domestic violence and create safer communities as demonstrated by the year and a half of data collected thus far.

From the March 2023 launch date to December 2023, this project has provided 3,570 families with referral resources for domestic violence. In its brief time, the DVE project has collected raw data and demographic information that did not exist before the launch of this project. However, more data needs to be collected in order to properly evaluate outcomes. By collecting

data now and for the next two years, DCFS will be able to provide data, including trends, to assist in the development of future service needs of the community. Once DCFS is able to secure funding, a competitive solicitation is expected to be released to procure DVE services for a new three to five-year contract term.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan North Stars: 1) Make Investments That Transform Lives; 2) Foster Vibrant and Resilient Communities; and 3) Realize Tomorrow's Government Today. Improving the well-being of children and families requires coordination, collaboration and integration of services across functional and jurisdictional boundaries by and between County departments/agencies and community and contracting partners.

FISCAL IMPACT/FINANCING

The maximum contract amount for the period of March 13, 2025 through June 30, 2026, is \$387,500, financed by 23 percent local funds and 77 percent prevention funds from the OCP. The optional one-year extension period, effective July 1, 2026 through June 30, 2027, is financed by 100 percent prevention funds from the OCP.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On November 30, 2021, the Board adopted a motion to use the ARPA Competitive Procurement Process as recommended in the November 8, 2021 CEO report. In addition, the Board authorized and delegated authority to the CEO, or designee, in consultation with County Counsel to execute all contracts, sub-recipient agreements, and related agreements in compliance with the requirements of the funding source, amendments and change orders, and, if necessary, terminate said contracts and sub-recipient agreements.

The recommended sole source contract is needed in order to continue the DVE project, which was initially solicited using the ARPA Competitive Procurement Process. DCFS released the expedited Request for Proposals (RFP) on November 16, 2022, to procure DVE services. The RFP was posted on the Los Angeles County Solicitations, DCFS Contracts, and CEO Contracts websites. In addition, notification emails were sent to the Family and Social Services Board Deputies, Department of Public Health (DPH) Domestic Violence Council, DPH Domestic Violence Contractors, DCFS Contractors, Office of Violence Prevention, Office of Women's Health Director, and the Department of Public Social Services Special Assistant/Board Liaison to community domestic violence providers.

The DVE contract with the YWCA of San Gabriel Valley has been in place since March 13, 2023. From that time, all 200 CPH CSWs have been trained to conduct better assessments when receiving calls related to domestic violence and thousands of families have been provided with available and appropriate services tailored to their needs.

The Board was not notified of the sole source as required by Board Policy 5.100, due to delays in securing funding; however, this serves as notification. This Board letter has been reviewed by County Counsel and the CEO. County Counsel has approved the Contract (Attachment A) as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the sole source contract will allow the Department to continue providing DVE services to the CPH. The DVE will also continue to train CPH staff biannually (June and December). The training will be comprised of correct identification and assessment calls related to domestic violence. The goal is to promote increased understanding and assessment of domestic violence related trauma as opposed to child abuse and/or neglect. This better identification will decrease the number of domestic violence only referrals generated, leading to appropriate and timely referral and linkage to community services for families affected by domestic violence. DCFS will continue to collect data including qualitative factors, demographics and other analysis used to identify the needs of the community.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Executive Officer/Clerk of the Board send an adopted stamped copy of the Board letter and attachments to the Department of Children and Family Services.

Respectfully submitted,

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the

County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the

request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms will also apply to subcontractors of County Contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and

California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

8.15.1 The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

8.16.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.16.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the Contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

8.17.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the

Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other

liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's Subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure

event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.22.5 Contractor must cause each employee performing services covered by this Contract to sign and adhere to Exhibit F2, "Contractor's Employee Acknowledgment and Confidentiality Agreement."

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other Contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown below and provided prior to commencing services under this Contract.

8.24.2.2 Renewal Certificates must be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or sub-Contractor insurance policies at any time.

The Insured party named on the Certificate must match the name of the Contractor identified as the Contracting party in this Contract. Certificates must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.

8.24.2.4 Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.

8.24.2.5 Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Department of Children and Family Services
Contracts Administration Division, Section 2
Attention: Tajia Joseph –Contract Analyst

8.24.2.6 Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify County of any third party claim or suit filed against Contractor or any of its Subcontractors which arises from or relates to this Contract and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status must apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the

Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

Any County maintained insurance or self- insurance coverage must be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor must include all Subcontractors as insureds under Contractor's own policies or must provide County with each subcontractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each subcontractor complies with the Required Insurance provisions herein and must require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor must obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date will precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a

period of not less than three (3) years following Contract expiration, termination or cancellation.

8.25.4.7 Intentionally Omitted

8.26 Liquidated Damages

- 8.26.1 If, in the judgment of the Director, or their designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages will be agreed upon at such time and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.
- 8.26.3 The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.
- 8.26.4 This Paragraph must not, in any manner, restrict or limit the County's right

to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

8.28 Nondiscrimination and Affirmative Action

- 8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the Contractor. This Contract will not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the

County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.4 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference must be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

Within thirty (30) calendar days after issuance of such audit reports, Contractor must forward copies of such reports to DCFS.

8.38.7 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph must constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.8 If, at any time during the term of this Contract or within five (5) years (departments may customize) after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference must be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this

Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

- 8.40.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.

- 8.40.6 The County's Program Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.

- 8.40.7 The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to [County Code Chapter 2.202](#).

8.42 Termination for Convenience

- 8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

THERE'S A BETTER CHOICE. SAFELY SURRENDER YOUR BABY.

Any fire station. Any hospital. Any time.

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.

**DEPARTMENT OF AUDITOR-CONTROLLER
CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK**

The purpose of the handbook is to establish required accounting, financial reporting, internal control, and contract administration standards for organizations that contract with Los Angeles County.

Revision: June 2021

AUDITOR-CONTROLLER CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The purpose of this Handbook is to establish required accounting, financial reporting, internal control, and contract administration standards for organizations (CONTRACTOR) that contract with Los Angeles County (COUNTY).

The accounting, financial reporting, and internal control standards described in this Handbook are fundamental. These standards are not intended to be all inclusive or replace acceptable existing procedures, preclude the use of more sophisticated methods, or supersede any laws or requirements imposed by the applicable funding sources (i.e., federal and State agencies) that may be more restrictive and/or stringent. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR'S accounting and financial reporting system. The internal control standards described apply to organizations with adequate staffing. Organizations with insufficient staff to implement the internal controls as described herein must adopt alternative controls (e.g., use of appropriate alternative staff or Board Officers) to comply with the intent of the standards to ensure effective internal control systems are in place within the organization. The CONTRACTOR'S subcontractors must also follow these standards unless otherwise stated in the Agreement.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 Basis of Accounting

Unless otherwise specified by the funding source, CONTRACTORS may elect to use either the accrual or cash basis of accounting during the year for recording financial transactions. Monthly invoices must be prepared on the same basis used for recording financial transactions.

The COUNTY recommends the use of the accrual basis for recording financial transactions.

1.1 Accrual Basis

Under the accrual basis for recording financial transactions, revenues are recorded in the accounting period earned (rather than when cash is received). Expenditures are recorded in the accounting period incurred (rather than when cash is disbursed).

Recorded accruals (e.g., to estimate expenditures) shall be reversed in the subsequent accounting period or when deemed appropriate in accordance with Generally Accepted Accounting Principles (GAAP).

A-C Contract Accounting and Administration Handbook

1.2 Cash Basis

If a CONTRACTOR elects to use the cash basis for recording financial transactions during the year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of each year of the contract, and at the end of the contract.
- All computations, supporting records, and explanatory notes used in converting from the cash basis to the accrual basis must be retained.

1.3 Prepaid Expenditures

Prepaid expenditures (e.g., insurance, service agreements, lease agreements) must be expensed during the appropriate Agreement year to the extent goods and services are received, or are applicable to that Agreement year.

2.0 Accounting System

Each CONTRACTOR must maintain a **double entry accounting system** (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The COUNTY requires that a Payroll Register (see Section A.2.6) also be maintained. Postings to the General Ledger and Journals shall be made at least on a monthly basis. The CONTRACTOR must maintain separate cost centers, which clearly identify funds received and expended on services provided under the COUNTY Agreement.

2.1 General Journal

A General Journal must be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

Example:

	<u>Debit</u>	<u>Credit</u>
Rent Expenditure	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal must be maintained for recording all cash receipts (e.g., COUNTY warrants, contributions, interest income). The Cash Receipts Journal shall, at a minimum, contain the following column headings:

- Date
- Receipt Number
- Cash Debit Columns
- Income Credit Columns (for the following accounts):
 - COUNTY payments (one per funding source)
 - Contributions/Donations
 - Other Income (grants, sales of supplies/services, rental income, miscellaneous revenue, fees)
 - Description (entries in the description column must clearly specify the source of cash receipts.)

2.3 Cash Disbursements Journal

A Cash Disbursements Journal must be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance)

The Cash Disbursements Journal must, at a minimum, contain the following column headings:

- Date
- Check Number
- Cash (Credit) Column
- Expenditure Account Name
- Description

Note (1) Separate cost columns are required for salary expenditures and other recurring cost classifications for each program.

Note (2) Entries in the description column must clearly specify the nature of the cost and the corresponding cost classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage reimbursements, travel reimbursements, and petty cash fund custodian checks).

A **Check Register** may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same cost classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed upon audit. Canceled checks and credit card statements (VISA, AMEX, department store, etc.) alone will not constitute acceptable support. See Sections A.3.2 and B.2.4 for additional guidance on documentation requirements.

2.4 General Ledger

A General Ledger must be maintained with accounts for all assets, liabilities, fund balances, revenues, and expenditures. Separate accounts or cost centers must be maintained for the revenues (e.g., donations, grants, rental income, miscellaneous revenue) and expenditures of each of the CONTRACTOR'S programs and activities (both COUNTY and non-COUNTY).

2.5 Chart of Accounts

A Chart of Accounts must be maintained:

- The COUNTY recommends that CONTRACTORS use the same expenditure account titles on the monthly invoice submitted to the COUNTY.
- If the CONTRACTOR uses account titles which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- CONTRACTOR must consistently post transactions that are of a similar nature to the same account. For example, all expenditures for travel shall be posted to the account titled "travel" and not intermixed with other expenditure accounts.

2.6 Payroll Register

The COUNTY recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Unique code identifying each employee (e.g., employee number/ID)
- Salary or hourly wage
- Payment Record including:
 - Accrual Period
 - Gross Pay
 - Itemized Payroll Deductions
 - Net Pay Amount
 - Check Number

If a Payroll Register is not used, the information discussed above must be recorded in the Cash Disbursements Journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (e.g., FIT, FICA, FUTA, SIT, SIU), reporting, filing (e.g., 941, DE-7, W-2, W-4, and 1099s), and all applicable tax deposits.

CONTRACTOR will ensure compliance with Internal Revenue Service guidelines to properly classify employees and independent contractors.

2.7 Invoices/Billings

Each CONTRACTOR must submit an invoice/billing at least monthly to report to the COUNTY the financial activity of the program(s) as required in the applicable Agreement.

3.0 Records

Adequate care must be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR'S accounting records or supporting documentation must be immediately reported to the COUNTY. CONTRACTOR must report, to the local law enforcement agency having jurisdiction, any act(s), which may reasonably be thought to constitute a crime, and/or which appear to have resulted in the destruction, damage, or alteration of any record subject to the provisions of this Handbook. CONTRACTOR must make their report to the local law enforcement agency within twenty-four hours of becoming aware of the acts which have resulted in the destruction, damage, or alteration of the record.

A copy of the resulting crime/incident report must be retained by the CONTRACTOR for a period of time under which the underlying records that were destroyed/damaged were required to be retained plus an additional three years, and must be retained for a longer period in the case of unresolved litigation or audit.

3.1 Retention

All accounting records (e.g., journals, ledgers), financial records, and supporting documentation must be retained for a minimum of three years after the termination of the CONTRACTOR'S Agreement or the date of submission of the final invoice, billing, or expenditure report, unless a longer retention period is prescribed by the Agreement or applicable laws and regulations, in which case the CONTRACTOR must comply with the longer retention period and all other retention requirements set forth in the Agreement or the applicable laws and regulations.

3.2 Encryption

CONTRACTOR must employ sufficient security measures to safeguard all COUNTY non-public information (e.g., confidential information including, but not limited to, the names and addresses of individuals, Social Security numbers, credit card information) that is electronically stored, used, and transmitted. Encryption standards must, at a minimum, be developed and implemented in accordance with the requirements prescribed by the COUNTY Agreement and COUNTY Board Policy 5.200.

3.3 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts, canceled checks, and other documentation, including electronic documentation clearly establishing the nature and the reasonableness of the expenditure and its relevance to the COUNTY program being contracted for are required to support an outlay of funds. If the CONTRACTOR is unclear as to the appropriate documentation that must be retained to support an expenditure, CONTRACTOR shall consult with the COUNTY before the expenditure is charged to the COUNTY. Unsupported or inadequately supported disbursements will be disallowed upon audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs.

Electronic documentation is permitted when the source documentation originated electronically. To the extent the source for electronic documentation is an original hardcopy document (e.g., PDF scans of original vendor invoices), CONTRACTOR shall retain the original source document for inspection by COUNTY. Photocopies (including scanned images) of invoices or receipts, any internally generated documents (e.g., vouchers, request for check forms, requisitions, canceled checks), and account statements alone do not constitute supporting documentation for purchases. COUNTY at its sole discretion may accept photocopies of supporting documentation in preference to the original documents based on the adequacy of the CONTRACTOR'S internal controls over electronic documentation and subject to any limitations imposed by the applicable funding source(s) (i.e., federal and State agencies).

CONTRACTORS must provide acceptable supporting documentation for all expenditures. For example, for the following categories of expenditures, acceptable supporting documentation may include, but not be limited to:

Payroll

- Timecards and attendance records signed and dated by the employee and the employee's supervisor (in ink or electronically) certifying the accuracy and approval of the reported time.
- Time distribution records by program, accounting for total work time on a daily basis for all employees.
- Records showing actual expenditures for Social Security and unemployment insurance.
- State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms.

A-C Contract Accounting and Administration Handbook

Personnel Files

- Documentation supporting approved employee pay rates.
- Proof of employees having the required educational, practical experience, and license(s)/certification(s) for their position.
- Criminal record clearances as required.

Contracted/Consultant Services

- Contracts detailing the nature and scope of services to be provided, and the method and rate of compensation (e.g., cost reimbursement, fixed fee, fee for service, rate per hour) for each service.
- Itemized invoices or other documentation detailing the nature of services provided.
- Time and attendance records or other documentation detailing when services were provided.
- Travel vouchers detailing purpose, time, and location of travel reimbursed by CONTRACTOR.
- Purchase orders and invoices for supplies reimbursed by CONTRACTOR.
- Copies of all completed federal Form 1099s, establishing that all payments to contractors/consultants were reported timely to federal and State taxing agencies.

Travel

- Travel policies of the CONTRACTOR (written).
- Travel expenditure vouchers.
- For travel related to conferences, meetings, seminars, symposiums, workshops, and other similar events, CONTRACTOR shall at a minimum, retain literature, including, but not limited to, agendas and handouts detailing the purpose of the event, as part of the CONTRACTOR'S documentation of the propriety of the travel expenditure.
- Itemized receipts for all travel expenditures (e.g., lodging for approved out-of-town travel, airfare, car rentals, ground transportation, parking)

Note: Reimbursement for actual receipts or per diem rates for lodging and meal expenditures must not exceed the COUNTY'S maximum reimbursement rate for employees. CONTRACTOR shall obtain the COUNTY'S maximum reimbursement rate for each fiscal year from the COUNTY before travel expenditures are charged.

Vehicle Expenditures

- Invoices/receipts for repairs, maintenance, fuel, etc.
- Vehicle registration card.
- Vehicle title.
- Insurance policy.

A-C Contract Accounting and Administration Handbook

- Purchase or financing agreement.
- Vehicle lease or rental agreement.
- For vehicles owned/leased by the CONTRACTOR and personal vehicles that are primarily used for business purposes, a vehicle mileage log must be maintained establishing the extent to which the vehicles are used for business versus non-business purposes. The mileage log must identify:
 - Trip dates
 - Origin and destination addresses of the trip
 - Purpose of the trip and how it relates to the Agreement services
 - Beginning and ending odometer readings and the resulting mileage for all trips (including non-business trips) to account for 100% use of the vehicle.
- For personal vehicles that are not primarily used for business purposes, documentation to support reimbursements to employees for mileage and parking must include:
 - Date and time of travel
 - Origin and destination addresses of the trip and the resulting mileage
 - Purpose of the trip and how it relates to the Agreement services
 - Rates claimed (Note: Reimbursement rates for mileage must not exceed applicable federal guidelines.)
 - Parking and toll charges reimbursed
 - Itemized receipts for reimbursed parking and toll charges

All supporting documentation must include sufficient information to identify the vehicle the expenditures are related to, which shall include, but not be limited to, vehicle make and model, vehicle license number, and vehicle identification number.

CONTRACTOR must only charge the COUNTY for vehicle expenditures (e.g., gasoline, repairs/maintenance, insurance, depreciation) to provide COUNTY Agreement services. CONTRACTOR must pro-rate vehicle expenditures based on vehicle usage to exclude the portion of expenditures related to non-COUNTY and non-business use (i.e., non-COUNTY program services, personal use, employee transportation to and from work).

Operating Expenditures (e.g., utilities, office supplies, equipment rentals)

- Bona fide contracts or lease agreements, if applicable.
- Invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation.
- Documentation acknowledging the receipt of purchased goods and services (e.g., itemized delivery confirmations, stock received reports, packing slips, or other documentation) signed by the employee(s) who verified the good/services were approved and received.

Outside Meals

- Itemized receipts and/or invoices for all meals.
- Documentation detailing the nature and business purpose of each meal.
- Documentation identifying the participants of each meal.

Loans (including, but not limited to, loans to the CONTRACTOR from employees and/or related parties)

- Written loan agreement approved by the CONTRACTOR'S Board of Directors.
- Documentation showing that loaned funds were deposited into a CONTRACTOR bank account.
- Documentation showing that loan proceeds were actually used for COUNTY programs.

To the extent that the loan agreement provides for the payment of interest, the interest may not be an allowable expenditure under the Agreement. If the payment of interest is allowable, interest must not be accrued at a rate which exceeds the COUNTY Treasury Rate plus one percent.

3.4 Payments to Affiliated Organizations or Persons (i.e., Related Party Transactions)

Prior to making payments to affiliated organizations or persons (i.e., related party transactions), CONTRACTOR must complete and submit to the COUNTY a disclosure statement identifying the nature of the relationship with the affiliated or related organizations/persons.

CONTRACTOR must not make payments to affiliated organizations or persons for program expenditures (e.g., salaries, services, rent) that exceed the lesser of actual costs of the affiliated or related organizations/persons or the reasonable costs for such expenditures. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through a legal organization (i.e., corporation, partnership, parent company, subsidiary organization, association) will be considered affiliated for purposes of this Agreement. COUNTY shall be solely responsible for determining affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed upon audit to the extent the payments exceed the lesser of actual costs of the affiliated or related organizations/persons or the reasonable costs (fair market value) for services rendered or items purchased.

Documentation must be maintained to support the actual costs of the affiliated or related organizations/persons and the reasonable costs for services rendered or items purchased, and shall include, but not be limited to:

- Financial records (e.g., general ledgers, payroll registers, labor distributions, invoices/receipts) of the affiliated or related organizations/persons.
- Price and rate quotations for the same services/goods from an adequate number of independent and qualified sources.
- Cost and price analysis.
- Vendor selection analysis.

3.5 Filing

All relevant supporting documentation for reported revenues and program expenditures must be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – Numerically
- Invoices – Vendor name and date
- Vouchers – Numerically
- Receipts – Chronologically
- Timecards – Pay period and alphabetically

3.6 Referencing

Accounting transactions posted to the CONTRACTOR'S books must be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on the CONTRACTOR'S books be cross-referenced to the supporting documentation as follows:

- Invoices – Vendor name and date
- Checks – Number
- Vouchers – Number
- Revenue – Receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be cross-referenced to the check issued for payment.

4.0 Donations and Other Sources of Revenue

For CONTRACTORS that use donations and/or other sources of revenue (e.g., grants, sales of supplies/services, rental income, miscellaneous revenue, fees) to pay for expenditures related to a COUNTY service, the CONTRACTOR must maintain accounting records that clearly identify the specific expenditures that were paid for with the other source(s) of revenue.

Restricted donations and other sources of revenue, earmarked specifically for the Contract, must be utilized on allowable contract expenditures. Similarly, income from investments (e.g., interest or dividends), where the source of the amount invested is COUNTY program funds, shall be deemed restricted revenue that must be utilized on allowable expenditures, or returned to the COUNTY as specified under the attached Agreement.

5.0 Audits

For routine audits and inspections, CONTRACTOR will make available to COUNTY representatives, upon request, during working hours, during the duration of the contract and for a period of three years thereafter (unless a longer period is specified under the Agreement, or by applicable laws and regulations), all of its books and records, including, but not limited to, those which relate to its operation of each project or business activity, which is funded in whole or part with governmental monies, whether or not such monies are received through the COUNTY. All such books and records shall be made available upon request at a location within or near Los Angeles County.

In general, audits will normally be performed during normal business hours, Monday through Friday. However, COUNTY retains the right to inspect and conduct investigations of CONTRACTOR'S program/fiscal operations and contract compliance at any time, without prior notice to CONTRACTOR seven days a week, when the COUNTY has information which it, in its sole discretion, deems justifies such an unannounced visit, inspection, audit or investigations.

6.0 Single Audit Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), "Audit Requirements" states that certain organizations receiving federal awards, including pass-through awards, have annual single audits. Details are contained in the Uniform Guidance.

A copy of any single audit report must be filed with the COUNTY upon request or within the timeframes prescribed by the COUNTY Agreement.

7.0 Subcontracts

CONTRACTOR must not subcontract services without the prior written consent of the COUNTY.

CONTRACTOR must provide COUNTY with copies of all executed subcontracts and must be responsible for the performance of their subcontractors. At the sole discretion of COUNTY, CONTRACTOR may submit an electronic copy of executed subcontracts in preference to a hardcopy.

CONTRACTOR must monitor the activities of their subcontractors as necessary, but no less than annually, to ensure governmental monies are used for their intended purposes, compliance with applicable federal, State, and COUNTY requirements, and performance goals are achieved. The monitoring shall include, but is not limited to:

- Performing reviews of the subcontractor's fiscal and program operations.
- Performing reviews of required financial and performance reports.
- Verifying all subcontractors are audited as required.
- Following-up and ensuring appropriate corrective action is taken on all deficiencies pertaining to the subcontract.

B. INTERNAL CONTROLS

Internal controls are processes designed to provide reasonable assurance regarding the achievement of the CONTRACTOR'S objectives relating to operations, reporting, and compliance, and should safeguard the CONTRACTOR'S assets from misappropriations and misuse. Each CONTRACTOR must prepare necessary written procedures establishing internal controls for its personnel's use. The CONTRACTOR must instruct all personnel in these procedures and continuously monitor operations to ensure compliance with them.

1.0 Cash Receipts

1.1. Separate Fund or Cost Center

All contract revenues must be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable in the accounting records through the use of cost centers or separate accounts.

1.2 Manual Deposits

When collections are received by mail, two employees should be assigned to open the mail and list all collections received on a check remittance log.

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts and the receipts/check remittance log shall be reconciled to the amount being deposited.

Voided receipts shall be retained and the sequence of receipts issued/voided shall be periodically accounted for.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt or as soon as reasonably possible.

A-C Contract Accounting and Administration Handbook

Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first. If CONTRACTOR can establish that a larger limit is warranted, CONTRACTOR may request authorization from COUNTY to increase the limit to an amount greater than \$500.

Deposit slips shall be retained in an organized manner, and shall contain sufficient reference information for comparison to the Cash Receipts Journal and individual receipts, if applicable. A recommended best practice is to retain photocopies of the deposit slip and the COUNTY warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

1.3 Separation of Duties

An employee who does not handle cash shall record all cash or check receipts in the CONTRACTOR'S accounting records.

1.4 Bank Reconciliations

Bank statements should be received and reconciled by someone with no cash handling, or check writing responsibilities.

Monthly bank reconciliations should be prepared and reviewed by management for appropriateness and accuracy within 30 days of the bank statement date. The bank reconciliations should be signed and dated by both the preparer and the reviewer. CONTRACTOR should resolve reconciling items timely. See **Exhibit A** for a suggested bank reconciliation format.

2.0 Disbursements

2.1 General

All disbursements (other than those made for petty cash purchases), shall be made using a CONTRACTOR check, electronic funds transfer, or debit/credit card.

Blank check stock must be secured and accounted for to preclude unauthorized use.

Checks shall NOT be payable to "cash" or signed in advance. Similarly, electronic debits to "cash" or withdrawals of cash shall not be made. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature is recommended on all checks over \$500, unless otherwise specified in the contract. In instances where the payee is also a signor on the check, the disbursement shall be reviewed and approved by a higher-level employee or Board member who shall also sign the check.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in the contract.

Voided checks shall be marked void. If paper checks are used, the signature block must be cut out. Voided checks must be maintained with the canceled checks.

Returned or undelivered checks shall be canceled regularly, but no less frequent than monthly.

Unclaimed checks shall be canceled periodically, but no less frequent than every six months.

All supporting documentation shall reference the payment made for the expenditure (e.g., check number, transaction number for an electronic funds transfer or credit card payment) and marked "paid" or otherwise canceled to prevent duplicate payments or reuse.

Disbursements without adequate supporting documentation will be disallowed upon audit.

2.2. Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing checks must examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

Petty cash must NOT be used as a substitute for normal purchasing and disbursement practices (i.e., payment by check).

A CONTRACTOR may establish a petty cash fund up to \$500 to pay for **small** incidental expenditures incurred (e.g., postage due, parking meters, small purchases of office supplies) and may establish multiple petty cash funds when appropriate (i.e., petty cash fund for each location where services are rendered). The CONTRACTOR must obtain written approval from the COUNTY to establish a single petty cash fund greater than \$500.

Petty cash disbursements must be supported by original invoices, store receipts, or other external authenticating documents indicating each item purchased and the employee making the purchase. In the event that external supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, fees, etc., then some written documentation shall be maintained and approved by a supervisory employee not associated with the transaction.

The petty cash fund must be maintained on an imprest (fixed) basis. A check should be drawn to set up the fund and to periodically replenish the fund up to the imprest amount. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

A petty cash log shall be maintained for each petty cash fund to track the usage and replenishment of petty cash. Petty cash logs should be reviewed on a monthly basis by a higher-level employee not having responsibilities over the respective petty cash fund to ensure petty cash funds are being used for their intended purposes. See **Exhibit B** for a suggested petty cash log format.

There should be a separate petty cash fund custodian assigned for each petty cash fund established. The petty cash fund custodian should not have any other cash handling responsibilities (i.e., sign checks).

The petty cash fund custodian will be responsible for maintaining and disbursing the petty cash funds and requesting replenishment of the fund up to its imprest amount when necessary.

Each day the petty cash fund is used, the petty cash fund custodian should reconcile the petty cash fund amount to the cash-on-hand, receipts/invoices for which replenishment has not yet been requested, and replenishment requests in process, but not yet received.

Petty cash must be secured at all times in a locked safe, file cabinet, or cash drawer. Access to the petty cash fund should be limited to the petty cash fund custodian and one other employee in case of absence or emergency.

Surprise cash counts of each petty cash fund shall be conducted periodically, but no less than quarterly, to ensure the petty cash fund is being maintained as required. The cash counts should be conducted by a higher-level employee not having cash handling responsibilities over the specific fund being counted. Documentation should be maintained to support each cash count conducted and should be signed and dated by the employee conducting the cash count.

2.4 Credit Cards

Credit cards issued in the CONTRACTOR'S name must be adequately safeguarded and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

The use of an employee's personal credit card on behalf of the CONTRACTOR for authorized and necessary items should be limited to purchases where established purchasing and disbursement practices are not suitable.

All credit card disbursements must be supported by original invoices, store receipts, or other external authenticating documents indicating each item purchased, the employee making the purchase, and the justification for the purchase. ***Credit card statements alone are not sufficient support for credit card purchases.***

3.0 Timekeeping

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate the total hours worked each day by program and the total hours charged to each of the CONTRACTOR'S programs. ***Time estimates alone do not qualify as support for payroll expenditures and will be disallowed upon audit.***

All timecards and time reports must be signed and dated by the employee and the employee's supervisor (in ink or electronically) to certify the accuracy and approval of the reported time. To the extent the CONTRACTOR utilizes electronic timecards and time reports, the CONTRACTOR'S electronic time reporting system must also have sufficient controls to prevent unauthorized alteration/changes to electronic timecards and time reports.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals. Any automated personnel and payroll records which contain confidential information, such as, but not limited to, employee addresses and medical information, should be adequately encrypted using the minimum encryption standards described in Section A.3.2 to prevent unauthorized access and use.

Personnel and payroll records shall include, but are not limited to, the following:

- Employee's authorized salary rate
- Employee information sheet (e.g., employee contact information, emergency contact information)
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license(s))
- Performance evaluations
- Criminal record clearance (if required)

- Citizenship Status
- Benefit balances (e.g., sick time, vacation)
- Health Clearances (if required)

Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

3.3 Incentive Compensation

Incentive compensation paid to employees should be reasonable, based on a measurable performance metric (e.g., cost reduction, efficient performance, suggestion awards, safety awards), and in accordance with the CONTRACTOR'S established policy or agreement with employees. The CONTRACTOR must maintain documentation to support incentive compensation payments to employees.

3.4 Limitations on Positions and Salaries

The CONTRACTOR shall not pay any salaries higher than those authorized in the COUNTY Agreement or by the applicable funding source(s) (i.e., federal and State agencies).

If an employee serves in the same or dual capacities under more than one agreement or program, time charged to the contracts or programs taken as a whole may not exceed 100% of the employee's actual time worked.

Salaried employees shall be paid a salary that corresponds with the employee's work schedule. For example, a half-time salaried employee performing the same or similar work should be paid proportionately less than a full-time salaried employee.

Payroll expenditures for employees working on more than one Agreement, program, or activity must be equitably allocated in accordance with the applicable sections of the Uniform Guidance and any other applicable funding source(s) (i.e., federal and State agencies) requirements.

The CONTRACTOR must not charge the COUNTY for any retroactive salary adjustments made to any employee without written approval from the COUNTY.

3.5 Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll transactions, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, must be approved in writing by authorized persons independent of payroll responsibilities.

4.0 Capital Assets

Capital assets are tangible assets of significant value having a useful life that extends beyond the current year and are broadly classified as land, buildings and improvements, and equipment. All other assets with an acquisition cost of \$5,000 or more shall be capitalized.

Acquisition cost means the net invoice unit price of an item, including shipping costs and sales taxes, the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

Capital asset purchases shall be approved by the CONTRACTOR'S Board of Directors or their authorized representative.

Capital assets shall not be ordered or purchased during the last three months of the term of the CONTRACTOR'S Agreement with the COUNTY, unless the acquisition is pre-approved by the COUNTY.

4.1 Acquisition

As specified in the contract, CONTRACTOR must submit a purchase versus lease analysis to COUNTY and obtain written authorization before making any capital asset purchase where the acquisition cost is \$25,000 or more, and all, or a portion of the cost of the capital asset will be charged to the COUNTY contract.

4.2 Non-Capital Asset Equipment

Non-capital asset equipment is defined as equipment containing COUNTY non-public information, or equipment with a unit cost of more than \$250 but less than \$5,000, a useful life over one year, and can generally be easily carried or moved; especially by hand (e.g., personal computers, related peripherals, fax machines, and other portable assets).

4.3 Asset Identification and Inventory

All fixed assets including capital and non-capital asset equipment, purchased in full, or in part, with contract funds are to be used for the benefit of the contract and should be appropriately tagged.

Each CONTRACTOR must maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and source(s) of funding.

An inventory of all fixed assets must be conducted at least once every two years to ensure that all fixed assets are accounted for and maintained in proper working order. Documentation must be maintained to support the inventory conducted.

4.4 Depreciation and Use Allowance

Unless otherwise approved by the COUNTY, compensation for the use of buildings and other capital improvements may be made through depreciation, or a use allowance:

- The computation of depreciation/use allowance is based on the acquisition cost of the asset(s).
- The computation should exclude the cost of:
 - Land
 - Buildings and equipment donated by governmental agencies
 - Buildings and equipment contributed by the CONTRACTOR to satisfy funding matching requirements
- For depreciation, an appropriate useful life must be established for the asset(s), which considers factors such as the nature of the asset used, susceptibility to technological obsolescence, etc.
- Appendix B to IRS Publication 946, “How to Depreciate Property,” contains guidelines for establishing an asset’s useful life.
- A use allowance is computed as an annual rate that may not exceed an annual rate of two-percent of the acquisition cost if the asset is a building or improvement. A use allowance in excess of the ceiling percentage must be justified by the CONTRACTOR.

4.5 Rental Costs of Buildings and Equipment

Rental costs are allowable to the extent that the rates are reasonable considering rental costs of comparable property, market conditions in the area, condition of the property being leased, etc.

- Under a “sale and leaseback” arrangement, rental costs would be allowable up to the amount that would be allowed if the CONTRACTOR had continued to own the property. This amount generally includes expenditures such as depreciation, maintenance, taxes, and insurance.
- Under a “less-than-arms-length” lease, costs are only allowable up to the amount that would be allowable had title to the property vested in the CONTRACTOR. This amount generally includes expenditures such as depreciation, maintenance, taxes, and insurance.

4.6 Security

Physical security must be adequately maintained over fixed assets to prevent the misuse or theft of COUNTY property.

4.7 Property Management

The CONTRACTOR must assume responsibility and accountability for the maintenance of all fixed assets purchased, leased, or rented with contract funds.

The CONTRACTOR must maintain documentation to support all cases of theft, loss, damage, or destruction of fixed assets purchased with contract funds. The documentation shall, at a minimum, contain item identification, recorded value, facts relating to loss, and, where appropriate, a copy of the law enforcement report. In cases where the loss resulted from suspected criminal activity (e.g., theft, vandalism, arson), the incident must be reported to the local law enforcement agency with jurisdiction over the location of the suspected crime.

The supporting documentation, including a copy of any related crime/incident reports, must be retained by the CONTRACTOR for a period of time under which the underlying records were destroyed or damaged were required to be retained plus an additional three years, and shall be retained for a longer period in the case of unresolved litigation or audit.

The CONTRACTOR must promptly report in writing to the COUNTY, and provide copies of all relevant supporting documentation described above, all cases of theft, loss, damage, or destruction of:

- Fixed assets purchased with contract funds with an acquisition cost or aggregate costs of \$950 or more.
- Fixed assets that electronically stored, used, and/or transmitted COUNTY non-public information.

CONTRACTOR must dispose/return to the COUNTY all fixed assets in accordance with the Agreement.

5.0 Bonding – All officers, employees, and contractors who handle cash or have access to the CONTRACTOR’S funds (e.g., prepare checks) shall be bonded.

6.0 Investments – COUNTY program funds may not be utilized for investments where there is a risk of loss.

C. COST PRINCIPLES

1.0 Policy

It is the intent of the COUNTY to provide funds for the purpose of the CONTRACTOR to provide the services required by the Agreement. CONTRACTOR must use these funds on actual expenditures in an economical and efficient manner, and ensure they are reasonable, proper,

and necessary costs of providing services and allowable in accordance with the applicable sections of the Uniform Guidance and any other applicable funding source(s) (i.e., federal and State agencies) requirements.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR must comply with the Agreement and applicable sections of the Uniform Guidance and any other applicable funding source(s) (i.e., federal and State agencies). The Uniform Guidance defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of expenditures.

If a CONTRACTOR is unsure of the allowability of any particular type of expenditure, the CONTRACTOR should request advance written approval from the COUNTY prior to incurring the expenditure.

1.2 Expenditures Incurred Outside the Agreement Period

Expenditures charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination, or expiration date. Similarly, current period expenditures related to events or activities that occurred prior to the effective date of the Agreement may not be allowable. For example, legal costs incurred prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Agreement between CONTRACTOR and COUNTY are not allowable.

1.3 Budget Limitation

Expenditures must not exceed the maximum limits in the contract budget.

1.4 Unspent Program Funds

CONTRACTOR must return any unspent program funds to the COUNTY, unless otherwise permitted by the contract. In addition, the COUNTY will determine the disposition of unspent program funds upon termination of the Agreement.

1.5 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 Allocable Expenditures

For CONTRACTORS that operate programs or provide services in addition to the services required under contract, the CONTRACTOR must allocate expenditures to all benefiting programs, activities, and funding sources using an equitable basis. Unallowable activities (e.g., fundraising or investing) must also receive an appropriate allocation of costs.

In accordance with the applicable sections of the Uniform Guidance, CONTRACTORS must define their allocable expenditures as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible. ***Actual conditions must be taken into account when selecting the method and/or base to be used to allocate expenditures to ensure expenditures are allocated equitably to each benefiting program, activity, and funding source.***

The CONTRACTOR must maintain documentation for allocated expenditures (e.g., timecards, time summaries, calculation of full-time equivalents, square footage measurements).

Under no circumstances shall allocated expenditures be charged to an extent greater than 100% of actual expenditures or the same expenditure be charged both directly and indirectly.

2.1 Direct Costs

Unless otherwise set forth in this contract, or required by the funding source(s), direct costs are defined as those costs that can be identified specifically with a particular final cost objective (e.g., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on the employees' timecards and the payroll expenditures should be treated as direct charges and distributed on the basis of the actual recorded hours spent on each program or using another equitable basis based on actual conditions.

Shared costs (i.e., costs that benefit more than one program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating shared costs as direct costs:

- Number of direct hours spent on each program
- Full-time equivalents for each program
- Square footage occupied by each program
- Other relevant and equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or shared purposes and cannot be readily identified with a particular final cost objective. Examples of indirect costs include the salaries and benefits of executive officers and administrative personnel (e.g., accounting, human

resources, information technology), depreciation and use allowances for administrative buildings, and other costs related to the general administration of the organization. Only expenditures that are allowable in accordance with the applicable sections of the Uniform Guidance and any other applicable funding source(s) (i.e., federal and State agencies) shall be included as indirect costs and allocated to the COUNTY program(s).

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs, excluding unallowable costs that do not represent an activity of the CONTRACTOR (e.g., fines, penalties, bad debts), capital expenditures, and other distorting items such as significant one-time expenditures, or subcontractor payments

2.3 Acceptable Indirect Cost Allocation Methods

The Uniform Guidance describes the following allowable methods for allocating and charging indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate
- De minimis rate

CONTRACTOR must ensure the indirect cost allocation methodology chosen is clearly described in their Cost Allocation Plan and is used consistently to allocate indirect costs.

Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example:

Agency-wide indirect costs	\$250,000
Less: Capital Expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total Agency-wide direct salaries	\$1,000,000
Indirect cost rate ($\$240,000/\$1,000,000$)	24%
Program direct salaries	\$100,000
Program indirect costs ($24\% \times \$100,000$)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenditures are treated as direct costs. Shared costs, such as depreciation, facility and equipment rentals, facilities maintenance, telephone, and other similar expenditures, are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenditures, are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

Negotiated Indirect Cost Rates

CONTRACTORS have the option of negotiating an indirect cost rate or rates for use on all their federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency with the largest dollar value of Federal awards funded to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR must submit a copy of the approval letter to COUNTY upon request.

De Minimis Rate

A CONTRACTOR that does not have a current negotiated (including provisional) rate may elect to charge indirect costs based on a de minimis rate of 10% of modified total direct costs. If elected, this rate may be used indefinitely, but must be used consistently to charge indirect costs to all programs and activities.

Modified total direct costs includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). It excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$25,000.

2.4 Indirect Cost Limitations

CONTRACTOR must ensure indirect costs charged to the COUNTY program are within any maximum limitations established by statutory requirements. Any amounts charged in excess of maximum limitations will be disallowed upon audit unless otherwise allowed and approved by the applicable COUNTY, State, or federal agency.

2.5 Cost Allocation Plan

CONTRACTOR must submit an annual Agency-wide Cost Allocation Plan as required by the COUNTY agreement and when requested by COUNTY. The Cost Allocation Plan must be prepared in accordance with COUNTY instructions and the applicable sections of the Uniform Guidance, and include the following information:

1. CONTRACTOR general accounting policies:
 - Basis of accounting
 - Fiscal year
 - Method for allocating indirect costs (e.g., simplified, direct, multiple, negotiated rate, de minimis rate)
 - Indirect cost rate allocation base (e.g., direct salaries and wages, direct costs)
2. Identify the CONTRACTOR'S direct, shared, and indirect costs (by category) and describe the cost allocation methodology for each category.
3. Signature of CONTRACTOR management certifying the accuracy of the plan.

D. UNALLOWABLE COSTS

The Uniform Guidance addresses the allowability of a variety of costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions
- Contributions and donations
- Fines and penalties (e.g., including, but not limited to, NSF Check Fees, Traffic Citation Fees)
- Fundraising activities

F. GOVERNANCE

OVERVIEW

Large numbers of nonprofit corporations, organized for public benefit, receive public funds through contracts with Los Angeles County. Many County service contracts support key public initiatives, including protecting children, providing health care and foster employment, and reducing the effects of mental impairments and substance abuse.

Nonprofit organizations doing business with Los Angeles County must conduct their work in a manner consistent with their charitable mission and the public purposes embodied in County contracts. This demands that nonprofit agency governing boards be conscious of their fiduciary responsibilities in providing oversight and making decisions.

Directors, officers, and employees of nonprofit corporations with which Los Angeles County contracts shall not:

- Permit or benefit from self-dealing transactions (unless permitted by law), or unreasonable compensation
- Misuse or dissipate scarce public resources

1.0 Independence

It is recommend that Nonprofit agencies doing business with the County of Los Angeles have a governing board of at least 5 directors (however, under no circumstances shall a governing board have less than 3 directors), a majority of whom (1) have not been employed by the Nonprofit within 5 years before their election, (2) have no direct or indirect material financial interest in the organization, or any other relationship that could create a conflict of interest on the part of the director(s). A financial interest may exist for reasons of business, investment, or family relationship (including a director's brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law).

"Financial interest" means an actual or potential ownership, investment, or compensation arrangement in or with any entity or individual with which the

organization has, or is negotiating, a transaction or arrangement. The term "independent", when used to describe Directors who serve on the oversight committees described in paragraph 3.0 refers to persons meeting the requirements of this paragraph.

2.0 Oversight Mechanisms

An organization's governing board shall provide for its governance in accordance with the following:

- Adopt and disclose the organization's governance standards including director qualifications, responsibilities, and compensation.
- Adopt and disclose a code of business conduct and ethics for directors, officers, and employees, and promptly disclose to the County any waivers of the code affecting organization directors, officers, or employees.
- Be familiar with the terms and conditions of all the Organization's County contracts. No less than annually, the board should review the Organization's compliance with contract provisions, particularly including insurance, internal control, federal and State reporting and payment requirements for payroll withholding, and report deviations to the County oversight department.

An organization's governance guidelines and code of ethics shall provide means to annually distribute to and obtain from directors, officers and employees written acknowledgments of their adherence to the organization's governing standards. They must incorporate a mechanism for disclosing and addressing possible conflicts of interest. They must provide for appropriate record-keeping, particularly of transactions and arrangements required to be reviewed by the governing board and where significant organization resources are expended by or for officers, directors and employees.

An organization's governance guidelines and code of ethics shall provide for "just and reasonable" compensation and benefits consistent with the compensation amount or guidelines established in the Organization's contract(s) with the COUNTY. Compensation and benefits of directors, officers, and employees should be comparable to agencies of similar size and function (See Section B.3.3, "Limitations on Positions and Salaries"). No employee may receive compensation or benefits for more than one Organization job. For example, the CEO cannot receive compensation or benefits for the job of CEO and another job such as program manager, etc.

Nominating Committee

The Board shall establish a nominating committee composed entirely of independent directors to consider new appointments to the Board.

In no event shall employees, including, but not limited to the president, chief executive officer, the treasurer, or chief financial officer serve on the Audit Committee.

Annual Audit Duties:

- If the CONTRACTOR expends federal awards in excess of \$750,000 in a year, the Audit Committee will recommend an independent auditor to perform the annual single audit of the CONTRACTOR'S financial records. The audit must be performed in accordance with Generally Accepted Government Auditing Standards and comply with the Single Audit Act and Uniform Guidance.
- The Audit Committee must negotiate the independent auditor's compensation on behalf of the governing Board, oversee its work, and resolve disagreements between management and auditors regarding financial reporting.
- The Audit Committee must confer with the auditor to review the audit and decide whether to accept it, satisfy itself that the financial affairs of the nonprofit organization are in order, and ensure that the COUNTY receives a copy of the annual audit report and all other audits, reviews, and other third-party reports.

- Monitor and take steps to ensure proper management response to major performance or fiscal deficits, such as the expressed concerns or claims of major creditors.

Sole Source Justification

Domestic Violence Experts at the Child Protection Hotline
March 13, 2025-July 30, 2027

1. What is being requested?

The establishment of a sole source contract with Young Women's Christian Association (YWCA) of San Gabriel Valley (SGV) to continue to provide services through the Domestic Violence (DV) Experts at the Child Protection Hotline (CPH). The Office of Child Protection has agreed to provide Prevention funding for an additional two years (Fiscal Years 2025-2026 and 2026-2027).

The sole source is requested to complete the DV pilot. Once DCFS is able to secure funding, a competitive solicitation is expected to be released to procure DVE services for a new three to five-year contract term.

2. Why is the product needed – how will it be used?

DV Experts at the CPH addresses the challenges families impacted by DV face in accessing and utilizing prevention services through the continuation of the DV Experts at the CPH Project. Assessing, categorizing, linking, and servicing DV is a complex matter. This project has resulted in CPH Children's Social Workers (CSW) being better trained and equipped to perform their duties, which includes, ensuring proper identification and early intervention at the inception of the call to promote equitable results. This results in reduced reliance on the Department of Children and Family Services (DCFS), reduced long-term intervention by DCFS, increased involvement in DV specialized community services, decreased trauma of violence, and multi-generational impact for families involved. This project ensures that better assessments are made and that early linkage to appropriate services for families are made, creating better outcomes for families.

3. Is this brand of product the only one that meets the user's requirements?

The current contractor has been involved in an ongoing pilot program with DCFS since March 2023. The initial stages of the project included developing and administering training to DCFS CPH staff, which was completed in July 2024. Currently, DCFS is collecting data pertaining to the effectiveness of the program and DCFS believes it is important to continue with the current contractor to complete the data collection phase. This project is the first of its kind specifically developed to address DV in an effort to mitigate child safety issues. The DCFS CPH is making groundbreaking efforts to compile data regarding DV, which allows for the ability to analyze the community needs and trends. Great consideration was given in the development of this project to address inclusivity and ensure the community needs are met when concerning diversity. This project takes a proactive role in the onset of DV and makes efforts to eliminate the need for further DCFS intervention. This project has the potential to have long-term effects to combat generational DV and create safer communities. 4. Have other products or vendor been considered?

The DV Experts at the CPH contract with YWCA SGV has been in place since March 13, 2023. Since that time, CPH CSWs have been trained to conduct better assessments when receiving calls related to DV and thousands of families have been provided with available and appropriate services tailored to meet their needs. While there are other agencies who provide DV services in Los Angeles County, no other agency has worked so closely with the CPH and can provide the specific service and training developed in collaboration with YWCA SGV. Further current data collection efforts and an analysis of the program's overall efficacy are still in the infancy stage and cannot be fully analyzed without continuance of services with this agency.

5. Will purchase of this product avoid other costs?

Yes. Better trained CPH CSWs, early linkage to services for families impacted by DV, and extensive data collection will all result in a reduction of other costs. When better assessments are completed and families are promptly connected to services to meet their needs, the likelihood that children/youth will be placed in a Resource Family Home decreases as does the cost to the County at large.

6. Is this product proprietary or available from other dealers?

While the product is not proprietary to the YWCA SGV, the program is in its infancy stage of collecting invaluable data to determine trends and needs of the community and an overall evaluation of the program and efficacy. Through the next two years a more complete sample size for analysis will be completed and a more comprehensive analysis of the program can be done to determine potential work and additional deliverables to be released with a competitive solicitation. Continuing with this agency at this time will have the least negative impact on the current program momentum and more importantly will have the least negative impact on ensuring continuity of services to the families serviced.

7. Reasonableness of price. Does County obtain a percentage discount or special discount not available to the private sector.

8. What is the dollar value of the existing equipment?
