Briefly provide a description of the incident/event:	<p style="text-align: center;">Summary Corrective Action Plan 2023-159</p> <p><b>Details in this document summarize the incident. The information provided is a culmination of various sources to provide an abstract of the incident.</b></p> <p>Multiple investigative reports indicate on Wednesday, October 20, 2021, at approximately 0900 hours, an on-duty Los Angeles County Sheriff's Department Deputy Sheriff assigned to patrol at Palmdale Sheriff's Station was driving a marked black and white patrol vehicle southbound. As the Deputy Sheriff prepared to turn east into a parking lot, he was involved in a traffic collision.</p> <p>While driving, the Deputy Sheriff entered the two-way left turn lane to make a left turn into a parking lot. He waited for pedestrians to clear the driveway. The Deputy Sheriff noticed the Plaintiff's vehicle traveling northbound in the number one lane. When the Deputy Sheriff noticed the driveway was clear of pedestrians, he proceeded to make a left turn. He then realized the Plaintiff's vehicle was traveling faster than originally anticipated. The Deputy Sheriff stopped in the middle of the northbound number one lane to avoid a collision with the Plaintiff; however, the Plaintiff's vehicle collided with the patrol vehicle.</p> <p>The Deputy Sheriff, nor Plaintiff One indicated being injured at the time of the incident. A Deputy Sheriff who was seated in the front passenger seat of the patrol vehicle had minor injuries and declined medical treatment.</p> <p>Plaintiff Two, who was seated in the front passenger seat of the Plaintiff's vehicle, was injured. Plaintiff Two was transported to the hospital where she received medical treatment.</p> <p>A Los Angeles County Sheriff's Station supervisor was notified of the traffic collision and responded to the location to conduct a Supervisor's Report of Incident or Damage to County Vehicle investigation.</p> <p>A Deputy Sheriff from Palmdale Sheriff's Station responded to the location and authored a traffic collision report. He determined the cause of the traffic collision was the Deputy Sheriff's failure to yield to oncoming traffic when making a left turn, a violation of California Vehicle Code Section 21801(a).</p> <p>The Deputy Sheriff's vehicle sustained major damage to the passenger side front quarter panel and was towed from the scene.</p>

	<p>The Plaintiff's vehicle sustained major damage to the front bumper and passenger side fender and was towed from the scene.</p> <p><b>Deputy One's Statement is based on the traffic collision report:</b></p> <p>Deputy One stated he was travelling southbound as he entered the two-way turn lane. He came to a brief stop with the intent to make a left turn into a parking lot. As he began the turn, he collided with the Plaintiff.</p> <p>The Deputy Sheriff's passenger in the patrol vehicle saw the Plaintiff's vehicle was not stopping and told Deputy One to stop.</p>
