BUDG-1B.		Oppose	Ann Dorsey	Please decrease the Sheriff Department budget so more funds will go to programs such as Care First that keep us safer and help the community.
			Stephane Alcantar	Year after year the BOS votes to approve an inflated budget for the sheriff, while your constituents suffer from a lack of affordable housing, mental healthcare and public health services, public transportation, youth development, food instability, a ruptured infrastructure, and increasingly militarized policing that disproportionately harms poor people of color. People are suffering, and we need to stop investing in oppressive carceral systems, and invest in care first initiatives and programs. We need to fully fund CFCI/Measure J. Please oppose the sheriff's bloated budget request and fully fund CFCI.
			Stephen Brantley	I demand that the L.A. County Board of Supervisors oppose the Sheriff's bloated budget request and invest our taxpayer dollars toward investments that actually keep us safe—services that prevent and reduce harm and support our communities. Measure J must be fully implemented as it was intended!
