**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

57 April 1, 2025

EDWARD YEN  
EXECUTIVE OFFICER

Dear Supervisors:

**ISSUANCE AND SALE OF  
LOS ANGELES UNIFIED SCHOOL DISTRICT  
ELECTION OF 2024, GENERAL OBLIGATION BONDS, MEASURE US SERIES 2025  
Federally Tax-Exempt and Taxable  
(All Districts) (3 VOTES)**

**SUBJECT**

The Board of Education of the Los Angeles Unified School District (the "District") is requesting the County of Los Angeles (the "County") Board of Supervisors (the "Board") to authorize the issuance of general obligation bonds (the "Bonds") in one or more series from the District's Measure US authorization in an aggregate principal amount not-to-exceed \$700,000,000. The Bonds were authorized by a vote of the qualified electors in the District and will be issued to finance capital improvements to various school facilities authorized under Measure US. Repayment of the Bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

**IT IS RECOMMENDED THAT THE BOARD:**

Adopt the County Resolution (the "Resolution") authorizing the issuance and sale of the Los Angeles Unified School District (Los Angeles County, California) Election of 2024, General Obligation Bonds, Measure US Series 2025 in an aggregate principal amount not-to-exceed \$700,000,000.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Voters residing in the District approved ballot Measure US on November 5, 2024, authorizing the issuance of general obligation bonds in the maximum amount of \$9,000,000,000 to fund various school modernization and facilities improvement projects throughout the District. This transaction

will be the first issuance of Bonds under the Measure US authorization.

Pursuant to Section 15140 et seq. of the California Education Code, the Board is authorized to issue the Bonds on behalf of the District. The Bonds will be issued by the County in the name of and on behalf of the District pursuant to a resolution adopted by the Board of Education of the District requesting such borrowing.

**Implementation of Strategic Plan Goals**

The recommended action supports County North Star 2: Foster Vibrant and Resilient Communities, Focus Area F - Community Connections, Strategy 3 – School and Early Education Support.

**FISCAL IMPACT/FINANCING**

There will be no fiscal impact to the County.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Resolution provides for the issuance of the Bonds at an interest rate not to exceed the maximum interest rate permitted by State law. The final structure of the Bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the authorizing ballot measure. The term of the Bonds will not exceed twenty-five (25) years. The Bonds will be sold through a negotiated offering with participation by the Treasurer and Tax Collector in the pricing of the Bonds. The District has selected Raymond James and RBC Capital Markets as the senior managing underwriters, Best, Best, & Krieger, LLP as bond counsel and KNN Public Finance as the municipal advisor. The Treasurer and Tax Collector will appoint U.S. Bank National Association as the paying agent of the Bonds.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not Applicable.

**CONCLUSION**

Upon approval of this Resolution, it is requested that the Executive Officer-Clerk of the Board return two executed copies of the adopted Resolution to the Treasurer and Tax Collector.

The Honorable Board of Supervisors

The District Resolution further provides that the property taxes and amounts held in the Interest and Sinking Fund of the District shall be immediately subject to this pledge and grant, and this pledge and grant shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act.

The District Resolution provides that this pledge and grant is an agreement between the District and the owners of each series of Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in Measure US and not to finance the general purposes of the District. For the avoidance of doubt, in accordance with Section 15251 of the Education Code, such Bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for Measure US.

The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The District Resolution provides that certain officers of the District are authorized to apply for, or cause to be applied for, municipal bond insurance for the Bonds, and to execute and deliver a contract or contracts in order to obtain such insurance if doing so puts such Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis, and is deemed to be in the best interests of the District, such determination to be conclusively evidenced by the execution and delivery of such contract.

**Section 8. Redemption Provisions.** (a) *Optional Redemption.* The Bonds of each series or subseries may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Bonds of a series or subseries shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Bonds of a series or subseries, if any, are subject to such redemption and are called for redemption, such Bonds shall be redeemed as directed by the District (or as otherwise set forth in the Bond Purchase Agreement), and if less than all of the Bonds of any given maturity of a series or subseries are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot (or as otherwise set forth in the Bond Purchase Agreement).

(c) *Mandatory Sinking Fund Redemption.* The Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated

maturity dates, without a redemption premium, in part by lot or as otherwise directed by the District (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Bonds shall not be subject to mandatory sinking fund redemption. The County Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

(d) *Notice of Redemption.* Notice of any redemption of the Bonds of a series or subseries shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the series or subseries of Bonds and the date of issue of such series or subseries of Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of Bonds to be redeemed; (vi) if less than all of the Bonds of any maturity of a series or subseries are to be redeemed, the distinctive numbers of the Bonds of each maturity of such series or subseries to be redeemed; (vii) in the case of Bonds of a series or subseries redeemed in part only, the respective portions of the principal amount of the Bonds of each maturity of such series or subseries to be redeemed; (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed; (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice.* A certificate of the Paying Agent that the notice of redemption that has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Bonds called for redemption or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the related Interest and Sinking Fund or the trust fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the related Interest and Sinking Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of and premium, if any, and interest due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption.* Prior to or on the redemption date of any Bonds there shall be available in the related Interest and Sinking Fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of and premium, if any, and interest due on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the related Interest and Sinking Fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the related Interest and Sinking Fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the related Interest and Sinking Fund of the District or otherwise held in trust for the payment of redemption price of the Bonds, the monies shall be held in or returned or transferred to any Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Bonds of a series or subseries all or any part of the principal of and premium, if any, and interest on such Bonds at the times and in the manner provided herein and in such Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners of such Bonds shall cease to be entitled to the obligation of the District as provided in Section 7 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under such Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal of and premium, if any, and interest on such Bonds, but only out of monies on deposit in the related Interest and Sinking Fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Bonds of a series or subseries by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money and/or Defeasance Securities, in an amount which will,

together with the interest to accrue thereon and available monies then on deposit in the related Interest and Sinking Fund of the District, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, premium, if any, or interest on the Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to any Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

**Section 9. Paying Agent and Disbursement Agent.** (a) *Appointment; Payment of Fees and Expenses.* This Board of Supervisors hereby consents to and confirms the appointment of the County Treasurer or the County Treasurer's third-party designee to act as initial Paying Agent for the Bonds under this Resolution. The County Treasurer is authorized to contract with a third party to perform the services of Paying Agent hereunder. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the related Interest and Sinking Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the County Treasurer. If at any time the Paying Agent shall resign or be removed, the County Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the County Treasurer and the designated agents thereof or the successors or assigns thereof, acting in the capacity of Paying Agent, and any reference herein to the "principal corporate trust office" of the Paying Agent for purposes of transfer, registration, exchange, payment, and surrender of the Bonds shall initially mean the office of the County Treasurer or the principal corporate trust office of his designated agent bank or other office of his designated agent bank designated thereby for a particular purpose; provided, however, that in the event that "Paying Agent" shall refer to any successor paying agent, bond registrar, authenticating agent or transfer agent for the Bonds, "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(d) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or

cause to be registered or transferred on the Registration Books, Bonds as provided in Sections 10 and 11 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District or the County in a format mutually agreeable to the Paying Agent and the District and/or the County.

**Section 10. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.**

(a) Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for each series and subseries of Bonds and each series and subseries of Bonds shall be issued in book-entry form only, and shall be initially registered in the name of “Cede & Co.,” as nominee of DTC (“Cede & Co.”). One bond certificate shall be issued for each maturity of each series or subseries of Bonds; provided, however, that if different CUSIP numbers are assigned to Bonds of a series or subseries maturing in a single year or, if Bonds of a series or subseries maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 11 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a “substitute depository”); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Bond for each maturity of each series and subseries shall be executed and delivered (in the aggregate principal amount of such Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying

Agent, and registered in the names of such persons, as are requested in such written request of the District, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 11 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) In the case of partial redemption or an advance refunding of a series or subseries of Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Bonds of such series or subseries indicating the date and amounts of such reduction in principal.

(d) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(e) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

**Section 11. Transfer and Exchange.** (a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 10 hereof, any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 9(d) hereof, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5, a new Bond or Bonds of the same series, subseries, maturity, interest payment dates and interest rates for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the applicable series or subseries of Bonds for redemption, and (ii) after any Bond has been selected for redemption.

(b) *Exchange.* The Bonds may be exchanged for Bonds of other authorized denominations of the same series, subseries, term, maturity and interest payment dates and interest rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon

surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5, a new Bond or Bonds of the same series, subseries, term, maturity, interest payment date and interest rates for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Bonds for redemption, and (ii) after any Bond has been selected for redemption.

**Section 12. Sale of Bonds; Bond Purchase Agreement.** (a) *Sale of Bonds.* As requested and directed by the District, the County hereby authorizes the sale of any series of Bonds by negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with the underwriters designated by the Chief Financial Officer of the District as provided in the District Resolution; provided, however, that, in each case, (i) the interest rate or rates on any Bond shall not be in excess of 8.00% per annum, (ii) the true interest cost for each applicable series of Bonds shall not be in excess of 6.00%, (iii) the ratio of total debt service to principal of each series of Bonds shall not exceed four to one, (iv) the underwriters' shall not exceed 0.3% of the principal amount of the corresponding Bonds, and (v) the Bonds shall otherwise conform to the limitations specified herein.

(b) *Bond Purchase Agreement.* The form of Bond Purchase Agreement, attached hereto as Exhibit B, is hereby approved. The County Treasurer is hereby authorized, for and in the name of the County, to execute and deliver one or more Bond Purchase Agreements, as applicable, in the form presented to this meeting, with such changes, insertions and omissions as the County Treasurer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the Bond Purchase Agreement, as applicable, by the County Treasurer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. The Bond Purchase Agreement shall recite the aggregate principal amount of each series or subseries of Bonds, the date or dates thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any.

**Section 13. Deposit and Investment of Proceeds.** (a) *Deposit of Proceeds.* The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purposes of Measure US for which the Bonds are being issued. Any premium and accrued interest received shall be deposited upon receipt by the District in the applicable Interest and Sinking Fund of the District within the County treasury.

(b) *Investment of Proceeds.* All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, any investment authorized pursuant to Sections 53601 and 53635 of the California Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer, any Authorized District Officer may request the County Treasurer to invest funds held in an Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the Government Code, the Board of Education has found and determined that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds.

(c) *Excess Proceeds.* Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the applicable Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

**Section 14. Tax Covenant.** The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on Tax-Exempt Bonds under Section 103 of the Code, and that it will comply with the requirements of each Tax Certificate of the District with respect to a series of the Bonds comprising Tax-Exempt Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

**Section 15. Limited Responsibility for Official Statement.** Neither the Board of Supervisors nor any officer of the County has prepared or reviewed or will prepare or review the Official Statement of the District describing the Bonds, and this Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof provided, however, that solely with respect to a section contained or to be contained therein describing the County's current portfolio holdings, and valuation procedures, as they may relate to funds of the District, the County Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the Official Statement and in the preliminary Official Statement, and to certify to the District prior to or upon the issuance of each series of the Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

**Section 16.** **Approval of Actions.** The Chair, the Clerk, the County Auditor-Controller, the County Counsel, and the County Treasurer and the deputies and designees of any of them, are hereby authorized and directed to execute and deliver any and all certificates, representations and agreements, as may be acceptable to County Counsel, including signature certificates, no-litigation certificates, a costs administrator agreement, a paying agent agreement, and other certificates proposed to be distributed in connection with each sale of Bonds, necessary and desirable to accomplish the transactions authorized herein.

**Section 17.** **Severability.** In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**Section 18. Effective Date.** This Resolution shall take effect from and after its adoption.

The foregoing resolution was adopted on the 1st day of April, 2025, by the Board of Supervisors of the County of Los Angeles and *ex officio* the governing body of all other special assessment and taxing districts, agencies and authorities for which the Board so acts.

On behalf of the Los Angeles Unified School District, County of Los Angeles, State of California (herein called the “District”), the County of Los Angeles (the “County”) hereby acknowledges itself obligated to and promises to pay, but only from taxes collected by the County for such purpose pursuant to Section 15250 of the California Education Code, to the Registered Owner identified above or registered assigns (the “Registered Owner”), on the Maturity Date set forth above or upon prior redemption hereof, the Principal Amount specified above in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this Bond (unless this bond is authenticated as of a date during the period from the Record Date (as defined herein) next preceding any interest payment date to such interest payment date, inclusive, in which event it shall bear interest from such interest payment date, or unless this Bond is authenticated on or before June 15, 2025, in which event it shall bear interest from the date hereof); provided, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bonds, this Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding Bonds at the interest rate per annum stated above, payable commencing on [\_\_\_\_\_] 1, 20\_\_], and thereafter on January 1 and July 1 in each year, until payment of the principal amount hereof.

The principal hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of the paying agent/registrar and transfer agent of the District (the “Paying Agent”), initially U.S. Bank Trust Company, National Association, as the agent of the Treasurer and Tax Collector of the County of Los Angeles. The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the Registered Owner hereof as of the close of business on the 15<sup>th</sup> day of the month preceding an interest payment date (the “Record Date”), whether or not such day is a business day, such interest to be paid by check

or draft mailed to such Registered Owner at the owner's address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Bonds aggregating at least \$1,000,000 in principal amount, interest will be paid by wire transfer in immediately available funds to an account maintained in the United States as specified by the Registered Owner in such request. So long as Cede & Co. or its registered assigns shall be the Registered Owner of this Bond, payment shall be made in immediately available funds as provided in the Resolution hereinafter described.

This Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates, maturities and redemption provisions), in the aggregate principal amount of \$ [\_\_\_\_], and designated as "Los Angeles Unified School District (County of Los Angeles, California) Election of 2024, General Obligation Bonds, Series US (2025) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds)" (the "Bonds"). The Bonds were authorized by a vote of the voters voting at an election duly and legally called, held and conducted in the District on November 5, 2024. The Bonds are issued and sold by the Board of Supervisors of the County of Los Angeles, State of California (the "Board of Supervisors") pursuant to and in conformity with the provisions of the Constitution and laws of the State of California and of a Resolution adopted by the Board of Supervisors on April 1, 2025 (the "Resolution"). Capitalized undefined terms used herein have the meanings ascribed thereto in the Resolution.

The Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple thereof, provided that no Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same tenor and maturity of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations of the same tenor, interest payments, and same aggregate principal amount will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the District and the Paying Agent shall not be affected by any notice to the contrary.

The Bonds maturing on July 1, 20[\_\_\_], are not subject to optional redemption prior to maturity. The Bonds maturity on or after July 1, 20[\_\_\_], are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, from any legally available source of funds, on 20[\_\_\_], or on any date thereafter, at a price equal to 100% of the principal amount thereof, without premium. If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.

The Term Bonds maturing on July 1 in the years [\_\_\_\_] and [\_\_\_\_], are subject to mandatory sinking fund redemption by the District prior to their stated maturity, in part by lot, at a redemption price equal to the principal amount thereof to be redeemed, together with accrued interest to the date fixed for redemption, if any, without premium, solely from mandatory sinking fund payments in accordance with the schedules set forth below, but which amounts will be reduced proportionately by the principal amount of such Term Bond optionally redeemed.

If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.

All acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Bond have been done and performed in conformity with the laws authorizing the issuance of this Bond; and that this Bond is in substantially the form prescribed by order of the Board of Supervisors duly made and entered on its minutes. The Bonds represent an obligation of the District payable out of the related Interest and Sinking Fund of the District, and the money for the payment of principal hereof and premium, if any, and interest hereon, shall be raised by taxation upon the taxable property of the District.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”), to the Paying Agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

Ladies and Gentlemen:

The undersigned, [REPRESENTATIVES], acting on its own behalf and as representatives (the “Representatives”) of the Underwriters identified on the signature page hereof (collectively, the “Underwriters”), hereby offers to enter into this Bond Purchase Agreement (the “Bond Purchase Agreement”) with the County of Los Angeles, California (the “County”) and the Los Angeles Unified School District (the “District”), which, upon your acceptance hereof, will be binding upon the County, District and the Underwriters. By execution of this Bond Purchase Agreement, the County acknowledges the terms hereof and recognizes that it will be bound by certain of the provisions hereof, and to the extent binding on the County, acknowledges and agrees to such terms. This offer is made subject to the written acceptance of this Bond Purchase Agreement by the County and the District and delivery of such acceptance to us at or prior to 11:59 p.m., California time, on the date hereof.

**Section 1. Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties, and agreements herein set forth, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of \$[AMOUNT] aggregate principal amount of the District’s General

Obligation Bonds, Election of 2024, US Series A (2025) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the “Series A Bonds”). The Series A Bonds that mature on or after July 1, 20[26] are designated as the District’s “General Obligation Bonds, Election of 2024, US Series A-1 (2025) Federally Tax-Exempt (Dedicated Unlimited *Ad Valorem* Property Tax Bonds)” (the “Series A-1 Bonds”). The Series A Bonds that mature on or after July 1, 20[25] are designated as the District’s “General Obligation Bonds, Election of 2024, US Series A-2 (2025) Federally Taxable (Dedicated Unlimited *Ad Valorem* Property Tax Bonds)” (the “Series A-2 Bonds”). The Series A Bonds shall be dated the date of delivery thereof (the “Date of Delivery”) and shall be payable as to interest on each January 1 and July 1, commencing January 1, [2026]. The Underwriters shall purchase the Series A Bonds at a price of \$[PURCHASE PRICE] (the “Series A Bonds Purchase Price”) (which is equal to the principal amount of the Series A Bonds of \$[AMOUNT], [plus] [net] original issue premium of \$[PREMIUM], and less Underwriter’s discount of \$[UNDERWRITER’S DISCOUNT]). From the Series A Bonds Purchase Price for the Series A Bonds, the Underwriters shall withhold and hereby agree to wire on the Close Date (as defined below) \$[AMOUNT] to U.S. Bank Trust Company, National Association, as costs administrator, to pay the costs of issuance of the Series A Bonds as provided herein. Any authority, discretion, or other power conferred upon the Underwriters by this Bond Purchase Agreement shall be exercised by the Representatives alone.

Upon the terms and conditions and in reliance upon the representations, warranties, and agreements herein set forth, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of \$[AMOUNT] aggregate principal amount of the District’s General Obligation Bonds, Election of 2024, US Series B (2025) (Federally Taxable) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the “Series B Bonds,” and together with the Series A Bonds, the “Bonds”). The Series B Bonds shall be dated the date of delivery thereof (the “Date of Delivery”) and shall be payable as to interest on each January 1 and July 1, commencing [January 1, 2026]. The Underwriters shall purchase the Series B Bonds at a price of \$[PURCHASE PRICE] (the “Series B Bonds Purchase Price,” and together with the Series A Bonds Purchase Price, the “Purchase Price”) (which is equal to the principal amount of the Series B Bonds of \$[AMOUNT], [plus] [net] original issue premium of \$[PREMIUM], and less Underwriter’s discount of \$[UNDERWRITER’S DISCOUNT]). From the Series B Bonds Purchase Price for the Series B Bonds, the Underwriters shall withhold and hereby agree to wire on the Close Date (as defined below) \$[AMOUNT] to U.S. Bank Trust Company, National Association, as costs administrator, to pay the costs of issuance of the Series B Bonds as provided herein. Any authority, discretion, or other power conferred upon the Underwriters by this Bond Purchase Agreement shall be exercised by the Representatives alone.

The County and District acknowledge and agree that (a) the purchase and sale of the Bonds under this Bond Purchase Agreement is an arm’s-length commercial transaction between the County and District and the Underwriters; (b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principal and not as the agent or fiduciary of the County or District; (c) the Underwriters have not assumed a fiduciary responsibility in favor of the County or District with respect to (i) the offering of the Bonds or the process leading thereto (whether or not the Underwriters, or any affiliate of the Underwriters, has advised or is

currently advising the County or District on other matters); or (ii) any other obligation to the County and District except the obligations expressly set forth in this Bond Purchase Agreement; and (d) the County and District have consulted their own legal, financial and other advisors to the extent they have deemed appropriate in connection with this transaction. The County and District acknowledge that it has previously provided the Underwriters with an acknowledgement of receipt of the required Underwriters disclosure under Rule G-17 of the Municipal Securities Rulemaking Board (“MSRB”).

**Section 2. The Bonds.** The Bonds shall be dated their date of delivery, bear interest at the rates, and shall mature in the years and amounts as shown on Appendix A hereto, which is incorporated herein by this reference. The Bonds shall otherwise be as described in the Official Statement related to the Bonds (the “Official Statement”), and shall be issued and secured pursuant to the provisions of (i) Section 1(b)(3) of Article XIII A of the California Constitution and Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code, commencing with Section 15100 *et seq.* (collectively, the “Bond Law”), (ii) a Resolution of the Board of Education of the District (the “Board of Education”) adopted on [March 11, 2025] (the “District Resolution”), and (iii) a resolution of the Board of Supervisors of the County (the “Board of Supervisors”), adopted on [April 1, 2025], authorizing the issuance of the Bonds on behalf of the District and certain related documents and actions (the “County Resolution” and together with the District Resolution, the “Resolutions”). The Bonds were authorized under and pursuant to bond authorization approved by more than 55% of the voters of the District voting at elections held on November 5, 2024 (the “Measure”). The proceeds of the Series A Bonds will, after payment of costs of issuance therefor [and capitalized interest relating thereto], fund certain school projects authorized by the Measure. The proceeds of the Series B Bonds, after payment of costs of issuance therefore, will refund a portion of the District’s outstanding 2023 Certificates of Participation, Series A, which funded certain school projects authorized by the Measure. Certain provisions for the redemption of the Bonds, not otherwise specified in the Resolutions, are shown in Appendix A hereto and incorporated herein by reference, all as provided in the Resolutions. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Official Statement or, if not defined in the Official Statement, in the Resolutions.

Upon the written acceptance of this Bond Purchase Agreement by the County and the District, the Representatives, on behalf of the Underwriters, shall deliver, within twenty-four (24) hours of such acceptance, by federal funds wire transfer (to the County’s account at a bank having an office located in the State of California (the “State”) and having a demand account relationship with the County and payable in immediately available funds), for the account of the County, the amount of \$[Good Faith Deposit], as a good-faith deposit (“Good Faith Deposit”) for the performance by the Underwriters of their obligations to accept and pay for the Bonds at Closing (as defined herein) in accordance with the provisions of this Bond Purchase Agreement. Upon receipt, such amount shall be held by the County pending Closing (except as provided below), although the proceeds thereof may be invested by the County pending the Closing. At the Closing, the Underwriters shall pay or cause to be paid the Purchase Price of the Bonds, less the amount of such Good Faith Deposit, without accrued interest, and thereupon the County shall apply the amount of the Good Faith Deposit, to the payment of the balance of such Purchase Price. In the event of the County’s inability to deliver the Bonds at the Closing, or if the County or the District is unable to satisfy the conditions to the Underwriters’ obligations contained

herein (unless such conditions are waived by the Underwriters), or if the Underwriters' obligations shall be terminated for any reason permitted hereby, the County shall forthwith return the amount of the Good Faith Deposit, without accrued interest, to the Representatives immediately and, subject to Section 15 of this Bond Purchase Agreement, such return shall constitute a full release and discharge of all claims by the Underwriters against the County and the District arising out of the transactions contemplated by this Bond Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of the Good Faith Deposit, shall be retained and applied by the County and the District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the County and the District as a result of such failure.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Bond Purchase Agreement, the Bond Law and the Resolutions. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York; the Bonds shall initially be in authorized denominations of \$5,000 principal amount or any integral multiple thereof.

**Section 3. Use of Documents.** The District and the County hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, this Bond Purchase Agreement, the Preliminary Official Statement and the Official Statement, the Resolutions, the Continuing Disclosure Agreement (defined herein), and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Bond Purchase Agreement.

**Section 4. Public Offering of the Bonds; Establishment of Issue Price.**

(a) The Representatives, on behalf of the Underwriters, agree to make a bona fide initial public offering of all the Bonds at prices no higher than, or yields not lower than, those set forth on Exhibit A hereto. Subsequent to such initial public offering but subject to the provisions set forth below, the Underwriters reserve the right to lower such initial offering prices as the Underwriters deems necessary in connection with the marketing of the Bonds; provided, however, that the Underwriters shall not change the interest rates set forth in Exhibit A. Subject to the provisions set forth below, the Underwriters may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial public offering price or prices set forth on Exhibit A hereto. Subject to the provisions set forth below, the Underwriters also reserve the right to (i) over-allot or effect transactions which stabilize or maintain the market price of the Bonds at levels above those that might otherwise prevail in the open market and (ii) discontinue such stabilizing, if commenced, at any time without prior notice. The Representatives, on behalf of the Underwriters, agree to assist the District in establishing the issue price of the Series A-1 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Representatives, the District and Bond Counsel (as defined herein), to accurately

reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series A-1 Bonds. All actions to be taken by the District under this section to establish the issue price of the Series A-1 Bonds may be taken on behalf of the District by the District's municipal advisor, KNN Public Finance (the "Municipal Advisor"), and any notice or report to be provided to the District may be provided to the District's Municipal Advisor.

(b) Except as otherwise set forth in Appendix A attached hereto, the District will treat the first price (meaning single) at which 10% of each maturity of the Series A-1 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Bond Purchase Agreement, the Representatives shall report to the District the price or prices at which the Underwriters have sold to the public each maturity of the Series A-1 Bonds. If at that time the 10% test has not been satisfied, but is applicable, as to any maturity of the Series A-1 Bonds, the Representatives agree to promptly report to the District the prices at which it sells the unsold Series A-1 Bonds of that maturity to the public. Unless the hold-the-offering-price rule (described below) applies, that reporting obligation shall continue, whether or not the Closing Date (as defined herein) has occurred, until either (i) the Underwriters have sold all Series A-1 Bonds of that maturity or (ii) the 10% test has been satisfied as to the Series A-1 Bonds of that maturity, provided that, the Representatives' reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the District or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Representatives confirm that it has offered the Series A-1 Bonds to the public on or before the date of this Bond Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Appendix A attached hereto, except as otherwise set forth therein. Appendix A also sets forth, as of the date of this Bond Purchase Agreement, the maturities, if any, of the Series A-1 Bonds for which the Representatives represent that (A) the 10% test has been satisfied (assuming orders are confirmed by the end of the day immediately following the day of execution of this Bond Purchase Agreement) and (B) the 10% test has not been satisfied and for which the District and the Representatives agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series A-1 Bonds, the Underwriters will neither offer nor sell unsold Series A-1 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriters have sold at least 10% of that maturity of the Series A-1 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriters will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series A-1 Bonds

to the public at a price that is no higher than the initial offering price to the public. [The District acknowledges that, in making the representation set forth in this subsection, the Representatives will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Series A-1 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Series A-1 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series A-1 Bonds.]

(d) The Representatives confirm that:

(i) Any agreement among underwriters, selling group agreement and any third-party distribution agreement (to which the Representatives are a party) relating to the initial sale of the Series A-1 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (1) to report the prices at which it sells to the public the unsold Series A-1 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series A-1 Bonds of that maturity allocated to it have been sold or it is notified by the Representatives that the 10% test has been satisfied as to the Series A-1 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Representatives, and (2) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Representatives,

(B) to promptly notify the Representatives of any sales of Series A-1 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series A-1 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the Underwriters, dealer or broker-dealer, the Representatives shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) Any agreement among underwriters or selling group agreement relating to the initial sale of the Series A-1 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series A-1 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series A-1 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series A-1 Bonds of that maturity allocated to it have been sold or it is notified by the Representatives or Underwriters that the 10% test has been satisfied as to the Series A-1 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Representatives or Underwriters, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Representatives or the Underwriters and as set forth in the related pricing wires.

(e) The Underwriters acknowledge that sales of any Series A-1 Bonds to any person that is a related party to an underwriter participating in the initial sale of the Series A-1 Bonds to the public (each such terms being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party;

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series A-1 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series A-1 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series A-1 Bonds to the public);

(iii) a purchaser of any of the Series A-1 Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(iv) “sale date” means the date of execution of this Bond Purchase Agreement by all parties.

**Section 5. Review of Official Statement.** The Underwriters hereby represent that they have received and reviewed the Preliminary Official Statement with respect to the Bonds, dated

[DATE] (the “Preliminary Official Statement”). The District represents that it has duly authorized and prepared the Preliminary Official Statement for use by the Underwriters in connection with the sale of the Bonds, and that it has deemed the Preliminary Official Statement to be final, except for either revision or addition of the offering price(s), interest rate(s), yield(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating, redemption provisions and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the “Rule”).

The Underwriters agree that prior to the time the final Official Statement relating to the Bonds is available, the Underwriters will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first-class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

The Underwriters hereby represents that it will provide, consistent with the requirements of MSRB Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Bonds during the underwriting period (as such term is defined in MSRB Rule G-11), and deliver a copy of the Official Statement to the MSRB in electronic format as prescribed by the MSRB on or before the Closing Date, and that it will otherwise comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and G-36 and the Rule.

**Section 6. Closing.** At 8:30 a.m., California time, on [CLOSING DATE] or at such other time or on such other date as shall have been mutually agreed upon by the parties hereto (the “Closing”), the District will direct U.S. Bank Trust Company, National Association, as agent to the Treasurer and Tax Collector of the County (the “Treasurer”), as paying agent for the Bonds (the “Paying Agent”) to deliver to the Underwriters, through the facilities of The Depository Trust Company (“DTC”), or at such other place as the District and the Underwriters may mutually agree upon, the Bonds duly executed and in fully registered, book-entry form, and will cause the other documents hereinafter mentioned to be delivered at the offices of Best Best & Krieger LLP (“Bond Counsel”), in Riverside, California.

Upon fulfillment of all conditions to Closing herein, the Underwriters will accept such delivery and pay the Purchase Price thereof in immediately available funds by wire transfer to the order of the County and U.S. Bank Trust Company, National Association, as cost administrator, as provided by Section 1 hereof, less the Good Faith Deposit, as provided by Section 2 hereof.

**Section 7. Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriters that:

(a) ***Due Organization.*** The District is a unified school district duly organized and validly existing under the laws of the State of California (the “State”), with full legal power to issue the Bonds pursuant to the Bond Law.

(b) **Due Authorization.** At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to execute and deliver this Bond Purchase Agreement and the Continuing Disclosure Certificate, to adopt the District Resolution, to issue and to deliver the Bonds, and to perform its obligations under each such document or instrument (collectively, the “District Documents”), and to carry out and effectuate the transactions contemplated by the District Documents; (iii) the execution and delivery or adoption of, and the performance by the District of its obligations contained in, the Bonds and the other District Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Bond Purchase Agreement constitutes, and each of the Bonds, when issued, authenticated, delivered and sold to the Underwriters as provided herein, and each of the other District Documents, when duly executed and delivered, will constitute, a valid and legally binding obligation of the District, enforceable against the District in accordance with its terms; and (v) the District has duly authorized the consummation by it of all transactions contemplated by the District Documents.

(c) **Consents.** No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) **Internal Revenue Code.** The District has complied with the Internal Revenue Code of 1986, as amended, with respect to the Bonds.

(e) **No Conflicts.** To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the District Documents and the Bonds, and the compliance with the provisions hereof and thereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(f) **Litigation.** As of the time of acceptance hereof, to the best knowledge of the District, no action, suit, proceeding, hearing or investigation is pending for which the District has been served or threatened in writing against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or of the titles of the officials of the District to such offices; or (ii) seeking to prohibit, restrain or enjoin the sale, issuance or delivery of any of the Bonds, or the application of the proceeds of the sale of the Bonds, or the collection or

levy of taxes contemplated by the Resolutions and available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds or the District Documents or contesting the powers of the District or its authority with respect to the Bonds or the District Documents or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement; or (iii) in which a final adverse decision could (A) materially adversely affect the operations or financial condition of the District or the consummation of the transactions contemplated by the District Documents, (B) declare this Bond Purchase Agreement to be invalid or unenforceable in whole or in material part, or (C) adversely affect the exclusion of the interest paid on the Series A-1 Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(g) **No Other Debt.** Between the date hereof and the Closing, without the prior written consent of the Representatives, neither the District directly nor any other governmental agency or other body on behalf of the District will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(h) **Interim Financial Report.** The District has not received a qualified or negative certification in its most recent interim report pursuant to Section 42130 *et seq.* of the California Education Code.

(i) **Certificates.** Any certificates signed by any officer of the District and delivered to the Underwriters shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same, as to the statements made therein.

(j) **Continuing Disclosure.** At or prior to the Closing, the District shall have duly authorized, executed and delivered a continuing disclosure agreement (the "Continuing Disclosure Agreement"). The Continuing Disclosure Agreement shall comply with the provisions of the Rule and be substantially in the form attached to the Preliminary Official Statement and Official Statement in Appendix [E]. Except as otherwise described in the Official Statement, the District has not failed during the previous five years to comply in all material respects with any previous undertakings in a written continuing disclosure certificate or agreement under the Rule.

(k) **Official Statement Accurate and Complete.** The Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the date hereof and on the date of Closing (the "Closing Date"), the Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended pursuant to paragraph (f) of Section 9 of this Bond Purchase

Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the Closing Date of the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

(l) ***Financial Statements of District.*** The audited financial statements of, and other financial information regarding, the District contained in the Preliminary Official Statement and final Official Statement fairly present the financial position and results of operations of the District as of the dates and for the periods therein set forth.

(m) ***Levy of Tax.*** The District has taken or will take any and all actions as may be required by the County of Los Angeles (the “County”) or otherwise necessary in order to arrange for the levy and collection of taxes, payment of the Bonds, and the deposit and investment of taxes so collected. In particular, the District hereby agrees to provide to the County Auditor and County Treasurer-Tax Collector a copy of the District Resolution, a copy of Appendix A hereto, and the full debt service schedule for the Bonds.

**Section 8. Representations, Warranties and Agreements of the County.** The County hereby represents, warrants and agrees with the Underwriters that:

(a) The County has the power under the laws of the State to issue the Bonds pursuant to the Bond Law.

(b) (i) At or prior to the Closing, the County will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the County has full legal right, power and authority to execute and deliver this Bond Purchase Agreement, to adopt the County Resolution, to issue and deliver the Bonds to the Underwriters on behalf of the District and to perform its obligations under each such document or instrument (collectively, the “County Documents”), and to carry out and effectuate the transactions contemplated by the County Documents; (iii) the execution and delivery or adoption of, and the performance by the County of its obligations contained in, the Bonds and the other County Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Bond Purchase Agreement constitutes, and each of the other County Documents, when duly executed and delivered in accordance with the County Resolution, will constitute, a valid and legally binding obligation of the County, enforceable against the County in accordance with its terms; and (v) the County has duly authorized the consummation by it of all transactions contemplated by the County Documents.

(c) No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities

laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; provided, however, that the County shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) To the best knowledge of the County, the County is not in breach of or default under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a party or to which the County or any of its property or assets is otherwise subject, which breach or default would materially adversely affect the County's ability to enter into or perform its obligations under this Bond Purchase Agreement.

(e) To the best knowledge of the County, the issuance of the Bonds, the adoption, execution, delivery and performance of the County Documents, and the compliance with the provisions of the County Documents do not conflict with or result in on the part of the County a violation or breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a party or to which the County or any of its property or assets is otherwise subject, where such conflict, violation, breach or default, individually or in the aggregate, shall result in a material adverse change to the County that materially and adversely affects the ability of the Underwriters to market the Bonds or enforce contracts of sale on the Bonds.

(f) As of the time of acceptance hereof, except as will be provided in the Official Statement, to the best knowledge of the County, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the County) or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the County Resolution, or in any way contesting or affecting the validity or enforceability of the Bonds or the County Documents or contesting the powers of the County or its authority with respect to the Bonds or the County Documents; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by the County Documents or the Bonds or (b) declare the County Documents or the Bonds to be invalid or unenforceable in whole or in material part.

(g) Between the date hereof and the Closing, without the prior written consent of the Underwriters, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(h) Any certificates signed by any officer of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters, but not by the person signing the same in such person's individual capacity, as to the statements made therein.

**Section 9. Covenants of the County and the District.** The County and District respectively covenant and agree with the Underwriters that:

(a) **Securities Laws.** The County and District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions; provided, however, that the County and the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

Board of Education Report

In Control: Business & Finance Division

**ADOPTED**

Agenda Date: 3/11/2025

**Authorization of a Resolution of the Board of Education Approving the Sale and Issuance of Not-to-Exceed \$700,000,000 of General Obligation Bonds and the Forms of the Documents Necessary for the Issuance of such Bonds**

Business & Finance Division

**Brief Description:**

(Authorization of a Resolution of the Board of Education Approving the Sale and Issuance of Not-to-Exceed \$700,000,000 of General Obligation Bonds and the Forms of the Documents Necessary for the Issuance of such Bonds) Recommends approval for the issuance of up to \$700 million in General Obligation under Measure US to fund capital projects and refinance 2023 COPs, reducing general fund debt service. The bonds will be sold via a negotiated method in Spring 2025 and repaid through ad valorem property taxes, not district funds. This issuance aims to enhance facilities, IT infrastructure, and equity in project funding.

**Action Proposed:**

- Approve the attached Resolution for General Obligation Bonds (the “General Obligation Bonds Resolution”) (Attachment A) in connection with the issuance of the General Obligation Bonds (the “GO Bonds”) which will:
- Authorize the issuance of not to exceed \$700,000,000 of aggregate GO Bonds under Measure US;
  - Approve the forms of documents necessary for the issuance of the GO Bonds, including a Bond Purchase Agreement, a Continuing Disclosure Certificate, and Escrow Agreement for the 2023 COPs (defined below) to be refunded, and an Official Statement (Attachments C - G);
  - Approve the refunding of a portion of the 2023 COPs (defined below);
  - Authorize the sale of the GO Bonds by negotiated method of sale in light of current market conditions, the District’s declining enrollment and budget uncertainty, the debt structuring flexibility afforded by this method, and the ability to include a retail order period and meaningful roles for underwriting firms of various sizes; and
  - Approve and direct certain actions to be taken in connection with the issuance of the GO Bonds.

**Background:**

This Board Report seeks Board approval of the General Obligation Bonds Resolution, which is a resolution that authorizes the issuance of up to \$700,000,000 of GO Bonds under Measure US to finance and refinance projects authorized under Measure US and the form of documents necessary to issue the GO Bonds. In addition to financing new capital projects, a portion of the GO Bonds will be issued to refund a portion of the District’s 2023 Certificates of Participation attributable to Measure US projects (the “2023 COPs”). The General Obligation Bonds Resolution authorizes the Chief Financial Officer, Deputy Chief Financial Officer, Controller, and Director of Capital Planning and Budgeting to effect the issuance of the GO Bonds and carry out all necessary acts related to the transaction or transactions. In addition, consistent with the District’s practice for prior GO Bonds, the General Obligation Bonds Resolution provides for a request to the Board of Supervisors of the County to adopt a corresponding resolution providing for the issuance of the GO Bonds pursuant to the Education Code. The GO Bonds are currently expected to be sold in Spring 2025.

**Agenda Date:** 3/11/2025

**In Control:** Business & Finance Division

The portion of GO Bonds issued to refund the 2023 COPs will be issued on a taxable basis due to the restrictions of federal tax law. As a result, the General Obligation Bonds Resolution provides the flexibility to issue the GO Bonds on either a tax-exempt or taxable basis, in one or more series.

Based on the District's Debt Management Policy, as determined by the Office of the Chief Financial Officer, the General Obligation Bonds Resolution also authorizes the sale of the GO Bonds through the negotiated method of sale in light of current market conditions, the District's declining enrollment and budget uncertainty, the debt structuring flexibility provided, and the ability to include a retail order period and provide meaningful roles for underwriting firms of various sizes. Finance, in accordance with the procedures established in the Debt Management Policy, has completed the process of selecting certain members of the financing team from the respective legal counsel and municipal advisor benches. The financing team for the upcoming transaction will include Best Best & Krieger LLP, as Bond Counsel and Disclosure Counsel, and KNN Public Finance, LLC, as Municipal Advisor. In addition, U.S. Bank Trust Company, National Association will serve as agent of the County Treasurer, as Paying Agent. The Chief Financial Officer shall designate the underwriters and their roles as senior manager(s), co-senior manager(s), and co-managers, in accordance with the Debt Management Policy.

In compliance with Government Code Section 5852.1 and Education Code Section 15146, the Board of Education has obtained from KNN Public Finance, LLC, as the District's Municipal Advisor, the required costs of issuance and good faith estimates, and such estimates are disclosed in Exhibit A of the General Obligation Bonds Resolution.

The GO Bonds are general obligation bonds of the District secured by and payable from *ad valorem* property taxes to be levied within the jurisdiction of the District pursuant to the California Constitution and State law and as authorized by voters within the District pursuant to Measure US.

**Expected Outcomes:**

Approval of the issuance of the GO Bonds will enable the District to enter the market to finance approved capital projects.

**Board Options and Consequences:**

Should the Board not approve this item, staff will not be authorized to proceed with the issuance of GO Bonds to finance approved capital projects.

**Policy Implications:**

This action is in compliance with the relevant criteria set forth in Article 1, Article 3 Section 3.02, and Article 4 Section 4.12 of the Debt Management Policy.

**Budget Impact:**

Because a portion of the issuance of GO Bonds will refund a large portion (approximately 59.5%) of the 2023 COPs, the District's general fund will be relieved of a large portion of the debt service for the 2023 COPs. The identified projects will be funded with proceeds of the 2023 COPs and refinanced with bond proceeds, and debt service will be repaid by *ad valorem* property tax revenues, not the District's general fund revenues.

**Student Impact:**

The issuance of the GO Bonds will improve the District's capital facilities and information technology resources for the benefit of the students.

**Equity Impact:**

Component	Score	Score Rationale
Recognition	4	The proceeds from the GO Bond transaction will be used to fund identified capital projects within the District, which include areas that have had historical inequities.
Resource Prioritization	4	GO Bond proceeds will be allocated to fund identified capital projects that specifically address student needs.
Results	4	Since proceeds from the GO Bond issuance will be used for capital projects designed to modernize and elevate student experience within communities that have experienced historical inequities, it should result in closing opportunity and achievement gaps.
<b>TOTAL</b>	<b>12</b>	

**Issues and Analysis:**

Based on current market conditions, the District expects to sell the GO Bonds in Spring 2025 to finance and refinance the identified projects.

(d) *Interest.* The Bonds shall bear interest at an interest rate or rates not to exceed 8.00% per annum, payable on the Interest Payment Dates in each year computed on the basis of a 360-day year of twelve 30-day months (or on such other basis as shall be set forth in the Bond Purchase Agreement). Each Bond shall bear interest from the Interest Payment Date for such Bond next preceding the date of authentication thereof, unless it is authenticated as of a date during the period from the Record Date next preceding an Interest Payment Date for such Bond to such Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date for such Bond, in which event it shall bear interest from its dated date; provided, however, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bonds of such series or subseries, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on the outstanding Bonds of such series or subseries. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to redeem the Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due.

(b) *Interest and Sinking Fund.* Principal, redemption premium, if any, and interest due on Bonds shall be paid from the Interest and Sinking Fund of the District established for such Bonds as provided in Section 15146 of the Education Code. The tax levied is levied specifically for the purpose of paying Bonds of Measure US Authorization issued to finance the projects specified in the Measure US Authorization and for no other purpose.

(c) *Obligation of the District.* No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The obligation for repayment of the Bonds is the sole obligation of the District.

(d) *Pledge of Taxes.* The District hereby pledges, and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to Measure US Authorization for payment of Bonds issued under such measure and all amounts on deposit in any Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on such Bonds. This pledge and grant shall be valid and binding

from the date hereof for the benefit of the owners of such Bonds and successors thereto. The property taxes and amounts held in each Interest and Sinking Fund of the District shall be immediately subject to this pledge and grant, and this pledge and grant shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act.

This pledge and grant is an agreement between the District and the owners of each series of Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the Measure US Authorization and not to finance the general purposes of the District. For the avoidance of doubt, in accordance with Section 15251 of the Education Code, such Bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the Measure US Authorization.

(e) *Insurance.* The payment of principal of and interest on all or a portion of any series of Bonds may be secured by a municipal bond insurance policy as shall be described in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized to apply for, or cause to be applied for, municipal bond insurance for each series of Bonds and to execute and deliver a contract or contracts in order to obtain such insurance if doing so puts such series of Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis, and is deemed to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract.

(f) *Designation of Paying Agent.* The County Treasurer is designated to act as the initial Paying Agent. The County Treasurer is authorized to enter into a contract with a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets, to perform the services of the Paying Agent. If at any time the County Treasurer shall resign or be removed as the Paying Agent, the Authorized Officers are authorized, with the prior consent of the County Treasurer, to appoint any successor Paying Agent. If no successor Paying Agent is appointed by an Authorized Officer in a timely manner, the County Treasurer shall appoint a successor Paying Agent without further action by any Authorized Officer. The successor Paying Agent shall be a bank or trust company doing business in and having a corporate trust office in the County, with at least \$100,000,000 in net assets.

**Section 6. Redemption.** (a) *Optional Redemption.* The Bonds of each series or subseries may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Bonds of a series or subseries shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Bonds of a series or subseries, if any, are subject to such redemption and are called for redemption, such Bonds shall be redeemed as directed by the District (or as otherwise set forth in the Bond Purchase Agreement), and if less than all of the Bonds of any given maturity of a series or subseries are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent (or as otherwise set forth in the Bond Purchase Agreement).

(c) *Mandatory Sinking Fund Redemption.* The Bonds of a series or subseries, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot or as otherwise directed by the District (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity of a series or subseries shall be reduced proportionately or as otherwise directed by the District by the amount of any Bonds of that maturity and series or subseries redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date (or as otherwise set forth in the Bond Purchase Agreement). The Bond Purchase Agreement may provide that the Bonds of a series or subseries shall not be subject to mandatory sinking fund redemption. The Board of Supervisors is hereby requested to authorize the County Auditor-Controller to create such sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

(d) *Notice of Redemption.* Notice of any redemption of the Bonds of a series or subseries shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the series or subseries of Bonds and the date of issue of such series or subseries of Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of Bonds to be redeemed; (vi) if less than all of the Bonds of any maturity of a series or subseries are to be redeemed, the distinctive numbers of the Bonds of each maturity of such series or subseries to be redeemed; (vii) in the case of Bonds of a series or subseries redeemed in part only, the respective portions of the principal amount of the Bonds of each maturity of such series or subseries to be redeemed; (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed; (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice

shall affect the sufficiency of the proceedings for the redemption of the Bonds called for redemption or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the related interest and sinking fund or the trust fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the related interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of and premium, if any, and interest due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption.* Prior to or on the redemption date of any Bonds there shall be available in the related interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of and premium, if any, and interest due on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the related interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the related interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the related interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Bonds, the monies shall be held in or returned or transferred to any interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Bonds of a Series all or any part of the principal of and premium, if any, and interest on such Bonds at the times and in the manner provided herein and in such Bonds, or as provided in the following paragraph, or as otherwise

provided by law consistent herewith, then such Owners of such Bonds shall cease to be entitled to the obligation of the District as provided in Section 10 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under such Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal of and premium, if any, and interest on such Bonds, but only out of monies on deposit in the related interest and sinking fund of the District or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Bonds of a Series by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money and/or Defeasance Securities, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the related interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal and interest) at or before their respective maturity dates.

The term "Defeasance Securities" means (a) non-callable direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations; provided that investments in such proportionate interests must be limited to circumstances wherein (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; (b) non-callable obligations of government sponsored agencies that are rated in one of the two highest rating categories assigned by S&P (defined herein) or Moody's (defined herein) but are not guaranteed by a pledge of the full faith and credit of the United States of America; and (c) Advance Refunded Municipal Securities.

The term "Advance Refunded Municipal Securities" means any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local government unit of any such state (a) which are not callable prior to maturity or as to which irrevocable instructions have been given to the trustee, fiscal agent or other fiduciary for such bonds or other obligations by the obligor to give due notice of redemption and to call such bonds or other obligations for redemption on the date or dates specified in such instructions, (b) which are secured as to principal, premium, if any, and interest by a fund consisting only of cash, direct U.S. or U.S. guaranteed obligations, or any combination thereof, which fund may be applied only to the payment of such principal, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or the redemption date or dates specified in the irrevocable instructions referred to in clause (a) above, as appropriate, and (c) as to which the principal of and premium, if any, and interest on the bonds and obligations of the character described in clause (a) above which have been deposited in such fund, along with any cash on deposit in such fund, have been verified by an independent certified public accountant as being sufficient to pay principal of and premium, if any, and interest on such bonds or other obligations on the maturity date or dates

thereof or on the redemption date or dates specified in the irrevocable instructions referred to in clause (a) above, as applicable.

The term "Moody's" means Moody's Investors Service, Inc., a corporation duly organized and existing under the laws of the State of Delaware, and its successors and assigns, except that if such entity shall be dissolved or liquidated or shall no longer perform the functions of a securities rating agency, then the term "Moody's" shall be deemed to refer to any other nationally recognized securities rating agency selected by the District.

The term "S&P" means Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business duly organized and existing under the laws of the State of New York, and its successors and assigns, except that if such entity shall be dissolved or liquidated or shall no longer perform the functions of a securities rating agency, then the term "S&P" shall be deemed to refer to any other nationally recognized securities rating agency selected by the District.

(g) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of and premium, if any, and interest on a Series of Bonds and remaining unclaimed for two years after the principal of all of such Series of Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

#### **Section 7. Sale of the Bonds.**

(a) *Method of Sale.* This Board of Education deems it necessary and desirable considering among other factors, current volatile market conditions, debt structuring flexibility, the District's declining enrollment and budget uncertainty, the ability to include a retail order period to garner additional investor interest, and the ability to provide meaningful roles for underwriting firms of various sizes, and requests the County to authorize and provide for the sale of each series or subseries of Bonds by negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with the underwriters selected as herein provided; provided, however, that, in each case, (i) the interest rate on any Bond shall not be in excess of 8.00% per annum, (ii) the true interest cost for each applicable series of Bonds shall not be in excess of 6.00%, (iii) the ratio of total debt service to principal of each series of Bonds shall not exceed four to one, (iv) the underwriters' compensation shall not exceed 0.3% of the principal amount of the corresponding Bonds, and (v) the Bonds shall otherwise conform to the limitations specified herein. The Chief Financial Officer shall designate which underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the District's Debt Management Policy.

(b) *Costs of Issuance and Good Faith Estimates.* In accordance with Section 5852.1 of the Government Code and Section 15146(b)(1)(D) of the Education Code, estimates of the costs of issuance and good faith estimates of the following have been obtained from the Municipal Advisor and are set forth on Exhibit A attached hereto: (i) the true interest cost of the Bonds, (ii) the sum of all fees and charges paid to third parties with respect to the Bonds, (iii) the amount of proceeds of the Bonds expected to be received net of the fees and charges paid to third parties and any reserves

or capitalized interest paid or funded with proceeds of the Bonds, and (iv) the sum total of all debt service payments on the Bonds calculated to the final maturity of the Bonds plus the fees and charges paid to third parties not paid with the proceeds of the Bonds. In accordance with Section 15146(d) of the Education Code, the actual costs associated with each issuance of a series of Bonds shall be presented to this Board of Education at its next scheduled public meeting following the sale of a series of Bonds.

(c) *Cost of Issuance.* In accordance with Section 15146(h) of the Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth in Section 5 hereof, as cost of issuance administrator, proceeds of sale of the Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Bonds sold, as shall be set forth in the Bond Purchase Agreement for the purposes of paying the costs associated with the issuance of the Bonds.

**Section 8. Bond Purchase Agreement.** The form of Bond Purchase Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the Bond Purchase Agreement by such Authorized Officer; provided that the terms of the applicable series or subseries of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. The Board of Supervisors of the County is hereby requested to cause each Bond Purchase Agreement to be executed and delivered by the County, as is determined by the District and the County Treasurer to be in the best interest of the District, subject to such changes, insertions and omissions as may be acceptable to the District and to the Board of Supervisors or the County officer to whom execution of the Bond Purchase Agreement is delegated.

**Section 9. Continuing Disclosure Certificate.** The form of Continuing Disclosure Certificate, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. Any Authorized Officer is hereby authorized on behalf of the District to execute one or more Continuing Disclosure Certificates with respect to the Bonds in substantially the form on file with the Board of Education, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

**Section 10. Authorization of Preliminary Official Statement and Official Statement.**  
 (a) *Preliminary Official Statement.* The form of the Preliminary Official Statement relating to the initial issue of Bonds to be publicly offered submitted to and on file with the Executive Officer of this Board of Education, with any such changes as any Authorized Officer acting singly may approve, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of such Bonds is hereby authorized and approved. The Authorized Officers

are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). If it is necessary to make substantial changes to the Preliminary Official Statement hereby approved, this Board of Education shall review a revised draft of such Preliminary Official Statement with accompanying directions and instructions to members of this Board of Education to review such revised Preliminary Official Statement. For subsequent series of Bonds publicly offered, the preparation of a Preliminary Official Statement with respect to each such subsequent series of Bonds, similar in form and content to the Preliminary Official Statement relating to the first series of Bonds with such changes as shall be deemed necessary, is hereby authorized and approved, and the certification of its finality within the meaning of Rule 15c2-12 by an Authorized Officer and its use in connection with the offering and sale of each such subsequent series of Bonds, are also hereby authorized, following the distribution to this Board of Education of a substantially complete draft of a Preliminary Official Statement relating to such series of Bonds with accompanying directions and instructions to members of this Board of Education to review such Preliminary Official Statement.

(b) *Official Statement.* The preparation and delivery of an Official Statement with respect to the Bonds to be publicly offered (the "Official Statement"), and its use by the underwriters in connection with the offering and sale of such Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of such Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute each final Official Statement, and any amendment or supplement thereto, for and in the name of the District.

**Section 11. Escrow Agreement.** The form of Escrow Agreement for the 2023 COPs, in the form presented at this meeting, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Escrow Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the Escrow Agreement by such Authorized Officer.

**Section 12. Deposit and Investment of Proceeds.** (a) *Deposit of Proceeds.* Except as permitted by Section 7 hereof, a portion of the proceeds of the sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purposes authorized by the Measure US Authorization for which the Bonds are being issued. Any premium and accrued interest received shall be deposited in the related Interest and Sinking Fund within the County treasury. Additionally, a portion of the proceeds of the Bonds shall be transferred to the Paying Agent, as costs of issuance custodian, for the payment of the costs of issuance relating to the Bonds, as directed by the District.

(b) *Investment of Proceeds.* All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, any investment authorized pursuant to Sections 53601 and 53635 of the Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to invest funds held in an Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the California Government Code, this Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds.

(c) *Excess Proceeds.* Any excess proceeds of Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which such Bonds are being issued shall be transferred to the applicable Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the related Bonds.

**Section 13. Tax Covenants.** (a) *General.* The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on any Tax-Exempt Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of any Tax-Exempt Bonds (each, a "Tax Certificate"). The provisions of this subsection (a) shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(b) *Yield Restriction.* In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the County Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer in writing, and the District shall make its best efforts to ensure that the County Treasurer shall take such action as may be necessary in accordance with such instructions so that the Tax-Exempt Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable Treasury Regulations promulgated under that section.

(c) *Private Activity.* The District will not take or omit to take any action or make any use of the proceeds of the Tax-Exempt Bonds or of any other moneys or property which would cause the Tax-Exempt Bonds to be "private activity" bonds within the meaning of Section 141 of the Code.

(d) *Arbitrage.* The District will make no use of the proceeds of the Tax-Exempt Bonds or of any other amounts or property, regardless of the source, or take or omit to take any action

which would cause the Tax-Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(e) *Federal Guarantee.* The District will make no use of the proceeds of the Tax-Exempt Bonds or take or omit to take any action that would cause the Tax-Exempt Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(f) *Hedge Bonds.* The District will make no use of the proceeds of the Tax-Exempt Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause either the Tax-Exempt Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes.

(g) *Information Reporting.* The District will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code.

(h) *Reliance on Opinion of Tax Counsel.* Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an Opinion of Tax Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Bonds not issued as Taxable Bonds under Section 103 of the Code, the County Treasurer may conclusively rely on such Opinion of Tax Counsel in complying with the requirements of this Section and of each Tax Certificate with respect to the Bonds not issued as Taxable Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

(i) *Unexpended Proceeds of 2023 COPs.* The District acknowledges that there are unexpended proceeds of its 2023 Certificates of Participation, Series A (the “2023 COPs”). A portion of the proceeds of the Taxable Bonds will be used to defease and redeem a portion of the outstanding 2023 COPs. The District shall utilize the unexpended proceeds of the 2023 COPs consistent with projects authorized by Measure US and the tax certificate delivered in connection with the 2023 COPs.

**Section 14. Professional Services.** In connection with the issuance of the Bonds, KNN Public Finance, LLC is hereby appointed to serve as Municipal Advisor (the “Municipal Advisor”) to the District, and Best Best & Krieger LLP is hereby appointed to serve as Bond Counsel and Disclosure Counsel to the District.

**Section 15. Delegation of Authority.** Each Authorized Officer is hereby authorized and directed to, or to authorize in writing any officer or employee of the District to, execute and deliver, for and on behalf of the District, any and all documents and instruments and to do and cause to be done any and all acts and things necessary or advisable in order to consummate the transactions contemplated by this Resolution and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, the Bond Purchase Agreement, and the Continuing Disclosure Certificate. Without limiting the generality of the foregoing, the President of this Board of Education, the Executive Officer of this Board of Education, and any Authorized Officer are hereby

EXHIBIT A**GOVERNMENT CODE SECTION 5852.1 DISCLOSURE AND  
COSTS OF ISSUANCE ESTIMATES**

In accordance with Section 5852.1(a)(1) of the California Government Code and Section 15146(b)(1)(D) of the California Education Code, the following information was obtained from KNN Public Finance LLC, as the District's Municipal Advisor, with respect to the Bonds approved in the attached Resolution (the "New Money Bonds") assuming the principal amount of the New Money Bonds is \$634,035,000:

1. *True Interest Cost of the New Money Bonds.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the true interest cost of the New Money Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the New Money Bonds, is 4.22%.

2. *Finance Charge of the New Money Bonds.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the finance charge of the New Money Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the New Money Bonds), is \$2,178,946, as follows:

a) Rating Agency – Moody's	\$ 72,914
b) Rating Agency – Fitch	72,914
c) Rating Agency – Kroll	63,404
d) Bond and Disclosure Counsel	185,000
e) Municipal Advisor	160,000
f) Underwriters' Discount	1,585,088
g) Other Expenses	39,627

3. *Amount of Proceeds to be received.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the amount of proceeds expected to be received by the District for sale of the New Money Bonds less the finance charge of the New Money Bonds described in paragraph 2 above and any reserves or capitalized interest paid or funded with proceeds of the New Money Bonds, is \$631,853,112.

4. *Total Payment Amount.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the New Money Bonds plus the finance charge of the New Money Bonds described in paragraph 2 above not paid with the proceeds of the New Money Bonds, calculated to the final maturity of the New Money Bonds, is \$948,693,988.

Attention is directed to the fact that the foregoing information constitutes good faith estimates only. The actual interest cost, finance charges, amount of proceeds and total payment amount may vary from the estimates above due to variations from these estimates in the timing of

New Money Bond sales, the amount of New Money Bonds sold, the amortization of the New Money Bonds sold and market interest rates at the time of each sale. The date or dates of sale and the amount of New Money Bonds sold will be determined by the District based on need for project funds and other factors. The actual interest rates at which the New Money Bonds will be sold will depend on the bond market at the time of each sale. The actual amortization of the New Money Bonds will also depend, in part, on market interest rates at the time of each sale. Market interest rates are affected by economic and other factors beyond the District's control. The Board of Education has approved the issuance of each series of New Money Bonds with a maximum true interest cost of 6.00%.

authorized and directed to execute and deliver any and all agreements, certificates and representations, including but not limited to (i) signature certificates, no litigation certificates, and certificates concerning the contents of the Preliminary Official Statement and the Official Statement, (ii) representation letters to The Depository Trust Company, (iii) the Tax Certificate, (iv) a costs administrator agreement, (v) any other certificates proposed to be delivered in connection with the sale or issuance of the Bonds and the refunding of the 2023 COPs, (vi) any Investment Agreements entered into pursuant to the authority granted hereunder, and (vii) and any other agreements, letters, documents, certificates or representations, which any of them deem necessary and desirable to accomplish the transactions authorized herein.

**Section 16. Approval of Actions.** All actions heretofore taken by the officers and agents of this Board of Education with respect to the Bonds are hereby approved, confirmed, and ratified.

**Section 17. Filing with the County.** Pursuant to Section 15140 of the Education Code of the State, the Executive Officer of this Board of Education is hereby authorized and directed to file a certified copy of this Resolution with the Executive Officer-Clerk of the Board of Supervisors of the County, the County Auditor-Controller, and the County Treasurer.

**Section 18. Severability.** In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**Section 19. Contract with Bondholders.** The provisions of this Resolution shall be a contract with each and every owner of Bonds and the duties of the District and of the Board of Education and the officers of the District shall be enforceable by any owner of Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

**Section 20.
