		Oppose	Patricia A McAllister	LAHSA has been embezzling funds for many years, under the watch of the LA City Council and the Board of Supervisors. All three entities are responsible for having ten million Americans homeless in Los Angeles County. It is ridiculous that the Board of Supervisors want to oversee LAHSA, when the BOS can't get the people in LA county off the streets. An audit was conducted on the Board of Supervisors recently, and it was shown how disorganized the Board of Supervisors are when it relates to recordkeeping. The auditors reported that the Supervisors doesn't even have a storehouse where receipts and other documents are kept. As we should know, that occurs when those in charge are embezzling funds. The bottom line is, the Board of Supervisors have never kept its responsibilities to create affordable housing for the homeless. That is why there are millions of Americans living homeless in LA County. I vote no on having the BOS monitor LAHSA's operations and funding. Californians need DOGE to audit the Board of Supervisors, the governor, and LA City Hall.
		Other	AROGANT HOLLYWOOD	ON MARCH 21, 2025 YOUR COUNTY OF LOS ANGELES SHERIFF'S DEPARTMENT PEACE OFFICERS WILLFULLY, RECKLESSLY, MALICIOUSLY, WANTONLY, CARELESSLY, KNOWINGLY, AND CALLOUSLY PREVENTED ME FROM ENTERING THE COUNTY OF LOS ANGELES DA HEADQUARTERS LOCATED AT 211 WEST TEMPLE STREET, LOS ANGELES, CA 90012. Public Comment		Other	Bob Montes	<p>The admission, parking and marketing policies at Descanso Gardens are causing ongoing traffic and parking violations from their events and activities.</p> <p>Impacted residents that manage residence and guest parking, pollution and noise, trash and debris, angry drivers and traffic, excessive speed, property damage, safety, and fire and police emergency concerns.</p> <p>Descanso Gardens needs to limit patrons based on a reservation system and existing on-site parking. Also posting "no event parking" on city streets and their website, and increasing parking control.</p>
			Clara Robles	<p>Hello my name is Clara Robles. I've lived in LA County since 1985. Over the last few years my neighborhood has been plagued by neighbors who double park and use trash cans to save parking. Additionally, I have a neighbor who has several inoperable vehicles and over grown vegetation. She has many cats that go onto my property and cause damage. Her property is unkept and has become an eyesore. I urge the Board to take action to keep our communities clean and ensure that residents do not engage in parking wars.</p>

Public Comment		Other	Residents Residents	Santa Monica Blvd & Western Avenue, hollywood, 90029 still fails 30 plus years - to date with helping homeless cuz of failed homeless ngo's, LAHSA etc ie: LA's 13th district office meanwhile LA GOV approves illegal rent increases when nothing's been done to & for slumlords of riddled real estate industry while ignored code violations & substandard housing go on under HUD's HACLA.org housing authority & code enforcement agency LAHD & LA Environmental Health & one the worse slumlords is: Drake Real Estate Group info: 11693 San Vicente Blvd, # 452, Los Angeles, CA 90049 - (310) 935-3199, Valerie Randin, drakereg.com, (310) 584-8471 of 5425 Santa Monica Blvd near Western Avenue & Fleming lane, 30 plus years & still nothing. As to why vast have just given up having any trust nor confidence in any of local LA GOV etc. & slumlords NO right to exist & still cuz of HUD's locales FAILED housing authorities ie: HACLA.org, crash course 101 trained inspectors versus Bob Vila home improvement oriented & locales FAILED corrupt code suppose to be enforcement agencies ie: LAHD.org & LA Environment Health & WHY no valid pest control contract always on file with related locally & to have post there after pest control treatment inspected as like elevators that have posted exhibited inspection card thereof, Scott Turner of HUD & etc TOP-down need to hold accountable or get out of riddled up real estate industry! & as the existing housing codes-laws on the books are suppose to stand for something ie: Guide to Residential Tenants Rights. & what about not nearly enough in USA aside from globally ie: Gaza out there of SRO housing = multi floored with mini semi kitchen, admin office & support group misc rooms via take 2 rooms & remove the middle wall on each floor to help each of their own floors residents & with bathrooms & showers at the end of the hallway & thus no vast hanging out in the lobby 1st floor which can be for main building's admin office & kitchen which serves up meals for the upper floors.
			Symia J Price	I am so disappointed in the Board of Administrator ignoring my matter. My life matter, my case matters. What I did saved lives that traumatic holiday weekend September 3, 2011. Couty used my evidence or investigation against me and to benefit County. I was never mentioned or helped. I cried and suffered too long and continued to fight without resolve in the matter. now the public will know and I will get the help from the outside.
