21.		Favor	helen M eigenberg	This motion SHOULD require Chief Viera Rosa to listen to experts — the young people who are currently inside facilities that fail to meet the most minimum of regulatory standards and have the most to lose This motion would ensure that those actually serving and supporting young people are consulted This motion MUST allow the county and the public to see a budget for all of these proposed changes to populations and facilities This motion isn't everything, because everything would be a shrinking of this department that is facing 30 indictments connected to 69 gladiator fights harming 143 kids — and it's safe to assume that this is only scratching the surface.
