21.		<b>Favor</b>	helen M eigenberg	<p>This motion SHOULD require Chief Viera Rosa to listen to experts — the young people who are currently inside facilities that fail to meet the most minimum of regulatory standards and have the most to lose</p> <p>This motion would ensure that those actually serving and supporting young people are consulted</p> <p>This motion MUST allow the county and the public to see a budget for all of these proposed changes to populations and facilities</p> <p>This motion isn't everything, because everything would be a shrinking of this department that is facing 30 indictments connected to 69 gladiator fights harming 143 kids — and it's safe to assume that this is only scratching the surface.</p>
