The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**TEN-YEAR LEASE
DEPARTMENT OF PUBLIC HEALTH
611 NORTH BRAND BOULEVARD, GLENDALE
(FIFTH DISTRICT) (3 VOTES)**

SUBJECT

Approval of a proposed new ten-year lease for 12,245 square feet of office space, and 50 on-site parking spaces for the Department of Public Health (DPH), Health Facilities Inspection Division (HFID).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed lease is exempt from the California Environmental Quality Act (CEQA) for the reasons stated in this Board letter and in the record of the project.
2. Authorize the Chief Executive Officer, or her designee, to execute the proposed lease with Onni Brand Limited Partnership, a Delaware limited partnership (Landlord), for approximately 12,245 square feet of office space, and 50 on-site parking spaces located at 611 North Brand Boulevard, Suite 1150, Glendale (Premises) to be occupied by DPH. This proposes a lease for a term of ten years. The estimated maximum first year base rental cost is approximately \$471,000, but with a two-month rent abatement of about \$79,000, and parking costs of \$60,000 will equal \$452,000. The estimated total proposed lease cost, including costs for tenant improvements (TIs) and low-voltage costs, is \$8,823,000 over the ten-year term. The rental costs will be funded 100 percent by State funds that is already included in DPH's existing budget. DPH will not be requesting additional net County cost for this action.

3. Authorize the Chief Executive Officer, or her designee, to reimburse the Landlord up to \$1,103,000, for the County's TI contribution, if paid in lump sum or \$1,345,000, if amortized over five years at 8 percent interest per annum.
4. Authorize the Director of DPH to contract with, and direct the Internal Services Department (ISD), in coordination with the Chief Executive Officer, or her designee, for the acquisition and installation of telephone, data, and low-voltage systems and vendor installation (Low-Voltage Items) at a total cost not to exceed \$1,257,000 if paid in a lump sum, or \$1,530,000, if amortized over five years at 8 percent interest per annum. The cost for the Low-Voltage Items is in addition to the rental costs and the County's TI contribution payable to the Landlord.
5. Authorize and direct the Chief Executive Officer, or her designee, to execute any other ancillary documentation necessary to effectuate the terms of the proposed lease, and to take actions necessary and appropriate to implement the proposed lease, including, without limitation, exercising any early termination rights and options to extend the term at market rent.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The proposed Premises will serve as an expansion site for DPH's HFID currently located at 14500 Roscoe Boulevard, Panorama City and 3400 Aerojet Avenue, El Monte. On June 27, 2023, the Board adopted the recommendation to authorize and delegated authority to the Director of DPH to accept and sign the Standard Agreement Number 23-10035 and future agreements, and/or amendments from the California Department of Public Health to perform federal certification, State licensing, and investigation of current and aging long-term care and non long-term care complaints and entity-reported incidents for health care facilities in Los Angeles County. The proposed expansion is necessary to accommodate the program growth due to taking on 100 percent of the HFID caseload that was previously handled by the California Department of Public Health.

HFID provides administrative and direct services for the licensing and certification of health facilities, health facility inspections, and where the public can file a complaint against health facilities located in the County. HFID staff provides on-site coverage every day to assist clients, and to receive plans of corrections by facility administrators, while a portion of its staff are in the field conducting facility inspections.

DPH has implemented telework for the HFID staff. The proposed Premises will have 80 staff with 80 workstations, where all positions are eligible to telework. Supervisors and managers report to the office three days a week and line staff report to the office two days a week. Fifty-five staff are field based and spend 40 percent of their time in the field. The space allows for future expansion. In 2026, the program is anticipated to add at least 40 positions at this proposed Premises.

The proposed Premises is adequately served by public transportation and major highways.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan North Star 1 – "Make Investments That Transform Lives" – provides that LA County is a highly responsive organization investing in solutions that address our most complex societal challenges (health, jobs, housing, food insecurity, and recidivism) affecting our most vulnerable communities – one person at a time.

The proposed lease is also consistent with the Strategic Asset Management Goal – Strengthen connection between service priorities and asset decisions and Key Objective No. 5 – Fund Highest Priority Needs.

The proposed lease supports the above goals and objective by providing DPH with additional office space which will enable HFID to continue to provide services to the public in the County.

The proposed lease conforms with the Asset Management Principles outlined in Enclosure A.

FISCAL IMPACT/FINANCING

The estimated maximum first year base rental cost is \$452,000, which includes two months of rent abatement and parking costs. The aggregate cost associated with the proposed lease over the entire term, including rent abatement, parking costs, TI costs, and Low-Voltage items, is \$8,823,000, as shown in Enclosure B. The proposed lease costs will be funded 100 percent by State funds that is already included in DPH existing budget. DPH will not be requesting additional net County cost for this action.

The TIs for the proposed lease are expected to be completed in Fiscal Year 2025-26. Future funding for the costs associated with the proposed lease will be addressed through the annual budget process for DPH.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In addition to the terms previously stated, the proposed lease also includes the following provisions:

- The annual rental rate will be \$38.40 per square foot, per year and is subject to annual increases based on the fixed annual increases of 3 percent.
- The Landlord has agreed to two months of rent abatement. DPH has the option to convert all or any portion of its rental abatement towards an increase in the base TI allowance.
- Total TI costs are expected to be approximately \$2,327,000. The Landlord will provide approximately \$1,225,000 (\$100 per square foot) base TI allowance.
- The County will reimburse the Landlord up to \$1,103,000 (\$90 per square foot) as the County's lump sum TI contribution. If the Landlord advances the County's TI contribution, this amount will be amortized over five years with interest at 8 percent for a fully amortized amount not to exceed \$1,345,000.
- The County will pay \$1,257,000 for the lump sum cost of the Low-Voltage Items. If DPH elects to pay in installments, this amount will be amortized over five years with interest at 8 percent for a fully amortized amount not to exceed \$1,530,000.
- The Landlord is responsible for all operating and maintenance costs of the building, and all utilities and janitorial costs. The County has no responsibility for any operating and maintenance costs.
- The current annual parking rate is \$100 per parking space for 50 on-site parking spaces.

- The County is responsible for the cost of heating, ventilation, and air-conditioning usage to the mechanical rooms housing the County's computer servers and related equipment.
- The proposed lease includes a ten-year initial term with an option to extend the proposed lease for an additional five years at fair market rent. If all options are exercised, the total term of the proposed lease would be 15 years.
- The County has the right to terminate the proposed lease any time on or after the 84th month, with 180 days' notice subject to a fee not to exceed \$368,000.
- Holdover at the proposed lease expiration is permitted on the same lease terms and conditions. The monthly base rent during the holdover period will remain the same and subject to the regular increases.
- The proposed lease was submitted for review to the Board's appointed Real Estate Management Commission on March 10, 2025, and was unanimously approved.
- The proposed lease will be effective upon approval by the Board and full execution of the proposed lease, but the term and rent will commence 30 days after the County's acceptance of the Premises.
- The County shall have the Right of First Offer to lease any available space on the 11th floor of the building.

The Chief Executive Office (CEO) issued a flyer soliciting proposals for available space from landlords, brokers, and other owner representatives, for this space need, through the Board's Executive Office website and Real Estate's County website. No responses were received. The CEO conducted a market search of available office space for lease but was unable to identify any sites that could accommodate this requirement more economically. Based upon a review of available industry data, it has been established that the annual rental range for a comparable lease in the area is between \$38.40 and \$51 per square foot, per year. The base annual rental rate of \$38.40 per square foot, per year for the proposed lease represents a rate that is on the low end of the market range for the area. We were unable to identify any sites that could accommodate this requirement more economically. We recommend the proposed Premises as the most suitable to meet the County's space requirements.

Co-working office space is not suitable for this requirement due to the public facing services provided by DPH at this location.

Enclosure C shows all County-owned and leased facilities within the surveyed areas and there are no County-owned or leased facilities available for this space requirement.

The Department of Public Works has inspected the facility and found it suitable for County occupancy. Construction of the TIs will be completed in compliance with relevant building and construction laws and regulations, including the Americans with Disabilities Act. The required notification letter to the City of Glendale has been sent in accordance with Government Code Section 25351.

County Counsel has reviewed the proposed lease and has approved it as to form. The proposed lease is authorized by Government Code Section 25351, which allows the County to enter into leases and agreements for the leasing of buildings, as necessary, to carry out the work of the county government.

The proposed lease will provide a suitable office location for DPH's HFID, which is consistent with the County's Facility Location Policy, adopted by the Board on July 24, 2012, as outlined in Enclosure D.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from CEQA, as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board, and section 15301 of the State CEQA Guidelines (Existing Facilities). The proposed lease, which involves the leasing of existing office space with minor tenant improvements within an existing building, with no expansion of the existing building, is within a class of projects that have been determined not to have a significant effect on the environment and meets the criteria set forth in section 15301 of the State CEQA Guidelines (Guidelines), and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. In addition, based on the proposed project records, it will comply with all applicable regulations, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled, pursuant to Government Code Section 65962.5, or indications that it may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable.

Upon the Board's approval of the recommended actions, a Notice of Exemption will be filed with the Registrar-Recorder/County Clerk and with the State Clearinghouse in the Office of Land Use and Climate Innovation, in accordance with section 21152 (a) of the California Public Resources Code, and the notice will be posted to the County's website pursuant to section 21092.2.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will adequately provide the necessary office space, and parking spaces for this County requirement. DPH concurs with the proposed lease and recommendations.

The Honorable Board of Supervisors

FACILITY LOCATION POLICY ANALYSIS

Proposed lease: Ten-year lease for the Department of Public Health – 611 North Brand Boulevard, Suite 1150, Glendale – Fifth District.

A. Establish Service Function Category – Regional and local public service and administrative functions.

B. Determination of the Service Area – The proposed lease will allow DPH to continue services located within Los Angeles County.

C. Apply Location Selection Criteria to Service Area Data

- Need for proximity to service area and population: DPH requires the additional office to serve the surrounding community and provide direct service to the public.
- Need for proximity to existing County facilities: N/A.
- Need for proximity to Los Angeles Civic Center: N/A
- Economic Development Potential: N/A
- Proximity to public transportation: The location is adequately served by local transit services, i.e., Metro Lines 92, 501 and Glendale Beeline Route 11.
- Availability of affordable housing for County employees: The surrounding area provides for affordable housing and rental opportunities.
- Use of historic buildings: N/A
- Availability and compatibility of existing buildings: There are no alternative existing County buildings available to meet all of the DPH needs.
- Compatibility with local land use plans: The City of Glendale has been notified of the proposed County use which is consistent with its use and zoning for office space at this location.
- Estimated acquisition/construction and ongoing operational costs: The aggregate cost associated with the proposed lease over the entire term is \$8,823,000.

D. Analyze results and identify location alternatives

The CEO conducted a market search of available office space for lease but was unable to identify any sites that could accommodate this requirement more economically. Based upon a review of available industry data, it has been established that the annual rental range for a comparable lease in the area is between \$38.40 and \$51 per square foot, per year. The base annual rental rate of \$38.40 per square foot, per year for the proposed lease represents a rate that is on the low end of the market range for the area. We were unable to identify any sites that could accommodate this requirement more economically.

E. Determine benefits and drawbacks of each alternative based upon functional needs, service area, cost, and other Location Selection Criteria

The proposed lease will provide adequate and efficient office space for 80 employees and clients consistent with the County's Facility Location Policy, adopted by the Board on July 24, 2012.

2. PREMISES

2.1 Lease of Premises

Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1.1 and depicted on Exhibit A attached hereto.

2.2 Measurement of Premises

Tenant shall have the right at any time prior to the Commencement Date of this Lease to field-measure and verify the exact footage of the Premises and/or the Building. All measurements shall be taken in accordance with the methods of measuring rentable area as described in the Standard Method for Measuring Floor Area in Office Buildings, ANSI/BOMA Z65.1-2017, as promulgated by the Building Owners and Management Association ("BOMA") International. Should this measurement be less than the square footage stated above, then Tenant shall have the right to adjust such square footage and reduce the Base Rent in Section 1.1 accomplished by the mutual execution of an amendment to this Lease. Landlord acknowledges the space has been marketed at the above-indicated rental amount and in the event of subsequent physical measurements, Landlord agrees there will be no increase made to the Base Rent if the measured square footage exceeds the amount represented by Landlord.

3. COMMON AREAS

Tenant may use the following areas ("Common Areas") in common with Landlord and any other tenants of the Building: the entrances, lobbies, corridors and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Area established by Landlord. Landlord reserves the right from time to time to use any of the Common Areas, and the roof, risers and conduits of the Building for telecommunications and/or any other purposes, and to do any of the following: (i) make any changes, alterations, improvements, additions, repairs and/or replacements in or to the Project or any portion or elements thereof, including, without limitation, (A) changes in the location, size, shape and number of driveways, entrances, loading and unloading areas, ingress, egress, direction of traffic, landscaped areas, walkways, public and private streets, plazas, courtyards, transportation facilitation areas and Common Areas, and (B) expanding or decreasing the size of the Project and any Common Areas and other elements thereof, including adding, deleting, demolishing, redeveloping and/or excluding buildings thereon and therefrom; (ii) close temporarily any of the Common Areas while engaged in making repairs, improvements or alterations to, or otherwise redeveloping, the Project; (iii) retain and/or form a Common Area association or associations under covenants, conditions and restrictions to own, manage, operate, maintain, repair and/or replace all or any portion of the landscaping, driveways, walkways, public and private streets, plazas, courtyards, transportation facilitation areas and/or other common areas located outside of the Building and, subject to Article 4 below, include the common area assessments, fees and taxes charged by the association(s) and the cost of maintaining, managing, administering and operating the association(s), in Operating Expenses or Tax Expenses; and (iv) perform such other acts and make such other changes with respect to

the Project as Landlord may, in the exercise of good faith business judgment, deem to be appropriate. Notwithstanding anything contrary to the above, any such changes, alterations, improvements, additions, repairs and/or replacements shall not prohibit or limit Tenant's, its employees' and its visitors' access and use of the Premises and the number of parking spaces as set forth in Section 1.1(l) of this Lease.

4. COMMENCEMENT AND EXPIRATION DATES

4.1 Term

The term of this Lease shall commence upon the Commencement Date and terminate on the Termination Date. Within thirty (30) days of determining the Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement Date by executing a Commencement Date Memorandum and Confirmation of Lease Terms in the form attached hereto as Exhibit B. The term "Tenant's Acceptance of the Premises" as used in this Lease shall mean the date upon which the Tenant Improvements and the Premises are Substantially Complete, Tenant has inspected the Premises, and Tenant has accepted the Tenant Improvements and the Premises in writing. The terms "Substantial Completion" or "Substantially Complete" as used in this Lease shall mean compliance with all of the following:

- (a) The shell and core of the Building are complete and in compliance with all applicable laws and codes, and all of the building systems are operational to the extent necessary to service the Premises;
- (b) Landlord has sufficiently completed all the work required to be performed by Landlord in accordance with this Lease and Landlord's Work Letter (if any), including the installation of modular furniture systems, if so required (except minor punch list items which Landlord shall thereafter promptly complete), such that Tenant can conduct normal business operations from the Premises;
- (c) Landlord has obtained a certificate of occupancy for the Building, or a temporary certificate of occupancy for that portion of the Building that includes all of the Premises, or its equivalent;
- (d) Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this Lease; and
- (e) If Landlord is responsible for the installation of telecommunications systems, then such systems shall be completely operational.

4.2 Termination Right

If the Commencement Date has not occurred within one hundred eighty (180) days after the Estimated Commencement Date, subject to Tenant Delays or Force Majeure Delays, as provided in Landlord's Work Letter executed concurrently herewith and attached hereto as Exhibit I and incorporated herein by reference, then Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord, and the parties shall have no further rights or obligations to one another hereunder.

4.3 Early Entry

Tenant shall be entitled to enter the Premises not less than thirty (30) days prior to the Commencement Date for the purpose of installing Tenant's furniture, fixtures, and equipment in the Premises. Such early entry shall be subject to all provisions hereof, but shall not advance the Termination Date, and Tenant shall not pay Base Rent nor any other charges for such early entry period.

4.4 Early Termination

If a Tenant Default does not then exist beyond any applicable notice or cure period, Tenant shall have the right to terminate this Lease at any time after the Early Termination date specified in Section 1.1, by giving Landlord not less than one hundred eighty (180) days prior written notice, executed by Tenant's Chief Executive Officer or his/her designee. As a condition to termination, Tenant shall pay to Landlord on the effective date of such Early Termination an amount equal to the unamortized cost of the Landlord's TI Allowance and not to exceed \$367,350.13. The Landlord's TI Allowance shall be amortized over a period equal to the original Term of this Lease.

4.5 Lease Expiration Notice

No later than twelve (12) months, nor earlier than eighteen (18) months, prior to the expiration of the Lease Term, Landlord shall provide a written notice to Tenant notifying Tenant of the Termination Date.

5. RENT

5.1 Base Rent

Tenant shall pay Landlord the Base Rent stated in Section 1.1 during the Term hereof within fifteen (15) days after (a) the Commencement Date, and (b) the first day of each calendar month thereafter, provided that at least fifteen (15) business days prior to the Commencement Date, Landlord must provide the Auditor-Controller (A-C) of the County of Los Angeles with the following information: (i) name and address of Landlord or other party to whom Base Rent should be paid, (ii) Landlord's federal tax ID number; (iii) name of contact person and contact information (including phone number) for Landlord; (iv) a completed IRS form W-9, and (v) evidence of insurance in compliance with Section 20.2. If Landlord fails to timely provide the information required pursuant to this Section 5.1, or to provide updates for any changed information, then Tenant shall not be required to pay Base Rent to Landlord until fifteen (15) business days after Landlord provides such information. Base Rent for any partial calendar month during the Term shall be prorated in proportion to the number of days during the Term within such calendar month.

5.2 Method of Payment and Required Information

The Tenant may, at its sole discretion, determine the most appropriate, efficient, secure, and timely form of payment for any amounts due under this Lease. Landlord further agrees that the default form of payment shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the A-C.

Subject to Section 5.1, the Landlord shall provide the A-C with electronic banking and related information for the Landlord and/or any other payee that the Landlord designates to receive payment pursuant to this Lease. Such electronic banking and related information includes, but is not limited to: bank account number and routing number, legal business name, valid taxpayer identification number or TIN, a working e-mail address capable of receiving remittance advices and other payment related correspondence, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments. Upon the Commencement Date or at any time during the duration of the Lease, a Landlord may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

5.3 Annual Base Rent Adjustments

From and after the 1st anniversary of the Commencement Date (the "Adjustment Date") and on every anniversary of the Adjustment Date thereafter, Base Rent shall be adjusted as follows:

Months	Rate	Monthly Rent
1-12	\$3.20	\$39,184.00
13-24	\$3.30	\$40,359.52
25-36	\$3.39	\$41,570.31
37-48	\$3.50	\$42,817.41
49-60	\$3.60	\$44,101.94
61-72	\$3.71	\$45,425.00
73-84	\$3.82	\$46,787.75
85-96	\$3.94	\$48,191.38
97-108	\$4.05	\$49,637.12
109-120	\$4.18	\$51,126.23

5.4 Rent Abatement

The monthly rent for month 1 and 2 of the Initial Term shall be abated. Tenant shall have the option to convert all or any portion of its rental abatement toward an increase in the Base TI allowance.

6. USES

Landlord agrees that the demised Premises, together with all appurtenances thereto, shall be used by the Tenant for the government department set forth in Section 1.1, any other administrative office for County Department the County designates, any other governmental purposes, or other lawful purposes that do not materially adversely interfere with other uses in the Building reasonably approved by Landlord, during Tenant's Hours of Operation, after Tenant's Hours of Operation, and on weekends and holidays.

7. HOLDOVER

If Tenant remains in possession of the Premises or any part thereof after the expiration of the term of this Lease, such occupancy shall be a tenancy which is terminable only upon ninety (90) days written notice from Landlord or thirty (30) days written notice from Tenant's Chief Executive Officer or his/her designee at the last monthly Base Rent payable under this Lease, plus any other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease. For greater clarity, any holdover shall include continuing annual escalations.

8. COMPLIANCE WITH LAW

Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including but not limited to the Americans with Disabilities Act ("ADA"), except if such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises.

9. DAMAGE OR DESTRUCTION

9.1 Damage

If any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable, and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than one hundred eighty (180) days, then Landlord shall promptly, at Landlord's expense, repair such damage, and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made unusable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within ten (10) days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises

leasable again using standard working methods. The failure to do so shall be a material default hereunder. Base Rent shall abate to the extent that the Premises are unusable by Tenant. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

9.2 Tenant Termination Right

If any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable, and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than one hundred eighty (180) days for any reason, then Tenant may terminate this Lease by giving Landlord written notice within ten days after Tenant's receipt of written notice from Landlord or its agents specifying such time period of repair; and this Lease shall terminate and the Base Rent shall be abated from the date the Premises became unusable. If Tenant does not elect to terminate this Lease, then Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises, provided that insurance proceeds are available to repair the damages.

9.3 Damage In Last Year

Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, then either Landlord or Tenant may terminate this Lease by giving written notice to the other not more than thirty (30) days after such destruction, in which case:

- (a) Landlord shall have no obligation to restore the Premises;
- (b) Landlord may retain all insurance proceeds relating to such destruction, and
- (c) This Lease shall terminate as of the date which is thirty (30) days after such written notice of termination.

9.4 Default By Landlord

If Landlord is required to repair and restore the Premises as provided for in this Section 9, and Landlord thereafter fails to diligently prosecute said repair and restoration work to completion, as determined by Tenant in its reasonable discretion, then Tenant may, at its sole election:

- (a) Declare a default hereunder, or
- (b) Perform or cause to be performed the restoration work and deduct the cost thereof, plus interest thereon at ten percent (10%) per annum, from the next installment(s) of Base Rent due as a charge against the Landlord.

10. REPAIRS AND MAINTENANCE

10.1 Landlord Representations

(a) Landlord represents to Tenant that, as of the date hereof and on the Commencement Date:

- i. The Premises, the Building, and all Common Areas (including electrical, heating, ventilating, and air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) comply with all current laws, codes, and ordinances, including but not limited to the Americans With Disabilities Act, and are in good working order and condition;
- ii. The Building and the Premises comply with all covenants, conditions, restrictions and insurance underwriter's requirements;
- iii. The Premises, the Building and the Common Areas are free of the presence of Hazardous Materials, except as otherwise provided in Section 1.1(n) (as hereinafter defined); and
- iv. Landlord has not received any notice from any governmental agency that the Building or the Premises are in violation of any law or regulation.

(b) Landlord represents, based upon a professional inspection of the Premises and the Building and the Asbestos Report (as defined in Section 1.1) that the Premises and the Building contain no asbestos containing materials (other than as may be reflected in the Asbestos Report). Landlord shall, prior to Tenant's occupancy, abate or encapsulate, at Landlord's sole cost and expense, all asbestos-containing materials to the extent required by law and provide Tenant with an updated report from a licensed California Asbestos contractor to that effect.

(c) CASp Inspection:

In accordance with California Civil Code Section 1938, Landlord hereby states that the Premises and the Common Areas:
[Check the appropriate box]

Have undergone inspection by a Certified Access Specialist (a "CASp") and have been determined to meet all applicable construction related accessibility standards pursuant to California Civil Code Section 55.53. Landlord shall provide Tenant with a copy of the CASp inspection report and a current disability access inspection certificate for the Premises within seven (7) days after the execution of this Lease.

Have undergone inspection by a Certified Access Specialist and have not been determined to meet all applicable construction related accessibility standards pursuant to California Civil Code Section 55.53. Landlord has provided Tenant with a copy of the CASp inspection report at

least 48 hours prior to the execution of this Lease. A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

Have not undergone inspection by a Certified Access Specialist. A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

The foregoing statement is provided solely for the purpose of complying with California Civil Code Section 1938 and shall not affect the Landlord's and Tenant's respective responsibilities for compliance with any design and construction related accessibility obligations as provided under this Lease or any Work Letter.

- (d) Landlord agrees to indemnify and hold harmless Tenant from all damages, costs, and expenses, which result from a material breach of Landlord's representations contained in this Section 10.1.

10.2 Landlord Obligations

- (a) Landlord shall keep and maintain the Property in good condition and repair and promptly make repairs to and perform maintenance upon and replace as needed:
 - i. the structural elements of the Building, including without limitation, all permanent exterior and interior walls, floors and ceilings, foundations, roof, concealed plumbing, stairways, concealed electrical systems and intra-building telephone network cables;
 - ii. mechanical (including HVAC), electrical, plumbing and fire/life systems serving the Building;
 - iii. the Common Areas;

- iv. exterior windows of the Building; and
 - v. elevators serving the Building.
- (b) Landlord, at its sole cost and expense, shall also perform all maintenance and repairs to the Premises, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Landlord's repair obligations include, without limitation, repairs to, or replacements of:
- i. the floor covering (if such floor covering is carpeting it shall be replaced as needed);
 - ii. interior partitions;
 - iii. interior doors, door frames and hardware;
 - iv. the interior side of demising walls (which shall be repainted as needed);
 - v. signage;
 - vi. emergency exit signage and battery replacement;
 - vii. HVAC equipment dedicated to the mechanical rooms housing Tenant's computer servers and related equipment; and
 - viii. Light fixtures, bulbs, tubes and ballasts.
- (c) Landlord shall, to the best of its ability, provide all reports, maintenance records, or other documentation as may be requested from time to time.
- (d) Items 10.2(b)(i) and 10.2(b)(iv) above shall be limited to not more than one time in a five (5) year period (the "Occurrence"). The initial tenant improvements completed prior to Tenant's occupancy or as a condition to the renewal of the Lease shall not constitute an Occurrence for the purpose of determining the frequency of this work.

10.3 Tenant Obligations

Without limiting Landlord's repair and maintenance obligations, and subject to Section 20.5 hereof, Tenant shall be responsible for (i) the cost of repairing any area of the Property damaged by Tenant or by Tenant's agents, employees, invitees or visitors, and (ii) the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall:

- (a) be made and performed by contractors or mechanics approved by Landlord, which consent shall not be unreasonably withheld, conditioned or delayed;
- (b) be at least equal in quality, value and utility to the original work or installation; and

- (c) be in accordance with all applicable laws.

10.4 Tenant's Right to Repair

- (a) If Tenant provides written notice (or oral notice in the event of an emergency, such as damage or destruction to or of any portion of the Building structure and/or the Building systems, and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and if Landlord fails to provide such action within a reasonable period of time given the circumstances after the giving of such notice, using best commercial efforts, but in any event not later than seven (7) business days after the giving of such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action. If not reimbursed by Landlord within ten (10) days after written notice, then Tenant shall be entitled to deduct from Base Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 15.
- (b) Notwithstanding any provisions of this Lease to the contrary, Tenant, acting through the County's Chief Executive Office, may request that the Landlord perform, supply and administer any repairs, maintenance, building services and/or alterations that are the responsibility of the Tenant, not to exceed \$5,000, as part of a separate purchase order issued by the County on Tenant's behalf. Any improvements by Landlord shall be subject to (i) the Work Letter provisions regarding selection and bidding of contractors, Landlord-Tenant coordination and audit rights, and Tenant's remedies found in said Work Letter; and (ii) compliance with County Internal Services Department Purchasing Policy and Procedure No. A-0300, effective November 22, 2016, delivered to Landlord and incorporated by reference herein. This Section shall not apply to any Tenant Improvements as defined in Section 24.

11. SERVICES AND UTILITIES

11.1 Services

- (a) Heating, Ventilation and Air Conditioning (HVAC)

Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Building's Hours of Operations in amounts required for the use and occupancy of the Premises for normal office purposes to a standard

comparable to other first-class buildings and not less than the standard set forth in Exhibit C attached hereto. In addition, Landlord shall furnish HVAC at all times (i.e., twenty-four (24) hours per day, seven (7) days per week, three hundred sixty-five (365) days per year) to the mechanical rooms housing Tenants computer servers and related equipment and shall invoice Tenant for the direct cost of such service which Tenant shall pay within thirty (30) days upon receipt.

(b) Electricity

Landlord shall furnish to the Premises the amount of electric current provided for in the Landlord's Work Letter (if applicable) but in any event not less than seven (7) watts of electric current (connected load) per square foot of rentable square feet in the Premises, for power and lighting and electric current for HVAC, and Landlord shall provide the existing or new transformers or sub-panels on each floor of the Premises necessary for Tenant to utilize such capacity in the Premises.

(c) Elevators

Landlord shall furnish freight and passenger elevator services to the Premises during Building's Hours of Operations. During all other hours, Landlord shall furnish passenger elevator cab service in the elevator bank serving the Premises on an as needed basis, and, by prior arrangement with Landlord's building manager, freight elevator service.

(d) Water

Landlord shall make available in the Premises warm and cold water for normal lavatory and kitchen purposes and potable water for drinking purposes, all of which shall meet applicable government standards.

(e) Janitorial

Landlord, at its sole cost and expense, shall provide janitorial service five (5) nights per week, generally consistent with that furnished in comparable office buildings in the County of Los Angeles, but not less than the services set forth in the specifications set forth in Exhibit D attached hereto.

(f) Access

Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building. If required, Landlord shall provide access cards or fobs to all Tenant employees for Building entry, elevators, and/or floor access, at Landlord's sole cost and expense.

(g) Pest Control

Landlord at its sole cost and expense shall provide any and all pest control services to the Premises per the specifications set forth in Exhibit D attached hereto.

11.2 Utilities

Landlord agrees to pay, at its sole cost, when due, all charges for the use of the sewer, effluent treatment (when and if imposed by any governmental authority), all water, sprinkler standby charges, electricity, gas, heating and common area power and lighting, trash removal service, fire/life safety systems, charges associated with the HVAC, and other utility rents and charges accruing or payable in connection with the Premises and the Common Areas during the Term of this Lease or any renewal, extension, or holdover thereof, whether the same are prorated or measured by separate meters. In the event Landlord fails or refuses to pay any or all of such charges when due, Tenant may give Landlord ten (10) calendar days prior written notice and thereafter pay directly such charges and deduct the payments from the next installments of rent due as a charge against the Landlord.

12. TAXES

Landlord, at its sole cost and expense, shall pay, prior to delinquency, all real property taxes, assessments and special assessments which may be levied or assessed against the Premises or the Building during the term of this Lease or any renewal or holdover period thereof.

In the event Landlord fails or refuses to pay any or all taxes or assessments when due, Tenant may, at its sole discretion, give Landlord thirty (30) calendar days prior written notice and thereafter pay such taxes and assessments and deduct the payments from the next installments of rent due as a charge against the Landlord.

13. LANDLORD ACCESS

Tenant shall permit Landlord and its agents to enter the Premises during Building's Hours of Operations upon prior written notice only for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Premises, Base Rent shall be prorated based upon the percentage of the Premises rendered unusable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency and notify Tenant immediately thereafter.

14. TENANT DEFAULT

14.1 Default

The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Tenant ("Default"):

- (a) the failure by Tenant to make any payment of Base Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder) as and when due, and the failure continues for a period of ten (10) days after written notice to Tenant;

- (b) the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of thirty (30) days after written notice from Landlord specifying in detail the nature of the default; provided, however, if more than thirty (30) days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure, within said thirty (30)-day period and thereafter diligently prosecutes such cure to completion.

14.2 Termination

Tenant agrees that if a Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law.

14.3 No Effect on Indemnity

Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

15. LANDLORD DEFAULT

15.1 Remedies

In addition to the provisions for Landlord's default provided by Sections 9.4, 10.4, 19, 21.2 and 32.3, Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within ten (10) business days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10.4); provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such ten (10) business day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein:

- (a) to remedy such default or breach and deduct the costs thereof (including but not limited to attorney' fees) from the installments of Base Rent next falling due;
- (b) to pursue the remedy of specific performance;
- (c) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Base Rent next coming due; and/or
- (d) to terminate this Lease.

15.2 Waiver

Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

15.3 Emergency

Notwithstanding the foregoing cure period, Tenant may, after delivering written notice to Landlord, cure any default where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition, or materially and adversely affect the operation of Tenant's business in the Premises. In such cases, Tenant may perform the necessary work through its Internal Services Department and deduct the cost of said work from the Base Rent next due.

16. ASSIGNMENT AND SUBLETTING

16.1 Assignment and Subletting

Tenant may assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises by first obtaining Landlord's prior consent, which consent shall not be unreasonably withheld or delayed; provided, however, no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a financial condition which is reasonably sufficient for it to be responsible for all future obligations under this Lease.

16.2 Sale

If Landlord sells or conveys the Property, then all liabilities and obligations of Landlord accruing under this Lease after the sale or conveyance shall be binding upon the new owner, and the transferor shall be released from all liability under this Lease accruing subsequent to such sale or conveyance, provided that the transferee assumes Landlord's remaining obligations hereunder in writing. Nothing in this Section 16.2 shall be deemed to release Landlord's successor in interest from responsibility for any condition (including but not limited to deferred maintenance) existing on the date of transfer.

Upon any sale or transfer of the Property by Landlord, Landlord shall provide thirty (30) days prior written notice of said sale or transfer to Tenant. In addition, Landlord shall provide the following information to Tenant, at Tenant's Address for Notice (set forth in Section 1.1 hereof), as a condition of Tenant's obligation to pay Base Rent to the new owner:

- (a) A letter from the Landlord confirming that the Property was transferred to the new owner, along with written evidence of the transfer of the Property (e.g., a recorded deed).
- (b) A signed letter from the new owner including the following information:

- i. Name and address of new owner or other party to whom Base Rent should be paid
 - ii. Federal tax ID number for new owner
 - iii. Name of contact person and contact information (including phone number) for new owner
 - iv. Proof of insurance
- (c) A W-9 form for new owner.

Tenant shall not be obligated to pay any rental amounts to any party other than the Landlord named herein until such time as all the requirements of this Section 16.2 are satisfied.

17. ALTERATIONS AND ADDITIONS

17.1 Landlord Consent

Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. If Landlord fails to respond in writing within thirty (30) days after Tenant's request, then Landlord shall be deemed to have approved the requested Alterations. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria:

- (a) complies with all laws;
- (b) is not visible from the exterior of the Premises or Building;
- (c) will not materially affect the systems or structure of the Building; and
- (d) does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building.

17.2 End of Term

Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

18. CONDEMNATION

18.1 Controlling Terms

If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor either

under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

18.2 Total Taking

If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

18.3 Partial Taking

If any portion, but not all, of the Premises or the Common Areas is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within thirty (30) days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than thirty (30) days nor later than ninety (90) days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the termination date designated by Tenant. If Tenant does not so notify Landlord within thirty (30) days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Base Rent shall be equitably abated in proportion to the degree to which Tenant's use of the Premises and the Common Areas is impaired by such Condemnation.

18.4 Restoration

Notwithstanding the preceding paragraph, if, within thirty (30) days after the Determination Date, Landlord notifies Tenant that Landlord, at its sole cost, will add to the remaining Premises and/or the Common Areas so that the Premises, will be substantially the same (as reasonably determined by Tenant) after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within ninety (90) days after Landlord so notifies Tenant, then this Lease shall continue in effect. In such event, all obligations of Tenant under this Lease shall remain in effect, except that Base Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

18.5 Award

The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises. Tenant shall be entitled to any awards for relocation benefits or goodwill belonging to Tenant.

18.6 Waiver of Statute

Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the Superior Court to terminate this Lease in the event of a partial taking of the Premises.

19. **INDEMNIFICATION**

19.1 Landlord's Indemnity

The Landlord shall indemnify, defend and hold harmless the Tenant from and against any and all liability, loss, injury or damage including (but not limited to) demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from or connected with the Landlord's repair, maintenance and other acts and omissions arising from and/or relating to the Landlord's ownership of the Premises.

19.2 Tenant's Indemnity

The Tenant shall indemnify, defend and hold harmless the Landlord, from and against any and all liability, loss, injury or damage, including (but not limited to) demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees) arising from or connected with the Tenant's repair, maintenance and other acts and omissions arising from and/or relating to the Tenant's use of the Premises.

20. **INSURANCE**

During the term of this Lease, the following insurance requirements will be in effect:

20.1 Waiver

Both the Tenant and Landlord each agree to release the other and waive their rights of recovery against the other for damage to their respective property arising from perils insured in the Causes-of-Loss Special Form (ISO form CP 10 30).

20.2 General Insurance Provisions – Landlord Requirements

Without limiting the Landlord's indemnification of Tenant and during the term of this Lease, and until all of its obligations pursuant to this Lease have been met, Landlord shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Lease. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Landlord pursuant to this Lease. The Tenant in no way warrants that the Required Insurance is sufficient to protect the Landlord for liabilities which may arise from or relate to this Lease.

(a) Evidence of Coverage and Notice to Tenant

- i. Certificate(s) of insurance coverage ("Certificate") satisfactory to Tenant, and a copy of an Additional Insured endorsement confirming that Tenant and its Agents (defined below) has been

given insured status under the Landlord's General Liability policy, shall be delivered to Tenant at the address shown below and provided prior to the start day of this Lease.

- ii. Renewal Certificates shall be provided to Tenant not less than 5 days prior to Landlord's policy expiration dates. The Tenant reserves the right to obtain complete, certified copies of any required Landlord insurance policies at any time.
- iii. Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Lease by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Landlord identified in this Lease. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding twenty-five thousand (\$25,000.00) dollars and list any Tenant-required endorsement forms.
- iv. Neither the Tenant's failure to obtain, nor the Tenant's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Landlord, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- v. Certificates and copies of any required endorsements, and/or notices of cancellation shall be delivered to:

County of Los Angeles
Chief Executive Office - Real Estate Division
320 West Temple Street, 7th Floor
Los Angeles, CA 90012
Attention: Director of Real Estate

Landlord also shall promptly notify Tenant of any third-party claim or suit filed against Landlord which arises from or relates to this Lease and could result in the filing of a claim or lawsuit against Landlord and/or Tenant.

(b) Additional Insured Status and Scope of Coverage

The Tenant, which is the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively, "Tenant and its Agents"), shall be provided additional insured status under Landlord's General Liability policy with respect to liability arising from or connected with the Landlord's acts, errors, and omissions arising from and/or relating to the Landlord's operations on and/or its ownership of the premises. Tenant's additional insured status shall apply with respect to liability and defense of suits arising out of the Landlord's acts or omissions, whether such liability is attributable to the Landlord or to the Tenant. The full policy limits and scope of protection also shall apply to the Tenant as

an additional insured, even if they exceed the Tenant's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

(c) Cancellation of or Changes in Insurance

Landlord shall provide the Tenant with, or Landlord's insurance policies shall contain a provision that the Tenant shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to the Tenant at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Lease, in the sole discretion of the Tenant, upon which the Tenant may suspend or terminate this Lease.

(d) Failure to Maintain Insurance

Landlord's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Lease, upon which County immediately may withhold payments due to Landlord, and/or suspend or terminate this Lease. County, at its sole discretion, may obtain damages from Landlord resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Landlord, deduct the premium cost from sums due to Landlord or pursue Landlord reimbursement.

(e) Insurer Financial Ratings

Insurance is to be provided by an insurance company authorized to do business in California and acceptable to the Tenant, with an A.M. Best rating of not less than A:VII, unless otherwise approved by the Tenant.

(f) Landlord's Insurance Shall Be Primary

Landlord's insurance policies, with respect to any claims related to this Lease, shall be primary with respect to all other sources of coverage available to Tenant. Any Landlord maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Tenant coverage.

(g) Waiver of Subrogation

To the fullest extent permitted by law, the Landlord hereby waives its and its insurer(s) rights of recovery against Tenant under all required insurance policies for any loss arising from or related to this Lease. The Landlord shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

(h) Deductibles and Self-Insured Retentions ("SIRs")

Landlord's policies shall not obligate the Tenant to pay any portion of any Landlord deductible or SIR. The Tenant retains the right to require Landlord to reduce or eliminate policy deductibles and SIRs as respects the Tenant, or to provide a bond guaranteeing Landlord's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

(i) Claims Made Coverage

If any part of the Required Insurance is written on claims made basis, any policy retroactive date shall precede the start date of this Lease. Landlord understands and agrees and Tenant understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Lease expiration, termination or cancellation.

(j) Application of Excess Liability Coverage

Landlord may use a combination of primary and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

(k) Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

(l) Tenant Review and Approval of Insurance Requirements

The Tenant reserves the right to review and adjust the Required Insurance provisions, conditioned upon Tenant's determination of changes in risk exposures.

20.3 Insurance Coverage Types And Limits

(a) Tenant Requirements: During the term of this Lease, Tenant shall maintain a program of insurance coverage as described below:

i. Commercial General Liability Insurance, providing scope of coverage equivalent to ISO policy form CG 00 01, naming Landlord and its Agents as an additional insured, with limits of not less than:

General Aggregate:	\$ 2 million
Products/Completed Operations Aggregate:	\$ 1 million
Personal and Advertising Injury:	\$ 1 million
Each Occurrence:	\$ 1 million

Tenant, at its sole option, may satisfy all or any part of this insurance requirement through use of a program of self-insurance (self-funding of its

liabilities). Certificate evidencing coverage or letter evidencing self-funding will be provided to Landlord after execution of this Lease at Landlord's request.

20.4 Landlord Requirements

During the term of this Lease, Landlord shall provide and maintain the following programs of insurance coverage:

- (a) Commercial General Liability Insurance, providing scope of coverage equivalent to ISO policy form CG 00 01, naming Tenant and Tenant's Agents as an additional insured, with limits of not less than:

General Aggregate:	\$ 10 million
Products/Completed Operations Aggregate:	\$ 10 million
Personal and Advertising Injury:	\$ 5 million
Each Occurrence:	\$ 5 million

- (b) Commercial Property Insurance. Such insurance shall:
- i. Provide coverage for Tenant's property and any tenant improvements and betterments to the Premises; this coverage shall be at least as broad as that provided by the Causes-of-Loss Special Form (ISO form CP 10 30), excluding earthquake and including flood and ordinance or law coverage.
 - ii. Be written for the full replacement cost of the Property, with a deductible no greater than \$250,000 or 5% of the Property value, whichever is less. Insurance proceeds shall be payable to the Landlord and Tenant, as their interests may appear.

21. PARKING

21.1 Tenant's Rights

Tenant shall have the right to the number of unreserved parking spaces set forth in Section 1.1, in the parking structure outlined in Exhibit "J" of the Lease at the Building's monthly quoted rate(s), for the Term of this Lease. No tandem parking shall be required or allowed, and Tenant shall be entitled to full in/out privileges at all times. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all unreserved parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building. Tenant's use of the parking structure and adjacent parking lot ("Parking Facility") shall be at Tenant's sole risk and Tenant acknowledges and agrees that Landlord shall have no liability whatsoever, except for Landlord's negligence and willful misconduct, for damage to the vehicles of Tenant, its employees and/or visitors, or for other personal injury or property damage or theft relating to or connected with the parking rights granted herein or any of Tenant's, its employees' and/or visitors' use of the Parking Facility. Without limiting Tenant's, its employees' and/or visitors' use of the Parking Facility, and the number of parking spaces as set forth

in Section 1.1(l) of this Lease, Landlord specifically reserves the right to change the size, configuration, design, layout and all other aspects of the Parking Facility at any time and Tenant acknowledges and agrees that Landlord may, from time to time, close-off or restrict access to certain areas of the Parking Facility, renovate the Parking Facility or demolish or otherwise eliminate portions of the Parking Facility (but not the parking structure) for purposes of permitting or facilitating any such construction, alteration or improvements. Landlord may delegate its responsibilities hereunder to a parking operator in which case such parking operator shall have all the rights of control attributed hereby to the Landlord. The parking passes rented by Tenant pursuant to this Article 21 are provided to Tenant solely for use by Tenant's own personnel and such passes may not be transferred, assigned, subleased or otherwise alienated by Tenant without Landlord's prior approval. Landlord, at its sole expense, shall provide Tenant with at least one (1) parking access card or key fob for each unreserved parking space set forth in Section 1.1, if applicable.

21.2 Remedies

Landlord acknowledges that it is a material term of this Lease that Tenant receives all of the parking spaces to which it is entitled under this Lease for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provisions. It is therefore agreed that if, for any reason whatsoever, a material number of the parking spaces required above are not available to Tenant (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation), then Tenant may:

- (a) terminate this Lease by giving written notice of such termination to Landlord, which notice shall be effective thirty (30) days thereafter, or
- (b) deduct from the Base Rent thereafter accruing hereunder an amount each month equal to the Base Rent times the percentage of parking spaces not so provided.

22. ENVIRONMENTAL MATTERS

22.1 Hazardous Materials

Tenant shall not cause nor permit, nor allow any of Tenant's employees agents, customers, visitors, invitees, licensee, contractor, assignees or subtenants to cause or permit, any Hazardous Materials to be brought upon, stored, manufactured, generated, blended, handled, recycled, treated, disposed or used on, under or about the Premises, the Building or the Common Areas, except for routine office and janitorial supplies in usual and customary quantities stored, used and disposed of in accordance with all applicable Environmental Laws. As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof, whether solid, semi solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon,

polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Building or the Common Areas.

22.2 Landlord Indemnity

Landlord shall indemnify, protect, defend and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fines, taxes, costs, liabilities, losses and reasonable expenses arising at any time during or after the Term as a result (directly or indirectly) of, or in connection with, the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than those caused by Tenant. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. Landlord shall promptly deliver to Tenant a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises in violation of applicable laws. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Landlord under this Section shall constitute a material default under this Lease.

22.3 Tenant Indemnity

Tenant agrees to indemnify, defend and hold harmless Landlord and the Landlord parties from and against all liability, reasonable expenses (including defense costs, legal fees and response costs imposed by law) and claims for damages of any nature whatsoever which arise out of the presence of Hazardous Materials on the Premises caused by Tenant or Tenant's contractors, employees and agents.

The indemnity provided each party by this provision shall survive the termination of this Lease.

23. ESTOPPEL CERTIFICATES

Tenant shall, within 30 business days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Exhibit F attached hereto (properly completed) but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest in the Premises or a holder of any mortgage upon Landlord's interest in the Premises.

24. TENANT IMPROVEMENTS

Prior to the Commencement Date, Landlord shall construct the Tenant Improvements in the manner set forth in Landlord's Work Letter executed by Landlord and Tenant concurrently herewith.

25. LIENS

Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder and hereby indemnifies and holds Tenant harmless from any liability or loss from any such lien.

26. SUBORDINATION AND MORTGAGES

26.1 Subordination and Non-Disturbance

Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Building; provided, however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Exhibit E attached hereto and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase, or right of first offer to purchase the Property included herein.

26.2 Existing Deeds of Trust

The beneficiary under any existing deed of trust affecting the Building shall provide a written agreement to Tenant in the form of Exhibit E attached hereto, within 30 days after the execution of this Lease.

26.3 Notice of Default

If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by registered mail and requests copies of any notice of default that Tenant serves upon Landlord, Tenant agrees to use its best efforts (but without liability for failure to do so) to give such mortgagee or beneficiary a copy of any notice of default that Tenant serves upon Landlord which could permit Tenant to terminate this Lease, along with an additional ten days within which to cure such default.

27. SURRENDER OF POSSESSION

Subject to casualty, at the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises to Landlord in a "broom-clean" condition. Tenant may (but shall not be required to) remove, at its own expense, all fixtures, equipment and all other personal property placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture).

28. SIGNAGE

Landlord shall include Tenant's name and suite number within the Building's lobby directory at the Landlord's sole cost and expense. Landlord shall further provide the initial standard Tenant signage at the entry to the Premises at the Landlord's sole cost and expense. Any changes to such initial signage shall be at Tenant's expense. Tenant shall be permitted to install reasonably appropriate signs within the Premises that conform with any and all applicable laws and ordinances.

29. QUIET ENJOYMENT

So long as Tenant is not in default hereunder, Tenant shall have the right to the peaceful and quiet enjoyment and possession of the Premises and the Common Areas during the Term of this Lease, subject to the terms and conditions of this Lease.

30. GENERAL

30.1 Headings

Titles to Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

30.2 Successors and Assigns

All of the covenants, agreements, terms and conditions contained in this Lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

30.3 Brokers

Landlord and Tenant each represent and warrant to each other that it has only engaged Kidder Mathews of California, Inc. ("Landlord's Broker") and Tenant's Advocates, Inc. DBA Cresa ("Tenant's Broker") as brokers with respect to this Lease, and that there is no other broker, finder or other person who would be entitled to any commission or fees in respect of the negotiation, execution or delivery of this Lease and each party shall indemnify and hold harmless each other against any loss, cost, liability or expense incurred by the other party as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made in variance with this representation. Tenant's Broker shall receive from Landlord or Landlord's Broker the commissions set forth in the commission agreement dated February 6, 2024 by and between Landlord and Tenant's Broker.

30.4 Entire Agreement

This Lease (including all exhibits hereto and the Landlord's Work Letter) is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect, and the covenants and agreements of this Lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

30.5 Severability

Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof, and the remaining provisions hereof shall nevertheless remain in full force and effect.

30.6 Notices

The parties shall give all notices in writing by (i) personal delivery, (ii) national-recognized, next-day courier service, or (iii) first-class registered or certified mail, postage prepaid, to the Landlord's Address for Notice and Tenant's Address for Notice as set forth in Section 1.1. Without limiting the generality of the foregoing, Landlord's notices to Tenant shall not be effective if they are delivered to the Premises or to another address that is not set forth in Section 1.1(b) hereof. Any notice given under this Lease shall be deemed effective upon the date of delivery (whether accepted or refused), which, for certified mail and courier service, shall be established by U.S. Post Office return receipt or the courier's proof of delivery, respectively.

30.7 Governing Law and Venue

This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

30.8 Waivers

No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

30.9 Time of Essence

Time is of the essence for the performance of all of the obligations specified hereunder.

30.10 Consent

Whenever any consent is required by Landlord or Tenant hereunder, such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise specifically provided herein, shall be deemed granted if not refused within ten (10) business days after written request is made therefore, together with all necessary information.

30.11 Community Business Enterprises

Landlord shall complete and deliver to Tenant concurrently with the execution hereof a Community Business Enterprises form set forth as Exhibit G attached hereto.

30.12 Memorandum of Lease

If requested by Tenant, Landlord and Tenant shall execute and acknowledge a Memorandum of Lease in the form of Exhibit H attached hereto, which Memorandum may be recorded by Tenant in the Official Records of Los Angeles County.

30.13 Counterparts; Electronic Signatures

This Lease and any other documents necessary for the consummation of the transaction contemplated by this Lease may be executed in counterparts, including both counterparts that are executed on paper and counterparts that are in the form of electronic records and are executed electronically. An electronic signature means any electronic sound, symbol or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or e-mail electronic signatures. All executed counterparts shall constitute one agreement, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Lease and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called pdf format shall be legal and binding and shall have the same full force and effect as if a paper original of this Lease had been delivered had been signed using a handwritten signature. Landlord and Tenant (i) agree that an electronic signature, whether digital or encrypted, of a party to this Lease is intended to authenticate this writing and to have the same force and effect as a manual signature, (ii) intended to be bound by the signatures (whether original, faxed or electronic) on any document sent or delivered by facsimile or, electronic mail, or other electronic means, (iii) are aware that the other party will rely on such signatures, and (iv) hereby waive any defenses to the enforcement of the terms of this Lease based on the foregoing forms of signature. If this Lease has been executed by electronic signature, all parties executing this document are expressly consenting under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 ("E-SIGN") and California Uniform Electronic Transactions Act ("UETA")(Cal. Civ. Code § 1633.1, et seq.), that a signature by fax, email or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

31. AUTHORITY

Only the County's Board of Supervisors ("Board of Supervisors") has the authority, by formally approving and/or executing this Lease, to bind Tenant to the terms included herein. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease, and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by Tenant. Tenant shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Office of the

County (the "Chief Executive Office") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Base Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein by an early termination notice or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

32. ACKNOWLEDGEMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

32.1 Consideration of GAIN Program Participants

Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

32.2 Solicitation of Consideration

It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent who has had any involvement in the procurement, negotiation, consummation, administration or management of a lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Landlord hereby represents and warrants that it has not provided, and will not provide, any financial benefits to any County official, employee or agent who has had any involvement in the procurement, negotiation, consummation, administration or management of this Lease. Landlord hereby agrees that if it violates any of the terms of this Section 32.2, then the County may declare this Lease null and void, and the County reserves the right to exercise any and all other remedies available under applicable law.

32.3 Landlord Assignment

- (a) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Base Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met.

- (b) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease, or any portion thereof, as security for the Landlord's obligation to repay any monetary obligation, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.
- (c) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the Tenant. Notwithstanding the foregoing, the Tenant hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with CMBS (commercial mortgage backed securities) financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.
- (d) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the Tenant may impose damages in an amount equal to the greater of \$500,000 or 10% of the aggregate principal portion of all rental payments payable by the Tenant during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the Tenant may exercise or pursue any other right or remedy it may have under this Lease or applicable law.
- (e) Landlord shall give Tenant written notice and a copy of each and every assignment, transfer, hypothecation or encumbrance of Landlord's interest in this Lease and any instrument relating thereto (including, but not limited to, instruments providing for the payment of Base Rent directly to an assignee or transferee) at least thirty (30) days prior to the effective date thereof.
- (f) Landlord shall not furnish any information concerning Tenant or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the Tenant) to any person or entity, except with Tenant's prior written consent. Landlord shall indemnify, defend and hold Tenant and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section 32.3.
- (g) The provisions of this Section 32.3 shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever

in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns, whether so expressed or not.

32.4 Smoking in County Facilities.

The Surgeon General of the United States has concluded that passive smoke exposure is the third leading cause of preventable death in the United States. The United States Environmental Protection Agency has found second-hand smoke to be a known carcinogen. It is recognized that the County has a responsibility to establish, maintain and promote a healthful and safe working environment and to reduce health and safety risks of its employees and the public at large. Tobacco smoke is a hazard to the health of County employees and the general public and represents an annoyance which should be regulated and banned in all county facilities to the end that air quality in all such facilities be improved for the preservation and improvement of the health of all County employees and the public. Therefore, to the greatest extent possible, the rights and comfort of all employees shall be respected. Reasonable effort shall be made to provide smokers a place to smoke in areas open to the sky or otherwise located outside County facilities and, except as provided under Los Angeles County, California - Code of Ordinances Chapter 2.126 ("LAMC 2.126"), all portions of County-owned facilities and all portions of facilities leased by or from the County, which areas are not open to the sky, shall be designated as "no smoking" areas. Smoking, including the use of electronic smoking devices, shall be prohibited in the following areas of County facilities: (1) Within 50 feet of any operable entry or exit door or operable window of any County building and within 25 feet of any access ramp or handicap path; (2) Within any County parking lot, parking structure, or parking garage, whether enclosed or open to the sky; or (3) Within any driving range and eating area, including outdoor eating areas, of any County golf course. International no-smoking signs and other appropriate signs which designate no-smoking areas shall be clearly, sufficiently and conspicuously posted in every room, building or other place so covered by LAMC 2.126. The manner of such posting, including the wording, size, color and place of posting, whether on the walls, doors, tables, counters, stands or elsewhere, shall be at the discretion of the building proprietor so long as clarity, sufficiency and conspicuousness are apparent in communicating the intent. (Los Angeles County, California - Code of Ordinances Chapter 2.126.)

33. IRREVOCABLE OFFER

In consideration for the time and expense that Tenant will invest in this Lease, including but not limited to preliminary space planning, legal review, and preparation and noticing for presentation to the Tenant Real Estate Management Commission of Los Angeles County, as necessary, in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.1.

34. REDEVELOPMENT

It is specifically understood and agreed that Landlord has no obligation and has made no

promises to alter, remodel, improve, renovate, repair, redevelop or decorate the Premises, Building, or any part thereof and that no representations respecting the condition of the Premises, the Building or the Project have been made by Landlord to Tenant except as specifically set forth herein or in the Tenant Work Letter. However, Tenant hereby acknowledges that Landlord is currently renovating or may at any time, and from time to time, from and after the date of mutual execution and delivery of this Lease, renovate, redevelop, demolish, improve, alter, or modify all or any portion of the Project and/or the Building, except for the Premises (and, in connection with the same, Landlord may exercise those rights described in clauses (i)-(ii) of Section 1.1.3 above) (collectively, the "Redevelopment"). The scope and extent of such Redevelopment shall be determined by Landlord in its sole discretion. In connection with such Redevelopment, Landlord may, among other things, erect scaffolding or other necessary structures in the Building, limit or eliminate access to portions of the Project, including portions of the common areas, or perform work in the Building, and/or the Project, which work may create noise, dust or leave debris in the Building, and/or the Project. Tenant hereby agrees that such Redevelopment shall in no way constitute a constructive eviction of Tenant nor entitle Tenant to any abatement of Rent. In no event shall such Redevelopment prohibit or limit Tenant's, its employees' or its visitors' access or use of the Premises and the number of parking spaces set forth in Section 1.1(l) of this Lease.

35. RIGHT OF FIRST OFFER TO LEASE ADDITIONAL PREMISES

(a) Provided that no material Default has occurred and is continuing under the Lease, if at any time after the Commencement Date but prior to the last twelve (12) months of the Term, Landlord intends to offer leasable space located contiguous to the Premises on the 11th floor of the Building (the "Additional Premises") for lease to third parties or to accept an offer of a third party to lease the Additional Premises, Landlord shall first give written notice to Tenant of the rental rate and other material terms upon which Landlord is willing to lease the Additional Premises ("Landlord's Lease Notice"). Landlord's Lease Notice shall constitute an offer to lease the Additional Premises to Tenant at the rental rate and upon the terms and conditions contained in Landlord's Lease Notice and shall state the anticipated date of availability of the Additional Premises. Tenant shall have thirty (30) days after receipt of Landlord's Lease Notice to accept such offer. Tenant shall accept such offer, if at all, only by delivery to Landlord of Tenant's irrevocable written commitment to lease the Additional Premises at the rental rate and upon the terms and conditions contained in Landlord's Lease Notice (the "Expansion Commitment").

(b) If Tenant delivers to Landlord the Expansion Commitment within such thirty (30) day period, all (but not part) of the Additional Premises shall be leased to Tenant commencing on the earlier of (a) the date Tenant first uses the Additional Premises for the Permitted Use; or (b) thirty (30) days after Landlord provides Tenant with possession of the Additional Premises and continuing for a period of time coterminous with the remaining Term, including any options to extend the Term. Tenant shall lease the Additional Premises upon the same terms, conditions and covenants as are contained in the Lease except that (i) the Base Rent for the Additional Premises shall be at the rate set forth in Landlord's Lease Notice, and (ii) any terms and conditions set forth in Landlord's Lease Notice that are inconsistent with the terms and conditions of the Lease shall control.

(c) Except as otherwise set forth in Landlord's Lease Notice, possession of the Additional Premises shall be delivered to Tenant on an "as-is" basis. Landlord shall prepare and Landlord and Tenant shall execute and deliver a written agreement modifying and supplementing the Lease and specifying that the Additional Premises are part of the

Premises and, except as otherwise specified in Landlord's Lease Notice, subject to all of the terms and conditions of the Lease.

(d) Time is of the essence with respect to the exercise by Tenant of its rights granted hereunder. In the event Tenant fails to deliver to Landlord Tenant's Expansion Commitment within the thirty (30) day period prescribed above, all rights of Tenant to lease the Additional Premises shall terminate and Landlord shall have no further obligation to notify Tenant of any proposed leasing of the Additional Premises, and Landlord shall thereafter have the unconditional right to lease the Additional Premises to third parties or to accept offers from third parties to lease the Additional Premises without further obligation to Tenant. The rights granted to Tenant under this Section 35 shall not apply to any sales or similar transfers of the Additional Premises.

36. OPTION TO EXTEND

(a) Option Terms. Provided that no material Default has occurred and is continuing under the Lease at the time the option is exercised, Tenant shall have one (1) option to renew this Lease for an additional period of five (5) years ("Extension Term").

(b) Exercise of Option. Tenant must exercise its options to extend this Lease by:

- (i) giving Landlord written notice of its intention to do so (its "Notice of Intent") no later than nine (9) months, nor earlier than three hundred sixty-five (365) days, prior to the end of the initial Term, and
- (ii) after Market Rental Value has been determined as provided below, and after the Board of Supervisors has approved the exercise of the option to renew, by giving written notice of its election to exercise such option. It is understood that Tenant will not exercise its option until after the Board of Supervisors has approved doing so, which will not be prior to the determination of the Market Rental Value, as provided below. If the Board of Supervisors has not approved the exercise of such option prior to ninety (90) days after the expiration of the Term of this Lease as then in effect, Tenant shall be entitled to holdover as provided in this Lease. If Tenant fails to give such written notice to Landlord, Landlord will promptly provide written notice to Tenant that the Term shall not be extended unless Tenant responds within ten (10) business days in writing electing to exercise its respective renewal option, and Tenant shall be granted an additional period of ten (10) business days after receipt of such written notice from Landlord, in which to give Landlord its written notice of its election to exercise such renewal option or election not to exercise such renewal option. Failure by Landlord to provide ten (10) business day written notice to Tenant that the Term shall not be extended unless Tenant responds within ten (10) business days in writing electing to exercise its respective renewal option or Tenant's failure to notify Landlord of its election to exercise such renewal option, after receipt of the ten (10) business day notice, and without any further notice, act, or agreement, this Lease will terminate as of the then-applicable expiration date, and neither Landlord nor Tenant will have any further obligation or liability under this Lease arising or continuing from and after such expiration date, subject, however, to the provisions that expressly survive termination of this Lease.

(c) Terms and Conditions of the Extension Terms. The Extension Terms shall be on all the terms and conditions of this Lease, except that the Base Rent during Extension Terms shall be equal to one hundred percent (100%) of Market Rental Value for the Premises as of the commencement of the applicable Extension Term ("Adjusted Market Rental Value") to be determined as set forth below, and Landlord shall have no additional obligation for free rent, leasehold improvements or for any other tenant inducements for the Extension Terms.

(d) Agreement on Base Rent. Landlord and Tenant shall have ninety (90) days after Landlord receives the Notice of Intent in which to agree on the Base Rent during the applicable Extension Term. Base Rent during the Extension Term(s) shall be the Adjusted Market Rental Value of the Premises calculated as of the date Tenant gives its Notice of Intent with respect to its first and second options to extend, respectively.

(e) Market Rental Value. The term "Market Rental Value" shall be the rental rate that comparable Premises in the market in which the Premises is located would command for the same term as the Extension Term on the open market at the time Tenant provides its Notice of Intent, as determined jointly by Landlord and Tenant. For purposes hereof, the term "comparable Premises" shall mean premises in a Building similar in size and location to the Building in the Glendale office market, excluding any improvements installed by Tenant in the Building. In determining the Market Rental Value, appropriate consideration shall be given to Tenant's creditworthiness, the annual amount per rentable square foot that Landlord has accepted in current transactions between non-affiliated parties from new, non-expansion, non-renewal and non-equity tenants of comparable creditworthiness for comparable premises for a comparable use for a comparable period of time, the annual rental rates per square foot, the standard of measurement by which the rentable square footage is measured, the ratio of rentable square feet to usable square feet, the type of escalation clause (e.g., whether increases in additional rent are determined on a net or gross basis, and if gross, whether such increases are determined according to a base year or a base dollar amount expense stop), the extent of Tenant's liability under the Lease, parking rights and obligations, signage rights, abatement provisions reflecting free rent and/or no rent during the period of construction or subsequent to the commencement date as to the space in question, brokerage commissions, if any, which would be payable by Landlord in similar transactions, length of the lease term, size and location of the Building being leased, and other general applicable conditions of tenancy for such comparable transactions.

(f) Opinions. Landlord shall submit its opinion of Market Rental Value to Tenant within fifteen (15) days after Landlord's receipt of the Notice of Intent, and Tenant shall respond thereto within ten (10) days thereafter by either (a) accepting Landlord's opinion of Market Rental Value (in which case, such Market Rental Value shall be used to determine Base Rent during the Extension Term) or (b) submitting Tenant's opinion of Market Rental Value. If Landlord and Tenant cannot agree upon the Market Rental Value of the Premises within fifteen (15) days thereafter, then Landlord and Tenant within five (5) days shall each submit to each other their final written statement of Market Rental Value ("Final Statement"). Within ten (10) days thereafter Landlord and Tenant shall together appoint one real estate appraiser (who shall be a Member of the American Institute of Real Estate Appraisers) (or, if both Landlord and Tenant agree, a certified property manager with ten (10) years' experience) who will determine whether Landlord's or Tenant's Final Statement of Market Rental Value is the closest to the actual (in such appraiser's opinion) Market Rental Value of the Premises. If Landlord and Tenant cannot mutually agree upon an appraiser within said ten (10) day period, Tenant may apply to the Presiding Judge of

the Superior Court for Los Angeles County, requesting said Judge to appoint the M.A.I. qualified appraiser. The appraiser so appointed shall promptly determine whether Landlord's or Tenant's Final Statement of Market Rental Value is the closest to the actual (in such appraisers' opinion) Market Rental Value of the Premises, and such Final Statement of Market Rental Value shall be the Market Rental Value used in determining Base Rent during the Extension Term. The fees and expenses of the appraiser shall be borne equally by Landlord and Tenant. The appraiser appointed or selected pursuant to this Section shall have at least ten (10) years' experience appraising commercial properties in Los Angeles County.

(g) Amendment of Lease. Immediately after the Board of Supervisors approves the exercise of any option granted pursuant to this Section 34, and such option is exercised, Landlord and Tenant shall execute an amendment to this Lease setting forth the new Base Rent in effect.

IN WITNESS WHEREOF this Lease has been executed the day and year first set forth above.

**SUBORDINATION, NON-DISTURBANCE
AND ATTORNMENT AGREEMENT**

NOTICE: THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT RESULTS IN YOUR LEASEHOLD ESTATE BECOMING SUBJECT TO AND OF LOWER PRIORITY THAN THE LIEN OF SOME OTHER OR LATER SECURITY INSTRUMENT.

This Subordination, Non-disturbance and Attornment Agreement ("Agreement") is entered into as of the ____ day of _____, 20__ by and among COUNTY OF LOS ANGELES, a body corporate and politic ("Tenant"), [*Insert name of Landlord*], ("Borrower") and [*Insert name of Lender*], ("Lender").

Factual Background

A. Borrower owns certain real property more particularly described in the attached Exhibit A. The term "Property" herein means that real property together with all improvements (the "Improvements") located on it.

B. Lender has made or agreed to make a loan to Borrower. The Loan is or will be secured by a deed of trust or mortgage encumbering the Property (the "Deed of Trust").

C. Tenant and Borrower (as "Landlord") entered into a lease dated _____ (the "Lease") under which Borrower leased to Tenant a portion of the Improvements located within the Property and more particularly described in the Lease (the "Premises").

D. Tenant is willing to agree to subordinate certain of Tenant's rights under the Lease to the lien of the Deed of Trust and to attorn to Lender on the terms and conditions of this Agreement. Tenant is willing to agree to such subordination and attornment and other conditions, provided that Lender agrees to a non-disturbance provision, all as set forth more fully below.

Agreement

Therefore, the parties agree as follows:

1. Subordination. The lien of the Deed of Trust and all amendments, modifications and extensions thereto shall be and remain at all times a lien on the Property prior and superior to the Lease, except that if Tenant is granted any option to extend the Term of the Lease, right of first offer to lease additional premises or option to purchase the Property or right of first offer to purchase the Property in the Lease, such provisions shall not be affected or diminished by any such subordination.

2. Definitions of "Transfer of the Property" and "Purchaser". As used herein, the term "Transfer of the Property" means any transfer of Borrower's interest in the Property by foreclosure, trustee's sale or other action or proceeding for the enforcement of the Deed of Trust or by deed in lieu thereof. The term "Purchaser", as used herein, means any transferee, including Lender, of the interest of Borrower as a result of any such Transfer of the Property and also includes any and all successors and assigns, including Lender, of such transferee.

3. Non-disturbance. The enforcement of the Deed of Trust shall not terminate the Lease or disturb Tenant in the possession and use of the leasehold estate created thereby.

4. Attornment. Subject to Section 3 above, if any Transfer of the Property should occur, Tenant shall and hereby does attorn to Purchaser, including Lender if it should be the Purchaser, as the landlord under the Lease, and Tenant shall be bound to Purchaser under all of the terms, covenants and conditions of the Lease for the balance of the Lease term and any extensions or renewals of it which may then or later be in effect under any validly exercised extension or renewal option contained in the Lease, all with the same force and effect as if Purchaser had been the original landlord under the Lease. This attornment shall be effective and self-operative without the execution of any further instruments upon Purchaser's succeeding to the interest of the landlord under the Lease.

5. Lender Not Obligated. Lender, if it becomes the Purchaser or if it takes possession under the Deed of Trust, and any other Purchaser shall not:

(a) be liable for any damages or other relief attributable to any act or omission of any prior Landlord under the Lease, including Borrower, unless such act or omission continues after the date that Lender or Purchaser succeeds to the interest of such prior landlord; or

(b) be subject to any offset or defense not specifically provided for in the Lease which Tenant may have against any prior landlord under the Lease, unless resulting from a default or breach by such prior landlord which continues after Lender or Purchaser succeeds to the interest of such prior landlord; and provided that any offsets deducted by Tenant prior to the date that Lender or Purchaser succeeds to the interest of such prior landlord shall not be subject to challenge; or

(c) be bound by any prepayment by Tenant of more than one (1) month's installment of rent, unless the Lease expressly requires such prepayment; or

(d) be obligated for any security deposit not actually delivered to Purchaser; or

(e) be bound by any modification or amendment of or to the Lease which materially increases Landlord's obligations under the Lease or materially decreases Tenant's obligation under the Lease, unless Lender has approved such modification or amendment in writing, which approval shall not be unreasonably withheld, conditioned or delayed.

6. Notices. All notices given under this Agreement shall be in writing and shall be given by personal delivery, overnight receipted courier or by registered or certified United States mail, postage prepaid, sent to the party at its address appearing below. Notices shall be effective upon receipt (or on the date when proper delivery is refused). Addresses for notices may be changed by any party by notice to all other parties in accordance with this Section.

County of Los Angeles ("Tenant") hereby certifies that, to its actual knowledge, as of the date hereof:

1. Tenant is the present holder of the tenant's interest under the lease described above, as it may be amended to date (the "Lease"). The Lease covers the premises described above (the "Premises") in the building (the "Building") at the address set forth above.

2. (a) A true, correct and complete copy of the Lease (including all modifications, amendments, supplements, side letters, addenda and riders of and to it) is attached to this Certificate as Exhibit A.

 (b) The current Rent is set forth above.

 (c) The term of the Lease commenced on the Commencement Date set forth above and will expire on the Expiration Date set forth above, including any presently exercised option or renewal term. Tenant has no option or right to renew, extend or cancel the Lease, or to lease additional space in the Premises or Building, or to use any parking other than that specified in the Lease.

 (d) Except as specified in the Lease, Tenant has no option or preferential right to purchase all or any part of the Premises (or the land of which the Premises are a part).

 (e) Tenant has made no agreement with Landlord or any agent, representative or employee of Landlord concerning free rent, partial rent, rebate of rental payments or any other similar rent concession except as expressly set forth in the Lease.

3. (a) The Lease constitutes the entire agreement between Tenant and Landlord with respect to the Premises, has not been modified changed, altered or amended, except as set forth in Exhibit A, and is in full force and effect. There are no other agreements, written or oral, which affect Tenant's occupancy of the Premises.

[(b) To the knowledge of Tenant, Tenant has not given Landlord written notice of a material default under the Lease which has not been cured.]

(c) Tenant's interest in the Lease has not been assigned or encumbered.

(d) Tenant is not entitled to any credit against any rent or other charge or rent concession under the Lease, except as set forth in the Lease.

(e) No rental payments have been made more than one (1) month in advance.

4. All contributions required to be paid by Landlord to date for improvements to the Premises have been paid in full, and all of Landlord's obligations with respect to tenant improvements have been fully performed, except: _____.

IN WITNESS WHEREOF, the Tenant has executed this Tenant Estoppel Certificate as of the day set forth above.

LANDLORD'S WORK LETTER

This Work Letter supplements the Lease Agreement (the "Lease") dated _____, 20___, executed concurrently herewith, by and between ONNI BRAND LIMITED PARTNERSHIP, a Delaware limited partnership, as Landlord, and COUNTY OF LOS ANGELES, a body corporate and politic, as Tenant, covering certain Premises described in the Lease. Terms capitalized but not otherwise defined herein shall have the meanings ascribed to them in the Lease.

The parties hereby agree as follows:

1. **Basic Work Letter Information.** The following terms as used herein shall have the meanings provided in this Section unless otherwise specifically modified by provisions of this Work Letter.

Attention: Director of Real Estate |
| (g) <u>Addenda</u> | Addendum A: Base Building Improvements
Addendum B: Tenant Improvements
Addendum C: Form of Preliminary and Final TI Cost Summary |

2. Construction of the Building.

2.1 **Base Building Improvements.** Landlord has constructed or shall construct the base building improvements described on Addendum A hereto (the "Base Building Improvements") as a part of the Building. If the Base Building Improvements must be changed or added to in order to accommodate the special needs of Tenant in the Premises, such changes or additions shall not be considered Tenant Improvements (as defined below) unless such changes or additions are specifically described in Addendum B hereto.

2.2 Additional Costs Not Total TI Costs.

(a) If the Building as initially constructed does not comply with current life-fire safety codes, disabled access codes (including, without limitation, the Americans with Disabilities Act of 1990 (ADA), and/or earthquake safety codes, and Landlord incurs increased design or construction costs that it would not have incurred if the Building had been in compliance with such codes, then such costs shall not be included in the calculation of Total TI Costs (as defined below), and Tenant shall have no financial responsibility for such costs.

(b) Landlord must identify all noncompliant code related items utilizing an independent third-party expert at Landlord's sole cost and expense. Any work that Landlord must undertake to cause the Premises to comply with the access requirements of the ADA or to make existing building systems, including but not limited to electrical service and HVAC equipment, fully operational shall be at Landlord's sole cost and expense. Total TI Costs shall not include any costs associated with (i) asbestos abatement and/or encapsulation or compliance with the Hazardous Materials provision of the Lease, including all expenses associated with curing any "Sick Building Syndromes", (ii) code compliance work required for the existing fire sprinkler system including main lines, existing branch lines and existing sprinkler heads, however, any modification to, relocation of or other upgrade of the existing main lines, existing branch lines and existing sprinkler heads located within the Premises shall be a cost deducted from the Total TI Costs, (iii) conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere, (iv) utility costs incurred during construction, (v) costs incurred in order to cause the Premises to comply with any mechanical or electrical requirements set forth in the Lease, nor (vi) supervision or overhead costs of Landlord.

(c) Landlord shall be solely responsible for all costs and expenses necessary to maintain structural floor loading in order to accommodate Tenant's libraries, file rooms, unusual live loads and other such uses and consistent with the loads referenced in Addendum A (p).

(d) Tenant shall have the right at any time prior to the Commencement Date to field-measure and verify the exact footage of the Premises and/or the Building. Should this measurement be less than the square footage stated above, then Tenant shall have the right to adjust such square footage and reduce the Base Rent in Section 1.1 of the Lease accomplished by the mutual execution of an amendment to the Lease. Landlord acknowledges the space has been marketed at the Lease indicated rental amount and in the event of subsequent physical measurements, Landlord agrees there will be no increase made to the Base Rent if the measured square footage exceeds the amount represented by Landlord. All measurements shall be taken in accordance with the methods of measuring rentable area as described in the Standard Method for Measuring Floor Area in Office Buildings, ANSI/BOMA Z65.1-2017, as promulgated by the Building Owners and Management Association ("BOMA") International.

2.3 **Base Building Plans.** Landlord has delivered to Tenant complete and accurate "as built" plans and specifications for the Building in an AutoCAD 2015 (or later version) and Adobe PDF electronic format. If Tenant incurs additional costs because such plans and specifications are incomplete or inaccurate, then any delay caused thereby shall not be a Tenant Delay (as defined below).

3. **Selection of Architect and Engineer.** Landlord shall not proceed with any bid solicitation for architectural services until final space plan is furnished to the Landlord. Once Landlord receives the final space plan, Landlord shall promptly solicit at least three (3) proposals from qualified licensed architects and engineers familiar with all applicable laws and building requirements detailing a scope of work sufficient to complete the Working Drawings (as defined below). Landlord shall select an architect and engineer, subject to Tenant's acceptance, which shall not be unreasonably withheld, and which acceptance (or rejection for reasonable reasons) shall be granted within five (5) calendar days after Landlord has submitted the name of the selected architect and the selected engineer to Tenant, together with detailed proposals outlining the cost for design/engineering services. This procedure shall be repeated until Tenant accepts an architect (the "Architect") and an engineer (the "Engineer"), and Tenant's written acceptance has been delivered to and received by Landlord.

4. **Selection of Contractor.** The Final Plans (as defined below) and a proposed construction contract accepted by Tenant shall be submitted to a sufficient number of qualified contractors, selected by Landlord and accepted by Tenant, so that a minimum of three (3) bids are received. Each contractor shall be requested to submit a sealed fixed price contract bid price (on an American Institute of Architects (AIA) form) to construct the Tenant Improvements depicted on the Final Plans. Landlord shall select the most qualified bidder offering the lowest price after adjustments for inconsistent assumptions, and Landlord shall submit all bids, along with Landlord's recommendation, to Tenant for Tenant's review and acceptance. Following Tenant's acceptance, Landlord shall enter into a construction contract (the "Construction Contract") with the lowest qualified bidder (the "Contractor") to construct the Tenant Improvements, consistent with the terms of the accepted bid.

5. **Preparation of Plans and Specifications and Construction Schedule.**

5.1 **Preparation of Space Plan.** Concurrently with the execution of this Lease, Tenant shall submit to Landlord specifications for the Premises, which shall include a space plan, and when available, low voltage and furniture plans and shall depict, without limitation, all demising walls, corridors, entrances, exits, doors, and interior partitions, and the locations of all offices, conference rooms, computer rooms, mini-service kitchens, and the reception area, library, and file room (collectively, the "Space Plan").

5.2 **Preparation and Review of Working Drawings.** Within thirty (30) days after the date the Space Plan is submitted to Landlord (the "Plan Submission Date"), Landlord shall instruct the Architect to commence preparation of working drawings (the "Working Drawings"), which shall (a) be consistent with the Space Plan and the Preliminary TI Cost Summary (as defined below), (b) be compatible with the design, construction and equipment of the Building, (c) comply with all applicable laws, (d) be capable of physical measurement and construction, (e) contain all information required for the construction of the Tenant Improvements and the preparation of the Engineering Drawings (as defined below), and (f) include all partition locations, plumbing locations, air conditioning system and duct work, special air conditioning requirements, reflected ceiling plans, office equipment locations, and special security systems. The Working Drawings may be submitted in one or more stages and at one or more times provided that a schedule to

submit the Working Drawings is provided to, and approved by, the Tenant. Landlord shall provide Tenant the Working Drawings, or such portion thereof as has been submitted, for Tenant's review and acceptance. Landlord shall be solely responsible for ensuring that the Working Drawings fully comply with all applicable building codes and are free from errors or omissions and cover any expenses that result from errors or omissions on the part of the Architect.

5.3 Preparation and Review of Engineering Drawings. Landlord shall cause the Architect to coordinate all engineering drawings prepared by the Engineer, including but not limited to complete mechanical, electrical, and plumbing plans ("Engineering Drawings"), into the Working Drawings. The Engineering Drawings may be submitted in one or more stages and at one or more times for Tenant's review and acceptance.

5.4 Integration of Working Drawings and Engineering Drawings into Final Plans. After Tenant has accepted the Engineering Drawings, Landlord shall cause the Architect to integrate the accepted Working Drawings with the accepted Engineering Drawings (collectively "Final Plans") and deliver the Final Plans to Tenant for Tenant's review in an AutoCAD 2015 (or later version) and Adobe PDF electronic format. The Final Plans shall be suitable for plan check review and permitting by local agencies having jurisdiction, for the layout, improvement and finish of the Premises consistent with the design and construction of the Base Building Improvements, including electrical and mechanical drawings, capacity reports, dimensioned partition plans, floor and wall finish plans, reflected ceiling plans, power, telephone communications and data plans, life safety devices, construction detail sheets including millwork detail plans showing the location of partitions, light fixtures, electrical outlets, telephone outlets, sprinklers, doors, equipment specifications (including weight specifications and cooling requirements), power requirements (including voltage, amps, phase, and special plugs and connections), wall finishes, floor coverings, millwork and other Tenant Improvements. Landlord's review of the Space Plan, Working Drawings, Engineering Drawings, and Final Plans shall be at Landlord's sole cost and expense.

5.5 Tenant's Plan Review and Acceptance. Tenant shall accept or reject the Working Drawings, the Engineering Drawings and the Final Plans within twenty-one (21) calendar days after Tenant receives the applicable plans and drawings from Landlord. If Tenant rejects any such plans or drawings, then Tenant shall notify Landlord thereof, specifying in detail the reason for such rejection, in which case Landlord shall revise the applicable plans or drawings and deliver revised plans or drawings to Tenant within fourteen (14) calendar days after receipt of Tenant's rejection notice. This procedure shall be repeated until the applicable plans are accepted by Tenant. Tenant's acceptance of the Working Drawings, Engineering Drawings and/or the Final Plans shall not be deemed to be a representation by Tenant as to the adequacy or correctness of the design of the Tenant Improvements.

5.6 Schedule. Within twenty-one (21) calendar days of the Plan Submission Date, Landlord shall submit to Tenant a detailed construction schedule, subject to acceptance by Tenant, which shall not be unreasonably withheld, setting forth the completion dates of certain project milestones, including but not limited to completion of Working Drawings, completion of Engineering Drawings, submission of plans to local jurisdiction for review, issuance of building permit, submission of plans to contractors for bidding, award of the Construction Contract, construction commencement date, construction completion, the Estimated Commencement Date and other relevant dates. The schedule shall be apportioned by construction activity and include time required for the completion of each portion of the work. As the construction continues, Landlord shall amend the construction schedule at least once each month to reflect any changes to the projected dates, and Landlord shall promptly submit the revised construction schedules to

Tenant. If the amended construction schedule identifies delays to the project's critical path, the Landlord shall provide a recovery schedule and/or request for a contract time extension.

5.7 Submittals. The Landlord shall submit to Tenant any Shop Drawings, Product Data Sheets / Samples or similar submittals required by the Final Plans in coordination with the construction schedule and with reasonable promptness, so as not to cause any delay in the construction of the Tenant Improvements. The purpose of Shop Drawings, Product Data, Samples and similar submittals is to demonstrate the way by which the Contractor proposes to construct a design concept expressed in the Final Plans. "Shop Drawings" include drawings, diagrams, schedules and other data specially prepared by the Contractor or a subcontractor, manufacturer, supplier or distributor to illustrate some portion of the Tenant Improvements. "Product Data Sheets / Samples" include illustrations, summary performance charts, instructions, brochures, diagrams, manufacturer specifications and other information furnished by the Landlord to illustrate materials or equipment for some portion of the Tenant Improvements. "Samples" are physical examples that illustrate materials, equipment or workmanship for some portion of the Tenant Improvements. The Contractor shall construct no portion of the Tenant Improvements for which the Final Plans require submittal and review of Shop Drawings, Product Data, Samples or similar submittals until the respective submittal has been reviewed and accepted by the Architect.

6. Landlord's TI Cost Summary and Payment of Total TI Costs

6.1 Cost Summary. Within twenty-one (21) days after the Plan Submission Date, Landlord shall submit to Tenant a preliminary cost summary for the Tenant Improvements in a format similar to Addendum C attached hereto (the "Preliminary TI Cost Summary"), which must not exceed the sum of Landlord's TI Allowance and Tenant's TI Contribution. The Preliminary TI Cost Summary shall be revised into final form within ten (10) days after the date that the Contractor is selected and will be referred to herein as the "Final TI Cost Summary". Tenant shall have fourteen (14) calendar days after the date of receipt of the Final TI Cost Summary to accept or reject the Final TI Cost Summary, including but not limited to any Contractor overhead, profit and/or general conditions costs included therein; provided, however, that any proposed increase to Tenant's TI Contribution shown on the Final TI Cost Summary shall not be effective unless approved in a separate written agreement executed by Landlord and Tenant. Tenant's failure to accept or reject the Final TI Cost Summary in writing within such period shall be deemed to be Tenant's rejection. Construction of the Tenant Improvements shall not begin until Tenant accepts the Final TI Cost Summary in writing and any delay of providing its approval of the Final TI Cost Summary shall be a Tenant Delay. If Tenant rejects the Final TI Cost Summary due to matters related to cost and the Final TI Cost Summary is ten percent (10%) or more higher in cost than projected in the Preliminary TI Cost Summary, then, at Tenant's request, Landlord shall cause the Architect and the Engineer to redesign the Tenant Improvements, as part of the TI Costs, to comply with the Preliminary TI Cost Summary, and any delay caused by the necessity to rebid or redesign the Tenant Improvements shall not be considered a Tenant Delay. If Tenant rejects the Preliminary TI Cost Summary or the Final TI Cost Summary, the parties shall promptly confer to resolve all issues relating thereto.

6.2 Landlord's TI Allowance and Tenant's TI Contribution. All improvements required by the Final Plans, as further described in Addendum B hereto, and any and all modular furniture described in the Modular Specifications (as defined below) shall be referred to herein, collectively, as "Tenant Improvements" or "TI." Costs of Tenant Improvements shall include costs for furniture, , soft costs, and any other costs approved in writing by Tenant (collectively "Total TI Costs"), all of which must not exceed the sum of Landlord's TI Allowance, Tenant's TI Contribution, and costs of any Change Authorizations (as defined below) that are approved in writing by both parties.

Landlord shall be solely responsible for any delay or increased cost in completing the Tenant Improvements except for delays or costs arising from Tenant Delays, Force Majeure or Change Authorizations as defined below. Except as otherwise provided herein, all Total TI Costs shall be paid by Landlord and deducted from Landlord's TI Allowance. If the Total TI Costs exceed Landlord's TI Allowance, then Tenant may authorize Landlord to pay the overage in an amount not exceeding Tenant's TI Contribution. Thereafter, Tenant shall pay such overage to Landlord as provided in Section 6.3 below.

6.3 Method of Payment. Tenant shall be obligated to pay Landlord that portion of Tenant's TI Contribution used to pay for any Total TI Costs in excess of Landlord's TI Allowance' thirty (30) calendar days after all of the following conditions have been met: (i) Tenant Improvements are Substantially Complete (as defined in the Lease); (ii) Landlord has provided Tenant with all documentation substantiating all Tenant Improvements' expenses, including without limitation, receipts, invoices, proof of payment, unconditional lien releases and approved changed orders; and (iii) Tenant has reconciled all Tenant Improvements' costs to determine and confirm the total Tenant Improvements amount spent and the amount of Tenant's TI Contribution owed to Landlord. At Tenant's election, such payment may be made (a) in a lump sum, or (b) in equal monthly payments, amortized over the initial five years of the Lease at the TI Amortization Rate. Tenant may, at any time during the first five (5) years of the Term, prepay all or any portion of the Total TI Costs in excess of the Landlord's TI Allowance and pay any remaining amount in equal monthly payments, amortized over the first five (5) years of term of the Lease at the TI Amortization Rate.

6.4 Base Rent Credit for Unused Portions of Landlord's TI Allowance. If the Total TI Costs are less than the Landlord's TI Allowance, then the amount of any unused portion of the Landlord's TI Allowance shall be applied as a credit against the next installment(s) of Base Rent due under the Lease.

7. Construction of Tenant Improvements.

7.1 Tenant Improvements. Tenant Improvements to be constructed by Landlord are described more particularly on Addendum B hereto. If any work required by the Final Plans is not described on Addendum B hereto, such work shall be considered a Base Building Improvement and shall be performed by Landlord at its own cost and expense and not included in the cost of Tenant Improvements.

7.2 Bids. Unless waived by Tenant in writing, any major contractors, subcontractors and material suppliers providing labor and/or materials for the Tenant Improvements shall be selected only after three (3) bids have been solicited from responsible and qualified persons. The bids shall include an itemized list of all materials and labor and shall include all additional costs, including architects and engineering fees, permits, reasonable contractor's profit and overhead, and project management fees. Landlord shall also obtain three (3) bids from responsible and qualified bidders for the purchase and installation of Tenant's office furniture system, if applicable, in accordance with Section 9.1 below.

7.3 Permits. As part of the Total TI Costs, Landlord shall obtain the approval of all applicable governmental authorities and all permits required for the Tenant Improvements, promptly after Tenant's acceptance of the Final Plans. Landlord shall obtain plan check approval prior to soliciting bids from contractors pursuant to Section 4 hereof.

7.4 Commencement of Construction. Landlord shall commence construction of the Tenant Improvements within twenty-one (21) calendar days after issuance of necessary permits and governmental approvals. Contractor shall obtain the building permit for the Tenant Improvements prior to the commencement of construction. Thereafter, Landlord shall diligently proceed to construct and complete all Tenant Improvements in a good and workmanlike manner, subject only to any cessation that may be caused by Force Majeure Delays (as defined below) and/or Tenant Delays.

7.5 Construction. Construction of the Tenant Improvements will be subject to the following terms and conditions:

(a) Notice of Nonresponsibility. Landlord and the Contractor shall cooperate with Tenant in posting a notice or notices of nonresponsibility by Tenant in compliance with California Civil Code Section 8444.

(b) Decorating Decisions. As part of the Total TI Costs, all design and programming, space planning and interior decorating services, such as selection of wall paint colors and/or wall coverings, furniture, fixtures, flooring and base, and any other decor selection efforts required by Tenant, shall be provided by Landlord in accordance with Tenant's Space Plan. Landlord shall consult with Tenant with respect to all such decorating services and decisions.

(c) Warranties. As part of the Total TI Costs, Landlord shall cause the Contractor to issue to Tenant a warranty that the Tenant Improvements shall be free from any defects in workmanship and materials for a period of not less than one (1) year from the date of Substantial Completion (as defined in the Lease). Landlord shall require each contractor and subcontractor to provide warranties of like duration in all construction contracts relating to the Tenant Improvements and, upon Tenant's request, Landlord shall assign to Tenant any such warranties relating to the Tenant Improvements. Patent defects in the Tenant Improvements shall be brought to Landlord's attention promptly. Latent or hidden defects in the Tenant Improvements shall be brought to Landlord's attention promptly upon Tenant's becoming aware of such defects. Landlord, at Landlord's sole cost and expense, shall cause such defects to be repaired following receipt of notice thereof, and Tenant shall have the same rights with respect thereto as set forth herein for all other punch-list items.

(d) Clean-Up and Substandard Work. As part of the Total TI Costs, Landlord will be responsible for all clean-up with respect to the Tenant Improvements, whether in the Premises or in other areas utilized by Landlord or its contractors, and Landlord agrees to reimburse Tenant for any and all reasonable expenses incurred by Tenant by reason of substandard work performed by Landlord's contractor or contractors (as reasonably determined by Tenant according to the usual standards of work in the Building) or as a result of inadequate clean-up.

(e) Compliance with Laws. The Premises shall comply with all applicable city, county, state and federal building codes, regulations and ordinances required for beneficial occupancy, including but not limited to all provisions of the California Labor Code. **Without limiting the generality of the foregoing, construction of the Tenant Improvements shall comply with all applicable laws and regulations, including but not limited to the provisions of the California Labor Code relating to the payment of prevailing wages on public works projects, unless the work is otherwise exempt therefrom pursuant to the California Labor Code. Under the provisions of the Labor Code, the State Department of Industrial Relations will ascertain the prevailing hourly wage rate and details pertinent thereto for**

each craft, classification, or type of workman or mechanic needed for the construction of the Tenant Improvements. Particulars of the current prevailing wage scale, as approved by the Board of Supervisors, which are applicable to the work, are filed with the Clerk of the Board of Supervisors and must be posted at the site. Notwithstanding the foregoing or any language to the contrary contained herein, the payment of prevailing wages according to the current prevailing wage scale and compliance with applicable prevailing wage statutes shall be required where there is a Tenant's TI Contribution made towards the Total TI Costs of the Tenant Improvements to be performed.

(f) Access During Construction. Tenant shall have the right to conduct site visits to observe progress of the Tenant Improvements during the course of construction. Additionally, pursuant to Section 4.3 of the Lease, Tenant shall be entitled to enter the Premises at least thirty (30) calendar days prior to the Commencement Date, upon prior notice to Landlord and receipt of Landlord's consent, which shall not be unreasonably withheld, conditioned or delayed, for the sole purpose of installing Tenant's furniture, fixtures and equipment in the Premises. Landlord and Tenant shall use reasonable good faith efforts to coordinate the work of their respective contractors to achieve timely completion of the Tenant Improvements and Tenant's installation work.

7.6 Completion/Close Out. The Premises shall not be considered Substantially Complete until the Tenant Improvements have been completed in accordance with the Final Plans and Section 4.1 of the Lease, subject only to the completion of minor punch-list items that will not interfere with Tenant's use and occupancy of the Premises for Tenant's permitted and intended use under the Lease. Upon Substantial Completion of the Tenant Improvements, Landlord shall notify Tenant in writing and, within fourteen (14) calendar days of Tenant's receipt of such notice, Landlord and Tenant shall conduct a "walk-through" inspection of the Premises and prepare a punch-list of known or apparent deficiencies or incomplete work required to be corrected or completed by Landlord. Landlord, as part of the Total TI Costs, shall cause all punch-list items (except for furniture punch list items) to be repaired or completed as soon as possible, but in no event later than thirty (30) days following the walk-through inspection. If Landlord fails to complete any of the punch-list items (except for furniture punch list items which shall have a 60-day period) within such 30-day period, then Tenant, in addition to its other rights and remedies under the Lease, after giving ten (10) days written notice to Landlord, shall have the right, but not the obligation, to cause such punch-list items to be completed, with the cost thereof to be deducted from the next installment(s) of rent or other amounts payable by Tenant under the Lease. Any new or additional items added by Tenant to the punch list (which are not punch list items of deficiencies or incomplete work) shall be at Tenant's cost as part of Tenant's TI Contribution.

7.7 Conformed Plans. Within sixty (60) days after Substantial Completion of the Tenant Improvements and Landlord's receipt from the Contractor of all field changes, Landlord shall submit to Tenant a set of conformed plans ("as-builts") incorporating, in accordance with standard industry custom and practice, field changes made and changes and/or revisions that have been made subsequent to the submission of the Final Plans. Such "as-built" or "record documents" shall be submitted in an AutoCAD 2015 (or later version) format, along with one complete set of plans and specifications Adobe PDF electronic format.

8. Requests for Change. Tenant and Landlord may request changes, additions, deletions or substitutions in the Final Plans (each, a "Request for Change"), provided that the requesting party must submit a written request to the other party and that Requests for Change will not be effective unless approved in writing by both Tenant and Landlord (a "Change Authorization"). Only the County's Chief Executive Officer or his/her designee is authorized to execute Change

Authorizations on behalf of Tenant. At the time of a Request for Change, Landlord shall inform Tenant of the number of days of delay caused by the Change Authorization. The one hundred eighty (180) day period for Landlord to complete the work described in Section 4.2 of the Lease shall be extended on a day for day basis for each day of delay due to the Change Authorization and the Estimated Commencement Date shall be extended on a day to day basis for each day of delay due to the Change Authorization. If Tenant requests any changes or substitutions to the Tenant Improvements after the Final Plans and the Final TI Cost Summary have been accepted ("Tenant-Requested Changes"), then any additional costs related thereto in excess of Landlord's TI Allowance shall be paid by Tenant, provided that Tenant executes a written Change Authorization prior to the performance of the applicable work. Tenant shall be obligated to pay Landlord for the Tenant Request for Change as part of Tenant's portion of Tenant's TI Contribution used to pay for any Total TI Costs in excess of Landlord's TI Allowance as defined in Section 6.3. Landlord shall be solely responsible for the cost of any Change Authorizations or other Requests for Change that are not Tenant-Requested Changes or approved by the Chief Executive Officer or his/her designee. Landlord shall submit to the Chief Executive Officer or his/her designee with each Request for Change: (i) the specific cost of the requested change, (ii) the cumulative net total cost of all Change Authorizations previously executed, and (iii) an estimate of the number of days by which the construction time will be increased or shortened if the Request for Change is approved. Each Change Authorization must be signed and dated by tenant department, Landlord and the Chief Executive Officer or his/her designee in order to be effective.

9. Furniture System.

9.1 Tenant shall deliver to Landlord within fourteen (14) calendar days after the date of full execution of this Work Letter, modular furniture plans and specifications (the "Modular Specifications"). Based on the Modular Specifications, Landlord and /or Landlord's architect shall prepare a modular furniture specifications bid package for submission to no less than three (3) furniture vendors. The bid package shall be broken down into separate line items for material, delivery, and sales tax, and each furniture item shall be broken down by unit price, quantities, description and specification. Prior to submission for bids, Landlord shall review the bid package with Tenant, and Tenant shall have the right to accept or reject the bid package. Landlord shall order the modular furniture set forth in the Modular Specifications and install the same within the Premises, all of which shall be a Total TI Cost, payable by Landlord and/or Tenant as provided in Section 6.2 and Section 6.3 hereof. Tenant's acceptance of any bid package shall not be deemed to be a representation by Tenant as to the adequacy or correctness of any specifications contained therein.

9.2 Alternatively, Tenant may elect to finance the cost of modular furniture through lease-purchase financing with a third-party lender ("Creditor"). If Tenant elects to enter into a lease-purchase financing of any furniture or telecommunications equipment (individually or collectively, "Personal Property") through a Creditor, Landlord expressly agrees as follows:

(a) The Personal Property shall not become part of the real property, but shall remain personal property removable by the Creditor and its assigns, provided that any damage to the Building or the Premises caused by such removal shall be repaired by Creditor.

(b) Landlord must receive written notice from Creditor of any plan by Creditor to remove the Personal Property from the Building.

(c) This Section 9.2 shall be binding on the representatives, successors and assigns of all parties hereto and shall inure to the benefit of the successors-in-interest to all parties hereto.

(d) Landlord hereby waives any right to gain possession of any of Personal Property during the term of the Lease.

10. Total TI Costs Adjustment and Right to Audit. Within ten (10) business days of the issuance of a Certificate of Occupancy for the Premises or a final sign-off by the County of Los Angeles, whichever occurs first, Landlord shall provide to Tenant a statement showing (a) all Total TI Costs in reasonable detail and sorted into the same line items as the Final TI Cost Summary, and (b) the amount of Total TI Costs that is in excess of Landlord's TI Allowance and payable hereunder by Tenant to Landlord. Upon approval of such statement by Tenant, payments by either party pursuant to the Lease and this Work Letter shall be adjusted as appropriate based upon such statement. Tenant shall have the right to audit the Total TI Costs at any time during the first five (5) years after the date of Tenant's Acceptance of the Premises. If the audit shows that Tenant is entitled to a reduction in payments made by Tenant to the Landlord pursuant to this Work Letter, then Tenant shall provide Landlord with a copy of the audit summary, and inform Landlord if Tenant wants Landlord to pay Tenant the amount of any over-payment made by Tenant within thirty (30) calendar days or if Tenant will apply such amount as a credit against the next installment(s) of Base Rent due under the Lease, and any future payments owed by Tenant shall be adjusted as appropriate based upon the audit results. Landlord shall require the Contractor to include audit provisions in all subcontracts which allow Tenant to audit the subcontractors' books and records with respect to the Tenant Improvements.

11. Telephone/Computer Room and Equipment. As part of the Total TI Costs, Landlord shall complete the telephone equipment room(s), including permanent power and HVAC, in compliance with the Space Plan, Low-Voltage Plan and specifications provided by Tenant, at least thirty (30) calendar days prior to the Estimated Commencement Date. During this thirty (30) day period, the Landlord shall be responsible for the security and protection of any telephone/data equipment delivered to the site prior to the Estimated Commencement Date.

12. Delay.

12.1 Tenant Delays, Force Majeure Delays and Change Authorizations. Except as set forth in this Section 12 or in the Lease, Tenant shall not be charged as a result of any delay in the construction of Tenant Improvements. Subject to the provisions of Section 12.2, the Estimated Commencement Date set forth in Section 4.2 of the Lease shall be extended one (1) day for each day that: (a) Tenant fails or refuses to give authorizations or approvals within the time periods required herein, but only to the extent such delays delay the commencement or completion of construction of the Tenant Improvements (referred to herein as "Tenant Delay(s)"); or (b) Substantial Completion of the Tenant Improvements is delayed by lightning, earthquake, fire, storm, tornado, flood, washout, explosion, strike, lockout, labor disturbance, civil disturbance, riot, war, act of a public enemy, sabotage, delay in the issuance of building permits or other required approvals by governmental authorities (provided the party responsible for obtaining such permits or approvals is diligently pursuing the issuance thereof), or other similar causes beyond the reasonable control of Landlord (referred to herein as "Force Majeure Delay(s)") or (c) Landlord's performance of the work described herein is delayed due to a Change Authorization.

12.2 Limitations.

(a) Notice. No Tenant Delay or Force Majeure Delay shall be deemed to have occurred unless, within forty eight (48) hours of the event giving rise to such claim, Landlord provides Tenant with written notice in compliance with the Lease specifying that a delay is claimed to have occurred because of actions, inaction or circumstances specified in the notice in reasonable detail. If such actions, inaction, or circumstances qualify as a Tenant Delay or Force Majeure Delay, then a Tenant Delay or Force Majeure Delay, as applicable, shall be deemed to have occurred, commencing as of the date Tenant received such notice from Landlord.

(b) Mitigation. Tenant Delays, Force Majeure Delays and Change Authorizations shall delay the Estimated Commencement Date only if Substantial Completion of the Tenant Improvements is delayed, despite Landlord's reasonable efforts to adapt and compensate for such delays, efforts which Landlord shall be obligated to make (provided that the additional cost incurred by Landlord due to such efforts does not exceed \$1,000 on a cumulative basis, unless Tenant agrees to pay to the excess).

(c) Concurrent Delays. Tenant Delays and Force Majeure Delays shall be recognized hereunder only if they are not concurrent with any other Tenant Delay or Force Majeure Delay that is effective hereunder. For example, if fourteen (14) calendar days of Tenant Delays and six (6) calendar days of Force Majeure Delays occur during the same fourteen (14) calendar day period, then the Estimated Commencement Date would be extended by only fourteen (14) calendar days; on the other hand, if such Tenant Delays and Force Majeure Delays did not occur during the same period, then the Estimated Commencement Date would be extended by twenty (20) calendar days.

(d) Change Authorizations. Landlord may not claim that a Tenant-Requested Change was the cause of a delay in the construction of the Tenant Improvements unless the anticipated delay is specified in writing in the executed Change Authorization and affects the Critical Path of the Construction Schedule.

(e) Work Scope Precedence. In case of conflicts or discrepancies between or among this Landlord Work Letter, plans, and specifications, plans shall supersede specifications for quantity, specifications shall supersede plans for quality, and this Landlord Work Letter shall supersede both plans and specifications.

13. Tenant Remedies. If Landlord fails to obtain the building permit to construct the Tenant Improvements within a reasonable time, taking all factors into consideration, or if the Tenant Improvements have not been completed within one hundred eighty (180) days after the Estimated Commencement Date, then Tenant may, at its option:

13.1 Cancel the Lease upon thirty (30) calendar days' written notice to Landlord; or

13.2 Upon thirty (30) calendar days' written notice to Landlord, assume the responsibility for constructing and/or completing the Tenant Improvements itself. If Tenant elects to construct or complete the Tenant Improvements itself, then:

(a) Tenant, its officers, employees, agents, contractors and assignees, shall have free access to the Premises and the Building at all reasonable times for the purpose of constructing the Tenant Improvements and for any other purposes reasonably related thereto; and

(b) Base Rent shall be reduced by Tenant's total expense in constructing the Tenant Improvements, including any financing charges for capital and a reasonable amount for Tenant's administrative costs ("Tenant's Total Expense"). The rent reduction schedule shall be as mutually agreed to between the parties or, if no such agreement is made, Tenant's Total Expense shall be fully amortized in equal monthly amounts over five (5) years and deducted from the Base Rent payable under the Lease.

Any default by Landlord under the terms of this Work Letter beyond applicable notice and cure periods shall constitute a Landlord Default under the Lease and shall entitle Tenant to exercise all remedies set forth in the Lease.

14. Representatives.

14.1 Tenant Representative. Tenant has designated Tenant's Work Letter Representative as its sole representative with respect to the matters set forth in this Work Letter who, until further notice to Landlord, shall have the full authority and responsibility to act on behalf of Tenant as required in this Work Letter and whose address, for purposes of any notices to be given regarding matters pertaining to this Work Letter only, is Tenant's Address for Work Letter Notice as set forth in Section 1.2 of the Lease.

14.2 Landlord Representative. Landlord has designated Landlord's Work Letter Representative as its sole representative with respect to the matters set forth in this Work Letter who, until further notice to Tenant, shall have the full authority and responsibility to act on behalf of Landlord as required in this Work Letter and whose address, for purposes of any notices to be given regarding matters pertaining to this Work Letter only, is Landlord's Address for Work Letter Notice as set forth in Section 1.2 of the Lease.

15. Elevator Usage During Move-In. In the event that the use of the freight elevators and/or hoists is not sufficient to meet Tenant's requirements during the early entry period set forth in Section 4.3 of the Lease, (a) Landlord shall cause to be made operational a temporary construction elevator and hoist, or (b) Tenant shall have priority usage of two (2) passenger elevators in the elevator bank that services the Premises in order to assist Tenant in the installation of Tenant's fixtures, furniture and equipment. Any elevator usage provided under this Section 15 shall be at no cost to Tenant.

16. Construction Meetings. During the course of construction, meetings shall be held between the Contractor, Landlord and Tenant at least once per week, unless Tenant directs otherwise, at a time and place that is mutually convenient. An initial construction meeting shall be held within seven (7) calendar days after the date the Contractor is selected. Contractor shall provide minutes of each construction meeting to Tenant within a reasonable time thereafter, but not later than the date of the next construction meeting.

17. Delivery. Delivery of all plans and drawings referred to in this Work Letter shall be either by commercial messenger service, personal hand delivery or Landlord can set up a web-based download, unless otherwise agreed by Landlord and Tenant.

18. Miscellaneous. This Landlord Work Letter sets forth the entire understanding and agreement between the Parties with respect to the subject matter of this Landlord Work Letter. This Landlord Work Letter may be amended only in a writing signed by both Parties. Any notice to a party for a breach of this Landlord Work Letter must be delivered in writing per the terms as set forth in Section 30.6 of the Lease. This Landlord Work Letter shall be construed as if jointly

drafted by the parties. This Landlord Work Letter will not be effective unless and until signed by both Parties. Neither party may assign this Landlord Work Letter or its rights or obligations hereunder without the other party's prior written consent. This Landlord Work Letter will be binding upon, enforceable by and inure to the benefit of the Parties and each of their successors and permitted assigns. Provisions contained in this Landlord Work Letter shall prevail in case of conflict over the terms of the Lease. This Landlord Work Letter is hereby incorporated into and made part of the Lease. All the terms and conditions of the Lease remain in full force and effect, except as expressly indicated otherwise in this Landlord Work Letter. This Landlord Work Letter will become effective as of the Effective Date and shall continue in effect, except to the extent it is amended or terminated in accordance with terms of the Lease.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Work Letter as of the dates set forth below.
