34.	33	Oppose	Ty R	LA County Probation is in disarray! Chief Rosa continues to be a subject matter expert at gaslighting. He doesn't care about our youth. He doesn't collaborate with stakeholders and have a history of creating contentious relationships with bargaining units. He doesn't collaborate well with probation supervisors and managers and likes to stroke his ego by using his subordinates to carry out his dirty work but then leave them out to dry and on an island when things go wrong. Ask Kimberly Epps how that worked out for her when Rosa gave her instructions to share with probation staff about defying BSCC's order to move the youth out of LPJH. Board of Supervisors, I plead to you to see this man for who he is. He has a horrible track record if you just took the time to inquire on a surface level. LA County deserves BETTER and he is NOT the answer. Trust your gut with this man. He can't even keep staff for the field operations of probation. How is that improving public safety? I'm sure he will feed you all a lie for that too. So sad, but I trust you can see through his gaslighting.
