| | | | Daria Brooks | The Second District has some of the WORST air quality in L.A. County, yet the AQMD refuses to monitor the airborne levels of noxious fumes—including leachate and dimethyl sulfide trucked in from Chiquita Canyon—released into East Gardena, West Rancho Dominguez and West Carson. Given that this area's Supervisor, Holly Mitchell, also sits on the board of the AQMD, is this any surprise? We, the residents, will NOT vacate our homes to help you kiss up to developers, Supervisor Mitchell. Do your job or GET OUT! |
