Proclaiming Los Angeles County Fair Days

The Los Angeles County Fair is a cherished tradition that has brought our community together for over a century. In 2025, the Fair will run from May 2 to May 26, with the theme "Art Unleashed." This year's focus will celebrate creativity across a variety of mediums, including visual arts, music, culinary innovations, and live performances. Visitors will be invited on an immersive journey where they can engage with both traditional and contemporary art in interactive ways.

"Art Unleashed" encourages attendees to step beyond the ordinary and experience art in unexpected forms. The Fair provides a dynamic platform for artists to showcase their work while offering the community opportunities to actively participate through hands-on activities, live performances, and culinary arts. The event aims to foster an environment where imagination thrives and creativity is celebrated.

Los Angeles County Supervisor Hilda L. Solis, a staunch advocate for the arts, has actively encouraged some of the region's most esteemed cultural institutions, including the Los Angeles County Museum of Art (LACMA), The Music Center, Center Theatre Group, LA Opera, and others, to participate in this year's Fair. She believes that bringing together these iconic organizations will help the Fair become a powerful

platform for creativity, cultural dialogue, and exchange. Through these collaborations, she hopes to further the County's mission to unite and elevate our communities through the transformative power of the arts.

The 19th Annual Los Angeles County Day at the Fair, on May 4, 2025, will provide an opportunity for County employees to engage with the event, explore booths, and connect with resources designed to serve our diverse communities. This special day highlights the Fair's important role in fostering unity and promoting collaboration across all sectors of Los Angeles County.

The 103rd Annual Los Angeles County Fair promises to be a true celebration of art, culture, and community. We encourage all County employees and residents to join in this exciting event and embrace the creativity that defines our region.

I, THEREFORE, MOVE that the Board of Supervisors:

1. Proclaim May 2 through May 26, 2025, as "Los Angeles County Fair Days" throughout Los Angeles County; and
2. Encourage Countywide Communications to promote the Fair on the County Channel and social media platforms; and
3. Encourage Los Angeles County Department directors to promote "Los Angeles County Day at the Fair" on Sunday, May 4, 2025, with their staff so that they can experience the Fair's many exhibits and attractions.
