The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

**2025-26 RECOMMENDED COUNTY BUDGET
(3-VOTES)**

The 2025-26 Recommended Budget marks the start of an unprecedented season of budgetary pressure and constraint in Los Angeles County (County) as we confront an array of major fiscal challenges against the backdrop of a highly unsettling economic landscape.

This Recommended Budget—the first step in the County's three-part annual budget process—reflects the daunting fiscal realities we are facing with a prudent, pared-down spending plan that we hope to build upon in future budget phases as our financial picture comes into greater focus.

The \$47.9 billion Recommended Budget reflects a decrease of nearly \$1.3 billion compared to the 2024-25 Final Adopted Budget of October 2024. It includes 14 new positions, a small number when compared to prior Recommended Budgets, bringing the County's total budgeted workforce to 117,100.

The Recommended Budget includes \$230.5 million in new net revenues—a stark decrease from the \$390.2 million in new net revenues available in the 2024-25 budget year and an even greater decrease from the \$551.7 million available in 2023-24. These dollars will be used to fund key existing obligations, including:

- Previously contracted increases in wages and benefits for the County's workforce;
- Growing public assistance caseload costs;

"To Enrich Lives Through Effective And Caring Service"

- Previously approved Board policies and County commitments; and
- Compliance with a Department of Justice consent decree.

After funding these existing obligations, relatively little funding remains to fund new programs and initiatives in this budget phase. Additionally, this Recommended Budget includes \$88.9 million in ongoing savings resulting from three percent net County cost (NCC) reductions in departmental budgets.

As always, funding requests far exceed available resources. This year we received budget requests totaling \$2.4 billion. We are recommending funding for \$230.5 million of these requests, deferring over \$815.0 million in funding requests to future budget phases, leaving \$1.3 billion as an unmet need.

The Challenges

The County is facing a daunting array of challenges in a dynamic economic and political landscape full of uncertainties, yet like all other local governments in California, we are required by State law to balance our budget. Our challenges include:

Assembly Bill (AB) 218

The County has reached a tentative \$4.0 billion settlement—the largest in County history—to resolve thousands of lawsuits filed under AB 218, a law which became effective in 2020, waived the statute of limitations to file a claim of childhood sexual assault by providing a 3-year window to allow victims of childhood sexual abuse to come forward. If the settlement is approved by your Board, the settlement financing plan will require annual payments totaling hundreds of millions of dollars through 2030 and substantial continuing annual payments through fiscal year (FY) 2050-51. This settlement will resolve most—but not all—of the AB 218 cases filed to date.

Wildfires

The Eaton and Palisades wildfires are among the worst natural disasters to strike the County in modern times. Beyond the human toll of these deadly, destructive and unprecedented fires, some early forecasts place the overall economic impact on the County region at more than \$250.0 billion. As a vital player in the regional economy, the County expects decreases in some locally generated revenues, including decreases in property tax revenues from the full or partial loss of properties in the affected areas and further decreases in our local sales tax-based revenues due to the loss and closure of businesses. Extending, through April 2026, the deadline for property owners in fire impacted areas to pay their real property taxes without penalties and interest will further impact our revenue assumptions.

While revenues will face significant fire-driven declines, we anticipate significant increases in County costs to provide essential aid to impacted residents and to invest in clean-up and rebuilding efforts to help our communities recover as quickly as possible. As recovery and rebuilding gets underway, we are actively calculating these costs, which we expect to be substantial as departments confront sharply increased workloads, the need to replace County structures destroyed by the fires, and other new responsibilities to meet the challenge.

We expect these costs to negatively impact current departmental budgets which were adopted prior to this emergency—and these multi-year costs, will reverberate well beyond the 2024-25 budget year. The County will shoulder most of the response and rebuilding costs initially while we work with the Federal Emergency Management Agency (FEMA) to claim eligible costs for future reimbursement. Based on our experience with prior natural disasters, FEMA does not typically cover all claimed costs, and reimbursements are not fully repaid until years after claims are submitted. While the costs will be substantial, supporting our communities as they move toward full recovery will ultimately create a stronger, safer, more resilient County for all our residents.

Federal Impacts

The new federal administration's policy changes jeopardize hundreds of millions of federal dollars that support vital County services and programs. For example, Public Health was recently notified that more than \$45.0 million in previously awarded grant funds—intended to last through July 2026—were rescinded, although that decision is being challenged in court by 22 State Attorneys General and the District of Columbia and a temporary restraining order has been granted. If this rescission does move forward, it will be reflected in a later budget phase. My office continues to evaluate the impact these potential funding losses will have on services and the County workforce providing these services. Thirteen percent of this year's Recommended Budget comes from direct federal assistance and billions more comes from sources reliant on federal funding which means we have thousands of employees paid, in whole or part, with federal funding. Even absent the budgetary pressures listed above, the County would be unable to support the cost of hundreds of employees currently paid with federal funding if that funding were to disappear. We are closely monitoring these shifts in federal policy and their potential impact on our federal revenue streams and on our budget. We will return to the Board with additional recommendations in a later budget phase to address any federal funding changes, as appropriate.

Declining Growth in Property Tax Revenues

Rising mortgage rates contributed to a sharp decline in home sales since 2022. Over the same period, the County's share of property tax revenue growth has declined from \$450.5 million in 2022-23 to a projected \$233.9 million in 2025-26, a \$216.6 million decline.

Complete Spend Down of American Rescue Plan Act Funding

The County is nearing the complete spend-down of nearly \$2.0 billion of American Rescue Plan Act funds. This one-time federal funding was allocated to various countywide programs to serve communities most heavily affected by the COVID-19 pandemic. The County lacks the resources to sustain these programs and services on an ongoing basis once these funds have been exhausted by December 2026.

More Budgetary Pressure

We are currently in negotiations with our valued labor partners negotiating in good faith at 49 open tables representing 14 unions in 46 bargaining units. Although negotiations are occurring during a time of heightened budgetary challenges and new constraints in an uncertain and evolving broader economic landscape, we remain hopeful of reaching agreements that are fair to our valued workforce, enable us to sustain vital services to the public, in alignment with our budgetary reality.

Preparing to Do More with Less

In the face of mounting pressures on our budget, my office instructed departments to submit three percent NCC reduction scenarios to generate ongoing savings, to help mitigate the impact of these challenges like the multi-billion dollar AB 218 settlement. Our aim, as always, is to strategically target reductions that minimize impacts on the public.

Following a review of departmental submissions—in which some proposed cuts were modified or rejected—we are recommending an \$88.9 million decrease in NCC allocated to departments and a reduction of 310 positions. These vacant positions are not expected to materially impact overall departmental operations and should leave departments with capacity to manage their recruiting and staffing needs for the year.

My office continues to work with departments to refine their reduction plans and any changes will be included in subsequent budget phases.

Budgeting for Change

Both Measure G (related to County governance reform) and Measure A (related to homelessness funding), were passed by County voters on November 5, 2024 and will drive changes to the County's budget, budgeting process and the lives of our residents, this year and for decades to come.

Measure G requires important changes in the County's organizational design by: establishing an Ethics Commission and Office of Ethics Compliance by 2026, creating an elected County Executive by 2028, and expanding the Board from five to nine members starting in 2032. These changes are intended to create accountability, efficiency and transparency while increasing representation for its residents. We have already seen Measure G reforms on display through the County's first-ever public departmental budget presentations, which took place in February and March of this year. This Recommended Budget adds \$1.9 million in one-time fund balance to support implementation costs to establish the Governance Reform Task Force, and sets aside \$10.0 million in ongoing funding for governance reform related costs, such as the ongoing operations of the Ethics Commission and Office of Ethics Compliance which must be established by 2026.

Measure A replaces Measure H (which was passed by voters in 2017), and establishes a new half-cent sales tax expected to generate over \$1.0 billion annually for the County, the Los Angeles County Development Authority, and the Los Angeles County Affordable Housing Solutions Agency (LACAHSAs). More than half of this funding will remain in the County to maintain vital programs and services aimed at combating homelessness-services previously funded by Measure H. Although this Recommended Budget includes the projected revenue from Measure A, we will return in a subsequent budget phase to allocate the County's share to align with the Board-approved spending plan. In a separate action, LACHASA will submit its spending plan to the LACAHSAs board for approval.

More details of the 2025-26 Recommended Budget are provided below.

BUDGET OVERVIEW

As stated above, the 2025-26 Recommended Budget totals \$47.9 billion, which is a decrease of nearly \$1.3 billion in total financing uses when compared to the 2024-25 Final Adopted Budget of October 2024. This decrease is due primarily from the deletion of one-time funding provided for one-time needs in FY 2024-25.

Fund Group (\$ in billions)	2024-25 Final Adopted Budget	2025-26 Recommended	Change	% Change
Total General County	\$37.995	\$37.352	-\$0.642	-1.7%
Special Districts/ Special Funds	11.178	10.569	-0.609	-5.5%
Total Budget	\$49.173	\$47.921	-\$1.252*	-2.7%
Budgeted Positions	117,086	117,100	14	0.01%

**Though this represents an almost three percent reduction from the 2024-25 Final Adopted Budget, additional funding may be allocated over the coming budget phases.*

ECONOMIC OUTLOOK

The forecast for the U.S. economy has recently changed. While initial projections pointed to slow growth in 2025, the outlook is increasingly becoming negative. A strong labor market and consumer spending are projected to remain relatively stable. However, recent actions by the new Presidential administration have increased uncertainty and market volatility and prompted discussions of a potential recession. On March 19, 2025, the Federal Reserve held interest rates unchanged after three straight rate cuts in 2024, further raising concerns over the economic outlook. The uncertainty at the national level coupled with local budgetary pressures is painting a bleak picture of the County's economic outlook in the coming years.

The wildfires put further stress on the County's fiscal outlook with increases in unforeseen expenditures, as well as decreases in property tax revenues from the full or partial loss of properties in the affected areas and in sales tax-based revenues due to the loss and closure of businesses. The financial impacts of the fires are expected to be felt beyond 2025-26.

Our forecast for sales tax revenues reflects a mix of moderate and nominal growth based on current revenue trends. The 2025-26 Recommended Budget includes an estimated increase of two percent, or \$1.8 million, from sales and use tax collections in the County

unincorporated areas. For Proposition 172 Public Safety statewide sales tax revenues, the 2025-26 Recommended Budget reflects a 0.5 percent decline, or \$5.0 million, from the 2024-25 Final Adopted Budget. This is due primarily to the County's decreased percentage allocation of statewide sales and use tax revenues, as well as weaker than budgeted revenue growth in 2024-25.

The local housing market continues to experience a slowdown in the form of year-over-year declines in home sales due to elevated interest rates. Further straining property tax revenues, the County's main source of NCC, is the impact from the recent devastation caused by wildfires. After consulting with the County Assessor, we are forecasting a very moderate three percent increase to the 2025 tax assessment roll, resulting in a \$233.9 million increase in property tax revenue. Since the Assessor is scheduled to issue his official forecast in May 2025 and release the final roll in the summer of 2025, our office will update assessed value projections in future budget phases, if needed.

In light of the current economic instability, it is important to remain adaptable and resilient. My office is committed to carefully monitoring emerging trends and making informed decisions to ensure the continued delivery of essential services. We will refine our revenue forecasts as needed throughout the year.

ABOUT THE BUDGET PROCESS

The Recommended Budget is the first step in the County's multi-part budget process, which includes Public Hearings in May; deliberations leading to the approval of the Adopted Budget in June; and the Supplemental Budget culminating with the approval of the Final Adopted Budget in September. This multi-phase process enables the County to respond to fiscal and economic changes, that may have been absent, and opportunities, that may have been unavailable, at the start of the budget year.

Although the County's budget is very large – most of it is already “spoken for.” Most of the County's budget comes from State and federal sources, as well as charges and fees for services provided to contract cities or to the public. Generally speaking, these revenues are tied to specific programs and services and may not be repurposed for uses that are different from the use restrictions tied to the program or service unless a waiver is obtained from the funding entity. This funding covers the existing costs to implement the programs including costs for: staff, salaries, employee benefits, office space, and benefits to service recipients. Similarly, the bulk of our locally generated revenues is already committed to ongoing programs and services previously approved by the Board. As part of our budget process, we focus on the changes (i.e., additional revenue) to our budget – a budgeting convention known as incremental budgeting. As a result, the

Recommended Budget highlights listed in APPENDIX A focus on how anticipated additional revenue and funding sources are allocated rather than how the County's entire, existing budget resources are allocated. The budget process is guided by the fiscal policy which has kept the County's budget sound for many years. Those policy mandates include directives to fund ongoing costs with ongoing revenue/resources and fund mandatory obligations before discretionary ones.

FOLLOW-UP BUDGET ACTIONS

Your Board requested my office to report back on the following items during the 2025-26 Recommended Budget.

Proclaiming November 2024 as Native American Heritage Month

On October 22, 2024, the Board adopted a motion directing the Chief Executive Office (CEO) and the Department of Arts and Culture (Arts) to determine the feasibility of funding a new Office of Tribal Affairs (Tribal Affairs) and include funding in the 2025-26 Recommended Budget. A funding request for four positions and services and supplies to establish Tribal Affairs was submitted by Arts as a Tier 3 – "Other Unmet Needs" request in the 2025-26 Recommended Budget request. Other Unmet Needs requests are not characterized by urgency and are included to establish a record of the request or to signal intent to submit the same request in a future budget phase. Arts included this request to ensure its visibility at this stage in the budget process, and has indicated that renegotiating the Memorandum of Understanding, pursuant to directives A and B of the October 22, 2024 motion, with the City of Los Angeles about their participation and relationship to the Los Angeles City/County Native American Indian Commission is a priority and will likely be a yearlong process. Arts also reported that the establishment of the Office of Tribal Affairs requires further discussion with Board offices to identify its most critical functions and to inform what the beginning steps of implementation will resemble. As such, no funding to support the establishment of Tribal Affairs is recommended in the 2025-26 Recommended Budget and the Arts may request funding consideration consistent with the Board's motion during a subsequent budget phase once the aforementioned tasks have been addressed. This motion is reflected in the Fiscal Resilience Protocol as Tier 3 pursuant to my office's Fiscal Resilience Protocol (Step 3) memorandum dated April 4, 2025.

Increasing Support for County Immigrants

On November 26, 2024, the Board adopted a motion directing the CEO in partnership with the Office of Immigrant Affairs to identify a minimum of \$5.5 million in ongoing funding to continue supporting the existing RepresentLA program. DCBA's submitted a funding request of \$5.5 million as a Tier 1 – Critical Unmet Needs request in the 2025-26 Recommended Budget request. Due to limited new ongoing revenue, the 2025-26 Recommended Budget includes \$5.5 million in one-time funding to continue to support the existing RepresentLA program through June 30, 2026. DCBA may request funding for the program in the 2026-27 Recommended Budget phase once all directives in the November 2024 motion have been addressed. The CEO and DCBA will report back no later than May 15, 2025, with updates on the appropriate number and level of staff to adequately respond to immigrant communities' need for outreach and education, linkage to services, and language access and/or consider the option of creating a County Department of Immigrant Affairs; and efforts made to engage the City of Los Angeles and philanthropic partners on continued partnership to fund RepresentLA. This motion is reflected in the Fiscal Resilience Protocol as Tier 1 pursuant to my office's Fiscal Resilience Protocol (Step 3) memorandum dated April 4, 2025.

Trans, Gender Expansive, and Intersex (TGI) Wellness and Equity Initiative

On November 26, 2024, the Board adopted a motion that directed the Department of Public Health, in consultation with the LGBTQ+ Commission, to establish a pilot two-year TGI Wellness and Equity Initiative to enhance services being provided to the TGI community and to build the capacity of organizations serving the TGI community. The Board further directed the CEO to identify \$7.0 million in funding over a 24-month period (\$3.5 million per year) to initiate the program, including the use of NCC. Given the vast budgetary pressures on the County at this time and the constraint on available NCC, the CEO is actively exploring alternative funding sources to support this program, including one-time Care First and Community Investment funding. We plan to return to the Board during a subsequent budget phase with budget recommendations, as available. This motion is reflected in the Fiscal Resilience Protocol as Tier 1 pursuant to my office's Fiscal Resilience Protocol (Step 3) memorandum dated April 4, 2025.

The State of Latinos in Los Angeles County: Recognizing their Importance and Addressing Disparities

On December 3, 2024, the Board adopted a motion on the State of Latinos in the County, recognizing their importance and addressing disparities. The motion instructed the Executive Director of Racial Equity to consult with a representative group of Latino stakeholders and academic and/or research institutions and create A State of Latinidad County report, with the report to be presented to the Board biennially. Additionally, it

directed the CEO to identify \$0.6 million in one-time funding to produce the report. The CEO has identified one-time funding within its FY 2024-25 budget to fund the report. Initial planning for a consulting agreement is underway. This motion is reflected in the Fiscal Resilience Protocol as Tier 4 pursuant to my office's Fiscal Resilience Protocol (Step 3) memorandum dated April 4, 2025.

LONG-TERM BUDGET CONCERNS

In addition to the budget pressures identified earlier in this letter, we have identified several needs that will require significant investments through a longer, multi-year funding approach. The most significant of these are outlined below:

- **Department of Children and Family Services** – The Department is forecasting a structural deficit of more than \$200.0 million, due to the prior expiration of the Title IV-E Waiver and federal bridge funding under the Families First Transition Act Funding Certainty Grant, rising staff and placement costs, and the substantial expansion of State-mandated services for children and youth through age 21.
- **Other Department Deficits** – Another department with an unresolved structural deficit is the LA County Library, which is anticipated in 2029-30. The Department of Health Services is also facing a future deficit based on a gap between revenues and operating costs. Registrar-Recorder/County Clerk also has an unresolved ongoing structural deficit due to the reliance on one-time funding for the VSAP election system model.
- **Information Technology Systems Replacement** – The unfunded cost to replace and modernize the County's critical information technology legacy systems is expected to exceed \$450.0 million.
- **Deferred Maintenance** – The Facility Reinvestment Program is a \$750.0 million program previously approved by the Board to address deferred maintenance of existing County buildings and facilities. The \$750.0 million funds an initial plan to address a larger backlog of the highest-priority deferred maintenance and building systems replacement projects. This is comprised of \$546.0 million in previously approved one-time NCC and \$204.0 million in short-term borrowing, which is planned to be long-term debt-financed in FY 2029-30 at \$20 million annually for 15 years.
- **Seismic Safety** – Over \$1.5 billion in funding is estimated to be needed in the next 20 years to improve the County's ability to withstand a major earthquake and provide public services following an earthquake. This is a decrease of approximately \$500 million due to the acquisition of the Gas Company Tower,

allowing the County to reposition its County assets, including the Hall of Administration, thereby substantially reducing seismic costs associated with older, existing buildings. Public Works is currently performing an assessment and prioritization of high-risk buildings. A proposed building code ordinance requiring the seismic retrofitting of high rise non-ductile concrete buildings is targeting Board adoption in May 2025.

- **Stormwater and Urban Runoff** – To address regulatory stormwater and urban runoff compliance in unincorporated areas, we estimate that \$502.0 million will be needed over the next five years. This amount will be partially offset with Measure W tax revenue as awards are made annually to County stormwater projects.
- **Other Post-Employment Benefits (OPEB)** – The 2025-26 Recommended Budget adds \$75.4 million in pre-funding contributions to the OPEB Trust Fund. This is the 11th year of a multi-year plan to reach the estimated \$1.5 billion actuarially determined contribution (ADC). The ADC is recognized as the measuring stick indicating that these health benefits for retired members of our County workforce are adequately funded. This multi-year plan will ensure that we have a secure and stable funding source for these expenses.

BUDGET TIMETABLE

Below is the schedule for budget hearings and deliberations.

Board Action	Approval Date
Adopt Recommended Budget; Order the Publication of the Necessary Notices; Distribute the Recommended Budget; and Schedule Public Hearings	April 15, 2025
Commence Public Budget Hearings	May 7, 2025
Commence Final Budget Deliberations and Adopt Budget Upon Conclusion of Deliberations	June 23, 2025

Prior to deliberations on the 2025-26 Adopted Budget, we will file reports on:

- May revisions to the Governor's Budget and updates on other 2025-26 State and federal budget legislation and the impact on the County's Recommended Budget;
- Final revisions reflecting the latest estimates of requirements and available funds;
- Issues raised in public hearings or written testimony;
- Specific matters with potential fiscal impact, including the potential impacts from federal policy changes; and
- Other issues as instructed by the Board.

APPROVAL OF RECOMMENDED BUDGET

The matter before the Board is the adoption of the Recommended Budget.

- The documents must be available for consideration by the public at least 10 days prior to the commencement of public budget hearings in May.
- Adjustments to the budget, can be made during budget deliberations, prior to adoption of the Budget in June.
- Pursuant to State law (the County Budget Act), the Board may make changes to the Recommended Budget with a simple majority (3 votes) until adoption of the Budget, if changes are based on the permanent record developed during public hearings (e.g., Recommended Budget, budget requests, and all written and oral input by Supervisors, County staff and the public).
- Changes not based on the "permanent record" require four votes.

THEREFORE, IT IS RECOMMENDED THAT THE BOARD:

Approve the Recommended Budget for 2025-26; order the publication of the necessary notices; and set May 7, 2025, as the date that public budget hearings will begin.

Respectfully submitted,

FESIA A. DAVENPORT
Chief Executive Officer

RECOMMENDED BUDGET HIGHLIGHTS

Homelessness, Mental Health, and Affordable Housing

- **Measure H and Measure A Homeless Services and Housing** – Reflects a total budget of \$1.1 billion in voter-approved sales tax revenue to fund the County's (\$720.4 million), the Los Angeles County Development Authority's (LACDA) (\$32.1 million), and the Los Angeles County Affordable Housing Solution Agency's (LACAHS) (\$382.8 million) multi-layered approach to combating homelessness. All the Measure A revenue will be budgeted in the Measure A Special Revenue Fund and distributed, based on the formula specified in the Measure, to the County, LACDA, and LACAHS. We will return in a subsequent budget phase to allocate the County's share to align with the Board-approved spending plan.
- **Affordable Housing** – Provides \$30.0 million in one-time revenues and fund balance to maintain a total of \$100.0 million for the development and preservation of affordable housing pursuant to Board policy. This funding will support affordable housing for very low- and extremely low-income households, individuals and families experiencing homelessness, as well as other supportive services such as eviction defense, mortgage relief, rapid re-housing, homeownership and acquisition.
- **Housing** – Allocates \$7.1 million and 8 positions, fully offset by State funding, to the Department of Mental Health (DMH) to support the addition of approximately 180 housing subsidies and the management of housing resources.
- **Alternative Crisis Response (ACR)** – Allocates \$6.7 million and 17 positions, fully offset by State and federal funding, to DMH for six Psychiatric Mobile Response Teams and other ACR resources that are needed to support adherence to State standards and goals for crisis response services.
- **Child and Adolescent Programs** – Allocates \$2.5 million and 13 positions, fully offset by State and federal funding, to DMH to facilitate increased capacity in child and transitioned-age youth outpatient mental health programs.

Care First, Jails Last

- **Care First and Community Investment (CFCI)** – Adjusts the set aside of ten percent of ongoing locally generated unrestricted revenues to meet the Board's commitment to *Care First, Jails Last* and support direct community investments and alternatives to incarceration, as required by voter-approved Measure J and consistent with Board Policy No. 4.031. Based on this annual calculation, outlined in a related Board notification memo, the Recommended Budget reduces the set aside by \$13.0 million in ongoing funding, bringing the County's ongoing annual commitment from \$300.6 million to \$287.7 million. However, the total investment to CFCI programs is \$571.6 million, including \$284.0 million in one-time dollars—unspent funds from previous budget cycles being carried over for one-time use.

APPENDIX A

- **Youth Programming Support** – Adds 1 position to the Department of Youth Development (DYD), funded by a realignment of existing, ongoing Juvenile Justice Realignment Block Grant revenue, to lead and oversee DYD-led programming within Probation juvenile detention facilities. This new position will ensure that DYD has at least one dedicated staff member to provide full-time support at each Probation facility.

Immigrant Assistance Services

- **RepresentLA** – Provides \$5.5 million in one-time funding to the Department of Consumer and Business Affairs to support the RepresentLA program, which provides immigration legal services to eligible disabled immigrants who are experiencing or are at risk of homelessness and lacking clear residency status.

Public Health Services

- **Gender-Based Violence (GBV) Program** – Adds \$1.7 million in ongoing NCC to the Department of Public Health (DPH) for the GBV program to continue to support contracted services to promote healthy relationships, encourage community-based solutions, and implement other supportive services for LGBTQ+ youth. This augments the \$2.3 million and 2 positions added in FY 2024-25 to launch the program, with contracted services funded at a partial level.
- **Doula Hub** – Adds \$0.9 million one-time fund balance to DPH for year 3 of 3 funding for contract services to support doula hub operations that will provide technical support to the doula provider workforce and expand access throughout the County.
- **Sexually Transmitted Infections** – Allocates \$2.5 million in one-time Tobacco Settlement funding to DPH for year 4 of 4 funding to support the County's response to the rise in sexual transmitted infections.
- **Health Facilities Inspection Program** – Provides \$11.1 million in State revenue for 9 positions in DPH to conduct certification, licensing, and complaint investigations for health care facilities in the County.

Public Safety

- **Park Safety** – Adds \$2.4 million in ongoing NCC and 31 positions to the Department of Parks and Recreation to staff nighttime closures at County parks needed to enhance public and staff safety.
- **Fire** – Adds \$1.8 million and 12 positions, fully offset with Fire District revenue, to the Fire Department to support vehicle maintenance, fiscal operations, and the Los Angeles Regional Interoperable Communications System.
- **Academy Classes** – Allocates a net \$2.0 million in one-time fund balance to the Sheriff's Department for the continuation of four academy classes, as well as related recruitment efforts costs to increase the number of applicants. These classes are needed to adequately staff the jails to meet the requirements of the DOJ consent decree and help to close the Department's significant sworn vacancy gap, as well as to train a new cohort of deputies. This does not expand the number of academy classes budgeted last year.

Jobs and Workforce Development

- **Youth@Work Program** – Allocates \$12.2 million in ongoing NCC (\$1.4 million) and one-time fund balance (\$10.8 million) to the Department of Economic Opportunity (DEO) to continue the Youth@Work Program, which provides youth with first-time, paid work experience and supports their development as part of our future adult workforce.
- **Contract Bonding and Assistance Program** – Adds \$1.2 million in ongoing NCC to DEO to support investments toward Equity in County Contracting and access to capital and contracting opportunities for local and diverse businesses.

Public Services Cost Increases

- **Foster Care Assistance** – Sets aside \$10.2 million in ongoing NCC in the Provisional Financing Uses (PFU) budget unit needed for the Department of Children and Family Services (DCFS) to pay the County's share of projected placement rate increases to foster families, as required by State and federal law. Foster care assistance is paid on behalf of children in out-of-home placements who meet the eligibility requirements specified in applicable State and federal regulations and laws.
- **Adoption Assistance Program (AAP) and Kinship Guardianship Assistance Program (KinGAP)** – Sets aside \$11.7 million in ongoing NCC in the PFU budget unit needed for DCFS to pay the County's share of projected AAP and KinGAP placement rate increases to families and caseload growth, as required by State and federal law. The AAP helps prospective adoptive parents meet additional expenses of children, including those with special needs. KinGAP provides funding to children and transition-age youth who leave the juvenile court dependency system to live with a relative who acts as their legal guardian.
- **Addressing Electronic Benefit Transfer (EBT) Theft** – Sets aside \$4.9 million one-time fund balance in the PFU budget unit to continue to address for General Relief EBT cardholders theft through skimming and scamming, which took place statewide.
- **General Relief (GR)** – Provides \$40.6 million ongoing NCC to the Department of Public Social Services to fund estimated GR caseload increases.

Encouraging the Arts and Recreational Activities

- **Teen Arts Internship Program** – Adds \$0.2 million in philanthropic funding for 1 position in the Department of Arts and Culture for the new Teen Arts Internship Program, which will provide internship opportunities at arts organizations to high school seniors.
- **Aquatics Program** – Allocates \$1.7 million ongoing NCC and 39 positions to the Department of Parks and Recreation to support aquatics programming.

Investing in Elections

- **Voting Solutions for All People (VSAP)** – Provides \$31.6 million in one-time funding one-time fund balance for the Registrar-Recorder/County Clerk's VSAP election system model.

Investing in Public Assets

- **Capital Projects (CP)** – Allocates \$2.0 billion, comprised of \$1.4 billion in carryover of one-time fund balance and \$629.3 million from various revenue sources, for the continued development, design, and construction of capital projects in support of Board-directed priorities. This investment will improve the County's ability to serve the public and protect the County's real estate portfolio. The proposed CP budget unit reflects a decrease of \$392.8 million and the completion of 55 projects from the FY 2024-25 Final Adopted Budget.
- **Environmental Stewardship** – Provides \$237.5 million, comprised of \$207.6 million in carryover of one-time fund balance and \$29.9 million from various revenue sources, mainly Measure W, for continued water conservation projects, including 50 active stormwater projects, which are part of a countywide program to capture, divert, and treat polluted stormwater runoff and comply with federal and State clean water regulations. During the last full water year that ended in September 2024, the County captured more than 117 billion gallons of stormwater within its dams and spreading grounds – enough water to meet the needs of three million people for an entire year.
- **Enhancing Public Parks** – Includes \$250.2 million, comprised of \$74.2 million in carryover of one-time fund balance and \$176.0 million from various revenue sources to develop, renovate, repair, and/or enhance County facilities, such as the Parks and Recreation Security Lighting project, various pool lighting remodel projects, the Puente Hills County Regional Park Development, the San Gabriel Valley Aquatic Center, and the Kenneth Hahn Park Japanese Garden Renovation project.
- **Reinvesting in County Facilities** – Provides \$170.2 million, comprised of \$131.6 million in carryover of one-time and \$38.6 million from the Extraordinary Maintenance Budget (\$5 million in incremental increase for FY 25-26 and \$33.6 million of existing funds) for the rehabilitation of County facilities to support goals of the Strategic Asset Management Plan, primarily through the Facility Reinvestment Program. This program includes the highest-priority projects to sustain and/or rehabilitate County owned facilities. This recommended allocation will:
 - Extend the useful life of County facilities and reduce facility replacement costs in the long run;
 - Allow the County to undertake the highest priority deferred maintenance projects to optimize the use of assets in their highest and best uses;
 - Establish stronger connections between County service priorities and asset decisions, better aligning our capital projects with the most pressing needs of County residents; and
 - Create a better enterprise-wide understanding of asset needs and priorities and promote safety of employees and visitors to County facilities.

**2025-26 RECOMMENDED BUDGET
FINANCIAL SUMMARY
TOTAL COUNTY**

(in Billions of Dollars)				
	2024-25 Budget	2025-26 Recommended Budget	Change	Percent Change
General County	\$37.995	\$37.352	-\$0.643	-1.7%
Special Revenue Funds	5.464	5.406	-0.058	-1.1%
Capital Project Special Funds	0.483	0.340	-0.143	-29.6%
Special Districts	3.724	3.406	-0.318	-8.5%

Fiduciary Funds	1.100	1.022	-0.078	-7.1%
TOTAL	\$49.173	\$47.921	-\$1.252	-2.5%

The 2025-26 recommended net operating budget totals \$47.9 billion, a decrease of \$1.3 billion, or 2.5 percent lower than the 2024-25 budget. The budget represents a balanced plan, devoting limited resources to the highest priority programs while maintaining basic services. These programs cover a wide range of functions, from road and flood maintenance, to ensuring the health and safety of County residents, to providing access to a variety of recreational and cultural opportunities. The proposals for 2025-26 are subject to public hearings, scheduled for May 2025, and adoption by the Board, anticipated in June 2025. Changes are detailed by department and/or fund within the 2025-26 Recommended Budget.

The figures displayed on this page reflect the revenues and expenditures of the County as if it were one large budget. This display does not include certain non-program expenditures and revenues that are included in the budget for accounting purposes. Inclusion of such amounts increases the budget and gives the impression that more County resources are actually available. These amounts, totaling \$4.7 billion, artificially inflate the budget by approximately 9.8 percent, resulting in an operating budget of \$52.6 billion, which is reflected in the Auditor-Controller's budget schedules, pursuant to State Controller requirements.

TOTAL	\$37.995	\$37.352	-\$0.643	-1.7%

The 2025-26 recommended net operating budget for general County operations is \$37.4 billion, a decrease of \$0.6 billion, or 1.7 percent lower than the 2024-25 budget. General County funds provide for a multitude of services to individuals and communities within the County. These services include: 1) a law enforcement system; 2) justice-related services; 3) extensive regulatory services to ensure public and environmental protection; 4) various health, welfare, and social services; 5) diverse recreational and cultural programs; and 6) essential government services. Changes are detailed by department within the Budget Summaries section of this document.

The figures displayed on this page reflect the revenues and expenditures of general County operations as if they were one large budget. This display does not include certain non-program expenditures and revenues that are included in the budget for accounting purposes. Inclusion of such amounts increases the budget and gives the impression that more County resources are actually available. These amounts, totaling \$3.1 billion, artificially inflate the budget by approximately 8.3 percent, resulting in an operating budget of \$40.5 billion.

**BUDGETED POSITIONS
BY MAJOR FUNCTIONAL GROUP**
TOTAL BUDGETED POSITIONS = 117,100.0

The 2025-26 Recommended Budget provides funding for 117,100.0 budgeted full-time equivalent positions, which represents an increase of 14.0 from the 2024-25 level of 117,086.0. As depicted in the chart, 82 percent of the budgeted positions in the County are in the health, law and justice, and social services groups.

The major changes in budgeted positions are attributable to the following:

- Assessor - increase of 33.0 primarily to support the assessment of new construction and transfer valuations.
- District Attorney - decrease of 60.0 primarily due to curtailments and the deletion of grant-funded positions.
- Mental Health - increase of 149.0 primarily to support administrative services, mental health clinics, and various behavioral health programs.
- Parks and Recreation - increase of 70.0 primarily to support aquatics programs and improve staff safety.
- Probation - decrease of 226.0 to fund increase in workers' compensation costs and curtailments.
- Public Health - increase of 30.0 primarily to support substance abuse prevention and other public health programs.
- Other - net increase of 18.0 in the remaining departments primarily to support various programs within the County, partially offset by the deletion of vacant positions.

Reader's Guide to Understanding the Budget

The Recommended Budget contains the County's proposed financial and operating plan for the fiscal year which runs from July 1 to June 30. The following general outline is designed to assist the reader in understanding the information presented in each document. Additional information related to the County and its operations and services can be obtained at <https://lacounty.gov>.

THE GOVERNING BODY

A five-member, elected Board of Supervisors that has legislative and executive authority governs the County, a political subdivision of the State of California.

FINANCIAL STRUCTURE AND OPERATIONS

To secure uniform accounting standards among California's 58 counties, the State Controller provides administrative directives and recommends practices and procedures relating to the form and content of the annual County Budget. In accordance with State direction, the County uses a modified accrual basis of accounting, and organizes and operates that system on a fund basis. Funds are separate legal or fiscal entities by which resources are allocated and controlled. The County Budget has seven major types of funds:

I. General Fund

The General Fund is the principal fund and finances most governmental operations that are general in purpose and not included in another fund.

II. Enterprise Funds

Enterprise Funds account for the operations of governmental units where the users of the services include the general public, and the costs of providing such services are financed primarily by user charges, similar to a private business. Examples are the Hospital Enterprise Funds.

III. Special Revenue Funds

Special Revenue Funds account for the proceeds of revenue sources that must be spent for specific purposes. Examples are the Child Abuse and Neglect Prevention Program Fund and the Sheriff - Processing Fee Fund.

IV. Capital Project Special Funds

Capital Project Special Funds account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds). Examples are the Lease Revenue Obligation Notes - General Facilities Capital Improvement Fund and the Marina Replacement Accumulated Capital Outlay Fund.

V. Special District Funds

Special District Funds, financed by specific taxes and assessments, are separate legal entities that provide public improvements and services to benefit targeted properties and residents. Examples are the Garbage Disposal Districts and the Sewer Maintenance Districts.

VI. Other Proprietary Funds

Other Proprietary Funds account for those governmental activities that are similar to those found in the private sector and include Enterprise Funds and Internal Service Fund.

VII. Fiduciary Funds

Fiduciary Funds are separate legal entities under the authority of the Board such as the Los Angeles County Development Authority. Formerly known as Agency Fund.

VOLUME ONE

TRANSMITTAL LETTER

The Transmittal Letter provides an overview of the Chief Executive Officer's Recommended Budget. The letter includes a summary of the key countywide recommendations reflected in the budget and provides a discussion of funding recommendations for major County program areas. The letter also outlines the legal requirements and process for adopting both a Recommended and Final County Budget.

BUDGET SUMMARIES

The Budget Summaries section provides information about each budget unit. The following information, where applicable, is included in this section for each budget unit:

- Budget Summary
- Mission Statement
- Budget Message
- Critical/Strategic Planning Initiatives
- Changes From Prior Year Budget
- Critical and Unmet Needs
- Budget Detail
- Program Summary
- Organization Chart

VOLUME TWO

BUDGET DETAIL SCHEDULES

The Budget Detail Schedules section displays appropriation by budget unit by object (and in some cases, object class) and provides the Auditor-Controller with budgetary control over expenditures and future financial commitments during the fiscal year. This section is separated into six subsections: Capital Projects/Refurbishments, Special Revenue Funds, Capital Project Special Funds, Special District Funds, Other Proprietary Funds, and Fiduciary Funds.

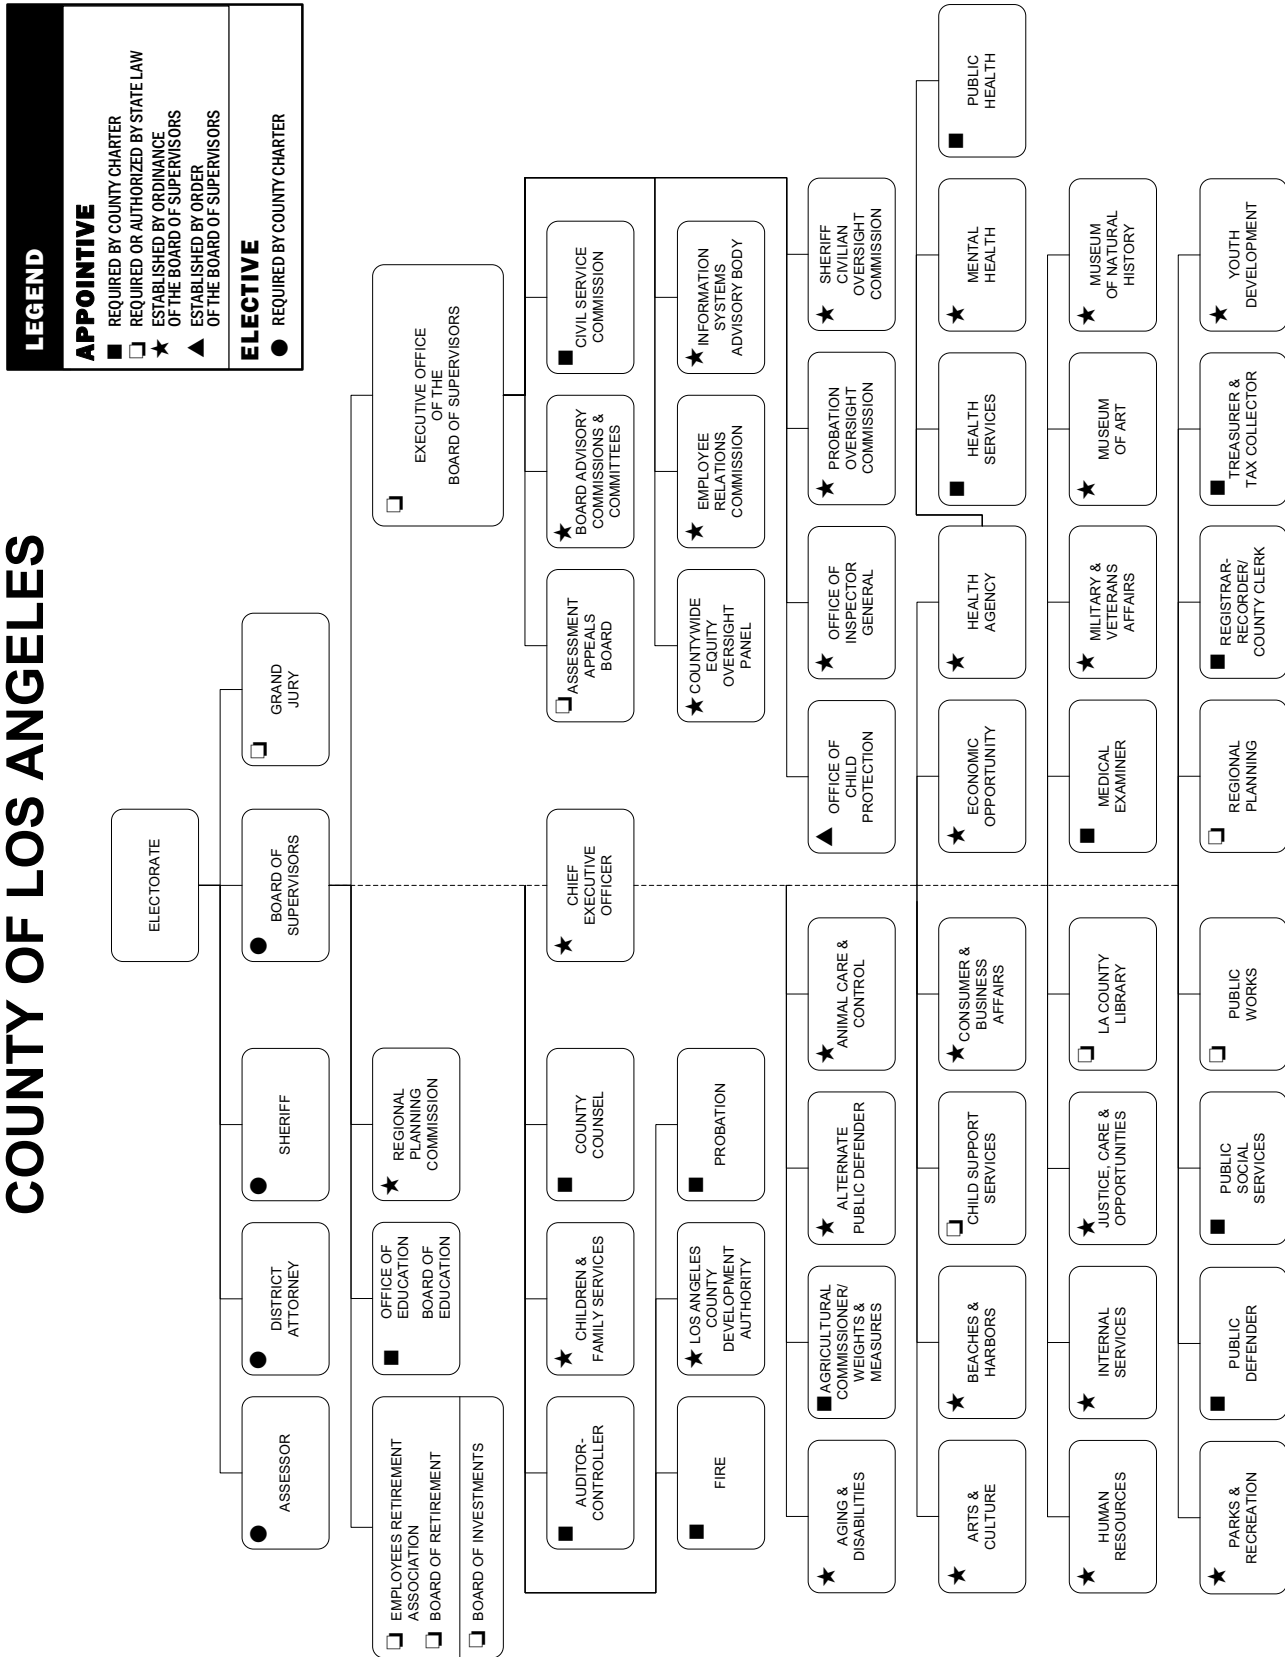

BUDGET SUMMARY SCHEDULES

These schedules provide summary information on financing sources and uses.

AUDITOR-CONTROLLER SCHEDULES

These schedules provide summary and detailed countywide financing sources and uses information necessary to meet mandated State Controller requirements.

Mission Statement

The Affordable Housing budget unit was established pursuant to an October 27, 2015 Board Order to provide funding for the development and preservation of affordable housing, including support services such as rental assistance, rapid re-housing, and move-in assistance.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects continued funding for affordable housing efforts. The Recommended Budget includes \$0.4 million for various operational and maintenance expenditures related to certain public housing units in the unincorporated areas of South Los Angeles; and \$1.7 million for the Emergency Rental Assistance Program.

Critical/Strategic Planning Initiatives

Program goals continue to focus on funding the development of affordable housing and its related support services within the County.

Mission Statement

The Aging and Disabilities (AD) Department and its network of community and agency partners improve lives and support self-determination for older adults, adults with disabilities, and communities. The Department commits to help older, dependent adults age in place with dignity and independence, ensure the safety and well-being of older and dependent adults in their communities, and create vibrant community centers that empower and connect residents to services and each other.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$4.0 million primarily due to the removal of \$2.3 million in prior-year funding that was provided on a one-time basis for various programs and services, a decrease of \$0.9 million for the department's share of the countywide NCC reduction, a decrease of \$0.7 million for retirement costs, and a decrease of \$0.7 million for the Altadena Community Center transfer to the Department of Consumer and Business Affairs (DCBA). This is partially offset by an increase of \$0.6 million for Board-approved salaries and employee benefits as well as retiree health insurance.

Critical/Strategic Planning Initiatives

- Support countywide efforts to address the needs of the County's aging and dependent population through programs such as Adult Protective Services, the Elder Nutrition Program, and transportation programming, with a critical lens towards equity in service delivery and poverty alleviation.
- Support major Board initiatives and priorities around homeless prevention; poverty alleviation; immigration; Care First, Jails Last; health integration; sustainability; environmental health; child protection; and Anti-Racism, Diversity, and Inclusion. Directly or indirectly, each of these initiatives impact older adults, adults with disabilities, and communities. Leveraging their specific experiences to inform strong public policy around these critical areas is vital to the County's success.
- Continue efforts around digital inclusion and social connectedness for the most vulnerable County residents.
- Continue to optimize County investment and Board commitment to establish and strengthen the Department as it enters its fourth year.

Total Program Costs	89,695,000	87,273,000	1,110,000	1,312,000	345.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	89,695,000	87,273,000	1,110,000	1,312,000	345.0

Authority: Mandated program – Social Security Act Title XX; California Welfare and Institutions Code Sections 15630-15637, 15640, 15750-15755, 15760, and 15762-15763, and California Department of Social Services Regulations Sections 33-100 through 33-805.

This program helps seniors (age 60 or older) and dependent adults (physically or cognitively impaired 18-59 year olds) who are suspected victims of abuse or neglect (including self-neglect). APS social workers investigate reports of alleged abuse, assess an individual's abilities and limitations, provide referrals to community services, and provide general case management to help those that are unable to protect themselves.

2. Aging and Adult Services

	Gross Appropriation (\$)	Intrafund Transfers (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	7,536,000	--	5,966,000	1,570,000	28.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	7,536,000	--	5,966,000	1,570,000	28.0

Authority: Non-mandated, discretionary program.

This program ensures that home delivered meals are provided to the frailest and those least able to prepare meals for themselves. Nutritious meals are provided to seniors (age 60 and older) and their spouses in a congregate social setting, and support services are provided to caregivers of older adults and to senior grandparents caring for grandchildren. The program also provides various care management services to frail, elderly, and younger adults with disabilities who are at risk of being placed in an institutional setting.

3. Community and Senior Centers

	Gross Appropriation (\$)	Intrafund Transfers (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	12,958,000	286,000	1,460,000	11,212,000	60.0

Net Program Costs	12,958,000	286,000	1,460,000	11,212,000	60.0

Authority: Non-mandated, discretionary program.

Community and Senior Centers' staff provide oversight or coordinate programs and services for people of all ages through partnerships with community businesses, volunteers, and public and private agencies. These services reduce the isolation faced by constituents, improve their health and well-being, and simplify access to information such as income tax preparation, notary services, and other services.

4. Administration

Mission Statement

As an essential resource and value-added partner, the Agricultural Commissioner/Weights and Measures (ACWM) protects the environment, the agricultural industry, consumers, and business operators through effective enforcement of federal and State laws and County ordinances, and continuously advances reliability, locally and nationally, in environmental initiatives and marketplace integrity.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$0.9 million primarily due to curtailments and an adjustment to remove prior-year funding that was provided on a one-time basis, partially offset by Board-approved increases in salaries and health insurance subsidies and retiree health insurance. The Recommended Budget also reflects the addition of 1.0 Administrative Assistant III for the Administrative Services Bureau and 4.0 Agricultural/Weights and Measures Inspector II positions for the Weights and Measures Bureau, Meter Division.

Critical/Strategic Planning Initiatives

The Department continues to:

- Support the Board's Initiative on Anti-Racism, Diversity, and Inclusion (ARDI) through focused recruitment efforts to further diversify the Department's field workforce by promoting outreach and awareness of departmental job and career opportunities to the full array of qualified potential applicants, coordinating with local universities for placement and recruitment programs, and participating in job fairs throughout all supervisorial districts. ACWM will further implement culturally relevant training, tools, and implementation plans, as well as communication plans, to identify and eliminate bias and promote the work of ARDI.
- Support wellness of our communities (County Strategic Plan, North Star II, C II) through coordination with County departments in reducing wildfire fuel loads, maintaining roads and flood channels, and maximizing pest exclusion and vegetation management efforts through use of the least toxic methodologies to minimize pesticide use and protect the environment and public.
- Actively pursue opportunities and coordinate efforts to secure and increase revenue and funding sources (County Strategic Plan, North Star III, E) through proactive involvement in legislation and regulation development; coordination with leadership from the California Department of Food and Agriculture and the California Department of Pesticide Regulation to influence program support and funding; and working with statewide partners to secure federal funds.

Departmental Program Summary

1. Exotic Pest Detection

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	13,304,000	--	7,302,000	6,002,000	79.0
<i>Less Administration</i>	3,057,000	--	541,000	2,516,000	--
Net Program Costs	10,247,000	--	6,761,000	3,486,000	79.0

Authority: Mandated program – California Food and Agricultural Code (CFAC) Sections 401 and 5101.

Protect crops and home gardens from exotic insects known to be pests in other parts of the country or world through a detection trapping system.

2. Pesticide Training and Hazardous Materials Inventory Reporting

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	206,000	--	124,000	82,000	1.0
<i>Less Administration</i>	39,000	--	21,000	18,000	--
Net Program Costs	167,000	--	103,000	64,000	1.0

Pesticide Training

Authority: Non-mandated, discretionary program.

Provide training for private industry, County, and other governmental agencies whose employees handle pesticides.

Hazardous Materials Management Plan and Inventory Statement Program

Authority: Mandated Program – California Health and Safety Code (CHSC) Division 20, Chapter 6.95 Article 1.

Conduct inspections of agricultural handlers of hazardous materials and forward these inventories to the County Certified Unified Program Agency (CUPA) for review and incorporation into CUPA's business plan database.

3. Agricultural Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	402,000	--	289,000	113,000	3.0
<i>Less Administration</i>	77,000	--	60,000	17,000	--
Net Program Costs	325,000	--	229,000	96,000	3.0

Authority: Non-mandated, discretionary program.

Enforce apiary laws and regulations. Provide direct services to the public and to act as a clearing house for other agencies providing services where the Department is unable to offer public outreach on apiary matters, and to make available a public education component. Conduct presentations for public, private, and governmental employees, and at fairs and seminars. Maintain the Africanized Honey Bee (AHB) Hotline. Respond to general public and private industry AHB infestation complaints by assessing and determining the appropriate course of action.

4. Pesticide Use Regulation

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	5,164,000	--	3,894,000	1,270,000	29.0
<i>Less Administration</i>	1,044,000	--	166,000	878,000	--
Net Program Costs	4,120,000	--	3,728,000	392,000	29.0

Authority: Mandated program – CFAC Sections 11501, 11501.5, 2272, and 2279.

Provide direct services, regulatory oversight and local administration of pesticide use enforcement, and develop an annual statistical report of the County's agricultural production.

5. Nursery and Seed

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	406,000	--	173,000	233,000	2.0
<i>Less Administration</i>	77,000	--	27,000	50,000	--
Net Program Costs	329,000	--	146,000	183,000	2.0

Authority: Mandated program – CFAC Sections 52251 and 6961.

Provide healthy, pest-free plants to consumers for the beautification of their homes and environment through the detection and control of existing and introduced injurious pests and diseases.

The Nursery Program prevents the introduction and spread of agricultural pests through nursery stock and protects agriculture and consumers against economic losses resulting from the sale of inferior, defective, or pest-infested nursery stock.

The Seed Program ensures accurate identification and viability of seeds available for purchase by consumers and industry. Poor quality seeds can cost farmers and home gardeners alike considerable amounts of time, money, and resources by way of reduced yields, poor crop quality, contamination by weeds, or other unwanted species. By enforcing California Seed Law requiring labeling, the Department is able to ensure that consumers receive the desired product.

6. Pest Exclusion

High Risk

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	5,513,000	--	3,708,000	1,805,000	27.0
<i>Less Administration</i>	1,044,000	--	253,000	791,000	--
Net Program Costs	4,469,000	--	3,455,000	1,014,000	27.0

Authority: Mandated program – CFAC Sections 5101 and 6301.

Protect agriculture and natural resources by enforcing both State and federal quarantines established against exotic pests and diseases. County agricultural inspectors seek out unauthorized agricultural shipments at the Los Angeles International Airport (LAX) and high-risk facilities, such as postal offices, express carrier locations, air and sea ports, and produce specialty markets. Shipments infested with quarantine pests and/or in violation with established quarantines are required to be treated under the supervision of County agricultural inspectors.

Low Risk

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,800,000	--	3,206,000	(406,000)	16.0
<i>Less Administration</i>	619,000	--	116,000	503,000	--
Net Program Costs	2,181,000	--	3,090,000	(909,000)	16.0

Authority: Mandated program – CFAC Sections 5202 and 5205.

Provide an efficient service for the nursery and produce industries by certifying that their highly perishable shipments comply with the entry requirements of other states and countries through the use of Phytosanitary certifications. The program promotes commerce and supports the ability of industry to export agricultural products domestically and internationally.

Entomology/Plant Pathology Laboratories/Sudden Oak Death (SOD)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	767,000	--	439,000	328,000	4.0
<i>Less Administration</i>	155,000	--	97,000	58,000	--
Net Program Costs	612,000	--	342,000	270,000	4.0

Entomology/Plant Pathology Laboratories

Authority: Non-mandated, discretionary program.

Provide support and assistance to departmental programs, such as Fruit Fly Detection, SOD, and Pest Exclusion, as well as other County departments and municipal governments. Protect consumers by identifying known and potential agricultural pests entering the County through port facilities. Produce educational materials, including pest images to augment presentations, to increase the efficiency of departmental pest exclusion staff and the public. Information is provided to the general public via the Department's website.

SOD

Authority: Mandated program – Federal Domestic Quarantine, 7 CFR 301.92.

Enforce federal and State quarantines against *Phytophthora ramorum* (P. ramorum). County agricultural inspectors inspect and sample nurseries in the County for plants infected by P. ramorum. Nurseries found to be free of P. ramorum are issued a compliance agreement that allows them to ship nursery stock out-of-state. Nurseries found to have plants that are infected by P. ramorum are further inspected to determine the extent of the disease within the nursery. All blocks of nursery stock found to have infected plants are required to be destroyed by burial in a landfill. Audits of each nursery with a SOD compliance agreement are conducted quarterly to ensure that the nurseries are following the requirements contained in the compliance agreement.

Glassy-Winged Sharpshooter (GWSS)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,120,000	--	1,985,000	135,000	13.0
<i>Less Administration</i>	464,000	--	202,000	262,000	--
Net Program Costs	1,656,000	--	1,783,000	(127,000)	13.0

Authority: Mandated program – CFAC Sections 6045, 6046, and 6047.

Provide a mechanism by which wholesale nurseries, a major agricultural producer in the County, can ship intrastate and prevent the artificial spread of the insect pest that carries Pierce's Disease, a disease threatening grape and wine production.

7. Produce Standardization

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	3,023,000	--	1,809,000	1,214,000	16.0
<i>Less Administration</i>	542,000	--	219,000	323,000	--
Net Program Costs	2,481,000	--	1,590,000	891,000	16.0

Authority: Mandated program – CFAC Sections 42801 and 43061.

Ensure fair competition between produce dealers and that fruit, vegetables, and eggs meet minimum California standards for quality. The program provides verification and documentation to growers for produce that is not sold and is donated or destroyed.

8. Scales and Meters Accuracy – Device

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	9,260,000	--	8,225,000	1,035,000	48.0
<i>Less Administration</i>	1,817,000	--	--	1,817,000	--
Net Program Costs	7,443,000	--	8,225,000	(782,000)	48.0

Authority: Mandated program – California Business and Professions Code (CBPC) Section 12103.5.

Test the accuracy of weighing and measuring devices used for commercial purposes. Inspectors use mass and volume standards, traceable to the National Institute of Standards and Technology, and specialized equipment to conduct these tests.

9. Scanner Inspection – Price Verification

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	4,259,000	--	2,220,000	2,039,000	23.0
<i>Less Administration</i>	851,000	--	--	851,000	--
Net Program Costs	3,408,000	--	2,220,000	1,188,000	23.0

Authority: Mandated program – CBPC Section 12103.5.

Conduct undercover test purchases at retail stores. The prices charged for items selected are compared with the stores lowest posted or advertised prices. Any overcharge is a violation of the CBPC.

10. Business Practices and Investigations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	4,086,000	570,000	429,000	3,087,000	22.0
<i>Less Administration</i>	812,000	--	--	812,000	--
Net Program Costs	3,274,000	570,000	429,000	2,275,000	22.0

Authority: Mandated program – CBPC Section 12103.5.

Weighmaster Audits: Conduct audits of weighmaster tickets at weighmaster locations.

Test Sales: Conduct undercover test sales of pre-weighed recyclable materials at recycling businesses. Any underpayment, beyond scale tolerances, is a violation of CBPC 12512.

11. Integrated Pest Management

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	9,956,000	287,000	8,261,000	1,408,000	55.0
<i>Less Administration</i>	2,050,000	--	875,000	1,175,000	--
Net Program Costs	7,906,000	287,000	7,386,000	233,000	55.0

Authority: Mandated program – California Government Code Section 25842; CFAC Sections 5404, 6022, and 6024; and County Code Section 2.40.040E.

Control or reduce the spread of disease vectors and the establishment of animal, weed, insect, and disease pests detrimental to agriculture, ornamental landscaping, or the environment through biologically sound and efficient control methods.

12. Weed Abatement

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	9,685,000	238,000	7,105,000	2,342,000	46.0
<i>Less Administration</i>	1,625,000	--	--	1,625,000	--
Net Program Costs	8,060,000	238,000	7,105,000	717,000	46.0

Authority: Mandated program – CHSC Sections 14875-14922; California Government Code Sections 39560-39588 and 51182; and California Public Resources Code Section 4291.

Provide fire protection to homes, businesses, and County residents by monitoring and, if necessary, removing flammable vegetation and combustible debris from unimproved property.

13. Administration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	14,273,000	--	2,577,000	11,696,000	65.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	14,273,000	--	2,577,000	11,696,000	65.0

Authority: Non-mandated, discretionary program.

Provide administrative support to the Department, including the executive office, finance, budgeting, purchasing, human resources, payroll, facility management, and IT.

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Net Program Costs	70,951,000	1,095,000	49,169,000	20,687,000	449.0

Mission Statement

The mission of the Alliance for Health Integration (Alliance) is to strengthen innovation and collaboration to make significant improvements in health outcomes for County residents.

2025-26 Budget Message

On January 13, 2015, the Board approved in concept the integration of the Departments of Health Services, Mental Health, and Public Health to create the Health Agency. On February 18, 2020, the Board approved a proposal to transition the Health Agency to the Alliance to implement a series of intentional, integrated actions and activities to achieve measurably improved health outcomes for County residents in most need. The budgets for the three departments will continue to remain separate. The Alliance is funded with available resources and will be adjusted once its organizational structure has been finalized.

Critical/Strategic Planning Initiatives

The Alliance has three strategic priorities, which were developed in conjunction with various stakeholders, including departmental leadership teams, union partners, all health-affiliated County commissioners, and various community stakeholders. The three strategic priorities are:

- Integration and development of prevention, treatment, and healing services;
- Reduction of health inequities; and
- Improvement of organizational effectiveness.

The Alliance will continue to work with stakeholders to further refine the specific objectives and metrics for each strategic priority.

Mission Statement

To provide high quality and caring legal representation to indigent persons charged with a crime when a conflict of interest prevents the Public Defender from providing required legal services and to represent clients in appellate courts as required.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$5.0 million primarily due to the removal of prior-year funding that was provided on a one-time basis for various projects and the department's share of countywide NCC reductions, partially offset by an increase in funding for Board-approved increases in salaries and retiree health insurance.

Critical/Strategic Planning Initiatives

The Department continues to:

- Collaborate with other justice partners to advance the Board's Care First, Jail's Last initiative to minimize the impact of the carceral system at every opportunity.
- Collaborate with justice partners to implement the Board of Supervisors' Alternatives-to-Incarceration (ATI) initiative and support the development and implementation of ATI recommendations.
- Collaborate with justice partners, the Chief of Executive Office, and community-based organizations to implement a plan to reduce the County's population of unhoused individuals by promoting increased visibility of available local resources and by assisting clients with referrals to various homeless assistance programs.

Mission Statement

The Department of Animal Care and Control (DACC), operating under State law and County ordinance, creates safer and healthier communities through the enforcement of local and State laws related to stray animals, animal abuse and neglect, dangerous dogs, rabies vaccination, and licensing, along with the rescue and care of animals during wildfires and other emergencies. The Department provides compassionate sheltering and care for lost, abandoned, neglected, and abused pets, while seeking positive outcomes for those animals by reuniting lost pets with their families, and through its adoption program and partnerships with adopting organizations.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$1.5 million primarily due to curtailments and the deletion of one-time funding from the prior year, partially offset with increases in salaries and employee benefits.

Critical/Strategic Planning Initiatives

- Increase operational effectiveness by making improvements in online services, internal data collection and analytics, and enhancing mobile technology.
- Strengthen, standardize, and update internal policies and procedures to ensure the Department is consistent with best practices in the field.
- Enhance services to our communities by strengthening our volunteer and adoption programs, and partnerships with contract cities, including pursuing grant opportunities that connect pet owners with resources to prevent surrenders.
- Continue to create cohesive communication strategies with a focus on internal and external audiences, traditional and modern media, and multi-ethnic communities, including strengthening the responses times.
- Strengthen and invest in our workforce by providing leadership development, career pathway plans, succession planning, and promotional opportunities for Department staff.

Authority: Mandated program with discretionary service level – CCR Sections 2606.4(a)(1), (a)(3), (b), (c); California Government Code (CGC) Section 38792; CFAC Sections 30652, 30804.5, 30804.7, 31251, 31751.7; CHSC Sections 121690(a), (f), (g); and County Code (CC) Section 10.20.030.

The Licensing program is responsible for the maintenance of new license information and processing of annual renewal notices to animal owners in County unincorporated areas and contract cities.

The Enforcement program performs neighborhood animal license enforcement at residences and other locations in County unincorporated areas and contract cities. Department representatives collect past due licenses, verify rabies vaccination compliance, and perform annual inspections of businesses that care for, sell, or house animals.

3. Field Services (Includes Call Center)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	3,084,000	--	550,000	2,534,000	21.0

Authority: Mandated program with discretionary service level – CFAC Sections 31601 et seq., 31683; CHSC Section 121690(b); CPC Sections 597.1(a), (b), (c), (d), (f), (g), (i), (j), (l), (m), 599aa, 22295(g), 11166 et seq.; CWIC Section 15600 et seq.; and CC Sections 10.20.280, 10.28.020, 10.28.270, 10.40.010.

The Spay and Neuter Program supports the mandated spaying or neutering of all shelter dogs or cats prior to adoption and in County unincorporated areas. The CCP Unit conducts administrative hearings to determine whether certain offending dogs are potentially dangerous or vicious, and investigates and processes potentially dangerous and vicious dog cases. The Major Case Unit responds to calls or requests, and investigates and prosecutes incidents of animal cruelty or dangerous animals.

Mission Statement

To advance arts, culture, and creativity, with a charge to develop comprehensive programs and policies related to arts and culture throughout the County. The Department of Arts and Culture invests in the County's cultural life, and provides leadership, services, and support in areas including grants and technical assistance for nonprofit organizations, countywide arts education initiatives, commissioning and care of civic art collections, research and evaluation, career pathways in the creative economy, professional development, free community programs, and cross-sector strategies that address civic issues. This work is framed by a commitment to fostering cultural equity and inclusion, and access to the arts.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$0.9 million primarily due to a curtailment in the Organizational Grants Program and an adjustment to remove prior-year funding that was provided on a one-time basis for tribal consultation policy development, increased costs from other County departments, and cybersecurity. The decrease is partially offset by a Board-approved increase in salaries and health insurance subsidies, as well as increases in retiree health insurance. The Recommended Budget also includes the addition of 2.0 positions to support the Arts Education and

Youth Development Division and 1.0 position to support the new Teen Internship Program, fully offset by State and philanthropic revenues, respectively.

Critical/Strategic Planning Initiatives

- Implement the County's Cultural Policy, which serves as a road map for how all departments can contribute to cultural equity and inclusion in every sector of civic life as part of the Cultural Equity and Inclusion Initiative.
- Implement the County's Regional Blueprint for Arts Education, which contains strategies for increasing arts education in schools and communities, juvenile justice, foster youth, and workforce development systems; developing innovative arts-based approaches to youth justice reform, well-being, and anti-racism; and coordinating activities of the Arts Education Collective public-private initiative.
- Implement the County's Civic Art Policy, which dedicates one percent of design and construction costs to commissioning civic artworks for capital projects, facilities and civic spaces, as well as conservation and stewardship of the County Civic Art Collection and implementation of the Public Art in Private Development Ordinance.
- Enhance operational best practices, stabilization, administrative infrastructure, and growth of the Department with a focus on recovery, sustainability, and advancing equity

in arts and culture in the County, and strengthening the administrative infrastructure of the Los Angeles City/County Native American Indian Commission to support its programs and governance.

- Leverage the arts to support Board-Directed Priorities, and special Department initiatives for the benefit of the arts sector and the County's diverse communities.

Authority: Non-mandated, discretionary program.

Provides financial support, technical assistance, capacity building, and professional development services to approximately 450 nonprofit arts organizations annually. These programs assist and strengthen nonprofit organizations and municipal programs to provide arts services that enrich the lives of County residents. All applications undergo a rigorous peer panel review and scoring process to determine the quality of proposed projects and services, which are then approved by the Board. Grantees are provided additional opportunities that include in-depth leadership training for executive, artistic, and managing directors; workshops on advancement and capacity building topics such as fostering cultural equity and inclusion; human resources, marketing, board development, and fundraising; grant application workshops; and scholarships for arts administrators to attend local conferences and take courses at the Center for Nonprofit Management and Long Beach Nonprofit Partnership.

2. Arts Internships

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,170,000	--	114,000	2,056,000	2.0

Net Program Costs	2,170,000	--	114,000	2,056,000	2.0

Authority: Non-mandated, discretionary program.

Provides 228 paid 10-week summer internships for undergraduate college students at approximately 145 performing and literary arts nonprofits and municipal arts agencies. In addition, interns participate in an arts summit. This program develops future arts leaders to serve in staff positions, as board members, and volunteers in organizations that provide cultural services to County residents. The program works in partnership with the Getty Foundation, which supports internships in visual arts organizations.

3. Arts Education

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Authority: Non-mandated, discretionary program.

The Arts Ed Collective is the County's initiative dedicated to making the arts core in K-12 public education. Established by the Board in 2002, the program is a public-private collaboration with significant support and coordination by the Department, and in partnership with the Los Angeles County Office of Education. The Arts Ed Collective currently works with 74 of 81 County school districts and five charter school networks to implement policies and plans that support high-quality arts education for 1.5 million public school students. This unit also manages the Arts in Justice Reform initiative which promotes healing, personal growth and overall well-being among youth (and families) impacted, or at risk of becoming impacted by the justice system.

4. Civic Art

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,733,000	--	432,000	2,301,000	12.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	2,733,000	--	432,000	2,301,000	12.0

Authority: Non-mandated, discretionary program.

Provides leadership in the development of high-quality civic spaces by commissioning artists and integrating civic artwork into the planning, design, and construction of capital projects, infrastructure, and facilities. The program encourages innovative approaches to civic art and provides access to artistic experiences of the highest caliber to County residents and visitors. The program also provides educational resources and ensures stewardship of the Civic Art Collection to foster broad public access to artwork owned by the County. It has developed and maintains the records and inventory for County-owned civic artwork. This unit also manages the work related to the establishment of the Public Art in Private Development Ordinance.

5. Cross-Sector Initiatives

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	1,205,000	71,000	570,000	564,000	4.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	1,205,000	71,000	570,000	564,000	4.0

Authority: Non-mandated, discretionary program.

Manages a portfolio of programs and projects that apply arts-based creative strategies to address civic issues and support the integration of arts and culture in County plans and operations. This unit supports the administration of the County's Cultural Policy, collaborating with other departments and agencies to ensure that policy goals are met. A core program of this unit is the Creative Strategist Artist in Residence program, which places artists and creative workers in County departments to work alongside staff to strategize solutions to complex social challenges.

6. Los Angeles City/County Native American Indian Commission (LANAIC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	944,000	--	485,000	459,000	2.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	944,000	--	485,000	459,000	2.0

Authority: Non-mandated, discretionary program.

LANAIC was established by the County of Los Angeles on June 25, 1976, through a joint effort of members of the Los Angeles American Indian community, Los Angeles City, and Los Angeles County governments. Its primary purpose is to improve the health and well-being of the Los Angeles American Indian and Alaska Native (AIAN) community through various strategies, including but not limited, to increasing the acquisition of funding resources available to the AIAN community, advocating for policy that will improve the health and well-being of AIANs, and gathering and disseminating information about AIANs in Los Angeles County. LANAIC's Self-Governance Board (LANAIC SGB) was established in 1993 by the Board. LANAIC SGB's primary purpose is to administer certain public and private funds, particularly funds that have Indian self-governance requirements. LANAIC is administratively housed within the Department of Arts and Culture.

7. Administration

Mission Statement

To produce an accurate and timely assessment roll while delivering exceptional service to the public.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$41.2 million decrease in NCC primarily due to the removal of prior-year funding that was provided on a one-time basis for health and safety remediation services, Assessor Modernization Project (AMP), replacement of network equipment, overtime, legal services, Asset Development Implementation Fund (ADIF) loan payment, and West Regional offices tenant improvements, as well as the Department's share of the countywide NCC reduction. The decrease is partially offset by the addition of 33.0 positions in District Appraisals, increases in retiree health insurance, and Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

The Assessor's Office continues its five-year strategic plan to:

- Serve the public remotely and in physical offices in an effective manner;
- Continue to leverage technology and evidence-based operational efficiencies to increase security and improve work activities and public services;
- Continue to increase operational effectiveness and encourage professional growth through enhanced staff recruitment, training, and development programs; and
- Complete the fifth phase of development of the AMP while partnering with County stakeholders and tax system departments.

Authority: Mandated program – State Constitution Article XIII and the California Revenue and Taxation Code.

Appraise business personal property and real estate properties that either undergo a change of ownership, are subject to new construction, or are impacted by a change in market conditions. This includes over 2.3 million parcels throughout the County and over 190,000 business properties, that together total a revenue producing assessment value of over \$2.1 trillion. This program also provides public service throughout the Assessor's district offices, which handle approximately 130,000 telephone calls from the public each year.

2. Roll Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Authority: Non-mandated, discretionary program.

Develop and support the Assessor's automated systems. IT is composed of a highly technical group of analysts, programmers and production operations specialists who manage systems in a multi-platform and multi-discipline environment. Key activities include developing the annual tax roll, facilitating solutions in response to tax law changes, and supporting customers and technical contracts management through the Help Desk. This program also supports the Assessor's multi-departmental property tax websites, which provide information on assessments, taxation, and appeals to over 11.5 million visitors.

Mission Statement

The Auditor-Controller (A-C) provides the County with expert advice and leadership in business and financial practices to promote integrity, accountability, compliance, and innovation.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$4.9 million primarily due to the deletion of funding that was provided on a one-time basis for eTAX costs, General Fund department audits, a lawsuit settlement, the Task Management System, consultant services, and the Property Tax Database (PDB) mainframe, as well as the Department's share of the countywide NCC reduction. The decrease is partially offset by increases for the PDB mainframe, retiree health insurance, and Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

The A-C advocates for fiscal responsibility and service excellence through various initiatives, including:

- Promoting accountability and public trust in County government by maintaining the Board-approved annual audit plan, and conducting investigations of fraud, waste, and abuse;
- Conducting compliance audits and enhancing service delivery by ensuring that services can be provided in a manner consistent with government and industry standards, that programmatic uses of public funds comply with applicable laws, regulations, and funding source requirements and best practices for audit independence;
- Reinforcing countywide IT security by conducting annual risk assessments, periodically seeking best practices to improve these assessments, and performing a risk-based program of audits of departments' application systems and IT security policy compliance;
- Enhancing the fiscal accountability of contractors by identifying and resolving issues related to questioned costs, ensuring auditor access to contractor records, educating contractors on best practices and fiscal requirements, and maintaining the Contractor Accounting Handbook as a resource to help foster compliance with contract terms and conditions, and the successful delivery of vital services and programs;
- Continuing to work with the Treasurer and Tax Collector to contract with a vendor to develop and implement an integrated, enterprise property tax system to replace aging, obsolete, and inefficient legacy applications that require high levels of staff and technical support;

- Enhancing and updating Advantage eCAPS and the eHR suite of applications to centralize, consolidate, and fully utilize the County's financial management, budgeting, reporting, human resources, payroll, and talent management functions;
- Continuing enhancements to the Contract Budgeting Module to improve contract data integrity, capture essential information on all County contracts with the ability to respond to inquiries, and deploy analytic capabilities;
- Enhancing the use and delivery of data and analytics to improve business operations, reinforce fiscal controls, and provide additional management information for decision-making; and
- Promoting succession planning across the A-C workforce by assessing leadership skills of key managers, developing a training curriculum that targets core leadership competencies, and making opportunities available for learning and professional growth.

Determines property tax allocations; distributes and accounts for property taxes collected; and issues overpayment refunds to taxpayers. Throughout the year, additions and changes to the tax roll are processed which result in new or corrected tax bills or refunds. After taxes are collected, they are apportioned and distributed to nearly 2,500 local agency accounts (one percent general tax levy, debt service, and direct assessment accounts) including the County, cities, school districts, education revenue augmentation fund, special districts, and successor agencies.

Mission Statement

The Auditor-Controller - Integrated Applications budget unit includes the costs associated with the development and operation of enterprise applications. The current budget reflects funding for costs associated with the eCAPS/eHR project, enterprise licenses, and other enterprise applications. eCAPS is the County's integrated financial application that includes accounting, budget, disbursement, procurement, inventory, vendor self-service, contracts, contract management, debt management, grant lifecycle management, and cost accounting. eHR is the integration of countywide human resources applications for payroll, timekeeping, personnel administration, position control, recruitment, mileage reimbursement, manager self-service, talent management, and other functions. In the future, other major County enterprise applications may be added to this budget unit.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$2.5 million due to adjustments to remove prior-year funding that was provided on a one-time basis for the Data and Analytics (DnA) project and second-year implementation costs to upgrade the Enterprise Financial and Human Resources software applications, partially offset by third-year implementation costs for upgrading the Enterprise Financial and Human Resources software applications.

Critical/Strategic Planning Initiatives

The A-C, through the eCAPS Advisory Committee, advocates for operational efficiencies, compliance with regulatory requirements, and alignment with industry standards through various initiatives, including:

- Ensuring continuity of operations by keeping these Integrated Applications on a supported version;
- Expanding functionality of eCAPS/eHR Enterprise modules with enhancements needed to stay current with technology;
- Creating newly integrated applications to further improve enterprise-wide needs;
- Developing best-of-breed technology along with new applications to further enhance administrative systems; and
- Planning and formulating strategies for the future Enterprise Resource Planning roadmap.

2025-26 Budget Message

The Transportation Clearing Account is a central budget unit for transportation costs incurred by departments. All expenditures are first recorded in this budget unit and then distributed to the appropriate departments leaving this budget unit with no net expenditures. The 2025-26 Recommended Budget reflects the continuation of the countywide transportation program.

Mission Statement

The Department of Beaches and Harbors is dedicated to caring for and sustaining the County's coastline and Marina del Rey (Marina).

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$5.1 million NCC decrease primarily due to curtailments, adjustments in rent charges, and the removal of prior-year funding that was provided on a one-time basis, partially offset by increases in salaries and employee benefits and funding from the Marina Transient Occupancy Tax for visitor programs and events.

Critical/Strategic Planning Initiatives

Implementation of the County's and the Department's strategic plans will accomplish the following outcomes: 1) visitors to our beaches and Marina will experience world-renowned recreational opportunities and quality customer service through accessible, clean, attractive, and safe facilities; and 2) Marina boaters, visitors and residents will enjoy experiencing the County's "Crown Jewel" through redeveloped leasehold properties and beautiful, well-maintained public amenities.

Mission Statement

To provide dedicated fiscal management for cost recovery facilitation and effective program implementation of Board priorities and initiatives managed by the Chief Executive Office (CEO).

Critical/Strategic Planning Initiatives

The budget addresses key Board priorities and initiatives through programmatic funding for the Poverty Alleviation Initiative (PAI); Anti-Racism, Diversity, and Inclusion (ARDI) Initiative; and administration costs related to the American Rescue Plan Act (ARPA) funding.

2025-26 Budget Message

This budget unit was established for the tracking of expenditures associated with Board initiatives and programs outside of the CEO's operating budget.

Mission Statement

The Board of Supervisors (Board), as the governing body of the County, enacts ordinances, directs overall operation of County departments and districts, and oversees the delivery of services within the County.

The Executive Office of the Board (Executive Office) performs a multi-functional support role for the Board in administering and managing technology, staffing, procurement, and facilities resources, along with the publication of information for the Board, various County departments, and the public. In addition, the Executive Office supports and staffs various County commissions, committees, and task forces. The mission of the Executive Office is to seamlessly support the Board, facilitating their success in serving the constituents of the County through efficient processes, innovation, and commitment.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects the funding levels

necessary to provide efficient and responsive delivery of services to the Board and the public. The \$1.2 million NCC decrease is primarily attributable to the removal of prior-year funding that was provided on a one-time basis for various Chief Sustainability Office (CSO) initiatives, the Building Management and Information Technology Service Desk legacy ticketing system, Board security enhancements, Utility User Tax, and cybersecurity, as well as the Department's share of the countywide NCC reduction. The decrease is partially offset by one-time funding to support the establishment of the Governance Reform Task Force (GRTF), Board-approved increases in salary and health insurance subsidies, as well as cost increases in retiree health insurance.

Critical/Strategic Planning Initiatives

The Executive Office continues to implement its strategic plan, in alignment with the County's Strategic Plan, with multiple goals for FY 2025-26. The Recommended Budget reflects the resources needed to achieve those goals that continue to focus on the use of technology-driven services.

Departmental Program Summary

1. County Government Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	213,009,000	4,768,000	2,857,000	205,384,000	197.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	213,009,000	4,768,000	2,857,000	205,384,000	197.0

Authority: Mandated program with discretionary service levels – California Constitution, California Government Code Section 26227.

The program is comprised of the five Board offices and the Clerk of the Board. The Board provides for the public welfare by establishing County and special district policies, supervises activities of County departments and special districts, adopts annual budgets, and sets salaries. The Executive Office prepares Board meeting agendas and minutes, posts actions taken by the Board, maintains Board records, and provides legislative support.

The program also includes various Board-appointed legislative bodies, including various commissions, committees, and boards. Of these legislative bodies, the Executive Office has direct oversight of 34 commissions, committees, and boards, and manages the committee book for over 200 legislative bodies countywide.

2. Assessment Appeals Board (AAB)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	3,404,000	--	2,194,000	1,210,000	27.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	3,404,000	--	2,194,000	1,210,000	27.0

Authority: Mandated program with discretionary service levels – California Constitution Article XII.

The AAB hears and renders decisions on assessment appeals filed by property owners regarding assessed valuations on the County tax roll.

3. Information Systems Advisory Body (ISAB)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	15,679,000	10,206,000	4,666,000	807,000	11.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	15,679,000	10,206,000	4,666,000	807,000	11.0

Authority: Non-mandated, discretionary program.

The ISAB consists of the Integration Services and Videoconferencing programs. The Integration Services program provides funding to support the criminal justice systems participating in the ISAB, including coordinating and ensuring appropriate systems interface, and providing technical and administrative support and workload data analysis. The Videoconferencing program provides for the maintenance, operations, and videoconferencing expansion for additional videoconferencing and interviewer stations throughout the County.

4. Office of Inspector General (OIG)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	9,638,000	--	--	9,638,000	36.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	9,638,000	--	--	9,638,000	36.0

Authority: Non-mandated, discretionary program.

The OIG provides independent and comprehensive oversight, monitoring, and reporting of the Sheriff and Probation departments by reviewing operations and conditions in custody or detention facilities. The OIG consists of three functional divisions: Review and Analysis, Audit and Investigation, and Monitoring and Community Outreach. The Review and Analysis Division analyzes and reviews data to produce reports and identify trends. The Audit and Investigation Division audits the departments' compliance with policies and procedures. The Monitoring and Community Outreach Division monitors custody and detention facilities conditions; manages complaint responses from inmates, probationers, and the public; and receives input from the public.

5. Office of Child Protection (OCP)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	3,012,000	1,220,000	--	1,792,000	8.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	3,012,000	1,220,000	--	1,792,000	8.0

Authority: Non-mandated, discretionary program.

The OCP collaborates with County agencies, the community, and other entities to identify problems impacting child protection and safety and develops solutions to improve how the system serves children and families. The OCP's work is driven by integrity, data-driven planning, integrated service delivery, child-centered and family-focused transparency, community engagement, advocacy, and innovation.

6. Civilian Oversight Commission (COC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,159,000	--	--	2,159,000	9.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	2,159,000	--	--	2,159,000	9.0

Authority: Non-mandated, discretionary program.

The COC provides robust opportunities for community engagement; ongoing analysis and oversight of the Sheriff Department's policies, practices, and procedures; and acts as an advisory body to the Sheriff, Board, and public. The COC works closely with OIG and provides expertise in areas such as custody, community engagement, juvenile justice, and mental health.

7. Probation Oversight Commission (POC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,210,000	--	--	2,210,000	8.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	2,210,000	--	--	2,210,000	8.0

Authority: Non-mandated, discretionary program.

The POC advises the Board and Chief Probation Officer and oversees and monitors the Probation Department to address matters that affect the well-being of youth and adults under the Department's supervision. The POC evaluates and supports key reform efforts, promotes transparency and accountability, and maintains public trust in the Department by advising on policies and operations, conducting inspections and investigations, and establishing meaningful opportunities for community engagement.

8. Human Relations Commission (HRC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	6,777,000	--	1,045,000	5,732,000	21.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	6,777,000	--	1,045,000	5,732,000	21.0

Authority: Mandated program Article XXIX of County Ordinance No. 4099, No. 7425, as amended by Ordinance No. 8118, No. 10,532, and No. 10,921.

The HRC collaborates with law enforcement, schools, cities, community-based organizations, youth, academics, policy makers, businesses, and other leaders to bring key players together to resolve immediate inter-cultural conflicts. The goal of the HRC is to develop programs that proactively address racism, homophobia, religious prejudice, linguistic bias, anti-immigrant sentiment, and other divisive attitudes that can lead to inter-cultural tensions, hate crimes, and violence.

9. Chief Sustainability Office (CSO)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	4,250,000	--	1,417,000	2,833,000	11.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	4,250,000	--	1,417,000	2,833,000	11.0

Authority: Non-mandated, discretionary program.

The CSO provides policy recommendations to the Board in the area of environmental sustainability with a specific focus on addressing historical environmental injustice in low-income communities of color. The primary activities performed by this program include overseeing the implementation of the countywide sustainability plan in coordination with departments; working with the Sustainability Council and stakeholders throughout the County to make recommendations on policies and programs, interim and long-term goals, metrics, and timelines; and creating a monitoring and reporting platform. This program also evaluates and makes recommendations on key environmental and environmental justice issues facing the County.

10. Administrative Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	80,497,000	6,922,000	2,666,000	70,909,000	155.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	80,497,000	6,922,000	2,666,000	70,909,000	155.0

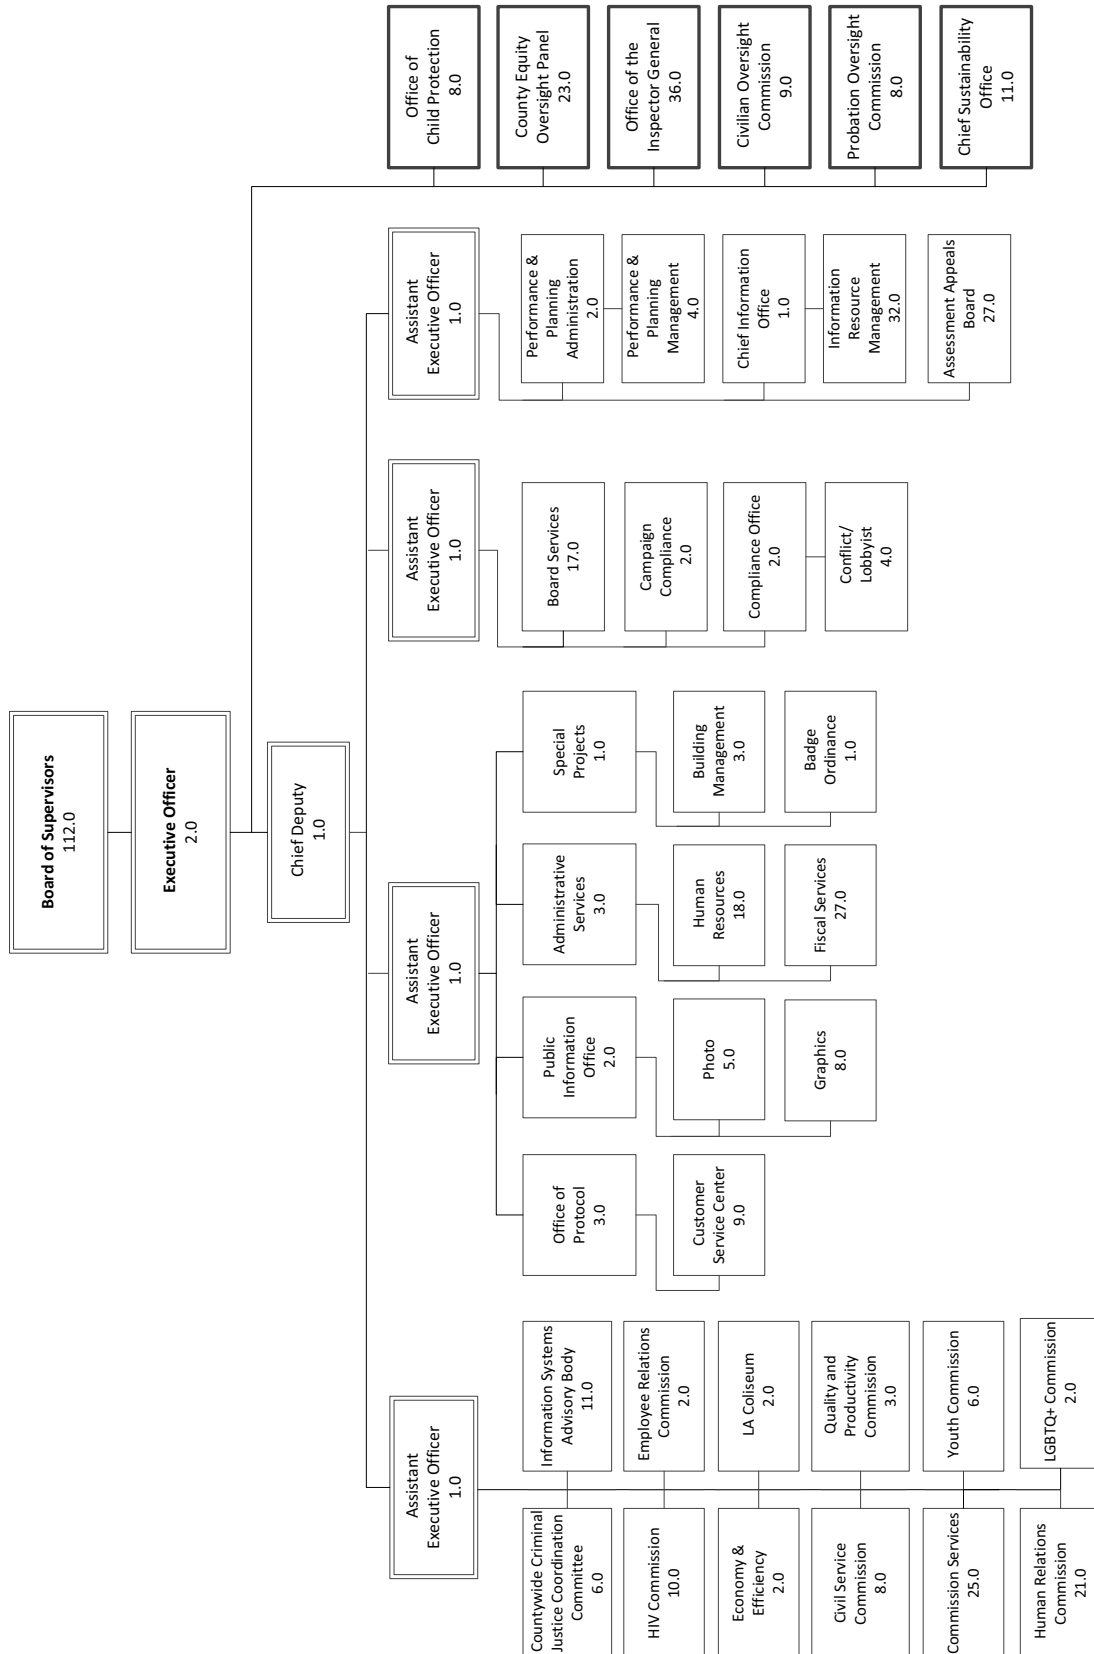

Authority: Non-mandated, discretionary program.

The program provides budget, procurement, accounting, IT, personnel payroll, legislative, and operational support services to Board offices, the Executive Office, and commissions. It also provides office support and temporary clerical services to client departments and a comprehensive building management program for the Kenneth Hahn Hall of Administration.

The program also includes the Office of Protocol which serves as the liaison to the Los Angeles Consular Corps and foreign dignitaries, and promotes international business, tourism, and cultural exchanges throughout the County.

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Net Program Costs	340,635,000	23,116,000	14,845,000	302,674,000	483.0

Mission Statement

The Capital Projects/Refurbishments budget unit reflects the Chief Executive Officer's funding recommendations for the acquisition, development, design, construction, and refurbishment of General Fund capital assets and infrastructure. These recommendations support projects that are currently funded and underway, as well as projects that are anticipated to commence in the coming fiscal year for which viable and sufficient funding has been identified.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects the Board's continued commitment to allocate a significant amount of available one-time funding to expand, replace, or refurbish the County's capital assets. The Recommended Budget appropriates \$2.0 billion, collectively in the General Fund and Capital Project Special Funds, for 365 active projects to advance the Board's strategic priorities including public healthcare and wellness, public safety, public service delivery, environmental stewardship, deferred maintenance, and recreational opportunities. The total capital program is valued at \$6.2 billion, representing 719 projects.

The Recommended Budget includes \$1.7 billion for 279 General Fund projects in acquisition, development, design, or construction, and is funded by \$0.4 billion in one-time revenue from grants and other sources and \$1.3 billion in locally generated revenue. Approximately \$1.3 billion was allocated in a prior budget year and is being carried over to 2025-26. The budget reflects a decrease of \$228.8 million in appropriation and the completion of 36 projects.

In addition to the projects appropriated in the General Fund, the capital program includes certain critical projects funded under the Department of Health Services (DHS), financed with special district revenue, proceeds from lease revenue obligation notes, or appropriated in certain special funds. Summarized in Volume Two, the Recommended Budget includes \$361.0 million of 86 special fund projects in acquisition, development, design, or construction to address capital needs in the areas of infrastructure repair and development for health services, public safety, and general government, and reflects a decrease of \$164.0 million and the completion of 19 projects.

Critical/Strategic Planning Initiatives

The County will continue to advance the Strategic Asset Management (SAM) Plan's key objectives, including:

- **Maintaining Asset Inventory** – Ensuring facility condition data is consistently maintained and up-to-date in the SAM system database, expanding database functionality to better inform facility reinvestment decisions, and implementing a new software system for improved space management of County assets.
- **Extending the Useful Life of Owned Assets** – Strategically investing in the maintenance of County assets to extend their useful life and maximize financial resources, and continuing to fund and implement the Facility Reinvestment Program. By planning ahead and making improvements prospectively, the County helps ensure that extraordinary maintenance budget funds are available to be used for emergencies.
- **Guiding Strategic Investment through Master Planning** – Collaborating with County departments to develop strategic, long-range master plans based on service needs, facility condition, and space management data.

Mission Statement

The Care First and Community Investment (CFCI) budget unit was established to reflect dedicated funding to address the disproportionate impact of racial injustice through community investment and alternatives to incarceration programming in support of a Care First, Jails Last model, as required by voter-approved Measure J.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a decrease in the set-aside of \$13.0 million in ongoing funding to the CFCI To Be Allocated (TBA) budget unit to reflect the adjustment for Year 5 of CFCI funding to support programs that include direct community investments and alternatives to incarceration as approved by the Board and as reflected in the County Charter. The 2025-26 Recommended Budget also reflects the deletion of one-time carryover of CFCI funding in the amount of \$325.8 million and the addition of projected one-time carryover of CFCI funding in the amount of \$284.0 million.

Mission Statement

To develop, oversee and maintain the County's budget; provide managerial and administrative direction to County departments; and lead countywide coordination of services to County constituents under the leadership of the Board while maintaining the budgetary and fiscal integrity of the County.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$13.9 million primarily due to the removal of \$14.8 million in prior-year funding that was provided on a one-time basis for various programs and services and the Department's share of the countywide NCC reduction. This is partially offset by an increase of \$1.4 million in salaries and employee benefits, and \$2.4 million for new and expanded programs.

Critical/Strategic Planning Initiatives

The Chief Executive Officer's (CEO) strategic coordination functions will continue to address key priorities, including:

- Enhancing emergency response, recovery, planning, and hazard mitigation efforts across the County.
- Supporting Employee Relations in managing labor negotiations and Memorandum of Understanding (MOU) implementation.
- Providing oversight of the U.S. Department of Justice (DOJ) Consent Decrees and court-ordered obligations.

Net Program Costs	17,707,000	6,074,000	1,040,000	10,593,000	61.0

Authority: Mandated program with discretionary funding level – California Government Code Sections 29040, 29042, 29044, 29045, 29060-29062, and 29065.5; County Code Sections 2.08.020-2.08.100 and Chapter 4.12.

The Budget and Finance Division serves as the CEO's fiscal policy advisor by helping to maintain a balance between service delivery and fiscal sustainability while managing the countywide budget. The Division analyzes financial and operational information to make recommendations on allocating the County's limited resources. It also monitors financial performance of the budget and projects the General Fund's cash flow throughout the year.

2. Budget Policy and Revenue Alignment

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,476,000	--	--	2,476,000	7.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	2,476,000	--	--	2,476,000	7.0

Authority: Non-mandated, discretionary program.

The Budget Policy and Revenue Alignment program is responsible for developing strategic interdepartmental operational budgeting. The program advises the CEO on: maximizing revenues; identifying opportunities for funding synergies across departments serving the same population; seeking ways to provide more services with existing resources; identifying ineffective spending strategies and programs; better monitoring and control of non-emergent, off-cycle budget requests; and supporting closer connections between funding requests, Board-Directed Priorities, the County Strategic Plan, and data.

3. Benefits and Employee Relations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	4,942,000	2,488,000	836,000	1,618,000	22.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	4,942,000	2,488,000	836,000	1,618,000	22.0

Authority: Non-mandated, discretionary program.

The Benefits Division oversees the management of the plan, design, and policies for employee benefits. This includes health, dental, life and disability insurance, paid time off, labor's fringe benefits and the voluntary Defined Contribution Program (Program) comprised of three supplemental retirement plans (Horizons Plan, Savings Plan, and Pension Savings Plan). The Division has overall administrative responsibility of the \$20.0 billion (in assets) Program including contract and management authority. The Division also develops fringe negotiation strategies and their associated costs and participates in labor negotiations. The County is the plan sponsor for the Los Angeles County Employees' Retirement Association (LACERA) Defined Benefit programs. The primary

responsibilities of the Division are to: oversee retirement policy; monitor the Board of Investments and Board of Retirement meetings, Insurance, Benefits and Legislative Committee, Operations Oversight Committee, Joint Organizational Governance Committee, and the Audit Committee; and ensure the County has a sustainable and cost-effective retirement system. It is also responsible for the policies governing the County-sponsored health plans for retirees administered by LACERA.

The Employee Relations Division manages the overall employer-employee relations function to ensure uniform administration of labor relations policies, procedures, and statutory compliance. The primary activities of the Division include making recommendations to the Board on policies, developing broad bargaining strategies, and conducting negotiations and consultations with labor unions within the scope of authority granted by the Employee Relations Ordinance. The Division also administers Memoranda of Understanding and coordinates employee relations matters within the jurisdiction of the Employee Relations Commission. As such, the Division serves as the County's advocate in arbitration hearings, unfair labor charges, and various administrative issues such as bargaining unit determinations.

4. Classification and Compensation

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	9,128,000	4,091,000	1,000,000	4,037,000	34.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	9,128,000	4,091,000	1,000,000	4,037,000	34.0

Authority: Non-mandated, discretionary program.

The Classification and Compensation Division develops, implements, and maintains appropriate and efficient organizational and pay structures to support County and departmental strategic objectives within the fiscal constraints of the County; provides organizational design, position allocation, and compensation services that ensure the fair and consistent treatment of employees performing comparable work; maintains a competitive salary and allocation plan to support the recruitment and retention of qualified staff; supports the County's economic position in labor negotiations; studies labor market trends and conditions; makes recommendations involving executive compensation and existing policies to the Board; and administers various pay plans in an equitable manner.

The Division manages the countywide classification and compensation systems by overseeing the provisions of the County Charter, Civil Service Rules, and County policies, procedures, and guidelines related to organizational design, position allocation, and compensation. It also ensures compliance with State labor laws, Equal Pay Act, Title VII of the Civil Rights Act, Fair Labor Standards Act, and Family Medical Leave Act as it relates to position allocation and compensation. Additionally, the Division provides technical guidance and support to departments on all organizational design, position allocation, and compensation related matters; as well as supports organizational structure and compensation strategies for departmental and countywide initiatives.

5. Asset Management

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	19,698,000	8,861,000	915,000	9,922,000	76.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	19,698,000	8,861,000	915,000	9,922,000	76.0

Authority: Mandated program with discretionary funding level – California Government Code Sections 25350.51, 25350.60, and 31000.9; and County Code Sections 2.08.150-2.08.165.

This program provides for the overall management of the County's real estate assets to meet critical service requirements. The primary responsibilities include master planning, managing the capital projects program, property development, new property purchases and sales, lease acquisitions and renewals to support departmental missions, and coordination of the County's master planning and asset lifecycle management efforts.

6. Policy Implementation and Alignment

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	7,515,000	1,539,000	--	5,976,000	21.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	7,515,000	1,539,000	--	5,976,000	21.0

Authority: Non-mandated, discretionary program.

This program provides central leadership and coordination of Board-Directed Priorities, other major policy initiatives, and strategic planning including managing various task force efforts and multi-departmental initiatives. The program identifies opportunities to leverage existing resources and partnerships to support the Board in its effort to drive better outcomes for residents. It also provides support services for continued advancement, refinement, and implementation of the County Strategic Plan and the Board's Policy Initiatives.

7. Homeless Initiative (HI) and Affordable Housing

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	31,053,000	1,132,000	25,223,000	4,698,000	76.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	31,053,000	1,132,000	25,223,000	4,698,000	76.0

Authority: Non-mandated, discretionary program.

The HI is the central coordinating body for the County's homelessness efforts. The Board and CEO established the HI in 2015 to confront the growing crisis of homelessness in a strategic and coordinated manner. In early 2016, the Board approved 47 coordinated strategies to prevent homelessness, subsidize housing, increase income, provide case management and services, create a coordinated system, and increase affordable and homeless housing. The Board also approved \$99.7 million in one-time funding to begin implementation of the strategies. Later in 2016, the Board approved four additional strategies, bringing the total to 51 strategies. In March 2017, nearly 70 percent of County voters approved Measure H, a quarter-cent increase to the County's sales tax that will generate an estimated \$355.0 million per year for ten years, to fund a subset of the HI's 51 strategies covering housing, rental subsidies, and services for people experiencing or at risk of homelessness. In January 2023, the Board proclaimed a

local emergency for homelessness in the County. The proclamation directed HI in collaboration with other County departments to take necessary steps for the protection of life, health, and safety of people experiencing homelessness in the County through expedited and streamlined processes.

This program also provides for the administration and oversight of the County's affordable housing efforts, including the Affordable Housing budget unit established by Board Order on October 2015 and the Affordable Housing Coordinating Committee.

Authority: Part federally-mandated program – Health Insurance Portability Accountability Act (HIPAA) and part non-mandated, discretionary program.

Information Security was established by Board Policy 6.100 and provides IT security leadership, policy development, implementation of federally mandated HIPAA security regulations and countywide cybersecurity infrastructure, protects critical information assets, and mitigates the impact of computer security incidents.

Information Management was established by Board Policy 6.200 and provides a shared information management platform to enable departments to identify common clients, securely share and exchange data to coordinate service delivery, provide data-driven analytic capabilities, and data science and research expertise in support of Board priorities and countywide initiatives.

Strategic Consulting facilitates implementation of countywide IT strategic goals and associated policies; provides guidance and assistance to departments to ensure their technology plans are aligned with the County Strategic Plan; makes recommendations to the Board regarding the viability and cost-effectiveness of requested departmental IT contracts; and provides oversight and performs risk assessments on key IT projects.

IT Governance provides a forum for business and technical oversight of the County's IT strategic directions and includes an Investment Board to review departmental IT proposals for grants from the Information Technology Infrastructure Fund and the Legacy Modernization Fund; as well as a Project Review Committee to mitigate project risks and ensure successful implementation of large, complex departmental IT projects.

9. Center for Strategic Partnerships

Authority: Non-mandated, discretionary program.

The Center for Strategic Partnerships facilitates public-private partnerships that leverage the strengths, skills, and assets of each sector. This allows it to co-create solutions for challenging problems to improve the lives of children, youth, and families, using an equity lens throughout the County, to support Board-Directed Priorities. It exists both within the County and in the private sector through its fiscal sponsor and private sector home, Southern California Grantmakers.

10. Anti-Racism, Diversity, and Inclusion (ARDI)

Authority: Non-mandated, discretionary program.

In July 2020, the Board directed the creation of an organizational unit within the Department to develop and implement a countywide strategic plan and policy platform that would eliminate structural racism and bias within the County, as well as improve life outcomes for its population. The ARDI Initiative seeks to end structural racism and its consequences in the County; as well as boldly articulate an anti-racist agenda that will guide, govern, and increase the County's ongoing commitment to fighting systemic and institutional racism in all its forms and dimensions by directing, building capacity for, and sustaining the development of equitable policy, workforce culture, data analysis, and resource distribution.

The ARDI Initiative provides central coordination and guidance to ensure the incorporation and integration of equity in countywide and departmental racial equity efforts. ARDI partners with County departments and external stakeholders to provide racial equity training, technical assistance, and other capacity building efforts. In addition, ARDI contributes to all County efforts by creating racial equity tools, providing policy analysis with an equity lens, coordinating data-related equity efforts, and infusing equity into program development and resourcing efforts, including tools for authentic stakeholder engagement and equitable budgeting practices. ARDI will work to advance its mission through a justice-oriented approach that considers the ways in which procedural, distributional, and structural equity can be achieved.

Authority: Non-mandated, discretionary program.

The Legislative Affairs and Intergovernmental Relations Branch develops policy recommendations to advance the County's legislative, advocacy, and funding priorities at the local, State, and federal levels. In consultation with Board offices and departments, the Branch develops legislative priorities and policies for consideration and approval by the Board. These priorities drive the County's State and federal advocacy activities and support the advancement of the County's highest priorities which aim to maintain existing County program and funding integrity, including those to: enhance and protect County resources and programs; provide administrative flexibility to maximize resources for services; protect against the imposition of unfunded mandates; and pursue legislation to remediate, enhance, or increase flexibility of existing programs and projects in County departments. The Branch spearheads efforts to pursue County-sponsored legislation, as well as analyzes State and federal initiatives, legislation, budget proposals, and other measures affecting County programs and operations.

The Branch's Washington, D.C. and Sacramento offices, along with the Government Relations Unit, are responsible for establishing and maintaining strong working relationships with elected officials and other key policymakers at the local, State and federal levels. Additionally, the Branch conducts direct, targeted advocacy efforts in coordination with Board offices, departments, and key stakeholders to educate and engage elected officials and agency leaders on legislation, policy, funding, and regulatory matters of interest to the County. The Branch also coordinates advocacy visits to Sacramento and Washington, D.C.; serves as the liaison to cities within the County and to State and federal legislative offices; administers general services agreements with cities in need of County department services; and represents the County's interests with external organizations, jurisdictions, and county-related associations.

Authority: Non-mandated, discretionary program.

This program is comprised of public affairs, media relations, digital and multimedia development, and cable oversight. It serves as the County's centralized source of information for the public and as the primary media liaison for the CEO and countywide initiatives. The program creates extensive digital, video, and social media content for the various platforms. It also specializes in website development and maintains an active online presence for messaging through its website and social media channels. The program provides strategic communications support to departments and serves as the liaison with departmental public information officers. In addition, the office oversees programming and operations for the County Channel, monitors cable industry issues, reviews franchise fee revenues, and responds to cable customer inquiries and complaints.

15. Risk Management (RM)

Authority: Workers' Compensation: Mandated program with discretionary funding level – California Labor Code Section 3700; County Code Sections 5.31.050, 5.31.060, 5.31.070, and 6.20.070. Loss Control and Prevention: Non-mandated, discretionary program. RM Inspector General: Non-mandated, discretionary program. Office of Privacy/HIPAA Privacy Program: Mandated program with discretionary funding – The Health Insurance Portability and Accountability Act of 1996, Privacy Rule. 45 CFR Parts 160 and 164; California Civil Code §1798.

The RM program, created by the Board on April 30, 2002, uses available RM tools to evaluate County risks, develop methodologies and programs to minimize those risks (and financial losses), and advises the Board and departments regarding ways to better control those risks. On January 7, 2003, the Board designated the Chief Privacy Officer to be responsible for development and implementation of the County's HIPAA privacy program. In 2017, the Office of Privacy was established by the Board and re-aligned within RM, with the goal of centralizing efforts to establish a countywide privacy and security program, and to develop countywide policies and procedures that address safeguards for confidential and protected health information. RM and Privacy programs and services include the development and purchase of commercial insurance for risk financing needs; risk assessment and prevention including training; assessments and consultations to assist departments to lower risks and meet federal and State workplace regulations; Liability Claim Management (including Small and Property Claims) and Workers' Compensation (including Financial Control, Fraud, Analytics and Medical Management) to administer and manage mandated liability and workers' compensation claims and review countywide contractual risk exposures; and RM Inspector General functions for the development, approval and monitoring of Corrective Action Plans.

Authority: Non-mandated, discretionary program.

The DOJ Compliance Office is responsible for driving compliance in United States v. County, Rutherford v. Luna, and Rosas v. Luna, and related litigation involving County jail population and services as well as support for justice-involved individuals with mental health issues. The County's compliance strategy requires project management and coordination across multiple County departments, including the following: the Los Angeles Sheriff's Department, Department of Health Services (including Correctional Health Services and the Office of Diversion and Reentry), Department of Mental Health, the Justice, Care and Opportunities Department, Public Defender, Alternate Public Defender, and District Attorney's Office along five core strategy pillars: Depopulation, Community Beds, Staffing and Support, Facilities Alignment, and Operations and Data.

Authority: Mandated program with discretionary funding level – California Government Code Section 8605 and County Code Sections 2.68.210-2.68.230.

This program creates, develops, coordinates, administers, and implements all-hazards emergency plans, procedures, training, and programs within the County including the unincorporated areas. The program supports the Los Angeles County Operational Area inclusive of public and private sectors. This program ensures that the County is prepared, ready to mitigate, respond, and recover from major emergencies and disasters by effectively mobilizing public and private resources within the County and by operating the County's Emergency Operations Center and the County's 24/7 Watch Center. The program is one of the County leads in accessing mutual aid and federal and State government resources. The program is responsible for coordinating the County's efforts to maximize Federal Emergency Management Agency and California Disaster Assistance Act funding for disaster preparedness, hazard mitigation, response, and recovery.

Mission Statement

The mission of the Child Support Services Department (CSSD) is to connect with parents and caregivers to provide child support services.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$1.4 million NCC decrease primarily due to the removal of \$1.2 million in prior-year funding that was provided on a one-time basis for child support operations and enforcement, a decrease of \$0.2 million for the Department's share of the countywide NCC reduction, and a decrease of \$0.1 million for retirement. This is partially offset by an increase of \$0.1 million for Board-approved salaries and employee benefits and retiree health insurance.

Critical/Strategic Planning Initiatives

In August 2024, the United States Department of Health and Human Services Office of Child Support Services awarded CSSD a five-year demonstration grant for CSSD's proposal, the South Los Angeles (SOLA) Impact Outreach project. The purpose of the project is to determine whether offering under-employed and unemployed noncustodial parents with a broad range of employment and other critical services will lead to increased child support payments that ultimately provides greater support for children. This project aligns with the principles of the County's Strategic Plan, Goal 1: Make Investments That Transform Lives, by investing in solutions that address our most complex societal challenges (health, jobs, housing, food insecurity, and recidivism) affecting our most vulnerable communities - one person at a time.

Critical and Unmet Needs

The Department's critical and unmet needs include using WRC funding for services and supplies to backfill the one-time bridge funding approved during the FY 2024-25 Supplemental Budget. The Department continues to seek additional cost savings and funding solutions, work with the Chief Executive Office and the California Department of Child Support Services to secure additional funding resources, and engage with the California Child Support Director's Association and other local California child support agencies to petition the State administration and legislature for additional funding.

Mission Statement

The Department of Children and Family Services (DCFS) promotes child safety and well-being by partnering with communities to strengthen families, keeping children at home whenever possible, and connecting them with stable, loving homes in times of need.

2025-26 Budget Message

The 2025-26 Budget Request for Administration reflects a \$26.2 million increase in gross appropriation, comprised of a \$26.6 million increase in revenue and a \$0.4 million decrease in NCC. The revenue increase is due to an increase in federal and State funding for administrative cost increases. The NCC decrease is due to the Department's share of the countywide NCC reduction and the removal of prior-year funding that was provided on a one-time basis. This is partially offset by increases in Board-approved salaries and health insurance subsidies, as well as retirement costs.

Critical/Strategic Planning Initiatives

- **Prevention** – Delivering technical support to continue to test, pilot, and expand workgroup activities; engaging in project management to develop and analyze performance outcomes; and working collaboratively with other County departments, as well as internal and external stakeholders, with the goal of facilitating and integrating the Family First Prevention Services Act (FFPSA) into current practice.
- **Quality Social Work Operational Efficiencies** – Enhancing DCFS' security posture through proactive risk mitigation, threat detection, prevention, response, and compliance management. This will ensure all confidential reports for Family Law and Probate cases are e-filed, with built-in tracking for real-time status monitoring, to enhance the efficiency, accuracy, and security of sensitive document transmissions that will contribute to faster processing times and enhanced service delivery for DCFS and court partners.
- **Equity** – Continuing DCFS' commitment to a culture of equity will guide the Department in promoting both policy and practice that is just and fair to everyone and recognize the pernicious effects of discrimination and implicit bias.

Critical and Unmet Needs

The Department's critical and unmet needs include additional funding for 45.0 positions for contract administration; administrative services; IT; procurement services; Office of Equity; operation support services; and administrative support for Resource Family assessments, courts, and adoptions. The Department's unmet needs also include maintaining critical community-based services and programs that serve to safeguard children and support families in their reunification efforts, as well as additional support to shift administrative work away from Children's Social Workers (CSWs), thereby allowing CSWs to focus on child safety, family reunification, and permanency planning.

FUND
GENERAL FUNDFUNCTION
PUBLIC ASSISTANCEACTIVITY
OTHER ASSISTANCE**Mission Statement**

The DCFS Assistance budget unit provides funding for programs that: 1) support children who are placed in out-of-home care because of abuse or neglect; 2) aid prospective adoptive parents in meeting the additional expenses of caring for children with special needs; 3) incur expenses in the recruitment and placement of children with relative caregivers while legal guardianship is finalized; and 4) assist public and private agencies in providing child abuse and neglect prevention and intervention programs to meet the needs of high-risk children and their families.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a decrease of \$5.5 million in NCC due to the removal of prior-year funding that was provided on a one-time basis for Promoting Safe and Stable Families programs.

Critical/Strategic Planning Initiatives

DCFS continues its efforts to analyze and optimize both its spending and claiming activities to provide required services to children and their families.

Authority: Mandated program with discretionary service level - California Welfare and Institutions (W&I) Code Sections 11400-11469, 16000, 16112-16115, 16500-16515, and 18350-18351.

Matches the unique needs of children and families with available services and resources in their community. Services are provided through the Family Support and Alternative Response Program. The services are a proactive approach toward the prevention of family conflict that may lead to child abuse or neglect. The focus of these services is on strengthening and empowering families and communities to promote the growth of children, youth, adults, and family members.

Authority: Mandated program with discretionary service level - California W&I Code Sections 11400-11469, 16000, 16112-16115, 16500-16515, and 18350-18351.

Responsible for assessing and investigating allegations of child abuse and neglect; initiating legal action (when appropriate) to petition for court dependency status; and coordinating departmental response to child abduction cases. The Child Protection Hotline receives calls of alleged abuse and neglect, and determines whether to refer the allegations for investigation. Emergency response staff conducts in-person investigations and provides family-centered, strength-based planning processes, such as Family Preservation Services. When a decision is made to seek court supervision for a child, Juvenile Court Services takes action to establish court dependency status and functions as the liaison between the Department and the Court.

3. Intensive Services

Net Program Costs	583,222,000	652,000	439,566,000	143,004,000	2,806.0

Authority: Mandated program with discretionary service level - California W&I Code Sections 11400-11469, 16000, 16112-16115, 16500-16515, and 18350-18351.

Provide services to children and families at high or very high risk for abuse, neglect, abandonment, or exploitation. Services include case management and support, wraparound, emancipation, respite care, health, mental health, substance abuse treatment, and educational development. These services are provided to children and families when a child remains in the home of a parent/guardian with child and family maintenance or when they have been placed in out-of-home care as part of family reunification and permanent placement.

4. Permanency

	Gross Appropriation (\$)	Intrafund Transfers (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	432,877,000	--	338,622,000	94,255,000	2,111.0

Authority: Mandated program with discretionary service level - California W&I Code Sections 11400-11469, 16000, 16112-16115, 16500-16515, and 18350-18351.

Provides a continuum of services to promote permanency for children. These services include family reunification, legal guardianship, and adoption. Family reunification is the preferred permanency plan since it preserves family connections. Family reunification services include: case management and support, wraparound, emancipation, respite care, health, mental health, substance abuse treatment, and educational development. When it is not possible to reunify families, a plan of adoption or legal guardianship (with relatives or non-relatives) is considered. If adoption is the permanent plan, the services provided include recruitment and placement of children in adoptive homes, placement supervision until adoption is finalized, and post-adoptive services to birth, adoptive parents, and adoptee. The Department also provides recommendations to the Superior Court on independent adoptions arranged by the birth parents and stepparents.

Mission Statement

To promote a fair and dynamic marketplace that protects and enhances the financial well-being of our communities.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$5.5 million primarily due to the deletion of funding that was provided on a one-time basis primarily for the American Rescue Plan Act (ARPA), Office of Cannabis Management (OCM), and various other programs and services, as well as the Department's share of the NCC reduction. The decrease is partially offset by an increase for the Altadena Community Center, Represent LA Program, Self-Help Legal Access Centers (SHLAC), Children's Savings Account program, and Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

- Expand and strengthen Housing and Tenant Protections (HTP) programs that provide landlords and tenants outreach, education, and technical assistance, as well as connect them with legal services, rental assistance, and other resources. This includes advancing the County's implementation of its Right to Counsel, SHLAC, and Rental Habitability efforts.

- Continue to develop and implement the OCM, which oversees the County's cannabis policies, priorities, and regulates the licensing of commercial cannabis activities within County unincorporated areas.
- Expand and implement the County's Office of Labor Equity (OLE) to consolidate and centralize the County's ordinances, initiatives, and functions related to worker protections. The OLE will provide a one-stop shop for worker protections and labor law enforcement.
- Continue to protect the rights and advance the well-being of immigrants by providing services and assistance through the County's Office of Immigrant Affairs (OIA). In addition, develop and implement the framework for a countywide language access strategy for immigrant and indigenous residents.
- Realign the Department's administrative team to help lead current and future initiatives, including critical strategic planning within the administrative and operational functions.
- Administer and oversee the County's Dispute Resolution Program, which provides the use of alternative dispute resolution techniques under California's Dispute Resolution Programs Act.
- Support major County initiatives and Board-Directed priorities that focus on critical social issues, including anti-racism, immigration, poverty alleviation, and homelessness.

Mission Statement

The mission of the County Counsel's Office (Office) is to provide the highest quality legal services to the Board, County departments, and other governmental entities by fully understanding their business needs; being accessible, responsive, and timely; proactively helping them guard against risk; providing sound advice and trusted counsel; providing creative solutions and viable alternatives to achieve goals; and always acting in a responsible, professional, and ethical way.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$1.3 million primarily due to curtailments and the deletion of funding that was provided on a one-time basis for temporary personnel services, Los Angeles Homeless Services Authority attorney hours, and cybersecurity, partially offset by Board-approved increases in salaries and employee benefits.

Critical/Strategic Planning Initiatives

County Counsel will continue initiatives to support the County's Strategic Plan and the Board priorities including:

- Developing and implementing new initiatives, strengthening current practices, and enhancing client relations through communication.

- Utilizing new and effective technologies to update office systems and programs to improve organizational effectiveness. The Office is working to implement a web-based electronic case management platform, to include system integration where possible for the Workers' Compensation and Dependency Divisions, and to enhance its data center co-location network security.
- Managing resources more effectively by promoting prudent fiscal policies and practices and exploring innovative methods to ensure fiscal stability. For instance, the Office continues to ensure that its risk management practices are aligned with the rest of the County for telework and hoteling workplace programs, and has enhanced its current ergonomic and wellness awareness programs to better manage risks associated with employee safety.
- Assessing, enhancing, implementing, and monitoring the cybersecurity and privacy framework to better protect and preserve the privacy, confidentiality, integrity, and availability of the County's IT infrastructure. For example, County Counsel's Health Insurance Portability and Accountability Act (HIPAA) Privacy Security Officer and members of the legal staff participate in the HIPAA/Health Information Technology for Economic and Clinical Health Act Privacy and Security Committee to ensure departmental compliance.

Mission Statement

The District Attorney's Office (Office) is dedicated to protecting and serving our community and safeguarding the rights of crime victims and the accused alike through an unrelenting pursuit of justice. That pursuit of justice will ensure that not just the result but the process itself reflects the highest standards of fairness, impartiality, and integrity. The Office will seek to be a leader in bringing safety to our community while steadfastly upholding its legal and ethical obligations to each member of our community.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$5.7 million primarily due to curtailments, decreases in retirement costs, the removal of prior-year funding provided on a one-time basis for various programs and projects, and the expiration of various grants. This is partially offset by Board-approved increases in salaries and health insurance subsidies, a decrease in public safety sales tax (Proposition 172) revenues, and one-time funding for the Murder Resentencing Unit.

Critical/Strategic Planning Initiatives

The Department's 2025-26 strategic planning efforts are focused on the following areas:

- Promoting public safety by enforcing California law and seeking appropriate consequences for criminal conduct, including more meaningful punishment for violent or repeat offenders and, alternatively, community service, diversionary programs, and non-incarceration options in appropriate circumstances when a program would serve as an effective deterrent to the offender and enhance public safety;
- Engaging in thorough and individualized reviews of the facts and circumstances of each case to ensure fairness and greater consistency in the evaluation and prosecution of criminal matters;
- Re-establishing partnerships with law enforcement and federal and local prosecutorial agencies in collaborative pursuit both of expanded and more focused efforts to prosecute criminal activity;
- Aggressively prosecuting individuals involved in the sales and distribution of fentanyl and other hard drugs as well as those responsible for a fatality caused by furnishing fentanyl and other hard drugs;

- Exploring new opportunities to prosecute environmental crimes, targeting air, land, and water polluters, hate crimes, residential burglaries, organized retail theft, and repeat petty theft and quality of life crimes;
- Reviewing reports of police misconduct and of public corruption fairly, objectively, and responsibly, and vigorously prosecuting provable cases involving violations of law and breaches of public trust;
- Working closely with local law enforcement agencies, organizations that provide support to people experiencing homelessness, and substance abuse and mental health professionals to divert individuals experiencing homelessness arrested for drug possession offenses into treatment facilities;
- Accompanying victims and survivors of victims to parole hearings, and expressing the position of the Office at parole hearings for inmates serving life sentences after reviewing case files and prison records;
- Providing continued support and accessibility to victims of crime while they await results of a filed criminal case, including assisting victims with restitution and related issues at and before case disposition;
- Promoting a more effective, supportive, and sensitive means of reviewing and prosecuting cases involving vulnerable victims, particularly victims of sex crimes, domestic violence offenses, and elder abuse;
- Meeting regularly with office-sponsored advisory boards to discuss and respond to issues of concern to minority and other communities in the County;
- Promoting programs to reach 5th graders as well as middle school and high school students and parents to educate them on the criminal justice system; and
- Promoting programs to provide those in jails and prisons with skill sets while in custody and jobs upon release to drastically lower recidivism rates.

Net Program Costs	228,720,000	730,000	96,741,000	131,249,000	867.0

Authority: Mandated program with discretionary service level – Government Code Section 26500 – 26502.

Represents the People of the State of California in all general felony prosecutions, as well as in all misdemeanor prosecutions where there is no city prosecutor. The program consists of 11 branch offices, nine area offices, and all central trial courts.

2. Special Prosecution

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	183,388,000	3,953,000	72,950,000	106,485,000	673.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	183,388,000	3,953,000	72,950,000	106,485,000	673.0

Authority: Mandated program with discretionary service level – Government Code Section 26500 – 26502.

Represents the People of the State of California countywide by prosecuting all felony cases and misdemeanor cases in areas of the County without a city prosecutor. In addition, the District Attorney's Office represents the People by participating in collaborative courts, including diversionary courts such as the Office of Diversion and Re-entry and other specialty courts (e.g., Women's Re-Entry Court, Veteran's Court, etc.). District Attorney personnel also handle cases in which the criminal proceedings have been suspended. District Attorney personnel staff 11 branch offices, nine area offices, and offices located at the Clara Shortridge Foltz Criminal Justice Center and Los Angeles County Mental Health Court in Hollywood. The District Attorney's Office also supports an in-house, countywide pre-filing diversion program which utilizes hearing officers to conduct office hearings in lieu of criminal prosecution.

3. Administration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	48,846,000	501,000	27,499,000	20,846,000	261.0

Net Program Costs	48,846,000	501,000	27,499,000	20,846,000	261.0

Authority: Non-mandated, discretionary program, except for Charter Executive positions.

Administration provides overall administrative support to the Department including interagency collaboration, budget preparation and management, accounting, IT, contracts, human resources, procurement, and facilities management.

4. Community Prosecution

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	12,415,000	--	6,329,000	6,086,000	59.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	12,415,000	--	6,329,000	6,086,000	59.0

Authority: Non-mandated, discretionary programs.

Community prosecution includes a number of programs including, but not limited to, the Restorative Enhanced Diversion for Youth (REDY) program and Code Enforcement Unit. The REDY program provides diversion, community-based support, and restorative justice interventions for youth ages 12-17 who would otherwise face prosecution in the juvenile justice system. The multiagency Code Enforcement Unit, active since 2005, has made it possible for County inspectors to gain entry into previously inaccessible properties, thereby allowing inspectors to issue citations and/or refer cases to the District Attorney's Office for investigation, remediation and/or prosecution.

5. Prosecution Support

Net Program Costs	51,286,000	2,000	25,028,000	26,256,000	252.0

Authority: Prosecution support services are non-mandated, discretionary services except for Charter Executive positions. The Victim Witness Assistance Program (VWAP) is authorized by Penal Code Section 13835.

Prosecution support encompasses several programs including, but not limited to, VWAP, Trial Support, and Post-Conviction Review and Litigation. The VWAP mission is to alleviate the trauma and devastating effects of crime on the lives of victims and their families. Victim and witness advocates guide victims through the court process; help victims receive restitution; provide crisis intervention and emergency assistance; offer referrals to counseling and community services including follow-up; provide additional assistance when members are located at numerous sites throughout the County; and assist crime victims and their families as closely as possible to their home. Post-Conviction and Discovery encompasses the Resentencing Unit, the Extradition Unit, and the Discovery Compliance Unit which houses the Discovery Compliance System and is responsible for complying with Public Records Act requests submitted pursuant to SB 1421 and SB 16.

Mission Statement

The Economic Development budget unit was established pursuant to an October 20, 2015, Board motion to provide funding for economic development initiatives within the County, including those jointly administered by the Department of Economic Opportunity (DEO) and the Los Angeles County Development Authority (LACDA).

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$18.8 million due to the removal of prior-year funding that was provided on a one-time basis for various economic development initiatives and the department's share of the countywide NCC reduction.

Critical/Strategic Planning Initiatives

Program goals focus on job creation, small business support, neighborhood revitalization, and other economic development priorities.

Mission Statement

The Department of Economic Opportunity (DEO) creates quality jobs, helps small businesses and high-road employers start and grow, and builds vibrant local communities and spaces. The Department's vision is for an equitable economy with thriving local communities, inclusive and sustainable growth, and opportunity and mobility for all.

2025-26 Budget Message

The 2025-26 Recommended Budget for Administration reflects an NCC decrease of \$11.9 million primarily due to the removal of prior-year funding that was provided on a one-time basis and the Department's share of the countywide NCC reduction. This is partially offset by increases in Board-approved salaries and health insurance subsidies, as well as retiree health insurance costs.

Critical/Strategic Planning Initiatives

- Advance the Department's programmatic and administrative infrastructure ensuring effective, efficient, equitable, and compliant delivery of current and planned initiatives, and obligations that optimize economic and workforce alignment within the County government and economic impact in the region.
- Bolster economic and workforce policies, programs, services, and resources that yield diverse talent and supplier pipelines for County and in-demand jobs, permits, and contracts through leadership and partnership with County departments and external organizations.

PROMOTION**Mission Statement**

The Department of Economic Opportunity's Assistance budget unit provides funding for contract services that create quality jobs, help small businesses and high-road employers start and grow, and build vibrant local communities and spaces. The Department's vision is for an equitable economy with thriving local communities, inclusive and sustainable growth, and opportunity and mobility for all.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a net appropriation decrease of \$20.1 million primarily due to the removal of prior-year funding that was provided on a one-time basis, partially offset by an increase in funding to support the Youth@Work (Y@W) and Contractor Development and Bonding (CDAB) programs.

Mission Statement

The Electronic Permitting and Inspections for the County of Los Angeles (EPIC-LA) budget supports the development, maintenance, and continuous improvement of the EPIC-LA system by aligning multiple department operations as a single line of business to streamline and enhance land development, permitting, licensing, and inspection processes within the County. This initiative aims to improve efficiency, reduce processing times, and increase transparency for both residents

and businesses through automation, accessibility, efficiency, data management and customer service.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects no changes in NCC. The adjustments made reflect increases for operational costs fully offset by revenues generated by the permitting entities.

Mission Statement

The Extraordinary Maintenance budget unit reflects appropriations for major maintenance of County facilities and assets, including legally required building alterations, unanticipated emergency repairs, disaster-related repairs that are not funded by the Federal Emergency Management Agency, and high-priority building maintenance activities that exceed the resources available to County departments.

2025-26 Budget Message

The County's infrastructure requires ongoing investment to meet continuous performance requirements. The 2025-26 Recommended Budget appropriates \$48.4 million for critical repairs, including heating, ventilating and air conditioning (HVAC), elevators, fire safety, roof repairs, and other maintenance needs throughout the County.

Critical/Strategic Planning Initiatives

The investments in rehabilitation of County facilities funded by the Extraordinary Maintenance budget unit support the goals of the Strategic Asset Management (SAM) Plan, primarily through the Facility Reinvestment Program. The Facility Reinvestment Program aims to recommend and implement the highest priority projects to sustain and/or rehabilitate County-owned facilities. It is supported by the SAM system, which considers condition, attributes, and functions of County-owned buildings to systematically prioritize the most critical deferred maintenance needs countywide. The Recommended Budget supports the following SAM Plan goals:

- Optimize assets to their highest and best use;
- Establish stronger connections between service priorities and asset decisions; and
- Create an enterprise-wide understanding of asset needs and priorities.

2025-26 Budget Message

Financing Elements reflect those financing sources and uses not included in the departmental or nondepartmental budget summaries.

The 2025-26 Recommended Budget reflects the following financing sources and uses:

Financing Sources

For budget planning purposes, the CEO considers total financing sources as the net total of fund balance available (i.e., the difference between prior-year County revenues and expenditures), use of obligated fund balance, and property tax revenues. Any decrease in fund balance available from the budgeted amount will require expenditure reductions or the identification of additional financing.

The recommended fund balance of \$3,381.2 million is comprised of \$613.8 million from General Fund operations for various countywide programs and projects, and \$2,767.4 million of unused prior-year funds carried over from FY 2024-25 for the following:

- \$1,266.9 million of Capital Projects funds for the completion of various projects and refurbishment needs;

- \$997.4 million of Provisional Financing Uses funds for the Departments of Auditor-Controller, Children and Family Services, Health Services, Public Health, and Sheriff, as well as various countywide programs;
- \$284.0 million of Care First and Community Investment funds for various alternatives to incarceration programs;
- \$138.2 million of Board of Supervisors funds for various community programs;
- \$58.9 million of Project and Facility Development funds for consultant and specialized services related to projects that are under development, as well as improvements to County facilities;
- \$19.0 million of Extraordinary Maintenance funds for major repairs and maintenance of County facilities and assets; and
- \$3.0 million of Board Initiatives and Programs funds primarily for American Rescue Plan Act-funded programs.

Obligated fund balance of \$132.6 million is decreased for the following:

- \$102.0 million for Interim Housing bed rate increases;

- \$15.4 million to upgrade the Los Angeles County Enterprise System (LACES) financial and human resources software applications;
- \$12.7 million for various affordable housing programs; and
- \$2.5 million of Health Services Tobacco Settlement funds to support the Department of Public Health's response to sexually transmitted infections.

Property tax revenues reflect a net increase of \$234.7 million. This includes an increase of \$217.4 million due to a projected 3.0 percent increase in assessed valuation; an increase of \$16.4 million in property tax residual revenue based on current trends; and a net decrease of \$0.9 million in one-time revenue from the repayment of Community Redevelopment deferral agreements. Property tax revenues also include in-lieu vehicle license fee revenue as part of the State's Local Government Agreement (2004 Budget Act).

The recommended property tax revenue changes are comprised of the following:

- \$234.3 million increase in the Regular Roll; and
- \$0.4 million increase in the Supplemental Roll.

Financing Uses

Financing uses are the total needs requiring financing for the fiscal year. The 2025-26 Recommended Budget financing uses include \$40.1 million in appropriations for contingencies as outlined in the revised Board Policy 4.030 - Budget Policies and Priorities, approved on September 30, 2014, and May 5, 2022.

Provision for obligated fund balance may be nonspendable, restricted, committed, or assigned for specific needs including future legal or contractual obligations. The obligated fund balance of \$15.2 million is committed for Alternatives to Incarceration (\$14.5 million) and continued development of Youth Justice Reimagined (\$0.7 million).

FIRE DEPARTMENT	PUBLIC PROTECTION					
	FIRE PROTECTION					

Mission Statement

To protect lives, the environment, and property by providing prompt, skillful, and cost-effective fire protection and life safety services.

2025-26 Budget Message

The Fire Department provides 24-hour emergency services to over four million people living and working in 59 of the County's 88 cities, the unincorporated areas, and the City of La Habra in neighboring Orange County, which accounts for over one million housing units. The Department's vast 2,311

square mile jurisdiction also includes 159 lifeguard towers spanning 72 miles of coastline to protect millions of beach visitors annually. The Department is one of the largest emergency service organizations in the country and enjoys a world-renowned reputation for its adeptness and innovation in managing large-scale wildfires, earthquakes, and other natural as well as man-made disasters in Southern California.

The Department, as a Special District, is funded independent of the County General Fund, and relies primarily on property taxes and a special tax approved by voters in 1997 to provide essential fire protection and emergency medical services.

The 2025-26 Recommended Budget primarily reflects funding for cost increases in salaries and employee benefits, retirement, retiree health insurance, emergency services, and departmentwide operations. The budget also reflects the removal of prior-year funding that was provided on a one-time basis for various expenses.

Critical/Strategic Planning Initiatives

The Department will focus on the following priorities from its strategic plan goals:

- **Emergency Operations** - Enhance public safety by focusing on the training and well-being of the Department's first responders. The Department will provide training on implicit bias awareness, cultural competency, and cultural inclusivity to ensure that first responders are familiar with the County's diverse population and workforce. The Department remains committed to providing behavioral health support services for all departmental personnel.

- **Public Services** - Support community resilience by implementing environmental initiatives, catastrophic preparedness, and public education programs. The Department continues to invest in its emergency communications infrastructure including subscribing to the Los Angeles Regional Interoperable Communications System (LA-RICS) Authority for use of the Land Mobile Radio system.
- **Organizational Effectiveness** - The future of tomorrow's Fire Department will be built on maintaining accountability from an efficient organization of strong and capable staff who use advancements in technology to provide superior service to the public. The Department will assess its long-term infrastructure needs related to privacy and access, facilities, IT, and communication systems, and conduct trend analysis on injury, illness, and vehicle accidents to determine appropriate mitigations to reduce organizational risks.

2025-26 Recommended Budget	1,697,962,000	1,697,962,000	4,837.0

Critical and Unmet Needs

The Department is requesting \$2.1 million for 10.0 positions to enhance the Department's permitting, inspection, and enforcement processes for the EPIC-LA system in response to a Board motion adopted on June 6, 2023.

Additional funding is also needed to hire and train additional firefighters and paramedics; reclass and upgrade various departmental positions; and maintain, update, and replace emergency response infrastructure, including upgrade or replacement of aging firefighter safety equipment, vehicles, facilities, life-saving rescue tools, and emergency communications technology. The Department will also explore potential ongoing revenue streams and operational changes to help meet future needs.

Mission Statement

The Fire Department - Lifeguards budget unit provides funding for lifeguard services at County-operated beaches, which is the financial responsibility of the County and is subsidized by the General Fund. The budget unit contains appropriation to facilitate the transfer of funding to the Fire Department Special District's operating budget, which includes a portion of all costs and budgeted positions for ocean lifeguard services.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$60,000 primarily due to Board-approved increases in salaries and health insurance subsidies, as well as increases for retiree health insurance costs and the Junior Lifeguard Program. This is partially offset by the budget unit's share of the countywide NCC reduction, a decrease in retirement costs, and the deletion of funding that was provided on a one-time basis for various programs and projects.

Critical/Strategic Planning Initiatives

The 2025-26 Recommended Budget supports the Fire Department's strategic plan efforts as it relates to lifeguard operations.

Mission Statement

The Los Angeles County Civil Grand Jury investigates and reports on the operations, accounts, and records of County departments, cities, and any special legislative district or other district in the County created pursuant to State law, for which the officers of the County are serving in their capacity as officers of the districts pursuant to Article 1, Section 23, among other sections, of the California Constitution.

The Criminal Grand Jury makes inquiries into public offenses committed or triable within the County and presents them to the Court by indictment. The Criminal Grand Jury also conducts investigations brought to them by the District Attorney's Office.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an increase in NCC of \$29,000 due to increases in retirement and retiree health insurance costs, as well as ongoing funding for daily stipend increases for Civil and Criminal Grand Jurors, which was initially funded with one-time resources.

Critical/Strategic Planning Initiatives

The Grand Jury continues to:

- Increase recruitment of Civil Grand Jurors to better represent the diverse population of the County;
- Safeguard valuable Grand Jury original records and develop long-term storage solutions; and
- Plan for a third Grand Jury to be used for Criminal Grand Jury matters when needed.

Critical and Unmet Needs

The Grand Jury's critical and unmet needs include additional staffing for recruitment and administrative workloads, as well as funding for potential increases in salaries and employee benefits due to a classification and compensation study that is currently being conducted.

Senate Bill 796 added Section 904.8 to the Penal Code which authorized a second Criminal Grand Jury. If and when impaneled, it will require additional funding estimated at \$0.9 million for staffing, grand juror expenses, office space, and infrastructure.

Mission Statement

On March 21, 2023, the Board dedicated Grand Park in honor of former County Supervisor Gloria Molina by renaming it to Gloria Molina Grand Park (Park). The mission of the Park is to provide a central gathering place for County residents and visitors as well as to protect and expand green and open space for public use.

Critical/Strategic Planning Initiatives

Consistent with the County's vision to improve the quality of life in the County, the Park exists to serve the people of Los Angeles by providing an open space for casual sitting, leisurely strolling, and civic gatherings. The Park serves the community by providing space for community groups, neighbors, schoolchildren, and sponsored performance events.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$0.2 million for Park programming and operational costs, partially offset by an adjustment to remove prior-year funding that was provided on a one-time basis for programming and operations.

Mission Statement

The mission of the Department of Health Services (DHS) is to advance the health of its patients and communities by providing extraordinary care.

The Department provides vital inpatient acute care services in four hospitals, and outpatient services at two regional outpatient centers, six comprehensive health centers (CHC), 13 health centers (HC), and two community clinics. The Department works in close collaboration with other County departments, such as Mental Health, Public Health, Probation, Children and Family Services, and Sheriff, to provide targeted, coordinated services to fragile residents with specific needs in their communities. The Department also manages emergency medical services for the entire County, and trains over 1,800 physician residents annually.

The Department ensures that the medically indigent have appropriate access to health care in their communities. DHS serves as a provider, contractor, and coordinator of health care services that are effective, efficient, and comprehensive. It addresses patients' cultural, linguistic, and special needs no matter their financial or resident status. The Department is a partner with the private sector, other County departments, and affiliated educational institutions in training health professionals and delivering quality health care services to the community.

2025-26 Budget Message

The 2025-26 Recommended Budget is funded with available resources and reflects the minimum maintenance of effort (MOE) required by law (\$367.6 million and vehicle license fees (VLF) realignment revenue of \$297.7 million), plus an additional \$647.3 million in County funding. The additional County funding is comprised of \$592.3 million from the General Fund and \$55.0 million in Tobacco Settlement funds. The Recommended Budget also reflects \$32.8 million in County resources allocated to the Department of Public Social Services (DPSS) for the In-Home Supportive Services (IHSS) Provider Health Care Plan.

The Recommended Budget reflects an NCC decrease of \$169.5 million, primarily due to the removal of prior-year funding that was provided on a one-time basis for homelessness programs. These decreases are partially offset by increases for salaries and employee benefits, Integrated Correctional Health Services (ICHS) recruitment incentives, and a one percent increase in the MOE related to AB 85, which governs the Affordable Care Act (ACA) implementation in California.

The Recommended Budget also reflects \$242.7 million in Measure B Special Tax revenue, of which \$207.1 million is allocated for County hospital emergency and trauma care costs. Another \$39.6 million is allocated for services related to trauma centers and emergency medical services overseen by the Health Services Administration – Emergency Medical Services (EMS) unit.

The Recommended Budget also includes additional positions, partially offset with position reductions, to expand staffing in various areas, such as physician services, data analytics, psychiatry, gender-affirming care, and diversion programs.

Critical/Strategic Planning Initiatives

The Department is continuing to move towards its vision of being recognized nationally as a model integrated health system. To achieve that, it is focused on transforming its system and services to provide cost-effective care for patients across the continuum of care by optimizing clinical quality and patient experience, developing a high-performing workforce, and ensuring its financial viability in support of this vision.

The Board approved the integration of correctional health services on June 9, 2015, to enhance the quality and delivery of healthcare to individuals in County custody facilities. The Integrated Correctional Health Services (ICHS) oversees the development and delivery of integrated medical, mental health, and substance use disorder treatment services to individuals in custody facilities. ICHS ensures that this vulnerable population's healthcare treatment continues upon re-entry into the community by arranging comprehensive transition services that will be provided by County departments and community-based organizations.

Authority: Non-mandated, discretionary program.

Psychiatric acute care is a provision of care to adult, adolescent, and child patients with mental illnesses or disorders. The services can also be provided for mental illnesses requiring isolation or a locked unit. These services are staffed with specially trained personnel and contain monitoring and specialized support equipment for patients who, as a result of shock, trauma, or threatening conditions, require intensified, comprehensive observation and care. The program also includes emergency treatment to the mentally ill requiring immediate care on an unscheduled basis provided in the psychiatric emergency room. Activities include, but are not limited to, assisting psychiatrists in emergency procedures, comforting patients, maintaining aseptic conditions, and monitoring vital life signs.

Authority: Mandated program – California Welfare and Institutions Code Section 17000.

Clinic-based outpatient services (including ancillaries, etc.) are provided by CHCs, HCs, and Multi-Service Ambulatory Care Centers (MACCs). State law and case law mandate that the County ensures the availability of health services that alleviate pain, treat infection, maintain basic function and adequate nutrition, and provide care for conditions posing serious health risks for individuals without health insurance or financial resources. Operating the CHCs, HCs, and MACCs is one way the County has chosen to fulfill its obligation to deliver these services.

13. Emergency Medical Services (EMS)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	42,414,000	2,209,000	24,670,000	15,535,000	210.0

Net Program Costs	544,680,000	3,320,000	34,106,000	507,254,000	2,366.0

Authority: Mandated program, with discretionary service level – California Penal Code Section 4000.

ICHS is the result of the Board-approved integration of health and mental health services provided in the County's correctional system into a single, consolidated correctional health services unit within DHS. The integration involved the transfer of existing correctional health staff from the Department of Mental Health and the Sheriff Department's Medical Services Bureau to DHS. ICHS allows DHS to collaborate with the Sheriff Department's custody personnel to implement a number of enhancements, such as coordinated primary care and preventive care; improved workflows and clinical processes; access to care and discharge/re-entry planning; enhanced jail mental health services; emphasis on substance use services; and improvement opportunities for recruitment, retention, and training of jail health staff.

16. Anti-Racism, Diversity, and Inclusion (ARDI) Initiative

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	374,625,000	36,037,000	276,593,000	61,995,000	180.0

Authority: Non-mandated, discretionary program.

The Office of Diversion and Re-Entry (ODR) was created by the Board in September 2015. Its mission is to develop and implement countywide criminal justice diversion for persons with mental illness and/or substance use disorders who encounter the justice system. The establishment of ODR is part of the Board's commitment to a Care First, Jails Last vision, and the Board's desire to embed justice reform priorities and strategies across the County's infrastructure.

18. Homeless Housing and Medical Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	653,525,000	178,793,000	467,323,000	7,409,000	338.0

Net Program Costs	653,525,000	178,793,000	467,323,000	7,409,000	338.0

Authority: Non-mandated, discretionary program.

Housing for Health (HFH) was established in 2012 by the Board as a division within DHS to provide supportive housing to patients with complex medical and behavioral health issues who experience homelessness. HFH currently provides a full continuum of services to clients, from street outreach to interim housing to permanent housing, with case management, benefits advocacy, and clinical services layered across all service categories.

19. Administration (including Fiscal Services, General Services, and Patient Care Services)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Authority: Non-mandated, discretionary program.

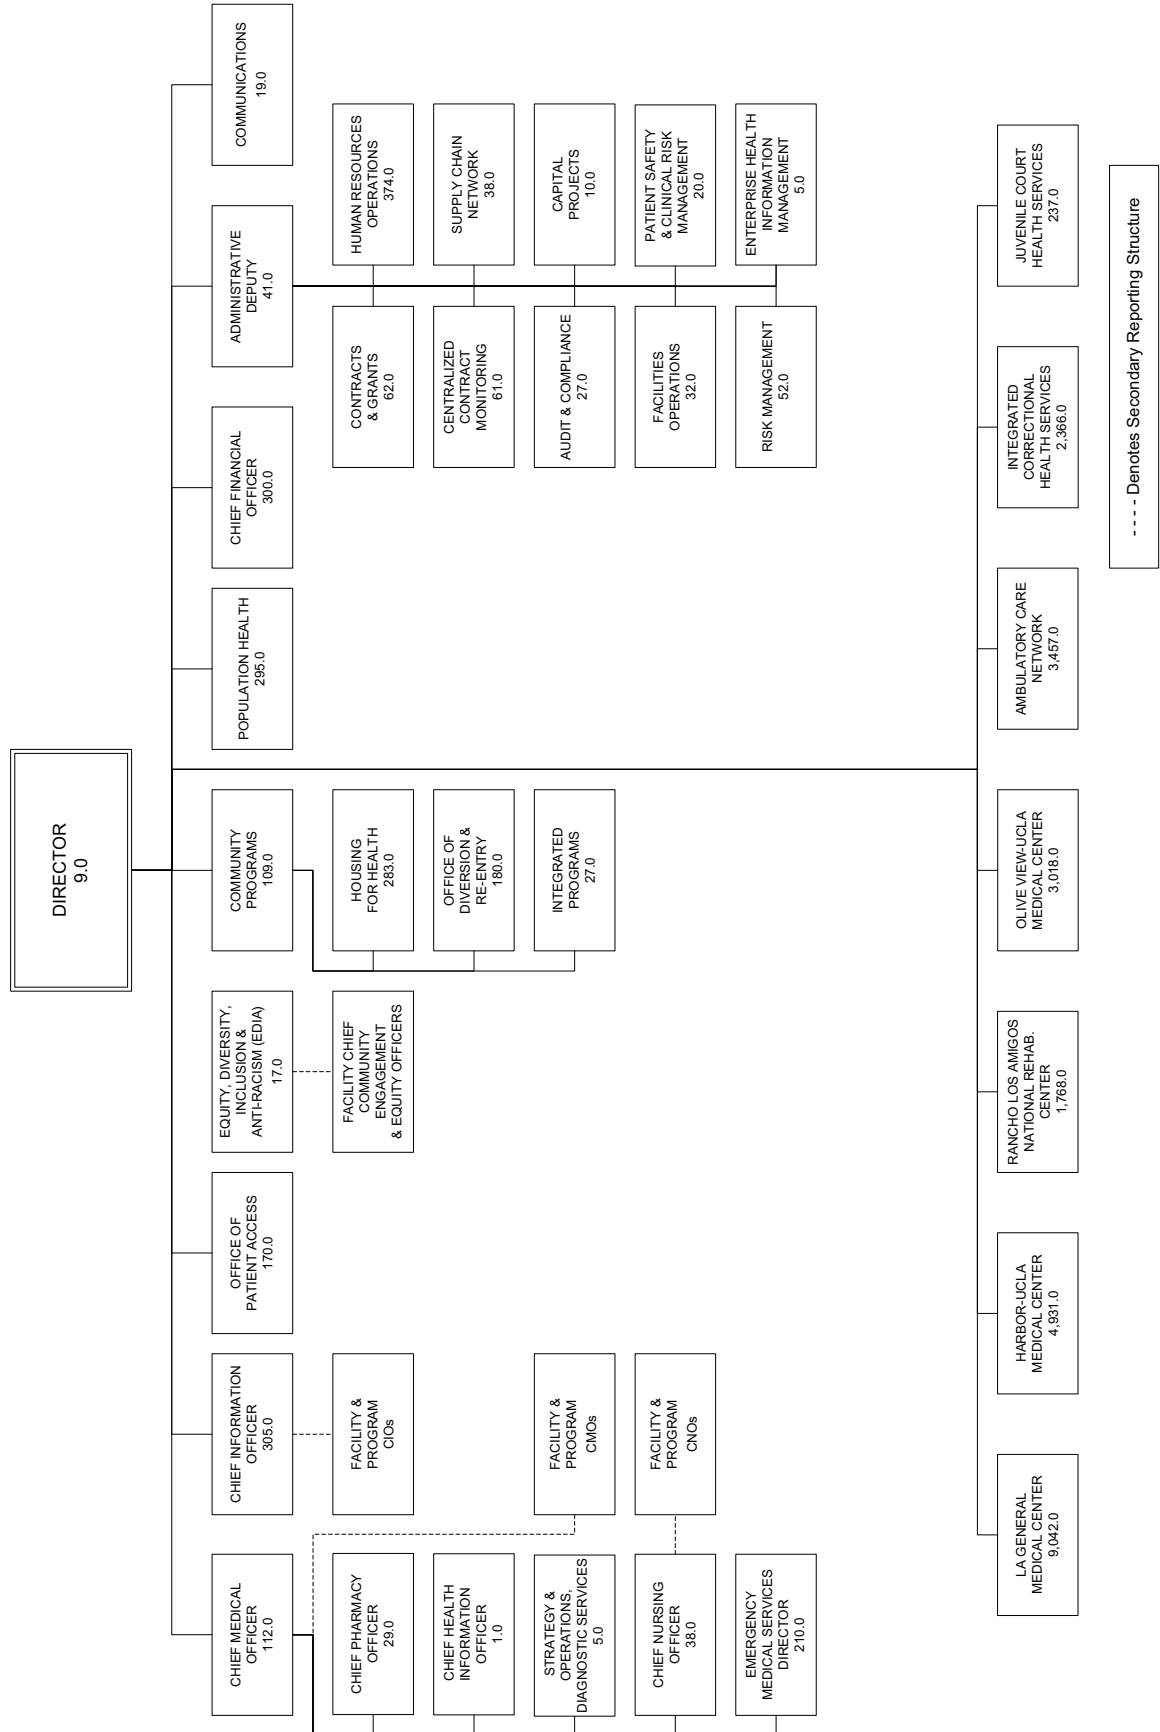

Administration includes the Administrative Program, General Services, Patient Care Services, and DHS' non-operating budget units (Contributions to Hospital Enterprise Funds, DHS Enterprise Fund, and Health Services - Realignment).

Administration provides administrative support and executive oversight to the operations of the Department. This program includes the executive office, departmental budgeting, accounting, personnel and payroll, procurement and strategic planning, admitting, registration, hospital administration, employee health services, community health services, auxiliary group, medical library, medical records, medical staff administration, nursing administration, nursing float personnel, nursing in-service education, utilization management, and other unassigned costs such as depreciation and amortization, leases and rentals, malpractice insurance, other insurance, interest, and non-payroll related employee benefits. In addition, it includes intergovernmental relations, communications, and various other administrative functions with departmentwide impact.

General Services are the non-patient care support services needed to operate a hospital. Included under General Services are kitchen, dietary, laundry and linen, social work, housekeeping, security, grounds maintenance, plant operations, plant maintenance, communications, and data processing.

Mission Statement

The Homeless and Housing Program budget unit provides funding to support the Homeless Initiative (HI). The mission of the HI is to oversee, coordinate, and ensure the implementation of the County's framework to end homelessness (Framework), as directed by the Board on May 3, 2022, to prevent and address homelessness, while acting as the County's central point of contact for all ongoing efforts related to homelessness. The goal of the Framework is to better serve people at risk of or experiencing homelessness and to increase placements into permanent housing. The Framework is divided into five categories of action:

- Coordinate – create a coordinated system that links critical infrastructure and drives best practices;
- Prevent – provide targeted prevention services to avoid entry or a return to homelessness;
- Connect – link and navigate everyone to an exit pathway;
- House – rapidly rehouse using temporary and permanent housing; and
- Stabilize – scale services critical to rehousing and stabilization success.

The Framework also focuses on three key partners:

- Mainstream Government Systems – maximize capacity in areas such as healthcare and social services systems, to serve as the first and largest safety net for people who are vulnerable, especially those with housing insecurity.
- Rehousing System – ensure the County's system remains one of last resort, focused primarily, but not exclusively, on helping people who have been persistently underserved and those with the most complex challenges who require ongoing, focused, and resource-heavy intervention to help them get off the streets and into housing.
- Partnerships with Cities – forge stronger partnerships by pooling resources or co-investing with cities to develop more permanent housing and by coordinating with cities when encampments are being decommissioned to provide pathways to housing and services.

2025-26 Budget Message

The 2025-26 Recommended Budget provides funding for the Framework, Board-directed homeless projects, and administration of various homeless programs and services.

Critical/Strategic Planning Initiatives

As a result of Board actions, the HI continues to:

- Manage the County's Homeless Emergency Declaration and direct the four missions: Encampment Resolution, Housing, Mental Health and Substance Use Disorder Services, and Eviction Prevention;
- Develop and implement innovative solutions to prevent and combat homelessness in partnership with County departments, Continuum of Care, local jurisdictions, service providers, and other stakeholders;
- Work with cities and the Councils of Governments to implement plans to prevent and combat homelessness; and
- Coordinate the prioritization of housing and related services for the most vulnerable people experiencing homelessness.

Mission Statement

Cultivate an innovative, healthy, and equitable work environment to attract, develop, and retain a talented, engaged, and diverse workforce where all employees can thrive, grow, and contribute in meaningful ways through public service.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$1.1 million primarily due to curtailments and the deletion of funding that was provided on a one-time basis for cybersecurity, a medical plan request for proposal, access to an online networking platform, executive professional development, and a laptop refresh. The decrease is partially offset by Board-approved increases in salaries and health insurance subsidies, as well as cost increases in retiree health insurance.

Critical/Strategic Planning Initiatives

The following key initiatives support the Board's priorities and the County and Department's strategic plans:

- Maintain a focus on emergency hiring and continue to transform the way we hire, support, develop, and retain the County's workforce.
- Maintain a strong commitment to justice, equity, diversity, and inclusion by reviewing and enhancing programs to ensure they support inclusivity for all individuals.
- Strengthen our workforce culture of continuous learning and growth by developing programs to bridge the gap between the skills and talents of our current workforce and evolving future needs.
- Continue to shape the workplace of the future by exploring new work models that promote productivity and flexibility.
- Use cutting edge technology to modernize and innovate human resources services by incorporating state-of-the-art technology and deploying artificial intelligence to automate and streamline business processes.
- Reshape and promote programs that impact the health and well-being of our employees and their families.

Mission Statement

The mission of the Independent Defense Counsel Office (IDCO) is to vigorously protect and defend the rights, liberties, and dignity of indigent clients for which the Public Defender and Alternate Public Defender are unable to represent due to conflicts of interest.

2025-26 Budget Message

IDCO is an independent, ethically walled-off division of the Public Defender's office. The 2025-26 Recommended Budget reflects an NCC decrease of \$0.2 million primarily due to the removal of prior-year funding that was provided on a one-time basis for IDCO start-up costs and the Department's share of the countywide NCC reduction. This is partially offset by Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

In 2025-26, IDCO will focus on the following priority areas:

- Continue to enhance the program's administrative processes, including application and onboarding for new panel attorneys, review and renewal of agreements with existing panel attorneys, and case assignments;
- Strengthen strategic relationships with justice stakeholders, including the Superior Court, other counsel offices within the State, professional legal associations, and local community groups;
- Invest in technology to advance business efficiencies, enhance data collection, analytics, and transparency;
- Provide robust support to the County's Community Assistance, Recovery, and Empowerment (CARE) Act partners and zealous advocacy to CARE Court clients; and
- Collaborate with and provide support to the Jail Closure Implementation Team in alignment with the Board's Care First, Jail Last strategic priority.

Mission Statement

The Internal Services Department (ISD) supports the County by providing in-house, contracted, and advisory services in the areas of purchasing, contracts, facilities, IT, energy and environmental programs, and other essential support services.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$18.0 million primarily due to adjustments to remove prior-year funding that was provided on a one-time basis for the e-Procurement System; electric vehicle (EV) infrastructure; the Los Angeles Regional Interoperable Communication System (LA-RICS); the Property Assessed Clean Energy (PACE) Administrative Support Program; consultants; diesel fuel tanks; emergency telecommunication trailers; parking lot equipment; various grants; and the American Rescue Plan Act (ARPA) for Delete the Divide Initiative (DDI) and Accelerating Digital Equity (ADE); as well as curtailments. These decreases are partially offset by increases for the PACE Administrative Support Program; Board-approved salaries and health insurance subsidies; and retiree health insurance.

Critical/Strategic Planning Initiatives

The ISD strategic plan for 2025-26 focuses on goals that will enhance the Department's ability to provide effective and cost efficient internal and external customer service, as well as take a leadership role in implementing the County's environmental policy and equity initiatives. This year's plan includes the following new or continuing strategic objectives:

- Centralized Contracting and Procurement Office – Continue efforts to address the County's most challenging contracting needs to ensure that inclusiveness, diversity, and economic development are fostered in contracting processes. Proposed strategies include: addressing equitable cost reimbursement, compensation, and other fiscal challenges that vendors, community-based organizations, and nonprofits face associated with County contracting; enhancing each department's ability to take a strategic and systematic approach when developing service solicitations and contracts; establishing a countywide contracting authority to provide oversight and standardization of the County's contracting process and ensure solicitations and contracts are developed pursuant to best practices and consistent countywide; and leading the work to create continuous, equitable, and efficient improvements to the County's contracting processes.

- e-Procurement System - Continue efforts to implement a new comprehensive web-based strategic sourcing and e-procurement system that will increase efficiency and reduce cycle times and transaction costs by streamlining, automating, and standardizing procurement processes.
- EV Infrastructure - Continue efforts to increase the number of EV charging stations at County facilities to supply County fleet, County employees, and the visiting public with critical charging infrastructure in compliance with the OurCounty sustainability plan and statewide transportation electrification goals.

Mission Statement

The Judgments and Damages/Insurance budget unit provides funding for payment of judgments and settlements of uninsured claims against the County, as well as attorney fees and other litigation costs. In addition, this budget reflects funding for service contracts and the purchase of insurance policies, when such policies are available at a reasonable cost or are required by law or agreement. The countywide privacy program and Health Insurance Portability Accountability Act (HIPAA) compliance program are also included in this budget to ensure protection of the County's information from unauthorized access, modification, misuse, or destruction.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects funding for anticipated judgments and/or settlements, attorney fees, litigation costs, service contracts, various commercial insurance policies, and the countywide privacy and HIPAA compliance programs. The budget also includes a central appropriation to fund large, unanticipated losses and losses of a countywide nature.

Mission Statement

The Justice, Care and Opportunities Department (JCOD) cultivates a person-centered, coordinated continuum of care for vulnerable justice-impacted individuals and their communities. By leading collaborative system improvement efforts, the Department focuses on prevention, diversion, and re-entry to achieve community safety, well-being, and equitable justice.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$19.3 million primarily due to curtailments and the removal of prior-year funding that was provided on a one-time basis for various programs and projects, as well as the Department's share of the countywide NCC reduction. This is partially offset by an increase in funding for retiree health insurance and Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

The JCOD strategic plan advances the Board's Care First vision while also supporting the County's Strategic Plan and Goals. JCOD is expanding its operations and working to reduce

County jail populations by supporting justice-involved individuals with programs and resources aimed to reduce recidivism and enable individuals to thrive in the community. The Department's focus is on growing existing programs and establishing new programmatic infrastructure that will allow the Department to meet the Board's directive to further establish the Independent Pretrial Services Agency. The Department's top priorities are the following:

- Expand the accessibility of pretrial services by directly managing interactions between JCOD and justice-involved individuals seeking to get connected to available health, legal, and social services.
- Increase the scope and availability of community services for justice-involved individuals by partnering with community-based organizations (CBO), small businesses, and other approved agencies.
- Expand housing availability through partnerships with CBOs to support justice-involved individuals reintegrating into the community.
- Augment and optimize data and technology capabilities to address current and future data needs, as well as facilitate comprehensive data collection and sharing, as appropriate, among community and internal and external stakeholders.

- Enhance communication and community engagement initiatives to inform and educate the community of current and forthcoming resources for justice-involved individuals through the External Affairs Bureau.
- Establish a cohesive framework across different functions and levels to streamline and optimize new and existing bureaus within the Department.

FUND
LA COUNTY LIBRARYFUNCTION
EDUCATIONACTIVITY
LIBRARY SERVICES**Mission Statement**

To provide a dynamic collection that meets the informational, cultural, and recreational needs of the County's large and diverse population.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$16.9 million decrease primarily due to the removal of prior-year funding that was provided on a one-time basis for various programs and projects, as well as the Department's share of the countywide NCC reduction. This decrease is partially offset by an increase in property tax revenues. The Recommended Budget also includes Board-approved increases in salaries and health insurance subsidies, as well as a cost increase in retiree health insurance.

Critical/Strategic Planning Initiatives

The LA County Library's new strategic plan provides a roadmap which positions the Library as a vital civic and cultural hub, a resource center for public information and services, and a place of learning and innovation to meet the needs of our diverse communities. With a forward-thinking vision for the 21st century, the Library strengthens its role as a cornerstone institution in the community by enhancing its national leadership in advocating for intellectual freedom, improving library services, reimagining library spaces, removing barriers to bridge societal and economic divides, and unlocking growth opportunities for our patrons. Ultimately, these efforts contribute to the success and vitality of our communities.

The budget supports the Board's priorities and initiatives to foster community well-being, regardless of socioeconomic status. It reflects the Library's commitment to strengthening library services through strategic pillars focused on prevention, diversion, literacy, and economic empowerment. Key initiatives include:

- Continuing partnership with health agencies to assist in combating the opioid overdose epidemic, particularly from the use of illicitly manufactured fentanyl through onsite access to the life-saving medication naloxone at all library locations.
- Developing programs that align with the County's Anti-Racism, Diversity, and Inclusion Initiative, and policies, procedures, and programs supporting justice, equity, diversity, and inclusion at the libraries.
- Continuing efforts to achieve fiscal sustainability by improving service models, exploring innovative options to achieve higher organizational efficiency with lower operating costs, and managing deferred maintenance and capital projects to allow for library locations to be renovated and ensure compliance with safety standards.
- Ensuring the safety and security of library patrons and staff by providing social services to unhoused individuals and those needing mental health support.
- Continuing creation of workforce programs, early childhood education, digital literacy, broadband initiatives, and investments in environmentally responsible technologies. This includes programs like *One Book, One County*, expanding tool lending, and providing digital cards for teens to access to the Library's extensive digital eBook and audiobook collection.

2025-26 Budget Message

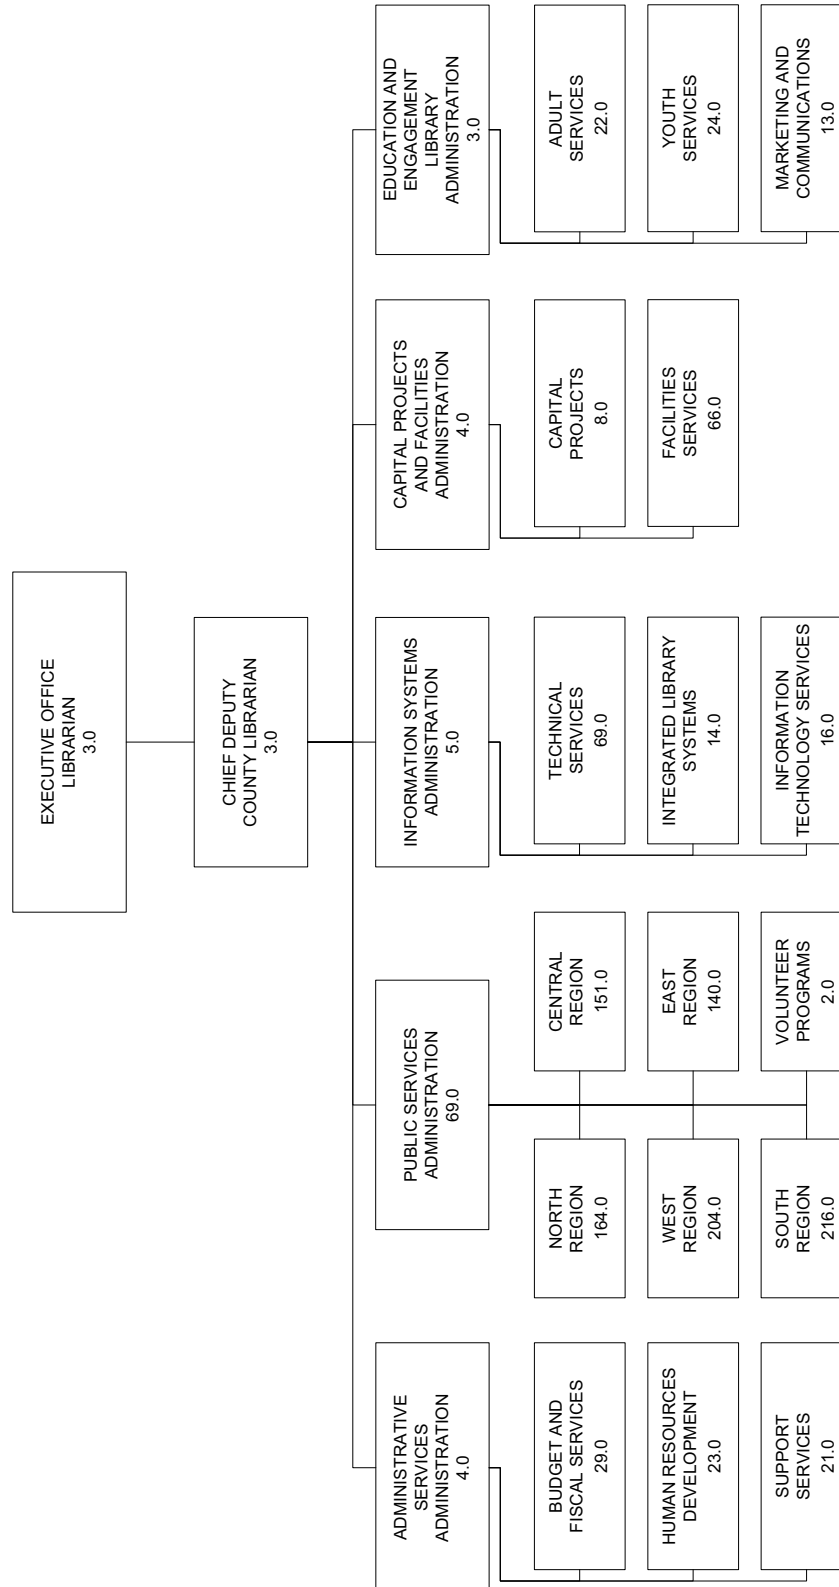

The LA County Library – General Fund Contribution budget unit accounts for the General Fund contribution provided to the Library. The Library is financed primarily by a dedicated share of property tax revenue from the areas served along with other revenues including a parcel tax, grants, and fees. The General Fund contribution is provided to augment these resources.

The 2025-26 Recommended Budget reflects ongoing annual support of \$44.1 million. These funds are appropriated in the Library budget as other financing sources and are used to offset the operating costs of libraries countywide.

Mission Statement

The Los Angeles County Capital Asset Leasing (LAC-CAL) Corporation was established as a non-profit corporation by the Board in 1983 to assist the County in the financing of its critical capital assets equipment needs. Equipment purchases are initially financed by LAC-CAL through the issuance of bond anticipation notes (BANs). Outstanding BANs are periodically redeemed through the issuance of intermediate-term tax-exempt bonds, certificates of participation, or third-party leases. The term of each bond issue or lease reflects the useful life of the financed equipment. The Corporation's outstanding bonds or leases are redeemed through semi-annual payments from the County.

2025-26 Budget Message

The 2025-26 Recommended Budget provides for the collection of lease payments due on LAC-CAL equipment leases from County departments and the transfer of such payments to the Corporation. Also reflected is the payment of insurance premiums and the distribution of these expenses to affected departments.

Mission Statement

The Department of Medical Examiner is mandated to provide independent, quality, death investigation using advanced forensic science with compassion and objectivity for families, communities, and public health and safety; working collaboratively to reduce preventable deaths.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a decrease in NCC of \$0.2 million primarily due to the removal of prior-year funding that was provided on a one-time basis as well as the Department's share of the countywide NCC reduction. This is partially offset by Board-approved increases in salaries and health insurance subsidies, funding to backfill the loss of revenue from permanently eliminating transportation and storage fees for all County residents, and the addition of 17.0 positions to achieve and maintain accreditation with the National Association of Medical Examiners (NAME).

Critical/Strategic Planning Initiatives

The Department has been proud to be a leader in death investigation and maintains the following accreditations: Institute of Medical Quality/California Medical Association, Accreditation Council for Graduate Medical Education, Peace Officer Standards and Training, American National Standards Institute National Accreditation Board, International Organization for Standardization, and provisional status with NAME.

Strategic planning efforts are focused on the following areas:

- Restoring full accreditation status by NAME. The NAME accreditation program is a national peer review system and is an endorsement indicating that the office provides an adequate working environment for medical examiners and reasonable assurances that the office serves its jurisdiction well. It is the objective of NAME that the application of these standards will materially aid in developing and maintaining high caliber medicolegal investigations of deaths for the communities and jurisdictions in which they operate.

- Refining operations to help improve service delivery to the public and focusing on various death prevention initiatives. The Department will also continue to develop its managers, supervisors, professional, and support staff through continued education and training, and collectively focus on quality, productivity, and risk management.
- Reviewing business processes to strengthen, streamline, and modernize operations. The Department is in the process of improving the capture and collection of critical performance metrics to assist management with its oversight and planning efforts. With the improvement of the Department's ability to capture and track critical investigative and demographic data, the Department will be able to share a higher quality and quantity of data and information and become a valuable resource to enable informed decision-making and reduce preventable deaths.
- Implementing a web-based laboratory information management system to replace the outdated legacy system to improve the efficiency of laboratory operations and information sharing resulting in case completion, as well as promote uniform reporting.

Provide 24/7 field investigator response to at-scene death investigations as well as conduct hospital death investigations throughout the County. Staff takes the initial and preliminary information regarding certain deaths that are reportable under State law and are investigated by the Department. The medicolegal death investigation is performed by sworn staff who interview witnesses, take photographs, collect evidence for use in criminal and civil matters, identify deceased persons, and notify the legal next of kin.

Provide essential forensic services for the Department. The toxicology laboratory analyzes post-mortem biological specimens for the presence of drugs and other poisons. These analyses are used by deputy medical examiners to help determine the cause and manner of death, and are also used by decedents' families, law enforcement, insurance companies, and the courts. Department criminalists are on call 24/7 to respond to crime scenes for physical evidence identification, collection, documentation, and preservation. Laboratory services also include gunshot residue testing for the Department and law enforcement agencies throughout California as well as tissue processing for microscopic evaluation by deputy medical examiners. The Laboratory is also responsible for maintaining all physical evidence on Medical Examiner cases in a manner that ensures its analytical integrity, and the chain of custody is documented from the time of collection to final disposition. Evidence control is based on departmental policies and procedures as well as guidelines set forth by American Society of Crime Laboratory Directors/Laboratory Accreditation Board whose accreditation the Department holds.

Mission Statement

The Department of Mental Health (DMH) envisions a County unified by a shared intention to help those suffering from mental illness to heal, grow, and flourish. The mission of DMH is to optimize the hope, well-being, and life trajectory of the County's most vulnerable through access to care and resources that promote not only independence and personal recovery but also connectedness and community reintegration.

2025-26 Budget Message

The 2025-26 Recommended Budget is funded with a combination of ongoing revenue and one-time funding available from prior fiscal years. The Recommended Budget reflects the minimum maintenance of effort required by law of \$22.3 million and vehicle license fees of \$44.6 million, as well as \$5.9 million in NCC overmatch for programs such as the public guardian, single adult model services, and re-entry and education services for clients leaving the justice system.

The Recommended Budget includes \$69.6 million in funding increases for a variety of important mental health services to vulnerable populations. Among the significant increases are the following: 1) additional staff and supportive services for new programs and/or continued implementation of various

programs, including Behavioral Health Services Act (BHSA) planning, housing programs, child and adolescent programs, alternative crisis response efforts, directly operated mental health clinics, and public guardian; 2) additional staff to enhance operational effectiveness and support various programs, including support for co-occurring disorders programs, transition age youth and child outpatient programs, health access, and IT; and 3) salaries and employee benefits changes. These funding increases are partially offset by the removal of \$32.8 million in prior-year funding that was provided on a one-time basis and the net deletion of \$22.0 million in funding for operating costs primarily due to services and supplies reductions related to budget right-sizing efforts.

Critical/Strategic Planning Initiatives

The Department continues to advance its mission, while contributing to the County's and the Board's broader vision for addressing key strategies that enable communities to flourish, including efforts around homelessness and crisis response. The Department's priorities for the coming years will primarily focus on managing the transformation of the behavioral health delivery system and corresponding budget as the Department currently faces daunting requirements to improve health access and program outcomes, implement new benefits, and

execute a variety of other mandated changes to mental health programs. With limited State guidance, all available resources are tasked with planning this complex transition; however, additional resources will be needed to ensure compliance with

new ongoing mandates and to respond to an increased need for services. As such, additional resources will be phased in over several budget cycles upon completion of the analysis and planning required to execute these changes.

Mission Statement

The Department of Military and Veterans Affairs fosters a community where every veteran, service member, and their families are honored and supported through advocacy, resources, and dedicated services.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a net NCC decrease of \$1.1 million primarily due to curtailments and the deletion of prior-year funding that was provided on a one-time basis for various programs; partially offset by funding for a new administrative support staff person and Board-approved increases in salaries and employee benefits.

Critical/Strategic Planning Initiatives

The Department continues to:

- Expand services to homeless veterans by pursuing additional resources, such as Measure H and Measure A funding, HomeKey+, and housing contracts with the Veterans Administration.
- Enhance support for justice-involved veterans by strengthening collaboration with other County departments,

justice agencies, and community partners to deliver targeted services and identify new funding opportunities for justice-involved veterans across the County.

- Prioritize suicide prevention by taking a leadership role in the Veteran Suicide Review Team, broadening efforts to address suicide prevention through increased resources, partnerships, and outreach.
- Strengthen partnerships with County departments, California Department of Veterans Affairs, and the Veterans Administration to better coordinate services, secure additional revenue sources, and extend reach to veterans and their families countywide.
- Work closely with the CEO's Legislative Affairs and Intergovernmental Relations Branch to advance legislative opportunities aligned with Board priorities and advise the CEO and the Board on constituent and commission priorities.
- Explore funding opportunities to build housing with a parking structure for Bob Hope Patriotic Hall.
- Work closely with the Department of Human Resources and Department of Economic Opportunity to fill critical County vacancies with qualified veterans and to address veteran employment by reaching hiring goals through partnerships with various military partners.

Critical and Unmet Needs

The Department's unmet needs include:

Funding for Homelessness: Funding to enhance capacity to end veteran homelessness through support staffing, housing navigation, transportation, and ensuring tailored support for veterans.

Justice-Involved Veterans Division: Funding to establish a division to support justice-involved veterans, streamline access to legal aid, benefits, and rehabilitation, reducing recidivism and aiding community reintegration.

Veteran Suicide Review Team (VSRT): Funding to enable the Department to lead suicide prevention and postvention initiatives, improve crisis intervention, data analysis, and mental health resource access.

Subsidized Housing for Veterans: Funding for integrated subsidized housing within the Bob Hope Patriotic Hall property that addresses veteran homelessness by providing stable housing and supportive services that facilitate successful reintegration into society.

Administrative Support: Additional investments in leadership, direct service staff, and shared service costs to enhance holistic support for veterans and their families.

Mission Statement

The Los Angeles County Museum of Art's (LACMA) mission is to serve the public through the collection, conservation, exhibition, and interpretation of significant works of art from a broad range of cultures and historical periods, and through the translation of these collections into meaningful educational, aesthetic, intellectual, and cultural experiences for the widest array of audiences.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$0.4 million pursuant to the 1994 operating agreement amended on May 20, 2008, partially offset by the removal of prior-year funding that was provided on a one-time basis.

The Recommended Budget supports the Museum's yearslong strategic planning and preparation efforts for the new Geffen Galleries, allowing LACMA to continue to expand its support for communities and families. A dynamic set of activations will celebrate the opening of the Geffen Galleries, welcoming the public to a museum rooted in openness, accessibility, and equity. LACMA's expanded Gallery Education program is visitor-centered and conversation-based, and will include tours for all K-12 school groups in the Geffen Galleries.

The Recommended Budget will continue to support a full exhibition schedule, including special installations highlighting Chinese fashion, the work of Bahamian artist Tavares Strachan and Egyptian artist Youssef Nabil, and the impact of European impressionists on artists and collectors in the United States. Additionally, a show illuminating the history and spread of Buddhism and Buddhist art across Asia will be on display next fiscal year. Several LACMA-organized exhibitions will continue to travel domestically and abroad, raising the Museum's image and prestige in the field, including *We Live in Painting: The Nature of Color in Mesoamerican Art* (Missouri) and *Blue Grass, Green Skies: American Impressionism and Realism from the Los Angeles County Museum of Art* (Colorado).

LACMA provides arts integration with core subjects to support California State Standards through two school partnership programs: Creative Classrooms and mobile programs (the Ancient World Mobile and the Maya Mobile). LACMA continues to partner with Charles White Elementary, where LACMA has a gallery that is free to the community during select hours. Additionally, LACMA's teacher programs continue to expand with increased digital materials and free virtual professional development courses for teachers.

LACMA continues its long tradition of being a welcoming and inclusive place for families with the NexGenLA Youth Membership, which celebrated its 20th anniversary in 2023 and now includes more than 500,000 active members. Special free family programming continues with Andell Family Sundays, while also continuing to produce videos and multiple blogs annually for digital access to all. The Boone Children's Gallery provides free programming on Saturdays as well as multiple pop-up programs such as drop-in art-making and a drawing cart. These programs are expected to grow with the anticipated opening of the Keck Education Center and its associated gallery in the new Geffen Galleries building.

Critical/Strategic Planning Initiatives

LACMA will continue implementation of its long-range strategic objectives to:

- Improve the quality and presentation of collections;
- Develop a stable and sustainable financial and organization plan;
- Attract and engage a broader audience through expanded international recognition of LACMA as a quality art institution, and continued commitment to educational programs and overall scholarship; and
- Improve the LACMA campus.

Mission Statement

The mission of the Natural History Museum (Museum) of Los Angeles County is to inspire wonder, discovery, and responsibility for our natural and cultural worlds.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$0.1 million pursuant to the 1994 operating agreement amended on October 8, 2024, partially offset by the removal of prior-year funding that was provided on a one-time basis. This public-private partnership enables the Museum to maintain educational and research programs and operations at the Natural History Museum located in Exposition Park, the George C. Page Museum at the La Brea Tar Pits located in Hancock Park, and the William S. Hart Museum in Newhall.

Critical/Strategic Planning Initiatives

The Museum continues to implement its strategic plan, which is consistent with the County's Strategic Plan. Through the strategic planning process, the Museum will identify and prioritize programs for funding in FY 2025-26 that will further its mission.

Mission Statement

The Performing Arts Center of Los Angeles County (PACLAC), a private nonprofit corporation, in partnership with the County, provides world class music, opera, theatre, dance, arts education programs, participatory arts, and community special events to the Southern California community and visitors. Each year, the Music Center (Center) welcomes visitors to tour its venues and attend performances by its four internationally-renowned performing arts companies. The Center provides leadership in arts learning in schools and the community by engaging people in the arts and advancing the quality and scope of arts education.

The County supports the Center through a budget that provides for the building and grounds maintenance, security, utilities, insurance, long-term lease costs, administrative support, and custodial and usher services.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$1.7 million primarily due to the minimum wage requirement by the City of Los Angeles; unavoidable cost increases for insurance, custodial services, building and grounds maintenance, and operations management; partially offset by the deletion of one-time funding. Consistent with established contractual obligations and demonstrating a commitment to maintaining public-private partnerships, the Recommended Budget includes funds to maintain and operate the facility as well as support for the Annual Holiday Celebration.

Critical/Strategic Planning Initiatives

Consistent with the County's vision to improve the quality of life of County residents, the Center serves the region by presenting the very best of the performing arts in its theaters and concert hall. The Center serves the community by providing access to the performing arts to families and children on the Center's campus and by providing educational services in the region's schools.

2025-26 Budget Message

Nondepartmental revenues are derived largely from revenue-generating activities not related to any specific County department.

The 2025-26 Recommended Budget reflects an increase of \$2.9 million due to projected increases in the collections of local sales and use tax (\$1.8 million), General County Overhead service charges (\$1.0 million), and rents and concessions which includes parking revenues (\$0.1 million).

Mission Statement

The Nondepartmental Special Accounts budget provides for General Fund expenditures and revenues that are not directly related to any single County department and, if included in any department's budget, would distort the true operating costs of that budget. The appropriation reflects charges for services of countywide benefit and for special contracts that are not related to any single department's main mission. Also included are interest expense and earnings associated with the Treasury Management Program.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$14.0 million primarily due to anticipated increases in countywide costs, partially offset by the removal of prior-year funding that was provided on a one-time basis for various County programs.

Mission Statement

To serve as stewards of parklands, build healthy and resilient communities, and advance social equity and cohesion.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$25.5 million primarily due to curtailments, the removal of funding that was provided on a one-time basis, and adjustments to rent charges, partially offset by funding for Board-approved increases in salaries and employee benefits, 39.0 positions to support aquatics programming, 31.0 positions to support staff safety, and the annualization of funding for new facilities. This budget reflects the Department's values and commitment to equity, its staff, the communities it serves, and its responsibility as stewards of the County's parks, open spaces, natural areas, wildlife sanctuaries, trails, lakes and its biodiversity.

Critical/Strategic Planning Initiatives

The Department is committed to supporting the County's Strategic Plan by continuing to support the wellness of its communities; pursuing operational effectiveness; engaging its customers, communities, and partners; and bringing parks and programs closer to residents and visitors through technology and new and revitalized park facilities.

Mission Statement

The Ford Theatres (Theatres) provide County residents and visitors access to exemplary arts and cultural experiences representative of multifaceted communities by presenting performances in the County's historic 1,190 seat outdoor amphitheater.

Board-approved lease agreement between the County and LAPA. The Department of Parks and Recreation has managed the Theatres budget since FY 2020-21.

Critical/Strategic Planning Initiatives

The Theatres are in the process of planning a full summer concert season at the John Anson Ford Amphitheatre. The budget request includes the resources needed to raise the visibility of the Theatres, presenting the most compelling, contemporary, and culturally specific performing arts from around the world that are reflective of the diverse, multi-cultural County community.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$0.1 million NCC increase for the anticipated payment to the Los Angeles Philharmonic Association (LAPA) for the ongoing operation and maintenance of the Theatres pursuant to the

Mission Statement

To promote and enhance public safety, ensure victims' rights, and facilitate positive change to enhance the well-being of adults and juveniles on probation.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$35.5 million primarily due to decreases in retirement costs, the removal of prior-year funding that was provided on a one-time basis for home-like improvements, grants, and cybersecurity, and the Department's share of the NCC reduction, partially offset by Board-approved increases in salaries and health insurance subsidies as well as an adjustment to the countywide cost allocation to comply with federal guidelines.

Critical/Strategic Planning Initiatives

The Probation Department has implemented a strategic plan to transform it from a custodial and supervision model to an evidence-based practices treatment and rehabilitation model. The Department continues to expand collaborative efforts,

build community capacity, and involve those with lived experiences with a focus on Care First, Jails Last. The strategic plan includes the following top priorities:

- Reduce in an equitable manner the size and scope of the youth justice system to improve both youth outcomes and public safety, emphasizing a nurturing community-centric home where they are connected to ongoing local support structures that develop each youth's skills so they can achieve their full potential;
- Partner with the community to transform and improve the operation and outcomes of the youth justice system to prioritize equity and accountability and recognize the need for healing-informed responses along the continuum of youth justice system involvement;
- Enhance critical operational administrative support services through improved utilization of technology-based data and metric systems, replacement of legacy systems, self-auditing, sustained quality improvement processes, and staff training;
- Continue delivery of Adult Coordinated Optimal Rehabilitative Efforts (CORE) and AB 109 service models that focus on enhancing community-based referral services including housing, health, and employment within the community;

- Adapt methods and technologies in support of bail reform initiatives to conduct equitable risk assessments;
- Enhance the protection of victims' rights and ensure they are treated with fairness, dignity, sensitivity, and respect; and
- Implement a continuum of services for youth and adults who are returning from Division of Juvenile Justice (DJJ) facilities back to the County, and for individuals who enter the justice system and may have been remanded by the courts to the DJJ but are now in Probation's care.

Net Program Costs	263,555,000	--	78,234,000	185,321,000	1,212.0

Authority: Mandated program – California Welfare and Institutions (W&I) Code Section 850 and SB 823.

The program operates one juvenile hall that provides temporary housing for youth due to an arrest or pending adjudication, and a secure youth treatment facility. Juvenile hall staff assess youth based on the risk they pose to the community, the need to remove them from the community, and their service needs. Those youth who pose a significant threat to the community are detained pending the court process. While in juvenile hall, youth receive physical health, mental health, and educational assessments, as well as required treatment. Youth also attend school and engage in recreational and social activities.

The Community Detention Program (CDP) provides intensive supervision for both adjudicated and pre-adjudicated youth. Under CDP guidelines, youth must comply with specific court-ordered terms as a condition of their community release, pursuant to Section 628.1 of the W&I Code. Youth are both electronically monitored and supervised by an assigned Deputy Probation Officer (DPO), who holds the youth accountable to a pre-approved schedule of sanctioned activities.

Net Program Costs	166,177,000	432,000	47,778,000	117,967,000	690.0

Authority: Non-mandated, discretionary program – California W&I Code Section 881.

The camp program aids in reducing the incidence and impact of crime in the community by providing effective life skills to each ward. The camps provide a valuable intermediate sanction alternative to youth on probation in the community. The program provides intensive intervention in a residential setting over an average stay of six months for youth committed by the juvenile court. Each youth receives mental health, health, educational, and family assessments that allow for treatment to be tailored to meet individual needs. The camps provide structured work experience, vocational training, education, specialized tutoring, athletic participation, and various kinds of social enrichment. The goal of the program is to reunify youth with family, reintegrate them into the community, and assist them in achieving a productive, crime-free life.

3. Juvenile Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	125,201,000	78,000	33,080,000	92,043,000	660.0

Net Program Costs	125,201,000	78,000	33,080,000	92,043,000	660.0

Authority: Mandated program with discretionary service level – California W&I Code Sections 206, 280, 602, 628.1, and 652-654.

The Camp Community Transition Program (CTCP) targets youth on probation transitioning from one of the Department's camps to the community. Many of these youths are gang-involved, drug and alcohol users, low academic performers, and have many risk factors across multiple behavior domains. CTCP uses goal-directed and multimodal intervention approaches that are family-focused. Behavior interventions are organized and designed to promote behavioral change in the probationer's home environment, emphasizing the systemic strengths of the family, peer group, school, and neighborhood to facilitate the desired behavioral change.

The School-Based Probation Supervision program is designed to provide direct supervision and services to probation youth attending identified school sites across the County to increase the chances of school success and promote campus and community safety. School-Based DPOs focus on assessment, case management, educational advocacy, mediation (youth, family, and school), mentoring, attendance and academic monitoring, and family support and engagement. They work closely with parents/guardians and school officials in monitoring school attendance, behavior, and school performance, as well as their probation terms. The program objective is to increase the opportunity for probation youth to achieve academic success, and to empower and support parents to become the primary change agent for their children.

4. Juvenile Suitable Placement

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	49,813,000	1,383,000	44,284,000	4,146,000	207.0

Net Program Costs	49,813,000	1,383,000	44,284,000	4,146,000	207.0

Authority: Mandated program with discretionary service level – California W&I Code Section 16516.

Suitable placement provides a dispositional option for the juvenile court for youth whose delinquent behavior may be explained by a contributory family environment and/or emotional or psychiatric problems. Most suitable placement youth are removed from their homes and placed in a safe environment (e.g., group home, psychiatric hospital, Dorothy Kirby Center) pending resolution of the youth's issues. DPOs work with the youth and the family to identify needed services and prepare case plans to assist them with accessing these services. Through monitoring the youth's progress, the DPO is able to determine what long-term living arrangement would be in the best interest of the youth. A permanency plan is developed and implemented to return the youth to a safe and stable environment, such as reunification with family, emancipation, placement in a relative/non-relative home, or long-term foster care.

Mission Statement

The Project and Facility Development (PFD) budget unit was established to reflect and account for appropriation necessary to fund specialized County services and consultant activities related to projects that are under development, as well as improvements to County facilities executed by other governmental agencies or jurisdictions pursuant to funding agreements approved by the Board.

The Recommended Budget also incorporates \$8.6 million in other charges to fund improvements to County and other public facilities executed by other agencies or jurisdictions; \$0.4 million in capital assets-equipment to fund the acquisition of trailers to mitigate operational impacts to recreation and public-oriented programs that are displaced during construction; and \$9.0 million in intrafund transfers and revenue primarily offset by the Master Planning on-call consulting services contract expenditures.

2025-26 Budget Message

The 2025-26 Recommended Budget appropriates \$64.7 million in services and supplies to fund consultant services that assess departmental space needs; develop master plans; provide technical, structural, and environmental impact studies; and assist in the development of facility programs and capital planning efforts.

Critical/Strategic Planning Initiatives

This budget provides a funding mechanism for departmental and countywide capital development and planning activities. The activities funded from this budget contribute to the multi-year planning efforts of departments, and the County as a whole, by ensuring that capital programs appropriately reflect operational and programmatic requirements and departmental strategic plans.

2025-26 Budget Message

The Provisional Financing Uses budget unit serves as a temporary budget for program funding that has yet to be allocated to a specific budget unit. Once funding needs have been determined, funds are transferred to the affected budget unit by Board order. The 2025-26 Recommended Budget reflects a net increase of \$388.7 million. The following is a description of each budget category change.

Children and Family Services

Reflects a net increase of \$16.9 million due to the set aside of funding for caseload and cost per case increases (\$21.9 million), partially offset by a reduction in prior-year carryover (\$5.0 million).

Health Services

Reflects a net decrease of \$9.1 million due to a reduction in prior-year carryover (\$27.8 million), partially offset by the set aside of funding for correctional health services costs (\$18.7 million).

Parks and Recreation

Reflects a decrease of \$1.3 million due to the transfer of this funding to the Department of Parks and Recreation for new facilities costs.

Public Social Services

Reflects an increase of \$6.0 million due to the set aside of funding for CalWORKs (\$1.1 million) and benefit replacement to address card skimming (\$4.9 million).

Sheriff

Reflects a decrease of \$18.7 million due to a reduction in prior-year carryover (\$16.9 million) and the transfer of funding for costs associated with the closed circuit television system and radio maintenance (\$1.8 million).

Various

Reflects a net increase of \$394.9 million primarily due to the set aside of funding for future budget uncertainties (\$402.3 million), governance reform related costs (\$10.0 million), electronic permitting and inspections (\$3.0 million), and judicial benefits (\$1.5 million). These increases are partially offset by a reduction in prior-year carryover (\$16.2 million), the transfer of funding to the Department of Medical Examiner for investigations, forensic services, and decedent transportation (\$3.6 million), and the Department of Economic Opportunity for the Youth@Work program (\$2.9 million).

Mission Statement

The Public Defender (PD) provides constitutionally mandated legal representation to defend the liberty interests of the indigent accused, to protect their rights and to advocate for clients' access to community-based resources to facilitate their transition to being productive members of the community. By 2025, the department's mission is to measurably reduce the incarceration of indigent people and the collateral consequences of contact with the criminal justice system for clients and their families in the County.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$13.7 million primarily due to the removal of prior-year funding that was provided on a one-time basis for various projects and the department's share of the countywide NCC reduction, partially offset by an increase in funding for IT services, an attorney position, retiree health insurance, and Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

The Department's strategic planning efforts focus on Board priorities, including Care First, Jails Last; Alternatives to Incarceration; Homeless Initiative; Anti-Racism, Diversity, and Inclusion Initiative; as well as improving operations and efficiencies through innovation and the Department's Strategic Plan. To carry out the Board's and Department's strategic priorities, the Department is focused on the following priority areas:

- Increase attorney, paralegal and social worker positions to manage workloads effectively, ensure clients receive quality representation and expand client access to assessments and evaluations to prioritize diversion and community-based treatment over incarceration.
- Enhance data collection, analytics and reporting capabilities of the Client Case Management System and other technology business tools.

Mission Statement

The mission of the Department of Public Health (DPH) is to protect health, prevent disease and injury, and promote health and well-being for everyone in the County.

2025-26 Budget Message

DPH continues to primarily focus on efficient and responsive public health services to all who live in, work in, and visit the County. The 2025-26 Recommended Budget provides for total gross appropriation funding of \$1.9 billion, which includes NCC of \$253.9 million, as well as support from grants, fees, and revenue. Overall, this reflects an NCC decrease of \$44.7 million primarily due to the deletion of one-time funding from the American Rescue Plan Act (ARPA).

Notable changes include:

- Addition of 24.0 positions and \$154.9 million to enhance the Substance Abuse Prevention and Control program to support DPH's programmatic and operational needs in clinical services, program enhancement, and financial management.
- Addition of 8.0 positions and \$4.5 million to support various public health programs primarily in health facilities inspections, and chronic disease and injury prevention.
- Removal of prior-year funding which primarily consisted of \$35.5 million in one-time ARPA funding and \$17.5 million from expired COVID-19 grant funding.

Critical/Strategic Planning Initiatives

The Recommended Budget continues to support DPH in fully leveraging resources that align with key initiatives in the County Strategic Plan as well as various Board-Directed Priorities. This includes co-location and integration of services with the departments of Mental Health and Health Services;

reducing public exposure to environmental hazards; expanding programming to prevent and treat substance use disorders and sexually transmitted infections; preventing violence and addressing trauma; eliminating homelessness; and mitigating climate change.

The Division and its five programs (Acute Communicable Disease Control, Tuberculosis Control, Immunization, Veterinary Public Health, and Public Health Laboratory) work to reduce the risk factors for contracting or transmitting communicable diseases and communicable disease burdens, when preventable, for all persons and animals in the County. This is done in partnership with other programs within the Department, other County and city agencies, residents, organizations, communities, and health care providers. This is accomplished through promotion of healthy behaviors; surveillance of diseases and risk factors; early detection and screening; state-of-the-art laboratory services; effective preventive public health, personal health, and animal health services; work with health care providers, hospitals, and treatment centers to implement appropriate procedures and guidelines for treatment and prevention of communicable diseases; and communicable disease investigations and control measures in humans and animals.

Also includes non-mandated, discretionary programs.

Health Protection and Promotion is a cluster of Public Health programs that protect the population of the County from environmental hazards, prevent chronic disease, promote healthy lifestyles, and maximize maternal, child, and adolescent health.

The Environmental Health Division is a regulatory agency that performs mandated services including, but not limited to, inspections or investigations related to food, housing, ocean water, drinking water, lead exposure, vector management, radiation control, and solid waste management. State and local health and safety codes provide the Division authority to carry out regulatory activities to protect public health and safety. The Division also performs non-mandated services such as initiatives related to climate change, water adequacy, and community toxic risk reduction.

The Community Health Services Division, which includes public health nurses, coordinates and carries out field investigations, surveillance activities, and where needed, clinical treatment of populations with communicable disease. In addition, it coordinates community level outreach and education activities with local community stakeholders and governmental agencies within service planning areas.

3. Substance Abuse Prevention and Control (SAPC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	709,909,000	25,563,000	679,914,000	4,432,000	620.0

Net Program Costs	709,909,000	25,563,000	679,914,000	4,432,000	620.0

Authority: Non-mandated, discretionary program.

SAPC is responsible for managing the full spectrum of substance use disorder (SUD) treatment and recovery services, as well as prevention activities for all County residents. It administers and utilizes funding from the federal Substance Abuse and Mental Health Services Administration (SAMHSA), the California Department of Health Care Services (DHCS), and other County departments. Under the recently implemented Drug Medi-Cal Organized Delivery System, SAPC also serves as the County's specialty Medicaid managed care plan and is responsible for ensuring that the all Medi-Cal beneficiaries who need SUD treatment and recovery services have timely access to these services. SAPC currently contracts with 79 community-based agencies at 250 locations. Additionally, SAPC serves the needs of specific populations such as individuals experiencing homelessness, adolescents, as well as those in the criminal justice and child and family welfare systems. SAPC monitors, audits, and provides evidence-based training for these programs to ensure compliance with federal, State, County, and local requirements.

Net Program Costs	199,587,000	27,733,000	142,615,000	29,239,000	980.0

Authority: California Children's Services (CCS): Mandated program – California Welfare and Institutions Code and the California Code of Regulations Title 22, Section 51013. California Health and Safety Code Section 123800 et seq. Health Care Program for Children in Foster Care (HCPFC): California Welfare and Institutions Code Section 16501.3 (a) through (e).

CMS administers two programs: CCS and Child Welfare Public Health Nursing (CWPHN) comprised of the General Program and HCPFC.

CCS provides defined medically necessary benefits to individuals 21 years of age or younger with physically disabling conditions who meet medical, financial, and residential eligibility requirements of the program. CCS also provides administrative case management in the coordination of care and benefits for families and children with special health care needs, and physical and occupational therapy through its Medical Therapy Program where there is no financial eligibility requirement.

HCPFC provides public health nurse expertise in meeting the medical, dental, mental, and developmental needs of children and youth in foster care. Program nurses are located in the offices of the departments of Children and Family Services and Probation.

5. Division of HIV and STD Programs (DHSP)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	109,655,000	--	90,604,000	19,051,000	224.0

Authority: Non-mandated, discretionary program.

DHSP is responsible for coordinating the overall response to HIV and STD infections in the County, including disease surveillance, field investigation, prevention and treatment programming, and monitoring and evaluating the quality of services related to HIV and STDs in the County.

As the designated official administrative agency to prevent and control the spread of HIV and STD infections, DHSP utilizes epidemiologic and surveillance systems, coordinated care and treatment services, and public, private, and community partnerships to develop and implement evidence-based programs and policies that promote health equity and maximize health outcomes in the County. As the grantee and administrator of funding from Health Resources and Services Administration (HRSA), Centers for Disease Control and Prevention (CDC), and SAMHSA, DHSP is uniquely positioned to manage the full spectrum of HIV prevention, care, and treatment services in the County. In addition to surveillance, field investigation, direct programming, and research and evaluation, DHSP utilizes over 200 contracts with a network of nearly 100 community-based organizations and 10 County entities, in an effort to maximize access to HIV services.

Mission Statement

Together, we connect individuals and families to social services that promote lasting economic mobility and well-being.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a decrease of \$161.1 million in appropriation and a decrease of \$126.9 million in State and federal revenues, resulting in an NCC decrease of \$34.2 million. The NCC decrease is primarily due to the removal of prior-year funding that was provided on a one-time basis and the Department's share of the countywide NCC reduction. This is partially offset with Board-approved increases in salaries and health insurance subsidies, and the countywide cost allocation adjustment for rent charges.

Critical/Strategic Planning Initiatives

The Department continues its efforts to enhance operational effectiveness with the goal of achieving service delivery excellence and advancing business processes departmentwide through the following measures:

- Enhancing the County's prevention infrastructure by identifying departmental strategies that can be leveraged to support the three population level outcomes selected by the Prevention and Promotion Services Governing Committee: homeless and housing for transition-aged youth and older adults, child welfare and family well-being for families with

young children (aged 0-5), and behavioral health for youth and young adults (aged 11-24).

- Improving support for victims of trafficking and other violence by maximizing connection opportunities to available benefits and resources that aid in the achievement of self-sufficiency and family stabilization through employee training, increased partnerships with County and community organizations, and the use of media to disseminate information about services.
- Intensifying hiring strategies by increasing the number of underrepresented applicants through the implementation of various recruitment, marketing, and outreach strategies and leveraging social media to ensure all workforce generations have access to job announcements to ensure the employment of qualified staff that can deliver vital services to all County residents in over 19 different languages.
- Enhancing and expanding outreach efforts by developing an annual report on demographic gaps and program access of departmental services for the CalFresh (CF) and the California Work Opportunity and Responsibility to Kids (CalWORKs) programs which will summarize and present heat maps, identifying gaps across the County and aid in the development of comprehensive outreach strategies to increase utilization of services in underserved areas.
- Enhancing safety for customers and employees by automating the Department's security incident reporting system to provide data and reports used to assess the Department's security needs, investing in additional security, improving public lobbies, and continuing to upgrade and expand our closed-circuit television security solution at our offices.

Critical and Unmet Needs

Funding for the programs that the Department administers depends largely on State and federal subvention. The Department's critical and unmet needs are focused on addressing a greater need for staffing and funding for operational costs based on increased service needs. The Department is also focused on costs associated with the CalFresh Employment and Training restructure and the START program which will provide essential services to General Relief recipients to eliminate barriers to economic self-sufficiency.

FUND
GENERAL FUNDFUNCTION
PUBLIC ASSISTANCEACTIVITY
OTHER ASSISTANCE**Mission Statement**

The Public Social Services Assistance budget funds mandated and discretionary public assistance and social services programs which are financed with federal, State, and County funds. These programs include: California Work Opportunity and Responsibility to Kids (CalWORKs); Indigent Aid General Relief (GR); General Relief Anti-Homelessness (GRAH); In-Home Supportive Services (IHSS); Cash Assistance Program for Immigrants (CAPI); Refugee Resettlement Program/Refugee Cash Assistance (RCA); Refugee Employment Program (REP); Community Services Block Grant (CSBG); and Work Incentive Nutritional Supplement (WINS).

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC increase of \$53.7 million primarily due to the four percent IHSS Maintenance of Effort (MOE) inflator, and an increase in the GR caseload, partially offset by adjustments to remove prior-year funding that was provided on a one-time basis.

GENERAL FUNDFUNCTION
GENERALACTIVITY
OTHER GENERAL**Mission Statement**

Public Works is committed to its mission to plan, design, build, and maintain modern infrastructure that uplifts all communities of Los Angeles County. Services include planning, engineering, design, construction, project management, operation and/or maintenance of roads, highways, bridges, flood control facilities, water conservation programs, sanitary sewers, water distribution systems, airports, facility capital projects, and regulatory programs such as hazardous and solid waste, land development, and other activities for the County and contract cities. Specific to County communities, the mission is to build and maintain modern infrastructure through promotion of safe building construction, orderly land development, and maintenance of clean and secure properties. Specific to County Improvement Studies, the mission is to provide assistance via a statutory process that allows private property owners in County unincorporated areas to construct capital infrastructure to County standards and transfer these improvements to the County for operation and maintenance. In addition, Public Works administers the County's Unincorporated Area (UA) Stormwater and Urban Runoff Quality Program and provides graffiti abatement, crossing guard services, landslide mitigation, and unincorporated area services in the form of Community Enhancement Teams (CET) in order to enhance the quality of life for residents in the community.

2025-26 Budget Message

The majority of services provided through the Public Works General Fund are required by federal, State, and local mandates and are funded by fees for services. Crossing guard, landslide mitigation, graffiti abatement, pre-County improvement district studies, property rehabilitation and nuisance abatement, and unincorporated area services programs continue to rely on County funding.

The 2025-26 Recommended Budget reflects a \$12.3 million NCC decrease primarily attributable to the removal of prior-year funding provided on a one-time basis for UA stormwater and road projects, consultant services for equitable earthquake resilience project, and other services. The decrease is partially offset by increases in Board-approved salaries and retiree health insurance subsidies.

Critical/Strategic Planning Initiatives

- To maximize public safety and reduce energy consumption, ongoing training is provided to employees to promote technical growth. Specialized training is provided in mandated subjects such as the California Construction and Energy Codes to ensure a higher standard of compliance.
- The Public Works General Fund budget unit relies on NCC to fund various activities within Public Works. Public Works projects the available NCC from the previous year to determine the funding level required for the activities in the coming year and will adjust each activity accordingly so that the NCC does not exceed the adjusted allowance approved by the Board.

- Public Works' strategic plan integrates and aligns the department's business outcomes with the strategies and goals of the County and the priorities of the Board. It frames communication and decision-making processes across all business programs. Business plans are utilized to facilitate the implementation of the strategic plan. The plans define key strategies for accomplishing the business's outcome, actions and milestones; resource allocations including funding and staffing needs; and performance measurements. Program,

financial, and staffing plans are used to facilitate budgeting. Program plans strategically establish management objectives. Financial plans project revenue sources and financing requirements for each operating fund and set preliminary budget allocations for programs. Staffing plans are then developed based on operational needs. This is a structured approach to planning and budgeting for Public Works' programs and services.

Mission Statement

Public Works is committed to its mission to plan, design, build, and maintain modern infrastructure that uplifts all communities of Los Angeles County, especially for communities most exposed to pollution and vulnerable to climate change. The Los Angeles County Flood Control District's (LACFCD) mission is to provide flood protection services that incorporate an integrated water resource management approach; increase local water availability through conservation efforts; improve the water quality of rivers, lakes, and streams; provide water resiliency; and provide passive recreational opportunities.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a net decrease of \$128.8 million primarily due to reductions in fund balance available, partially offset with the cancellation of obligated fund balance, increases in property taxes and Other Financing Sources and State revenues.

The primary sources of revenue for the LACFCD are property taxes, benefit assessments, and a special parcel tax (Measure W). Measure W is a 2.5 cents per square foot parcel tax on impermeable surface area that was approved by two-thirds of the voters on November 6, 2018. This special parcel tax will finance the Safe Clean Water Program that allocates funding for the implementation and administration of projects, programs, and activities to increase stormwater capture and reduce stormwater and urban runoff pollution. The objectives of the LACFCD are outlined within the Flood Control Act, which mandates the LACFCD to carry out flood protection and water conservation programs. These objectives include keeping the existing flood protection system in a safe and effective condition to respond to emergencies, perform maintenance and repair, conserve water, improve water quality, increase drought preparedness, improve public health, and invest in infrastructure that provides multiple benefits.

PUBLIC WORKS - ROAD FUNDFUNCTION
PUBLIC WAYS AND FACILITIESACTIVITY
PUBLIC WAYS**Mission Statement**

Public Works is committed to its mission to plan, design, build, and maintain modern infrastructure that uplifts all communities of Los Angeles County. Specific to the Transportation Core Service Area, the Road Fund is used for roadway, bicycle, pedestrian, public transit, and disaster related projects, with the mission to provide safe, clean, efficient transportation choices and rights of way, to enhance mobility and quality of life. The Road Fund provides for the operation, maintenance, safety, repair, and improvements of unincorporated area municipal streets and highways; multimodal transportation improvements; and the installation, operation, and maintenance of traffic signals. The Road Fund is also used to provide public works services to cities and agencies, which are entirely reimbursed by the respective agencies, with the mission to provide quality and efficient public works services through effective interagency collaboration.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a net decrease of \$51.3 million primarily due to decreases in fund balance available, operating transfers in - Measure H, other charges for services, interest and sales tax revenues; partially offset by an increase in federal revenue.

The 2025-26 budgeted revenue for the State - Highway Users Tax Account (gas tax) is approximately \$340.5 million and reflects no change as projected by the California State Association of Counties.

Mission Statement

Public Works is committed to its mission to plan, design, build, and maintain modern infrastructure that uplifts all communities of Los Angeles County. Public Works services include planning, engineering, design, construction, project management, operation and/or maintenance of roads, highways, bridges, flood control facilities, water conservation programs, sanitary sewers, water distribution systems, airports, facility capital projects, and regulatory programs, such as hazardous and solid waste, land development, and other activities for the County and contract cities.

2025-26 Budget Message

The Internal Service Fund is designed to facilitate billings for services provided between the multiple funds that finance Public Works operations and those rendered to other County departments. The fund also pays for Public Works salaries and employee benefits, materials and supplies, and equipment charges, which recovers the appropriate amounts from each special fund or from other County departments.

The 2025-26 Recommended Budget reflects a \$6.9 million increase primarily due to Board-approved increases in salaries and health insurance subsidies, as well as retiree health insurance, services and supplies to align the budget to anticipated costs, and capital project management services. These increases are partially offset by decreases in retirement costs and capital assets-equipment purchases. The budget also reflects the addition of 1.0 Civil Engineer position that is fully funded by the Sheriff's Department for its Parking Enforcement program.

Flood Control

Authority: Mandated program - California Water Code, Uncodified Acts, Act 4463.

Maintain, operate, and augment the countywide Flood Control District (FCD) system by capital construction to achieve the intended result.

Stormwater and Urban Runoff Quality

Authority: Mandated program - Federal Clean Water Act and California Water Code, Uncodified Acts, Act 4463.

Comply with the stormwater quality permit issued under the Clean Water Act by, among other things, sweeping streets, installing water quality improvement devices, implementing good housekeeping procedures at departmental field facilities, and conducting public outreach.

Integrated Water Resource Planning

Authority: Mandated program - California Water Code, Uncodified Acts, Act 4463.

Develop watershed multi-use studies, watershed management plans, river master plans, and project concepts through collaborative stakeholder processes that provide multiple benefits including, but not limited to, flood protection, water conservation, aesthetic enhancement, preservation of natural resources, and water quality enhancement.

Water Conservation

Authority: Mandated program - California Water Code, Uncodified Acts, Act 4463.

Construct, operate, and maintain water conservation facilities within the FCD.

Safe Clean Water

Authority: Mandated program - Los Angeles County Flood Control District Code, Chapter 16.

Fund stormwater projects and programs to increase local water supply, improve water quality, enhance communities, protect public health and coastal waters, promote water resilience and sustainability, modernize water infrastructure, and prepare for the effects of climate change.

Mission Statement

Regional Planning is committed to its mission to plan and help shape the development of safe, healthy, equitable, and sustainable communities while respecting individual rights and protecting the natural environment through excellent public service provided in County unincorporated areas.

2025-26 Budget Message

The 2025-26 Recommended Budget provides resources for our core mission activities including public counseling at seven field offices, case processing, community planning and outreach, conditional use permit inspections, and zoning enforcement. It provides support to the Regional Planning Commission, Hearing Officer, and other advisory committees such as the Environmental Review Board and the Significant Ecological Areas Technical Advisory Committee. In addition, it will continue to support specifically-funded programs including the South Bay Area Plan, Westside Area Plan, East San Gabriel Area Plan and Environmental Impact Report (EIR), San Fernando Valley Area Plan, Green Zones Program, Florence-Firestone Transit Oriented District Specific Plan, and the Climate Action Plan.

The 2025-26 Recommended Budget reflects a \$2.3 million NCC decrease primarily due to the removal of prior-year funding that was provided on a one-time basis, partially offset by increases in retiree health insurance, as well as Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

- Address racial inequities found in past and current planning and land use practices by building new systems and policies that center equity;
- Make the County a safer, better place to live by proactively addressing climate change, housing crises, and other emergent challenges related to environmental justice;
- Earn a reputation as a community resource and trusted ally, partnering to design plans and policies that work for communities;
- Foster a work environment for all staff that promotes equitable professional development and personal growth while building a diverse staff that reflects the County's population; and
- Increase financial stability by expanding funding opportunities to support the Department's planning and activities.

Implement zoning regulations adopted by the County pursuant to State and federal legislation. Zoning regulations are the mechanism by which the County's General Plan is implemented and are embodied in Title 22 of the County Code. Zoning of land and development standards constitute the County's use of its governing authority to ensure the proper distribution of land uses for the protection of the public's health, safety, and welfare. Due to their unique characteristics, certain land uses require discretionary permitting that is acquired through the filing of various types of zoning and planning applications. These discretionary actions include changes to the General Plan and zoning, and implementation of subdivision regulations adopted by the County pursuant to State and federal legislation. Subdivision regulations are embodied in Title 21 of the County Code and regulate compliance with the Subdivision Map Act, including the creation of lots or units for sale, lease or financing purposes.

Enforce the Zoning Code (Title 22) in County unincorporated communities, eliminating blight and improving the quality of life. Code enforcement is accomplished by conducting complaint-based code inspections and enforcing land use and development zoning regulations in the County unincorporated areas in accordance with County and State regulations and statutes. Zoning enforcement staff respond to zoning complaints and address code violations including conducting discretionary permit condition checks, implementing, monitoring and enforcing Mitigation Monitoring and Reporting Programs, referring unresolved code violations to the District Attorney and County Counsel, using noncompliance fees and administrative fines to encourage compliance, participating in multi-agency teams such as Nuisance Abatement Teams, and public outreach and education efforts.

Mission Statement

Serving the County by providing essential records management and election services in a fair, accessible, and transparent manner.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$33.0 million, primarily due to the removal of prior-year funding that was provided on a one-time basis for the Voting Solutions for All People (VSAP) program, the Election Management System (EMS), the Ballot Processing Center (BPC), IT services, and cybersecurity, as well as the Department's share of the countywide NCC reduction. The decrease is partially offset by one-time funding for the VSAP election system model, Board-approved increases in salaries and health insurance subsidies, as well as cost increases in retirement and retiree health insurance. The Recommended Budget also includes 1.0 position to support the VSAP Ballot Layout System, fully offset by a reduction in services and supplies.

Critical/Strategic Planning Initiatives

The Department's strategic plan initiatives support continued efforts to implement automated and enhanced processes to improve public services and employee workforce performance for elections, voter registration, and recorder services. As such, the Department will:

- Continue implementation of the State-mandated program for restrictive covenant modifications.
- Continue to improve departmental document repository storage, retention, security, archiving, and business continuity support through the implementation of cloud-based solutions.
- Enhance election worker training using online and virtual platforms.
- Continue efforts to enhance, upgrade, and optimize the VSAP application infrastructure through further development, knowledge transfer, dedicated environment support, and the development of disaster recovery strategies to strengthen the security and integrity of the systems and still provide optimum performance and availability.

- Update Vote By Mail (VBM) technology, facilities, contracts, and procedures to optimally address a voting model where all voters automatically receive a VBM ballot for each election conducted by the County.
- Enhance, process, and implement solutions to improve the candidate filing processes, including the electronic submission, presentation of candidate statements, and campaign financing.
- Continue to refine, expand, and stabilize vote center facility recruitment through improved and increased oversight of staff duties that involve evaluation of all possible locations, recruitment, and completion of comprehensive site surveys to ensure American with Disabilities Act accessibility and compliance.
- Strengthen the Department's cybersecurity posture by implementing third-party penetration testing and protecting systems against ransomware.
- Enhance language support for non-English speaking and limited English proficient voters through inclusion and equity practices, including stipends for multilingual student and community election workers, and AI-based solutions.
- Expand vote center database through comprehensive analysis of potential sites and implement enhancements to the County Employee Election Worker Program including innovative learning modules, online curriculum, and virtual training.
- Refine the County Employee Election Worker Program to maximize participation and ensure a stable workforce for all countywide elections.

Authority: Mandated program with discretionary service level – United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and County Charter Article IV, Section 14.

Fulfills the legal role of the Registrar-Recorder/County Clerk (RR/CC) as the principal election officer by conducting federal, State, local, and special elections. Functions include election program planning and development, precincting, ballot preparation, signature verification, VBM (Vote By Mail), tally and canvass, election worker services, and candidate services. Through these functions, the program provides voters with convenient access to election information; verifies signatures on initiative, referendum, candidate nominations, petitions, absentee, and provisional ballots; mails and processes VBM requests; tallies and canvasses ballots within legal deadlines; issues appropriate legal documents to candidates and provides instructions on how to access candidate information; trains election workers; and distributes voting instructions and materials at each vote center.

Authority: Mandated program with discretionary service level – United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and County Charter Article IV, Section 14.

Fulfills the legal role of the RR/CC as the principal voter registration official by promoting voter registration; maintaining voter registration files; providing public access to registration records for the County; and verifying petition, nomination, and VBM signatures. This program ensures that eligible County residents have access to information and locations to obtain voter registration materials; educates voters, including those with specific needs, about registration and the voting process; and fosters partnerships with advocacy and community-based organizations to maximize resources and disseminate election process information. This program oversees various committees such as the Community Voter Outreach Committee and other action-oriented subcommittees; analyzes precinct statistical data including demographic data; and recruits and establishes permanent voter outreach distribution sites.

Mission Statement

The Rent Expense budget unit provides centralized financing of real property, lease payments, annual obligations for long-term debt financing of capital construction projects, and other costs necessary to facilitate real property management. All federally allowable lease and debt service costs are financed from departmental operating budgets of the benefiting departments, with some exceptions such as the Los Angeles County Museum of Art East Campus Building Replacement.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$17.7 million decrease in NCC primarily due to the removal of prior-year funding that was provided on a one-time basis, and an increase in billable depreciation to comply with federal Office of Management and Budget claiming guidelines (2 CFR Part 200). This is partially offset by an increase in debt service and operating costs.

POLICE PROTECTION**Mission Statement**

State law charges the Sheriff with the responsibility of being the chief law enforcement officer of the County. The Sheriff enforces State laws and County ordinances in the unincorporated area, which covers 77 percent of the total square miles within the County, and is responsible for maintaining law and order in all cities within the County. The Sheriff provides general law enforcement and traffic services through contracts with 42 cities, the Los Angeles Superior Court, Southern California Regional Rail Authority (Metrolink), Los Angeles County Metropolitan Transportation Authority (Metro), and community college districts. In addition, the Sheriff provides placement, secure housing, and care for a daily average population of approximately 13,000 pre-sentenced and sentenced individuals in County jail at seven custody facilities, inclusive of approximately 1,000 individuals awaiting transfer to State prison.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an overall NCC increase of \$9.5 million primarily due to \$11.7 million for retirement costs and Board-approved increases in salaries and health insurance subsidies; \$11.3 million for retiree healthcare benefits; \$2.5 million for 9.0 employee mental health and wellness positions; \$13.6 million for critical IT infrastructure needs, including those necessary to support compliance with various custody settlement agreements and consent decrees; a net increase of \$2.0 million for continued one-time funding for four additional academy classes and related recruitment resources; and an estimated \$4.4 million decrease in public safety tax receipts.

These increases are partially offset by an adjustment to remove prior-year funding that was provided on a one-time basis for various programs (\$36.0 million). The Recommended Budget also includes the addition of 2.0 administrative positions to

support the recovery of eligible custody costs from the State; a net reduction of 17.0 positions and associated contract law enforcement services revenue; and various ministerial position adjustments that result in a net reduction of 1.0 position.

As of the Recommended Budget, \$143.7 million of the Department's ongoing appropriation remains set aside in the Provisional Financing Uses budget unit while the Department continues efforts to stabilize its budget and implement a sustainable budget deficit mitigation plan.

The Detective Division is comprised of the Fraud and Cyber Crimes, Homicide, Major Crimes, Narcotics, Operation Safe Streets, and Special Victims Bureaus, as well as the Vehicle Theft Prevention Program. It is responsible for the investigation of crimes, identification and apprehension of criminals, recovery of property, identification and preservation of evidence, and assisting in the preparation of cases for court. When requested, it also provides investigative resources to other law enforcement agencies throughout the County. The Division exists as a separate entity from station detective assignments, and investigators assigned to it are the most experienced and tenured criminal investigators of the Department. The Division also includes the Parole Compliance Unit, which works closely with the Probation Department's Community Supervision case managers by providing proactive identification, compliance checks, and apprehension of absconders classified as post-release supervised persons.

Mission Statement

Telephone Utilities is a centralized budget unit administered by the Internal Services Department (ISD) to fund telephone utilities carrier costs and equipment, Enterprise Network Internet Administration (ENIA), other County departments' networks, and telephone utilities administration.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects a \$3.4 million net increase for ENIA costs; a \$2.9 million net decrease for Voice-over Internet Protocol (VoIP) maintenance and equipment costs; and a \$0.4 million decrease for Telecommunications Equipment and Services Master Agreement (TESMA) leases.

Critical/Strategic Planning Initiatives

ISD will continue to enhance the performance of the County's telecommunications system and simultaneously minimize costs.

Mission Statement

The mission of the Treasurer and Tax Collector (TTC) is to fulfill statutory responsibilities in Treasury, Property Tax Collection, Licensing, and Probate Administration in a responsible and client-focused manner. The Department does this on behalf of the County, other government agencies and entities, and private individuals as specified by law.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$3.2 million primarily due to the removal of prior-year funding that was provided on a one-time basis for an additional secured property tax-defaulted auction, Public Administrator (PA) warehouse infrastructure repairs and enhancements, Integrated Property Tax System (eTAX) funding, Property Tax Database (PDB) mainframe costs, and cybersecurity, as well as the Department's share of the countywide NCC reduction. The decrease is partially offset by funding for hosting costs to maintain the PDB mainframe and Board-approved increases in salaries and health insurance subsidies, as well as retiree health insurance.

Critical/Strategic Planning Initiatives

The following are examples of the Department's continuing efforts to create efficiencies, work collaboratively with other departments, and maximize revenue:

- Collaborate with the Auditor-Controller (A-C) on replacing the County's legacy property tax systems. The TTC and the A-C completed a joint Request for Proposals and are currently in the negotiation process.
- Enhance financial and operational efficiencies by identifying opportunities to reduce debt service payments, streamlining bank deposit processing times, and upgrading the Treasury Management System to a cloud-based solution. These initiatives will achieve cost savings and improve flexibility and efficiency that will contribute to more effective financial management.

- Continue work with the A-C, Assessor, and Assessment Appeals Board to implement a new Property Tax Telephone (PropTax) system that allows taxpayers to contact County offices that are involved in property tax matters. It will include advanced call center features, such as artificial intelligence to answer common questions, a chatbot, and constituent call-back functionality which will enhance customer service and reduce wait times.
- Collaborate with the Public Guardian, TTC's PA, and IT team to review access points in the shared Client Asset Management System (CAMS) to strengthened security of personally identifiable information.
- Enhance online access to the Annual Property Tax Portal which allows taxpayers to print and pay property tax bills, thereby eliminating the wait for the bills to arrive in the mail and response time from staff to address those requests.
- Streamline the business license registration process with the implementation of the County Electronic Permitting and Inspections (EPIC-LA). This initiative aims to improve efficiency, reduce processing times, and increase transparency for both residents and businesses through automation, accessibility, efficiency, data management, and customer service.

Mission Statement

The Lockyer-Isenberg Trial Court Funding Act of 1997, AB 233, Chapter 850, Statutes of 1997 requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts and to fund certain court-related expenditures such as indigent defense, collections enhancement, and local judicial benefits. The Trial Court Facilities Act, SB 1732, Chapter 1082, Statutes of 2002 authorized the transfer of responsibility for court facilities from counties to the State and requires that counties make a County Facilities Payment (CFP). Revenue from court fines and fees is used to partially finance the MOE obligation to the State and other court-related expenditures.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects funding for the County's \$283.5 million MOE payment to the State, which is comprised of \$245.9 million base MOE and \$37.6 million CFP. In addition, the budget includes \$142.5 million for court-related expenditures that are the County's responsibility, offset by \$85.3 million in revenues. The Recommended Budget also reflects adjustments for employee benefits costs.

Mission Statement

The Utilities budget is centrally administered by the Internal Services Department (ISD) to fund utility costs including electricity, natural gas, water, and industrial waste collection. Funding is also included for energy management leadership programs, various regulatory and legally required activities, and the day-to-day operations of the County cogeneration and power plants.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$2.5 million due to the removal of prior-year funding that was provided on a one-time basis for energy efficiency projects at various County facilities. The budget also reflects increases in funding for power plant operations, energy management programs, utility costs, and grants.

Critical/Strategic Planning Initiatives

The Utilities budget supports continued efforts to complete energy retrofit projects, accelerate energy efficiency and renewable projects, and centrally administer utility costs throughout the County.

2025-26 Budget Message

On November 4, 2008, County unincorporated area voters approved the passage of the Utility User Tax - Measure U. The revenues are generated from user taxes on gas, electricity, and communication. These revenues are fully offset with appropriations in various budget units including the Departments of Aging and Disabilities, Board of Supervisors, District Attorney, Fire, LA County Library, Parks and Recreation, Public Works, Regional Planning, and Sheriff for various programs within the unincorporated areas.

The 2025-26 Recommended Budget reflects no change from the 2024-25 Final Adopted Budget based on current revenue trends.

2025-26 Budget Message

Vehicle License Fees (VLF) - Realignment is derived from the County's share of statewide motor vehicle license fees. These fees are fully offset with appropriation in the Departments of Health Services, Mental Health, Public Health, and Public Social Services for various health and social services programs.

The 2025-26 Recommended Budget reflects the collection of anticipated 1991 VLF State base allocations.

Mission Statement

The mission of the Department of Youth Development (DYD) is to be a catalyst for transformation by providing innovative pathways to youth development through intersectional, anti-racist, youth-centered strategies so that all young people can access resources that nurture their growth, well-being, and connection to community.

2025-26 Budget Message

The 2025-26 Recommended Budget reflects an NCC decrease of \$2.2 million primarily due to the removal of prior-year funding that was provided on a one-time basis for various programs and projects and the Department's share of the countywide NCC reduction. This is partially offset by an increase in funding for Board-approved increases in salaries, health insurance subsidies, and retiree health insurance.

Critical/Strategic Planning Initiatives

- Expand Youth Development Learning Collaborative activities to increase knowledge of best practices in youth development among youth-serving agencies countywide and set priorities in support of a countywide evidence-informed Youth Development Framework.
- Create additional spaces for strategic engagement to better connect youth, community, and County partners with DYD, fostering collaborative innovation.
- Launch school-based programming and partnerships across the County, focusing on school climate improvement, integrated youth development and diversion services, and truancy interventions.
- Launch capacity-building training and coaching programs for grassroots and nonprofit community-based organizations to strengthen and expand the Youth Development Networks.
- Develop tailored Credible Messenger re-entry programs utilizing DYD staff co-located at Probation facilities to support youth releases, facilitate reintegration, and build essential networks for youth to thrive in their communities.
- Launch additional partnerships with Probation and community-based organizations to address programming gaps in juvenile Probation facilities, including recreational activities and youth-requested enrichment opportunities.
- Launch pilot Safe Healing Centers and other less-restrictive placements as trauma-informed, rehabilitative alternatives to incarceration, providing a comprehensive continuum of care and support that prepares justice-involved youth for successful community reintegration.

Glossary

ACTIVITY: A major work effort performed to meet a program objective.

ACTUAL FISCAL YEAR: Amounts represent actual expenditures and financing sources for two fiscal years prior to the Recommended Budget fiscal year.

APPROPRIATION: A legal authorization to make expenditures and incur obligations for specific purposes.

APPROPRIATIONS FOR CONTINGENCIES: A budgetary provision representing a portion of the financing uses set aside for unforeseen expenditure requirements.

ASSIGNED FUND BALANCE: The portion of the fund balance approved by the Board to reflect a government's intended use of resources that are neither committed nor restricted fund balance.

AUDITOR-CONTROLLER SCHEDULES: Provide summary and detailed countywide financing source and use information necessary to meet mandated State Controller requirements.

BOND ANTICIPATION NOTES: An interim financing instrument issued in anticipation of permanent long-term financing. BANs are issued by Joint Powers Authorities and Nonprofit Corporations as authorized by the California Government and Corporations Codes, respectively. Abbreviation: BANs

BUDGET FISCAL YEAR: Reflects the current fiscal year Board-adopted budget but does not incorporate any budget adjustments or changes that may occur during the year.

BUDGET MESSAGE: A general summary of the Recommended Budget as presented in writing to the legislative body that contains an explanation of the principal budget items and their financial status at the time of the message.

BUDGET SUMMARY SCHEDULES: Provide summary and detailed information on financing sources/uses and budgeted positions.

BUDGET UNIT: The classification of expenditures and revenues into appropriately identified accounting or cost centers deemed necessary or desirable for control of financial operations. Unless specified by law, such units may be devised at the discretion of the Board.

BUDGET YEAR: Represents the fiscal year for which the budget is being prepared.

BUDGETED POSITIONS: A unit of measure used to standardize positions with different bases (e.g., hours or months). All items are converted to full-time equivalent positions, which are represented as budgeted positions in departmental operations. A full-time equivalent represents one item working full time for one year; this facilitates analytical comparisons.

CANCEL OBLIGATED FUND BALANCES: An accounting transaction to release obligated fund balances to finance appropriations. Abbreviation: CANCEL OBLIGATED FD BAL

CAPITAL ASSETS - BUILDINGS AND IMPROVEMENTS: Expenditures for the acquisition of buildings and improvements. Abbreviation: CAPITAL ASSETS - B & I

CAPITAL ASSETS - EQUIPMENT: Expenditures for the acquisition of physical property of a permanent nature, other than land, buildings, and improvements.

CAPITAL ASSETS - INFRASTRUCTURE: Public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, and similar assets that are immovable and of value only to a government unit.

CAPITAL ASSETS - LAND: Expenditures for the acquisition of land.

CAPITAL PROJECT: Capital improvements to buildings that result in an increase of square footage, construction of new facilities, or the acquisition of land. Abbreviation: CAP PROJ

CAPITAL PROJECTS/REFURBISHMENTS SCHEDULES: A section in the Budget Detail Schedules (Volume 2) that provides a summary of the County's Capital Program and detailed information on each capital improvement and refurbishment project. Funds for these projects are appropriated in the Capital Projects/Refurbishments budget as capital assets - land and capital assets - buildings and improvements.

CAPITAL PROJECT SPECIAL FUNDS: Funds to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds). Examples are the Park In-Lieu Fees Accumulated Capital Outlay Fund and the Marina Replacement Accumulated Capital Outlay Fund.

CHANGE FROM BUDGET: The resulting variance when the Recommended Budget is compared to the current budget.

COLLABORATIVE PROGRAM CHANGES (COLLABORATIVE PROGRAMS): Reflects changes to the budget that are a result of County departments working together or with stakeholders to improve County programs or services.

COMMITTED FUND BALANCE: The portion of the fund balance to be used for specific purposes as determined by the Board through County ordinance or resolution. Committed fund balance may be changed or lifted only by the Board taking the same formal action that imposed the constraint originally. The underlying action by the Board needs to occur no later than the close of the fiscal year.

CRITICAL AND UNMET NEEDS: Reflects a department's critical and unmet requirements that are not currently addressed in the budget.

CRITICAL ISSUES CHANGES (CRITICAL ISSUES): Reflects changes to the budget that are significant in nature and are mandated by the State or federal government.

CURTAILMENT CHANGES (CURTAILMENTS): Reflects reductions to the budget that are generally necessary to address projected funding reductions at either the federal, State, or local level.

DEBT SERVICE FUND: A fund used to account for the accumulation of resources to make payments of principal and interest on general obligation bonds and other long-term debt.

DEPARTMENTAL PROGRAM SUMMARY: Provides information such as the legal authority for the program, whether the program is mandated or discretionary, the description of the program, and summary budget information reflecting the Recommended Budget.

EFFICIENCY CHANGES (EFFICIENCIES): Reflects changes to the budget that are the result of performing or functioning in a more effective manner.

ENCUMBRANCES: Resources committed for future expenditures as a result of unperformed (executory) contracts such as purchase orders and specific contracts for goods or services.

ENTERPRISE FUNDS: Funds to account for organizations that are financed and operate like commercial entities, where the intent is to recover the cost of providing ongoing services, primarily by user charges. Examples are the Hospital Enterprise Funds.

ESTIMATED FISCAL YEAR: Reflects estimated expenditures and financing sources for the entire current fiscal year.

ESTIMATED TAX DELINQUENCIES: The amount of estimated property taxes that will remain uncollected at the end of the fiscal year.

EXPENDITURE: The spending or disbursement of financial resources.

EXPENDITURE DISTRIBUTION: Transactions that constitute reimbursement for expenditures or expenses initially made from a fund or organization that are charged to another fund or organization. Abbreviation: EXPENDITURE DIST

EXPENDITURE OBJECT: A chart of accounts element that classifies expenditures into groups.

FIDUCIARY FUNDS: A separate legal entity under the authority of the Board such as the Los Angeles County Development Authority. Previously known as Agency Fund.

FINANCING SOURCES: Reflects the total resources (e.g., revenue, taxes, and fund balance available) utilized to finance expenditure needs.

FINANCING USES: Total needs requiring financing for the fiscal year.

FISCAL YEAR: A yearly accounting period, beginning on July 1 and lasting through June 30 of the next year, to which the annual operating budget applies. Fiscal years are designated by the calendar year in which they begin and end. Abbreviation: FY

FUNCTION: A group of related activities aimed at accomplishing a major service or regulatory program.

FUND: A separate fiscal and accounting entity with a self-balancing set of accounts recording financing sources, financing uses, assets, and liabilities.

FUND BALANCE AVAILABLE: The portion of the fund balance not obligated and therefore available for financing budgetary requirements.

GENERAL COUNTY: A term referencing all General Fund operations, general obligation bonds, long-term debt service requirements, and Hospital Enterprise Fund operations.

GENERAL FUND: The fund to account for all countywide operations except those required to be accounted for in another fund.

GENERAL PURPOSE (DISCRETIONARY) REVENUE: Monies that are not legally earmarked by the State or federal government for a specified program or use. Included in this category are sales and use taxes, business license and utility user taxes, and property taxes.

GENERAL RESERVES: A fund equity restriction to provide for legally declared emergency expenditures. Authorization from the Board is required to expend these monies. General Reserves are now classified as assigned fund balance.

GOAL: A long-term organizational target or direction. It states what the organization wants to accomplish or become over the next several years. Goals provide the direction for an organization and define the nature, scope, and relative priorities of all projects and activities. Everything the organization does should help it move toward attainment of one or more goals.

INTERNAL SERVICE FUND: The fund to account for the financing of goods or services provided by one department or agency to other departments or agencies, or to other governments, on a cost-reimbursement basis.

INTRAFUND TRANSFER: An accounting mechanism used to reflect expenditure transfers between operations within the same fund, thereby identifying the true location of actual costs. For example, the cost of some data processing services is budgeted in the Internal Services Department. To the extent those services are rendered to other General Fund departments, the related costs are also transferred to the appropriate departmental budget units to more accurately reflect total operating expenditures. Abbreviation: IFT

JOINT POWERS AUTHORITY: A separate legal entity, authorized by the California Government Code, that is empowered to act on behalf of a governmental entity to acquire capital assets, utilizing long-term financing. Abbreviation: JPA

MISSION STATEMENT: A statement of organizational purpose.

MODIFIED ACCRUAL BASIS OF ACCOUNTING: The County's basis of accounting. Revenues are recognized when they become both measurable and available to finance expenditures. Expenditures are generally recognized when incurred, except for self-insurance, litigation, and employee benefits, which are accounted for on a cash basis.

NET COUNTY COST: The amount of the operation financed by general purpose revenues, such as property taxes. Abbreviation: NCC

NEW/EXPANDED PROGRAMS: Reflects changes to the budget for new programs or the expansion of existing programs.

NONOPERATING EXPENSES: Expenses that are not directly related to the fund's primary activities.

NONOPERATING REVENUES: Revenues that are not directly related to the fund's primary activities.

NONPROFIT CORPORATION: A separate legal entity, authorized by the California Corporations Code, that is empowered to act on behalf of a governmental entity to acquire or construct capital assets, utilizing long-term financing. Abbreviation: NPC

NONSPENDABLE FUND BALANCE: The portion of the fund balance that cannot be spent because it is either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash, such as inventories and long-term notes receivable.

OBJECTIVE: A measurable target that must be met in implementing a strategy and attaining a goal.

OBLIGATED FUND BALANCE: The portion of the fund balance that is unavailable for financing budgetary requirements in the budget year. This includes nonspendable, restricted, committed, and assigned fund balances.

OPERATING BUDGET: Reflects plans for expenditures and the means of financing them. The operating budget is the primary means by which most financing for acquisitions, spending, and service delivery activities in the County is controlled.

OTHER CHANGES: Reflects changes such as: across-the-board salaries and employee benefits changes; accounting adjustments; ministerial appropriation, intrafund transfer, and revenue changes; and other changes that do not directly affect programs and service levels.

OTHER CHARGES: An object of expense that reflects costs not directly associated with the daily expenses of running an operation. Includes payments for California Work Opportunity and Responsibility to Kids (CalWORKs), In-Home Supportive Services (IHSS), General Relief, Foster Care, interest and principal charges, capital leases, other governmental agencies, and judgments and/or settlements.

OTHER FINANCING USES: Operating transfers out from one governmental fund to another.

OTHER PROPRIETARY FUNDS: Funds to account for those governmental activities that are similar to those in the private sector (includes Enterprise Funds, other than Hospital Enterprise and Internal Service Funds).

PROGRAM: A combination of resources, personnel, materials, and facilities to provide a service for an identifiable group or target population to achieve a specified result.

PROGRAM PRIORITIZATION: The process of evaluating and ranking programs based upon program objectives, required resources, and effectiveness. The intent is to identify low-priority programs for possible reduction or elimination if funding is not available and use the resulting savings to maintain or enhance high-priority programs.

PROGRAM REALIGNMENT: Transfer of program funding between the State and the counties to more accurately reflect responsibilities. Realigned programs include Mental Health, Indigent Health, Foster Care, Child Welfare Services, CalWORKs, IHSS, certain juvenile justice programs, and other miscellaneous programs. Revenues from increased vehicle license fees and sales taxes finance the increased County program responsibilities.

QUALITY: The degree to which customers are satisfied with a program and/or compliance with accepted standards.

RECOMMENDED BUDGET: Upon approval by the Board, the recommendations of the Chief Executive Officer become the official Board proposals for appropriation and revenue for the next fiscal year. The Board normally approves the Recommended Budget in April. It may be amended following public budget hearings and Board deliberations anticipated in May and June, respectively.

REFURBISHMENT: A renovation of existing space that costs in excess of \$100,000. Refurbishments are characterized by an overall enhancement in space decor, functional design, configuration, etc., for the purpose of improving aesthetic image, operational efficiency, or staff productivity.

REGULAR (EQUALIZED) ASSESSMENT ROLL: The listing of the assessed values of all properties within the County as of January 1 of each year. The regular roll contains values for both secured (real) and unsecured (personal) properties.

REQUESTED FISCAL YEAR: A respective operation's official request for appropriation and financing sources to implement its stated objectives for the next fiscal year. This reflects requests presented in public departmental budget hearings with some variances primarily due to revised employee benefits estimates.

RESTRICTED FUND BALANCE: The portion of the fund balance to be used for specific purposes that are either (a) externally imposed by creditors, grants, contributors, or laws and regulations of other governments or (b) imposed by law through constitutional provisions of enabling legislation. Restrictions may be changed or lifted only by changing the condition of the constraint.

REVENUE: A source of income to an operation other than debt issue proceeds or the transfer from another fund.

SALARIES AND EMPLOYEE BENEFITS: An object of expense reflecting the County's costs for employee compensation. Includes salaries and wages, insurance (health, dental, life, and unemployment), workers' compensation, retirement, bonuses, overtime, flexible benefit plans, and deferred compensation plans. Abbreviation: S&EB

SERVICES AND SUPPLIES: An object of expense reflecting the purchase of goods and services within the fiscal year. Abbreviation: S&S

SPECIAL ASSESSMENTS: Fees that are charged to property owners in certain geographical areas for public improvements. A fee is levied only to those property owners that receive a direct benefit.

SPECIAL DISTRICT FUNDS: Funds to account for public improvements and services to benefit targeted properties and residents that are funded by specific taxes and assessments. Examples are the Garbage Disposal Districts and Sewer Maintenance Districts.

SPECIAL DISTRICTS: An independent unit of local government established to perform a single specified service. The Special Districts listed in this document are governed by the Board.

SPECIAL REVENUE FUNDS: Funds to account for the proceeds of specific revenue sources that are restricted in the way they may be spent.

STRATEGIC PLAN: The framework that aligns departmental efforts with Board directed priorities and outlines the County's direction that is defined by the County's mission, vision, and values. The Strategic Plan includes measurable objectives and strategies to accomplish specific goals.

STRATEGY: The means by which the County intends to accomplish a goal as it works towards achieving outcomes or results. A strategy captures a defined intent across policies, programs, projects, actions, decisions, and resource allocations to achieve an outcome. A coherent collection of actions that have a reasonable expectation of improving outcomes.

SUBVENTION: A grant, subsidy, or aid (usually from the State or federal government).

SUPPLEMENTAL ROLL: Property taxes generated pursuant to Senate Bill 813 (Chapter 498, Statutes of 1983), whereby changes to property taxes are made effective the date the property ownership title is transferred.

TRANSFERS IN: The transfers in of funding from one governmental fund to another, reported separately from revenue to avoid distorting revenue trends.

TRANSFERS OUT: All interfund transfers legally authorized from a fund receiving subsidy, to the fund through which the resources are to be expended.
