			The following individuals submitted comments on agenda item:	
Agenda #	Relate To	Position	Name	Comments
41.		Oppose	Daria Brooks	No extension of the contract for Universal Waste Systems should be agreed upon without polling the current local residential customers for service complaints and comments. Given the amount of trash we are forced to pick up after their collection days and the putrid liquids expelled from their trucks, it would seem that modifications of their equipment is in order. We say "No."
