2.		Oppose	Henry Porter	While there is no dispute that inflation warrants a V increase, however, no increase is warranted based on the inferior services provided by Republic. Nest pick ups on assigned days, leaving villages in the street, erratic alley cleanups, lack of local customer service representatives. All call centers are located out of state so there is no way to have concerns addressed locally in a timely manner. There is no field supervision of workers from Republic or Public Wprks that monitor to feel performances . Therefore, we are left to been for ourselves. Until we get an acceptable level of service no fee increases is justified. We are willing to dispute any charges of quality service put forth by Public Works.
			Henry N Porter	This is to correct my original submittal indication that my comment was for the Lennox GDD. MY COMMENT IS INTENDED FOR AGENDA ITEM #2, THE ATHENS/WOODCREST/OLIVITA GDD.
