Correspondence Received

1-D.		Other	raneisha hubbert	<p>Where Is the Help for U.S. Citizens?</p> <p>To the LA County Board of Supervisors and all government agencies watching:</p> <p>Your own citizens—our children—are being jailed, institutionalized, and removed from their families to generate federal Title IV-E funding. You're profiting off broken families, trauma, and false reports while claiming to protect us.</p> <p>We see immigrant aid fast-tracked. We see services provided overnight. We see Section 8 vouchers, hotel programs, and transportation paid out daily. Yet Black, Brown, and low-income U.S. families—citizens—are forced to fight, file, and beg just to be heard, just to survive.</p> <p>Where is our help? Where is the funding for our reunification? Where is the compensation for what you've taken and the trauma you've caused?</p> <p>I've paid every cost. I've shown up for every court date. I've cared for my children when you failed. Now you want to pretend you have no legal responsibility?</p> <p>No. You've jailed my family, destroyed our stability, and violated our rights—all while collecting federal money in our names.</p> <p>---</p> <p>> Stop using our children to fund your budgets. Stop punishing citizens while protecting everyone else. Start paying what you owe.</p> <p>We're not invisible. We're not going away. And we are not afraid of the truth anymore.</p> <p>— Raneisha Hubbert Mother Legal Advocate Federal Complainan</p>
