(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

Public Works is seeking Board approval to adopt the findings and orders of the Building Rehabilitation Appeals Board pursuant to Title 26 of the Los Angeles County Code, Building Code, which provides for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthy conditions, which constitute a public nuisance.

IT IS RECOMMENDED THAT THE BOARD:

Adopt the findings and orders of the Building Rehabilitation Appeals Board that provide for the abatement of public nuisances at the following locations:

- 815 North Orange Blossom Avenue, La Puente, California 91746
- 13119 Don Julian Road, La Puente, California 91746
- 1138 South Gage Avenue, Los Angeles, California 90023
- 1434 Delta Street, Rosemead, California 91770

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide for the abatement of public nuisances through rehabilitation procedures. Title 26 of the Los Angeles County Code, Building Code, provides for a

Building Rehabilitation Appeals Board to hear appeals on matters concerning public nuisances.

The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthy conditions, which constitute a public nuisance. This action will improve the quality of life for the surrounding neighborhoods and the overall County community.

Implementation of Strategic Plan Goals

The recommendation supports the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal C, Public Safety, Strategy i, Prevention, Protection & Safety, as it provides services to the public that have a wide-reaching positive effect on the entire community by abating conditions that constitute a public nuisance. The recommendation also supports North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal D, Sustainability, Strategy iv, Environmental Justice, as it allows the County, when necessary, to take actions to demolish unsafe structures and clean up unsightly properties that pose health and safety threats to the community.

FISCAL IMPACT/FINANCING

There will be no increase in net County cost or negative fiscal impact. Costs of the abatement work are billed to the property owner(s). Failure to pay the bill will cause a special assessment to be placed on the tax bill and a Notice of Abatement Lien will be recorded against the property with the County Registrar-Recorder/County Clerk's office.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County will abate public nuisances through Public Works personnel and/or on-call contract services or Departmental Service Orders with the Internal Services Department and Department of Agricultural Commissioner/Weights and Measures.

The Los Angeles County Code, Building Code, provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99.

Government Code Section 25845 requires that the property owner(s) be provided an opportunity to appear before the Board and be heard prior to abatement of the nuisance(s) by the County. However, the Board adopted modified procedures that delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to the Board.
