I have carried the costs of your agency's failures for over 11 years. You placed my children in abusive foster placements, withheld court notifications, denied me reunification services, and ignored repeated ADA requests for basic accommodations.</p> <p>I submitted my tort claim. I followed the rules. Now it's your turn.</p> <p>?? I Need My Money Now</p> <p>I need to book travel and lodging to visit my daughter and grandson that your system separated from me.</p> <p>I need to purchase a car to safely transport my family—because you placed my daughter miles away and offer no transportation.</p> <p>I need immediate funds to cover costs YOU caused by violating federal and state laws.</p> <p>---</p> <p>?? You Are Already in Violation of:</p>

				<p>Gov. Code § 825 – The County is liable for employee misconduct.</p> <p>WIC § 16501.1 – Mandates support services DCFS continues to block.</p> <p>ADA Title II – 42 U.S.C. § 12132 – You are retaliating against me for asserting my rights.</p> <p>CA Gov. Code § 11135 – You are discriminating based on family status and disability.</p> <p>Penal Code § 118 – Multiple employees, including appointed counsel, committed perjury.</p> <p>---</p> <p>?? You've Been Notified:</p> <p>My case is in front of Homeland Security, the DOJ Civil Rights Division, the CA Office of Civil Rights, and the media.</p> <p>I have video, photo, and legal documentation proving all claims.</p> <p>This is not a debate. This is a demand for payment.</p> <p>You don't get to stall me anymore. If immigrant families can receive millions in aid and protection, so can a U.S. citizen mother and legal advocate who never gave up fighting for her children.</p> <p>Cut the check. I need it now.</p> <p>Sincerely, Raneisha Hubbert Tort Claimant Federal Complainant Mother ?? raneishahubbert@gmail.com ?? (213) 334-5596</p>
