CS-9.		Favor	Sarah Bays	I urge the Board to support fair labor negotiations and direct the CEO to offer workers a just contract. Balancing the County's budget should not fall solely on the backs of frontline employees. We deserve our fair share of the budget—not more cuts, not more delays. Upper management salaries and benefits continue to increase every cycle while workers continue to shoulder the burden with decreasing purchasing power with every cycle. Do the right thing and direct the CEO to negotiate in good faith. Allow Los Angeles County workers to be able to afford to LIVE IN LA!
