**NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED BY THE BOARD OF TRUSTEES OF THE EL MONTE UNION HIGH SCHOOL DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, AS FOLLOWS:**

To the extent the issuance of Bonds includes Long Current Interest Bonds, the useful life of any facility financed with such Long Current Interest Bonds will equal or exceed the maturity of such Long Current Interest Bonds.

(b) Redemption.

(i) Terms of Redemption. The Bonds shall be subject to optional or mandatory sinking fund redemption prior to maturity as provided in the Official Statement.

(ii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption as directed by the District, and if not so directed by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that with respect to redemption by lot, the portion of any Bond to be redeemed in part shall be in the principal amount of \$5,000 or any integral multiple thereof.

The Official Statement may provide that (i) in the event that any portion of a Term Bond is optionally redeemed prior to maturity, the remaining mandatory sinking fund payments with respect to such Term Bond shall be reduced proportionately or as otherwise directed by the District, in integral multiples of \$5,000 principal amount, in respect to the portion of such Term Bond optionally redeemed, or (ii) within a maturity, Bonds shall be selected for redemption on a “Pro Rata Pass-Through Distribution

of Principal” basis in accordance with DTC procedures, provided further that, such redemption is made in accordance with the operational arrangements of DTC then in effect.

(iii) Redemption Notice. When optional redemption is authorized pursuant to Section 6(b) hereof, the Paying Agent, upon written instruction from the District, shall give notice (a “Redemption Notice”) of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the portion of the principal amount of such Bond to be redeemed, and the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue.

The Paying Agent shall take the following actions with respect to each such Redemption Notice:

(a) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Securities Depository.

(c) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

(d) Such Redemption Notice shall be given to such other persons as may be required pursuant to the Continuing Disclosure Certificate.

In lieu of providing notice via the means described in (a), (b) or (c) above, Redemption Notices may be provided via equally prompt electronic means as shall be acceptable to the Owners, the Depository or the Information Services.

A certificate of the Paying Agent or the District that a Redemption Notice has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Such Redemption Notice may state that no representation is made as to the accuracy or correctness of CUSIP numbers printed thereon, or on the Bonds.

With respect to any Redemption Notice of Bonds (or portions thereof) pursuant to Section 6(b)(i) hereof, unless upon the giving of such notice such Bonds or portions thereof shall be deemed to have been defeased pursuant to Section 19 hereof, such notice shall state that such redemption shall be conditional upon the receipt by an independent escrow agent selected by the District on or prior to the date fixed for such redemption of the moneys necessary and sufficient to pay the principal of, premium, if any, and interest on such Bonds (or portions thereof) to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, no portion of the Bonds shall be subject to redemption on such date and such Bonds shall not be required to be redeemed on such date. In the event that such Redemption Notice contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter (but in no event later than the date originally set for redemption) give notice to the persons to whom and in the manner in which the Redemption Notice was given that such moneys were not so received. In addition, the District shall have the right to rescind any Redemption Notice, by written notice to the Paying Agent, on or prior to the date fixed for such redemption. The Paying Agent shall distribute a notice of the rescission of such Redemption Notice in the same manner as such notice was originally provided.

(iv) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Bond or Bonds of like tenor, Series and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(v) Effect of Redemption Notice. Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 6(b) hereof, together with interest accrued to such redemption date, shall be held in trust as provided in Section 19 hereof so as to be available therefor on such redemption date, and if a Redemption Notice thereof shall have been given as aforesaid, then from and after such redemption date, interest on the Bonds to be redeemed shall cease to accrue and become payable. All money held for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds to be so redeemed.

(vi) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and accrued interest thereon to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of each Series of such Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, and all or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any Redemption Notice, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to principal of, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute Owner of such book-entry Bond for the purpose of payment of principal of, premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal of, premium, if any, and interest on the Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the

book-entry system is not in the best interest of the Beneficial Owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such Outstanding book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 6(c).

3. Payments and Notices to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Bonds are held in book-entry form and registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to principal of, premium, if any, or interest on the Bonds and all notices with respect to such Bonds, including Redemption Notices, shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise required or instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) ("Substitute Depository"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt of all Outstanding Bonds by the Paying Agent, together with a

written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such Beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Bonds.

**SECTION 7.           Execution of the Bonds.** The Bonds shall be signed by the President of the Board, or other member of the Board authorized to sign on behalf of the President, by their manual or facsimile signature and countersigned by the manual or facsimile signature of the Secretary to or Clerk of the Board, or the designee thereof, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**SECTION 8.           Paying Agent; Transfer and Exchange.** So long as any of the Bonds remain Outstanding, the District will cause the Paying Agent to maintain and keep at its designated office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of, premium, if any, and interest on any Bond shall be made only to or upon the order of such Owner; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like Series, tenor, maturity and Transfer Amount upon presentation and surrender at the designated office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender

of the Bond at the designated office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new bond or bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent and the District satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and Transfer Amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16th day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable Redemption Notice is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 9.**            **Payment.** Payment of interest on any Bond on any Bond Payment Date shall be made to the person appearing on the Bond Register as the Owner thereof as of the Record Date

immediately preceding such Bond Payment Date, such interest to be paid by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal, and redemption premiums, if any, payable on the Bonds shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The principal of, premiums, if any, and interest on, the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are obligations of the District payable solely from the levy of *ad valorem* property taxes upon all property within the District subject to taxation, which taxes shall be without limit as to rate or amount. The Bonds do not constitute an obligation of the County except as provided in this Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

**SECTION 10.**            **Form of Bonds.** The Bonds shall be in substantially the form as set forth in Exhibit A hereto, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution, the Purchase Contract and the Official Statement, or to correct or cure any defect, inconsistency, ambiguity or omission therein. Pending the preparation of definitive Bonds, the Bonds may be executed and delivered in temporary form exchangeable for definitive Bonds when ready for delivery. If the Paying Agent delivers temporary Bonds, it shall execute and deliver definitive Bonds in an equal aggregate principal amount of authorized denominations, when available, and thereupon the temporary Bonds shall be surrendered to the Paying Agent. Until so exchanged, the temporary Bonds shall be entitled to the same benefits hereunder as definitive Bonds.

**SECTION 11.**            **Delivery of Bonds.** The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Underwriter upon payment of the purchase price therefor.

**SECTION 12.**            **Deposit of Proceeds of Bonds.** (a) The purchase price received from the Underwriter pursuant to the Purchase Contract, to the extent of the principal amount thereof, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the “El Monte Union High School District Election of 2018 General Obligation Bonds, Series D Building Fund” (the “Building Fund”) of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized by the voters of the District at the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. At the election of the District, (i) to the extent the Bonds are issued in more than one Series, there shall be created a separate Building Fund for each such Series of Bonds, with appropriate Series designation, and all references herein to the Building Fund shall be deemed to include any Building Fund created for a Series of Bonds, or (ii) the Building Fund may be established as a subaccount of, or otherwise combined with, a fund established by the County for the purpose of holding proceeds of bonds issued pursuant to the Authorization.

The purchase price received from the Underwriter pursuant to the Purchase Contract, to the extent of any accrued interest and any net original issue premium, shall be kept separate and apart in the fund hereby authorized to be created and designated as the “El Monte Union High School District Election of 2018 General Obligation Bonds, Series D Debt Service Fund” (the “Debt Service Fund”) for the Bonds and used for payment of principal of and interest on the Bonds, and for no other purpose. At the election

of the District, (i) to the extent the Bonds are issued in more than one Series, there shall be created a separate Debt Service Fund for each such Series of Bonds, with appropriate Series designation, and all references herein to the Debt Service Fund shall be deemed to include any Debt Service Fund created for a Series of Bonds, or (ii) the Debt Service Fund may be established as a subaccount of, or otherwise combined with, a fund established by the County for the purpose of holding proceeds of ad valorem property tax levies made to pay bonds issued pursuant to the Authorization. Interest earnings on monies held in the Building Fund shall be retained in the Building Fund. Interest earnings on monies held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued upon written notice from the District shall be transferred to the Debt Service Fund and applied to the payment of the principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds in the Debt Service Fund, any such excess amounts shall be transferred to the general fund of the District, as permitted by law.

The costs of issuance of the Bonds, as well as the Underwriter's compensation, are hereby authorized to be paid either from premium withheld by the Underwriter upon the sale of the Bonds, or from the principal amount of the Bonds received from the Underwriter. To the extent costs of issuance are paid from such principal amount, the District may direct that a portion thereof, in an amount not-to-exceed 2.0% of such principal amount, in lieu of being deposited into the Building Fund, be deposited in a costs of issuance account to be held by a fiscal agent of the District appointed for such purpose. Any excess moneys in the cost of issuance account remaining after payment of all costs of issuance shall be transferred to the County for deposit into the Building Fund or Debt Service Fund, as appropriate.

(b) Moneys in the Debt Service Fund and the Building Fund shall be invested in Permitted Investments in accordance with applicable laws and the investment policy of the County. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The District hereby authorizes investments made pursuant to this Resolution with maturities in excess of five years.

(c) Except as required to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the principal of and interest on the Bonds when due.

**SECTION 13.**                    **Rebate Fund.** The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the "El Monte Union High School District Election of 2018 General Obligation Bonds, Series D Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District in connection with the Tax-Exempt Bonds (the "Tax Certificate").

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the

Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Bonds, an amount equal to 100% of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be

accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

**SECTION 14. Security for the Bonds.** There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* property tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be deposited in the Debt Service Fund of the District, and which fund is hereby designated for the payment of the principal of and interest on the Bonds when and as the same shall fall due, and for no other purpose. The District covenants to cause the County to take all actions necessary to levy such *ad valorem* property tax in accordance with this Section 14. Pursuant to Government Code Section 53515, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of *ad valorem* property taxes for the payment thereof.

Pursuant to Government Code Sections 5450 and 5451, the District hereby pledges all revenues received from the levy and collection of *ad valorem* property taxes for the payment of each Series of Bonds and all amounts on deposit in the corresponding Debt Service Fund created pursuant to Section 12 herein to the payment of such Series of Bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in such Debt Service Fund. This pledge shall constitute an agreement between the District and the Owners of such Series of Bonds to provide security for the payment of such Bonds in addition to any statutory lien that may exist.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay such principal and interest. DTC will thereupon make payments of principal of and interest on the Bonds to the DTC Participants who will thereupon make payments of such principal and interest to the Beneficial Owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District, pursuant to Education Code Section 15234.

**SECTION 15. Arbitrage Covenant.** The District covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed thereunder or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 16.**           **Conditions Precedent.** The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 17.**           **Official Statement.** The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

**SECTION 18.**           **Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal of and interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of such principal or interest, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims of past due interest, the Paying Agent shall note the Bond Insurer’s rights as subrogee on the Bond Register for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the Bond Register for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

**SECTION 19.**           **Defeasance.** All or any portion of the Outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a)     **Cash:** by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which, together with amounts transferred from the Debt Service Fund, if any, is sufficient to pay all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date; or

(b)     **Government Obligations:** by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with amounts transferred from the Debt Service Fund, if any, and any other cash, if required, in such amount as will, together with interest to accrue thereon, in the opinion of an independent certified public accountant, be fully sufficient to pay and discharge all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Bonds shall cease and terminate, except only the obligation of the independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, "Government Obligations" shall mean:

Direct and general obligations of the United States of America, obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations the payment of the principal of and interest on which is secured, guaranteed or otherwise backed by, directly or indirectly, a pledge of the full faith and credit of the United States of America. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Moody's or S&P.

**SECTION 20. Nonliability of County.** Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County's full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* property taxes lawfully levied to pay the principal of or interest on the Bonds, which taxes shall be unlimited as to rate or amount.

**SECTION 21. Reimbursement of County Costs.** The District shall reimburse the County for all costs and expenses incurred by the County and the respective officials, officers, agents and employees thereof in issuing or otherwise in connection with the issuance of the Bonds.

**SECTION 22. Request to County to Levy Tax.** The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of *ad valorem* property taxes in each year sufficient to pay all principal of and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to pay all such principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The Board hereby finds and determines that such *ad valorem* property taxes shall be levied specifically to pay the Bonds being issued to finance specific projects authorized by the voters of the District at the Election.

**SECTION 23. Other Actions.** (a) Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver

any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. ___ % per annum	June 1, ___	_____, 2025	

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The El Monte Union High School District (the "District") in Los Angeles County, California (the "County"), for value received, promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon until the Principal Amount is paid or provided for at the Interest Rate stated above, on June 1 and December 1 of each year (the "Bond Payment Dates"), commencing December 1, 2025. This Bond will bear interest from the Bond Payment Date next preceding the date of authentication hereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to the Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before November 15, 2025, in which event it shall bear interest from the Dated Date. Interest shall be computed on the basis of a 360-day year of 12, 30-day months. Principal and interest are payable in lawful money of the United States of America, without deduction for the paying agent services, to the person in whose name this Bond (or, if applicable, one or more predecessor bonds) is registered, such owner being the Registered Owner, on the Register maintained by the Paying Agent, initially U.S. Bank Trust Company, National Association, as agent of the Treasurer and Tax Collector of Los Angeles County. Principal is payable upon presentation and surrender of this Bond at the designated office of the Paying Agent. Interest is payable by wire transfer by the Paying Agent on each Bond Payment Date to the Registered Owner of this bond (or one or more predecessor bonds) as

shown on the bond register maintained by the Paying Agent as of, and to the bank and account number on file with the Paying Agent as of, the close of business on the 15th day of the calendar month next preceding that Bond Payment Date (the "Record Date").

This Bond is one of an authorization of bonds approved to raise money for the purposes authorized by voters of the District at the Election (defined herein) and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite vote of the electors of the District cast at a general election held on November 6, 2018 (the "Election"), upon the question of issuing bonds in the amount of \$190,000,000 and the resolution of the Board of Trustees of the District adopted on June 11, 2025 (the "Bond Resolution"). This Bond is being issued under the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code. This Bond and the issue of which this Bond is one are payable as to both principal and interest solely from the proceeds of the levy of *ad valorem* property taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount in accordance with Education Code Sections 15250 and 15252. Pursuant to Government Code Section 53515, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of such *ad valorem* property taxes.

Pursuant to Government Code Sections 5450 and 5451, the District has pledged all revenues received from the levy and collection of *ad valorem* property taxes for the payment of the bonds, and all amounts on deposit in the Debt Service Fund (as defined in the Bond Resolution), to the payment of the bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in the Debt Service Fund, and shall constitute an agreement between the District and the Registered Owners of the bonds to provide security for the payment of the bonds in addition to any statutory lien that may exist.

The Bonds of this issue comprise \$\_\_\_\_\_ principal amount of current interest bonds, of which this bond is a part (each a "Bond").

This Bond is exchangeable and transferable for Bonds of like series, tenor, maturity and Transfer Amount (as defined in the Bond Resolution) and in authorized denominations at the designated office of the Paying Agent, by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. All fees and costs of transfer shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The Bonds maturing on or before June 1, 20\_\_ are not subject to redemption prior to their fixed maturity dates. The Bonds maturing on or after June 1, 20\_\_ are subject to redemption at the option of the District, as a whole or in part, on any date on or after June 1, 20\_\_ at a redemption price equal to the principal amount of the Bonds to be redeemed, plus interest thereon to the date fixed for redemption, without premium.

The Bonds maturing on June 1, 20\_\_ (the "20\_\_ Term Bonds"), are subject to redemption prior to maturity from mandatory sinking fund payments on June 1 of each year, on and after June 1, 20\_\_, at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amount represented by such 20\_\_ Term Bonds to be so redeemed and the dates therefor and the final principal payment date is as indicated in the following table:

Redemption Dates

Principal Amounts

TOTAL

In the event that a portion of the 20\_\_ Term Bonds maturing on June 1, 20\_\_ are optionally redeemed prior to maturity, the remaining mandatory sinking fund payments shown above shall be reduced proportionately, or as otherwise directed by the District, in integral multiples of \$5,000 of principal amount, in respect of the portion of such 20\_\_ Term Bonds optionally redeemed.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected as directed by the District, and if not so directed, by lot by the Paying Agent in such manner as the Paying Agent may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called by the Paying Agent in any order directed by the District and, if not so directed, in the inverse order of maturity.

Reference is made to the Bond Resolution for a more complete description of certain defined terms used herein, as well as the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the Paying Agent and the Registered Owners, and the terms and conditions upon which the Bonds are issued and secured. The Registered Owner of this Bond assents, by acceptance hereof, to all of the provisions of the Bond Resolution.

It is certified and recited that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the Bonds; and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay principal of and interest on the Bonds when due.

This Bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication below has been signed.

### Public Content

An election was held in the El Monte Union High School District (the "District") on November 6, 2018, for the issuance and sale of general obligation bonds of the District for various purposes in the maximum amount of \$190,000,000 ("Authorization"). On June 4, 2019, the District issued its first series of bonds in an aggregate principal amount of \$56,430,000. On August 18, 2021, the District issued its second series of bonds in an aggregate principal amount of \$53,310,000. On June 4, 2024, the District issued its third series of bonds in an aggregate principal amount of \$20,000,000. The District now desires to issue its fourth series of bonds under the Authorization in an amount not-to-exceed \$45,000,000 (the "Bonds"). The Bonds are being authorized for sale for the purpose of providing funds to finance projects approved by Authorization and to pay the costs of issuing the Bonds.

(a) Bond Resolution. This Resolution authorizes the issuance of the Bonds, specifies the basic terms, parameters and form of the Bonds, and approves the form of Purchase Contract, Continuing Disclosure Certificate and Preliminary Official Statement described below. In particular, Section 1 of the Resolution establishes the maximum aggregate initial principal amount of the Bonds to be issued (\$45,000,000). Section 4 of the Resolution states the maximum underwriter's discount (0.40%) with respect to the Bonds, the maximum legal interest rate on the Bonds, and Section 3 authorizes the Bonds to be sold at a negotiated sale to Cabrera Capital Markets, LLC, as underwriter (the "Underwriter"). The Resolution authorizes the issuance of current interest bonds only; capital appreciation bonds are not authorized.

(b) Form of Purchase Contract. The Resolution approves the form of the Purchase Contract. Pursuant to the Purchase Contract, the Underwriter will agree to buy the Bonds from the District. All the conditions of closing the transaction are set forth in this document, including the documentation to be provided at the closing by various parties. Upon the pricing of the Bonds, the final execution copy of the Purchase Contract will be prepared following this form.

(c) Form of Preliminary Official Statement. The Resolution approves the form of the Preliminary Official Statement. The Preliminary Official Statement ("POS") is the offering document describing the Bonds which may be distributed to prospective purchasers of the Bonds. The POS discloses information with respect to, among other things, (i) the proposed uses of proceeds of the Bonds, (ii) the terms of the Bonds (interest rate, redemption terms, etc.), (iii) the bond insurance policy for the Bonds, if any, (iv) the security for repayment of the Bonds (the ad valorem property tax levy), (v) information with respect to the District's tax base (upon which such ad valorem property taxes may be levied), (vi) District financial and operating data, (vii) continuing disclosure with respect to the Bonds and the District, and (viii) absence of material litigation and other miscellaneous matters expected to be of interest to prospective purchasers of the Bonds. Following the pricing of the Bonds, a final Official Statement for the Bonds will be prepared, substantially in the form of the POS.

(d) Form of the Continuing Disclosure Certificate. The form of the Continuing Disclosure Certificate can be found in APPENDIX C to the POS. Effective July 3, 1995, all underwriters of municipal bonds are obligated to procure from any public agency issuing debt a covenant that such public agency will annually file "material financial information and operating data" with respect to such public agency through the web-based Electronic Municipal Market Access ("EMMA") system maintained by the Municipal Securities Rulemaking Board (a federal agency that regulates "broker-dealers," including investment bank firms that underwrite municipal obligations). This requirement is expected to be satisfied by the filing of the District's audited financial statements and other operating information about the District, in the same manner the District has filed in connection with prior bond issuances. The purpose of the law is to provide investors in the Bonds with current information regarding the District. Similar laws have governed the corporate debt market for many years.
