Dear Supervisors:

**MUNICIPAL SERVICES CORE SERVICE AREA
COUNTY LANDSCAPE MAINTENANCE DISTRICTS
LANDSCAPING AND LIGHTING ACT DISTRICTS 1, 2, AND 4
ANNUAL ASSESSMENT PROCEDURE - FISCAL YEAR 2025-26
(SUPERVISORIAL DISTRICTS 1, 3, AND 5)
(3 VOTES)**

SUBJECT

Public Works is seeking Board approval to continue the landscape maintenance assessments for County Landscaping and Lighting Act Districts 1, 2, and 4 and zones therein for Fiscal Year 2025-26.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed action is exempt from the California Environmental Quality Act for the reasons stated in this Board letter and in the record of the project.
2. Approve and file the Engineer's Report for the proposed annual levy and collection of assessments for County Landscaping and Lighting Act Districts 1, 2, and 4 and zones therein for Fiscal Year 2025-26.
3. Adopt the Resolution of Intention to Order the Annual Levy and Collection of Assessments for County Landscaping and Lighting Act Districts 1, 2, and 4 and zones therein for Fiscal Year 2025-26.
4. Set the public hearing for July 22, 2025, for the proposed annual levy and collection of assessments for County Landscaping and Lighting Act Districts 1, 2, and 4 and zones therein for Fiscal Year 2025-26.

5. Instruct the Executive Officer of the Board to publish notice of the public hearing at least 10 days prior to the public hearing date, pursuant to Section 22626, subsection (a), of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. After receiving all verbal statements and written comments made or filed by any member of the public, authorize revisions, if needed, to any of the matters provided in the Engineer's Report including changes to the proposed improvements, diagrams, or assessment rates as described in the Engineer's Report.
2. Adopt the Resolution Confirming the Diagram and Assessment in County Landscaping and Lighting Act Districts 1, 2, and 4 and zones therein for Fiscal Year 2025-26 and approve the assessment rates, either as originally proposed or as revised by the Board, and order the maintenance and operation work to be done for each County Landscaping and Lighting Act District and zone therein. Adoption of the Resolution shall constitute the levying of annual assessments in County Landscaping and Lighting Act Districts 1, 2, and 4 and zones therein for Fiscal Year 2025-26.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions will find that the project is exempt from the California Environmental Quality Act (CEQA) and allow Public Works to establish the landscape maintenance assessment rates for Fiscal Year (FY) 2025-26 for County Landscaping and Lighting Act (LLA) Districts 1, 2, and 4 and zones therein. These assessments fund the maintenance and operation of landscaping improvements identified in the enclosed Engineer's Report (Enclosure A).

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal A, Public Health, Strategy i, Population Based Health, by ensuring the continuation of services to maintain the landscaped areas and appurtenant improvements that benefit those who live within the County LLA Districts and zones therein.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

All services administered by Public Works and provided in the County LLA Districts and zones therein are funded by the assessments established by the Board of Supervisors and included in the Landscape Maintenance Districts and LLA District Funds FY 2025-26 budget. The proposed assessments will generate approximately \$6.7 million in total revenue for FY 2025-26.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On July 12, 1979; August 10, 1995; and July 22, 1997; the Board approved the formation of County LLA Districts 1, 2, and 4 and zones therein, respectively, pursuant to the California Streets and Highways Code, Division 15, LLA of 1972 (Act), Section 22500 et seq., to pay for the costs of landscape maintenance by assessing those properties that benefit from the improvements financed.

On June 12, 1979, the Board approved the method of distributing maintenance costs based on land use and/or benefit received by each assessed parcel. This same method will be used to calculate the assessment rates for FY 2025-26. The proposed assessment rates, including Consumer Price Index adjustments on each of the various lots or parcels, are shown in detail in the Engineer's Report. No new or increased assessments above the amounts previously authorized by the Board are proposed for properties within County LLA Districts 1, 2, or 4 and zones therein for FY 2025-26.

Section 22621 of the California Streets and Highways Code sets forth the procedural requirements for the continued levying of landscaping assessments at existing rates for the upcoming fiscal year. In accordance with Section 22622 of the California Streets and Highways Code, the local legislative body must adopt an initial resolution and call for the preparation of an Engineer's Report that identifies, for each County LLA District and zone therein, the assessment amount, the scope of maintenance provided, and the special benefit derived. Accordingly, on December 17, 2024, the Board adopted a Resolution Initiating Proceedings for the Annual Levy and Collection of Assessments for County LLA Districts 1, 2, and 4 and zones therein for FY 2025-26.

The Engineer's Report has been prepared and is submitted herewith, outlining the proposed costs of providing landscape maintenance services for the upcoming fiscal year beginning on July 1, 2025, and ending June 30, 2026, along with the methodology for calculating the direct assessments to be collected via the consolidated tax bill from properties within County LLA Districts 1, 2, and 4 and zones therein in order to provide funding for landscaping improvements and maintenance that benefit the assessed properties. Sections 22623 and 22624 of the California Streets and Highways Code provides that the Board may approve the enclosed Engineer's Report and adopt the Resolution of Intention to Order the Annual Levy and Collection of Assessments for County LLA Districts 1, 2, and 4 and zones therein for FY 2025-26 (Enclosure B).

During the course of or upon conclusion of the public hearing, the Board may order changes in any of the matters provided in the Engineer's Report including changes in the improvements, the boundaries of any zones within the assessment district, and the proposed diagram or proposed assessment. The Board may also close the public hearing to testimony and delay the determination regarding the assessments until a later date or continue the public hearing to receive further testimony and make the determination regarding the assessment at the close of the public hearing continuance. However, the hearing may not be continued beyond August 9, 2025, without prior consent of the Auditor-Controller.

Pursuant to Section 22631 of the California Streets and Highways Code, after the Board considers all verbal statements and written protests made or filed by any interested person, the Board may adopt the enclosed Resolution Confirming the Diagram and Assessment in County LLA Districts 1, 2, and 4 and zones therein for FY 2025-26 (Enclosure C), either as filed or as modified by the Board. The adoption of the Resolution shall constitute the levy of an assessment for the fiscal year referred to in the assessment.

County Counsel has reviewed and approved this Board letter and the enclosed Resolutions as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed project is exempt from CEQA. The project, to approve the annual levying of assessments for landscape maintenance purposes, is within certain classes of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set

forth in Sections 15301, subsection (h), and 15304 of the CEQA guidelines and Classes 1, subsection (j), and 4 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. The project involves maintenance of existing landscaping for the County LLA Districts and zones therein and will not involve the removal of healthy, mature, or scenic trees. In addition, based on the proposed project records, it will comply with all applicable regulations; it is not in a sensitive environment; and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled pursuant to California Government Code Section 65962.5; or indications that it may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current County services or projects as a result of approving the recommended actions.

CONCLUSION

Please return one adopted copy of this Board letter and signed Resolutions to Public Works, Land Development Division. Also, please forward one adopted copy of the Board letter and signed Resolutions to the Assessor (Ownership Services Section) and to the Auditor-Controller (Tax Division).

Respectfully submitted,

I. OVERVIEW

A. INTRODUCTION

The County of Los Angeles (County) Landscape Maintenance Districts (LMDs) annually levy and collect special assessments in order to maintain landscape improvements. These improvements are located within three (3) Landscaping and Lighting Act (LLA) Districts established pursuant to the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (the “1972 Act”).

This Engineer’s Report (Report) describes the LLA Districts (Districts), the Zones therein, annexations, or changes to the Districts, and the proposed assessments for Fiscal Year 2025-26. The proposed assessments presented in this Report are based on the historical and estimated costs to maintain the improvements that provide special benefits to properties within the Districts and Zones therein. The costs of improvements and the annual levy include the expenditures, deficits, surpluses, revenues, and reserves associated with those improvements. Each parcel is assessed proportionately for only those improvements provided and for which the parcel receives benefits.

The County may initiate proceedings for changes to the Districts and Zones for the continued maintenance and servicing of landscaping improvements by passing a Resolution. The initial resolution generally describes the territory within the Districts and Zones and any substantial changes in the Districts or Zones and orders an engineer to prepare and file a detailed Report.

This Report for the Districts has been prepared pursuant to Sections 22622, in accordance with Article 4 (commencing with Section 22565) of Chapter 1 of the 1972 Act. The Report and the proposed assessments contained herein have been prepared in accordance with said requirements and the provisions of the California Constitution Article XIII D.

This Report, signed by a licensed engineer, details the Districts and Zones and includes plans and specifications of the improvements; an estimate of the costs of the improvements, including maintenance and servicing; a diagram, i.e., maps of the Districts and Zones showing the boundary of the Districts and Zones, the parcels or lots which benefit, and an estimate of costs of the improvements, maintenance, and servicing. Once the Report is completed, it is presented to the Los Angeles County Board of Supervisors (Board of Supervisors), acting as the legislative body for the Districts, for its review. The Board of Supervisors may approve the Report as presented or may order amendments to the Report and approve the Report as modified.

After the Report is approved, the Board of Supervisors shall adopt the Resolution of Intention which declares its intent to levy and collect assessments within the Districts and Zones, which includes a description of the improvements, the maintenance and servicing of those improvements, refers to the assessment Districts and Zones by their distinctive designations, may refer to the Report for the details of the Districts and Zones, and sets the time and place for a public hearing on the levy of the proposed annual assessments.

At the public hearing, the Board of Supervisors will consider any public testimony in favor and/or opposing the assessments to fund the continued maintenance and servicing of the improvements. In conjunction with this hearing, any new or increased assessments will require confirmation of the assessments through a property owner protest ballot proceeding pursuant to the provisions of the California Constitution Article XIII D.

Following consideration of public comments and protests at the noticed public hearing and review of the Report, the Board of Supervisors may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and confirmation of the assessments, the Board of Supervisors may order the levy and collection of assessments for Fiscal Year 2025-26 pursuant to the 1972 Act. In such case, the assessment information will be submitted to the County Auditor-Controller and included on the property tax roll for each benefiting parcel for Fiscal Year 2025-26.

For the purposes of this Report, the word “parcel” refers to an individual property assigned its own Assessor’s Parcel Number (APN) by the County of Los Angeles Assessor’s Office. The County of Los Angeles Auditor-Controller uses APNs and specific Fund Numbers to identify properties on the tax roll assessed for special District benefit assessments.

B. OVERVIEW OF LLA DISTRICTS AND ZONES

LLA District No. 1

On July 12, 1979, the Board of Supervisors approved the formation of County Valencia Area-Wide LLA District No. 1 to provide for the maintenance and servicing of landscape improvements located in the medians throughout the District. On November 18, 1997, a joint resolution with the City of Santa Clarita was adopted for the transfer of jurisdiction (responsibility) for portions of this District. The Department of Public Works (hereafter referred to as “Public Works”) currently administers the remaining portions of LLA District No. 1-1 that was not transferred to the City of Santa Clarita and is responsible for landscape maintenance services for medians along Stevenson Ranch Parkway, Pico Canyon Road, and Copperhill Drive.

LLA District No. 1 includes the following one (1) Zone:

Zone	Zone Name	Annexation
1	Stevenson Ranch Parkway / Pico Canyon Road (Los Angeles County Valencia Area-Wide LLA District No. 1) ⁽¹⁾	7/12/1979
1A	Annexation A Copperhill Drive ⁽²⁾	8/27/2002

⁽¹⁾ Pico Canyon Road Area was annexed into District No. 1 in 2002, so it assumes the assessment of the original District, which was formed on July 12, 1979, before Proposition 218.

⁽²⁾ Effective November 15, 2016, a large portion of the area within Zone 1A was incorporated into the City of Santa Clarita as part of Annexation No. 2016-07 (West Creek). All the landscaping improvements within the annexed areas were turned over to the City of Santa Clarita for maintenance on July 1, 2017. As a result, only a small portion of a median along Copperhill Drive remains within unincorporated County jurisdiction.

LLA District No. 2

On August 10, 1995, the Board of Supervisors adopted a Resolution approving the consolidation of twenty-six (26) individual County-administered LLA Districts into Zones within a single District, which was designated as Los Angeles County LLA District No. 2.

Public Works currently administers Los Angeles County LLA District No. 2, and its subsequent Zones located within unincorporated areas of Los Angeles County.

Currently, LLA District No. 2 includes the fifteen (15) Zones listed in the table below. Zone 28 detachment was approved by the Board on January 26, 2021. Public Works has transferred the zone to the Vista Grande Townhomes Owners Association (VGTOA).

Public Works detached Zone 56 (Valencia Commerce Center Area-wide) from LLA District No. 2 as of April 19, 2022.

Zone	Zone Name	Annexation

2-58	Rancho El Dorado	8/10/1995

⁽¹⁾ No majority protest was found at the Public Hearing on April 29, 2025, so the assessment fee will be raised from \$750 per EBU to \$1,257.19 per EBU.

⁽²⁾ Should no majority protest be found at the Public Hearing on July 22, 2025, assessment fees will rise from \$67 per parcel to \$89.94 for non-brushed parcels and \$331.36 for brushed parcels.

LLA District No. 4

On July 8, 1997, the Board of Supervisors adopted a Resolution approving the formation of Los Angeles County LLA District No. 4 with the developments known as “The Enclave” (Zone 63) and “Double C Ranch” (Zone 64) being established as the first two Zones within this District. Public Works currently administers Los Angeles County LLA District No. 4 and its subsequent Zones that were annexed to the District, located within unincorporated areas of Los Angeles County.

Currently, LLA District No. 4 includes the ten (10) Zones listed in the table below. In Fiscal Year 2022-23, Zone 76 was transferred to the City of Santa Clarita effective November 9, 2022.

C. EFFECTS OF THE RIGHT TO VOTE ON TAXES ACT (PROPOSITION 218)

In November 1996, the California voters approved Proposition 218. The provisions of the Proposition, now California Constitutional Articles XIII C and XIII D established certain requirements and procedures for all local taxes, assessments, fees, and charges. Specifically, Article XIII D addressed the substantive and procedural requirements for assessments. Article

XIII D affects all assessments upon real property for a special benefit conferred on the property. Assessments imposed under the Landscaping and Lighting Act of 1972 are considered benefit assessments.

Each and every parcel included in the original District formations and each subsequent annexation was conditioned to install landscape improvements before the development could proceed. In order to preserve the investment in the landscape improvements, the developer formed a District or annexed to an existing District to ensure the ongoing maintenance and operation of the landscape improvements associated with the development. Each developer, who did own all of the parcels subject to the assessment, agreed to the formation or annexation and the assessments being imposed. Subsequent owners of parcels were also made aware through title reports and California Bureau of Real Estate (formerly Department of Real Estate) "White Paper" reports that the parcels were in the District and were subject to the assessments and therefore, purchase of the parcel(s) was also an agreement to be subject to the assessments. As such, the assessments for all the Districts and Zones described in this Report that were established prior to the passage of Proposition 218 are exempt from the provisions of Article XIII D. All subsequent formations or annexations that required the establishment of new assessments as well as any subsequent increases to existing assessments (including any inflationary adjustments or changes in the method of apportionment, if any) have been established and approved pursuant to the procedure and approval process of Section 4 of Article XIII D. It is the understanding of Public Works, acting as Engineer, that the assessments established for each District and the Zones therein were originally imposed to fund a degree of maintenance, which can fluctuate from year to year, but as long as the maximum assessment for any prior year is not exceeded in future years, assessment balloting is not required.

The following Zones were formed before 1996 and therefore exempt from Proposition 218 voting, unless the maximum rates are increased:

Zone	Zone Name	Annexation
1-1	Stevenson Ranch Parkway	7/12/1979
2-19	Sagewood Valencia	8/10/1995
2-25	Stevenson Ranch	8/10/1995
2-26	Emerald Crest	8/10/1995
2-34	Hacienda	8/10/1995
2-36	Mountain Valley	8/10/1995
2-40	Castaic Shadow Lake	8/10/1995
2-43	Rowland Heights	8/10/1995

LLA District No. 1

The annual assessment for LLA District No. 1, Zone 1 is not impacted by any additional requirements of Proposition 218 as it falls within the specified exemption of the Proposition. Assessments for LLA District No. 1 Annexation A - Copperhill Drive (Zone 1A) was approved pursuant to Article XIII D in Fiscal Year 2002-03. A large portion of the area within Zone 1A was incorporated into the City of Santa Clarita as part of Annexation No. 2016-07 (West Creek). All the landscaping improvements within the annexed areas were turned over to the City of Santa Clarita for Fiscal Year 2017-18. As a result, only a small portion of a median along Copperhill Drive remains within unincorporated County jurisdiction.

LLA District No. 2

All of the Zones within LLA District No. 2 addressed in this Engineer's Report except Zone Nos. 32, 38, 45, 55, and 58 are exempt from Article XIII D of the California Constitution. Assessments for Zone Nos. 32, 45, 55, and 58 were approved pursuant to Article XIII D in Fiscal Year 1997-98. Assessments for Zone No. 38 were approved pursuant to Article XIII D in Fiscal Year 1998-99.

Assessments for Zone No. 21 were amended and approved pursuant to Article XIII D in Fiscal Year 2008-09 (July 1, 2008).

An assessment increase for Zone No. 37 was approved pursuant to Article XIII D in Fiscal Year 2018-19 (July 24, 2018).

LLA District No. 4

Assessments for Zone Nos. 63 and 64 of LLA District No. 4 were approved pursuant to Article XIII D in Fiscal Year 1997-98 when the District was formed. Assessments for Zone No. 66 were approved pursuant to Article XIII D in Fiscal Year 1998-99. Assessments for Zone Nos. 68, 69, and 70 were approved pursuant to Article XIII D in Fiscal Year 1999-2000.

Assessments for Zone Nos. 73 and 75 were approved pursuant to Article XIII D, in Fiscal Year 2001-02 (July 10, 2001).

Assessments for Zones Nos. 78 and 79 were approved pursuant to Article XIII D commencing Fiscal Year 2010-11 (June 22, 2010).

Assessments for Zones No. 80 were approved pursuant to Article XIII D commencing Fiscal Year 2012-13 (June 26, 2012).

Assessments for Zones No. 82 were approved pursuant to Article XIII D commencing Fiscal Year 2019-20 (September 25, 2018).

D. ZONES WITH CONSUMER PRICE INDEX ALLOWANCES

As part of the assessment approval process, property owners for the following Zones authorized an annual increase in the assessments in an amount not to exceed the change in the Consumer Price Index, of All Urban Consumers, for the Los Angeles-Long Beach-Anaheim, CA ("CPI"), from February of the prior year to February of the current calendar year. This increase enables the District to keep current with increases in the cost of labor and materials.

The maximum assessment rates for the following Zones will be increased by 3.11% for Fiscal Year 2025-26 in accordance with CPI increase from February 2024 to February 2025.

LLA District No. 2	
Zone 25 Stevenson Ranch	Zone 37 Castaic Hillcrest
Zone 26 Emerald Crest	Zone 38 Sloan Canyon

LLA District No. 4	
Zone 66 Valencia Marketplace	Zone 78 The Old Road Area-Wide
Zone 70 Somerset Castaic (Lakeview)	Zone 79 The Old Road Local
Zone 73 Westridge	Zone 80 Entrada
Zone 75 Westridge Area-Wide	Zone 82 Spring Canyon

B. DESCRIPTION OF THE DISTRICTS/ZONES AND SERVICES

The Districts and Zones therein provide the continued maintenance, servicing, administration, and operation of various landscape improvements and associated appurtenant landscape structures located within the public rights-of-way and dedicated landscape easements associated with the various tracts and on individual parcels located within the Districts. Each tract or parcel is identified within a designated Zone with differing costs and benefits to the parcels within that Zone. The spreading of the improvement costs is based upon the total cost of the improvements within each Zone and is proportionately spread among all benefiting properties within the Zone based on either land use and acreage or number of parcels.

The following are descriptions of the Districts and Zones therein:

LLA District No. 1

Zone 1 Stevenson Ranch Area Wide

Zone 1 is located in the Unincorporated Community of Stevenson Ranch, west of the Interstate 5 Freeway on Stevenson Ranch Parkway and Pico Canyon Road. Zone 1 is a 1.5 acres center median. Zone 1 consists of one acre of landscaped and irrigated median and 0.3 acres of stamped concrete. The zone contains five irrigation controllers, five backflow prevention devices, approximately 30 brass irrigation valves, five master valves and five flow meter sensors. Zone 1 underwent landscape renovations in April 2024 on Stevenson Ranch Parkway entryways.

Zone 1A Copperhill Drive

Effective November 15, 2016, a large portion of the area within Zone 1A was incorporated into the City of Santa Clarita as part of Annexation No. 2016-07 (West Creek). All the landscaping improvements within the annexed areas were turned over to the City of Santa Clarita for maintenance on July 1, 2017. As a result, only a small portion of a median along Copperhill Drive remains within unincorporated County jurisdiction.

LLA District No. 2

Zone 19 Sagewood Valencia

Zone 19 is located in the Unincorporated Community of Castaic surrounded by Live Oak Road south of Quincy Street going south toward State Route 126. Zone 19 consists of about 0.50 acre

of maintained area, one controller, two backflow prevention devices, 15 irrigation valves, and one master valve.

Zone 21 Sunset Pointe

Zone 21 is located in the Unincorporated Community of Stevenson Ranch, west of the Interstate 5 freeway west of The Old Road and North of Sagecrest Circle. Services

The services necessary for the districts include, but are not limited to the following:

The operation, maintenance, renovation, and installation of landscaping, including trees, shrubs, turf, creation of defensible space per Los Angeles County Fire Requirements found in the Los Angeles County Code of Ordinances Title 32, other ornamental vegetation, servicing of related appurtenant landscape structures or facilities, and new landscape features such as plant material, trees, upgraded irrigation systems, or drought tolerant landscaping.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of the landscaping and related appurtenant landscape structures or facilities, including repair, removal, or replacement of all or part of any of the landscaping or appurtenant landscape facilities; providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, and treating for disease or injury; the removal of trimmings, rubbish, debris, other solid waste; and pest control.

Servicing means the furnishing of electricity for the operation of any related appurtenant landscape structures or facilities, and water for the irrigation and control of the landscaping and the maintenance of any of the landscaping and related appurtenant landscape structures or facilities.

Fiscal Year 2025-26 Updates

All zones, excluding District No. 4, Zone 73, District No. 2, Zone 38, and District No. 2, Zone 34, will be assessed at the Maximum Assessment Rate for Fiscal Year 2025-26.

Due to the solicitation of new maintenance contracts, some zones are subject to decreases in service in FY 2025-26 based on new contract costs. Regardless of new maintenance contract costs, the following zones will be undergoing changes to the level or scope of maintenance service during Fiscal Year 2025-26:

Zone 1 – Stevenson Ranch Area Wide: The Zone underwent landscape renovations in April 2024 on Stevenson Ranch Parkway entryways. In 2025, approximately 1 acre of the existing landscape was replaced with new plant material. New solar flood lights were added to the entry monument signs. Sections of the median will be mulched and fertilized as needed.

Zone 19 – Sagewood Valencia: Based on projected revenues and expenses, the Zone will not have sufficient funds to maintain a full level of service through Fiscal Year 2025-26. The Zone will continue to be subject to annual assessments for maintenance of improvements up to the authorized maximum assessment. Due to the lack of sufficient funds, maintenance and services are operating at a reduced level. As part of essential maintenance efforts, a broken pipe located was repaired.

Zone 21 – Sunset Pointe: The Zone has been operating with lack of sufficient funds and therefore decreased maintenance services. Community meetings were held on June 11, 2024, September 16, 2024, and October 22, 2024, as well as an open house on June 17, 2024, to discuss current services and a potential assessment fee increase. A proposed assessment fee increase was

voted on and no majority protest was found at the Public Hearing held on April 29, 2025. Services will be increased to the level discussed during the 2024 community engagement meetings. A one-time zone overhaul project was conducted. The scope of work of this project included concrete drainage repairs, the installation of seven weather-based irrigation controllers with flow sensors and master valves, and trimming of approximately 950 trees..

Zone 25 - Stevenson Ranch: The Zone has been going through planting renovations along various parkway slopes at the community's request, such as: Stevenson ranch Parkway, Wilde Ave, Poe Parkway Hemmingway, and Stafford Canyon. The work involved planting and mulching of over 4,000 plants. To enhance the irrigation systems, older galvanized pipes that were deteriorating were replaced with durable UVR/PVC-piping along Steinbeck Avenue and Joyce Place. Furthermore, over 2,500 trees have been trimmed to help maintain the area's aesthetic appeal and tree health.

Zone 26 – Emerald Crest: Based on projected revenues and expenses, the Zone will not have sufficient funds to maintain a full level of service through Fiscal Year 2025-26. The Zone will continue to be subject to annual assessments for maintenance of improvements up to the authorized maximum assessment. Due to the lack of sufficient funds, maintenance and services are operating at a reduced level.

Zone 32 – Lost Hills Commercial: Maintenance of the Zone is limited to weed abatement and as-needed maintenance to clear debris and minimize water intrusion into the slope.

Zone 34 – Hacienda: A controller was upgraded and mulch was added to the center medians on Hacienda Boulevard. Six trees were removed by Southern California Edison due to safety interferences with their powerlines. The six trees were replaced by the zone.

Zone 35 – Montebello: A grant funded 3rd phase of the three-phase landscape improvement project was completed in April 2025. The project focused on preserving existing vegetation and upgrading irrigation systems for two controllers. Landscape enhancements included planting 12 new trees in the median, adding mulch and shrubs, hydroseeding, applying weed control and soil treatments. To prevent erosion and support healthy plant growth, geotextiles and plastic sheeting were installed along with earth dikes, drainage swales, slope drains, and stream bank stabilization.

Irrigation improvements featured new valve boxes, drip lines, pressure relief valves, coupling valves, and gauge valves for better water management. A decomposed granite path was added for improved access and visual appeal. One controller was upgraded with a new master valve, flow sensor, remote control valves, air relief valves, conduit, and enclosures.

Zone 36 – Mountain Valley: Based on projected revenues and expenses, the Zone will not have sufficient funds to maintain a full level of service through Fiscal Year 2025-26. The Zone will continue to be subject to annual assessments for maintenance of improvements up to the authorized maximum assessment. Due to insufficient funding, maintenance activities and service levels have been reduced. Vegetation management measures were implemented within these constraints, including the removal of dead Acacia in one area.

Zone 37 – Castaic Hillcrest: 11 controllers were upgraded to weather-based smart controllers with flow sensors to better track water usage and potential leaks. A fallen tree was removed, and

overgrown Acacia was cleared. New plants were installed in the median and at the community entrances. Acacia was reduced in multiple areas as part of ongoing landscape management. Two stolen backflow prevention devices were replaced.

Zone 38 – Sloan Canyon: Ground cover was replanted in affected areas restoring vegetation and improving the landscape stability. Two new smart, weather-based irrigation controllers were installed. Rotor sprinklers were added at the end of Barcelona Place for improved coverage and fire risk. Dead Acacia trees were removed and part of the irrigation system was adjusted.

Zone 40 – Castaic Shadow Lake: A stolen backflow prevention device was replaced, which affects the amount of existing fund. Based on projected revenues and expenses, the Zone will not have sufficient funds to maintain a full level of service through Fiscal Year 2025-26. The Zone will continue to be subject to annual assessments for maintenance of improvements up to the authorized maximum assessment. Due to the lack of sufficient funds, maintenance and services are operating at a reduced level. A community meeting was held on December 3, 2024 to update the community on the current budget.

Zone 43 – Rowland Heights: Two stolen backflow prevention devices were replaced. Due to the lack of sufficient funds, maintenance and services are operating at a reduced level. A community meeting was held on April 8, 2025 to inform residents about the current budget situation.

Zone 55 – Castaic North Bluff: Based on projected revenues and expenses, the Zone will not have sufficient funds to maintain a full level of service through Fiscal Year 2025-26. Community meetings were held on October 29, 2024, December 11, 2024, and February 25, 2025, as well as a community walk on November 10, 2024 to discuss decreased services and an assessment fee increase to increase services. A proposed assessment fee increase was voted on, and the Public Hearing will be held on July 22, 2025. Should the assessment increase pass, services will be increased to the level discussed during the community engagement meetings. Should the assessment increase fail, the Zone will continue to be assessed at the maximum allowable amount and the maintenance and services will continue to operate at a reduced level.

Zone 58 – Rancho El Dorado: 45 trees were trimmed at the recommendation of a certified arborist, and one fallen tree was removed.

Zone 63 – The Enclave: Based on projected revenues and expenses, the Zone will not have sufficient funds to maintain a full level of service through Fiscal Year 2025-26. The Zone will continue to be subject to annual assessments for maintenance of improvements up to the authorized maximum assessment. Due to the lack of sufficient funds, maintenance and services are operating at a reduced level.

Zone 70 – Somerset Castaic (Lakeview): New groundcover was planted, overgrown acacia was removed, and two new irrigation pumps were installed.

Zone 73 – Westridge: A series of maintenance activities were completed at the request of the residents, including the replanting of parkway areas along Valencia Boulevard and Westridge Parkway and along Sycamore Meadow, and supplemental fertilizer was applied to turf areas, followed by the replacement of corroded electrical junction boxes in control panels. Recycled water signage was updated per instruction of Santa Clarita Valley Water Agency.

Zone 75 – Westridge Areawide: Mulch was installed along the medians of Valencia Boulevard. Recycled water signage was updated per instruction of Santa Clarita Valley Water Agency.

Zone 79 – The Old Road Local: A commercial construction project encroached on the LMD landscape easement, which decreased the maintenance area in the zone slightly. Revision to the maintenance easement is in progress and the diagram in this report (Appendix B) will be updated in a future engineer's report when the changes are final. Recycled water signage was updated per instruction of Santa Clarita Valley Water Agency.

Zone 80 – Recycled water signage was updated per instruction of Santa Clarita Valley Water Agency.

C. BENEFIT ZONES DIAGRAM

Appendix B shows the boundaries of each of the Zones within LLA District Nos. 1, 2, and 4. The lines and dimensions of each existing parcel within each Zone for the Fiscal Year 2025-26 Assessment are shown on the Assessor's maps maintained by the County of Los Angeles, Office of the Assessor. Each existing parcel is identified by a distinctive number (Assessor's Parcel Number) which is shown on the Assessor's maps. Said maps are incorporated herein by reference.

III. DISTRICT BUDGET

A. ESTIMATED COST OF IMPROVEMENTS

The 1972 Act provides that the estimated costs of the landscape improvements for the fiscal year shall include the total cost of constructing or installing all proposed improvements, the total cost of maintaining and servicing all existing and proposed improvements, and incidental expenses. Incidental expenses may include reserves to fund the maintenance and servicing of the Zones until December 10 of the fiscal year or whenever Public Works begins to receive revenue from assessments collected by the County Auditor-Controller.

The 1972 Act also provides that the amount of any surplus, deficit, or contribution be included in the estimated cost of improvements. The net amount to be assessed on the parcels within each LLA District and Zone is the total cost of installation, maintenance, and servicing with adjustments either positive or negative for reserves, surpluses, deficits, and/or contributions.

The specific estimated costs of improvements for each of the Zones are extensive and are not bound in this Report but are incorporated herein by reference. The estimated costs are on file in the office of the Los Angeles County Department of Public Works, Landscape Maintenance Districts where they are available for public inspection.

B. ZONE BUDGETS

The Zone Estimated Budgets for Fiscal Year 2025-26 have been included as Appendix A of this Report. Please refer to that section for details.

IV. METHOD OF APPORTIONMENT

A. BENEFIT

The 1972 Act provides that assessments may be apportioned upon all assessable lots or parcels of land within an assessment District in proportion to the estimated benefits to be received by

each lot or parcel from the improvements. In addition, Proposition 218 requires that a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. The Proposition provides that only special benefits are assessable, and the County must separate the general benefits from the special benefits conferred on a parcel. A special benefit is a particular and distinct benefit over and above general benefits conferred on the public at large, including real property within the District. The general enhancement of property value does not constitute a special benefit.

B. SPECIAL BENEFIT

In a landscape maintenance District or Zone, the developers of the land typically install the landscape improvements for the benefit of properties within the development, and the continued maintenance thereof is guaranteed through the establishment of a landscape maintenance district. In accordance with Proposition 218, the methods of apportionment determined for the Districts and Zones included in this report utilize accepted engineering practices to determine the proportionate special benefit derived by each parcel in relation to the entirety of the cost to operate, maintain, and service the improvements within each separate and distinct Zone.

The improvements within the Zones, for which properties are being assessed, are essential for the development of properties within the particular Zone to their fullest potential and use. These improvements were originally installed in connection with the collective development of the properties within the Zones and were considered to be an integral part of developing those properties, consistent with the associated development plans. Furthermore, these improvements were neither required nor necessarily desired by any properties or developments outside the Zone boundaries but were installed as enhancements to the development of the properties within the Zone.

Each assessed parcel within the Zones receives a particular and special benefit over and above any general benefit that may be conferred by the improvements. The services provided by the Zone enhance the suitability of each parcel within the Zones for human occupation. Examples of special benefits that parcels may enjoy including the following:

- Creation of individual lots for residential and commercial use that, in the absence of landscape improvements, would not have been created;
- Enhancement of each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-maintained landscape improvements increase the likelihood of attracting businesses to purchase or lease property within the Zone as well as drawing clientele.

Each Zone is unique in required maintenance responsibilities, land use types, and size, therefore, the specific special benefit received by each Zone is particular to that specific zone.

C. GENERAL BENEFIT

In addition to the special benefits received by the parcels within each of the various Districts or Zones, the maintenance, operation, and servicing of landscaping may also provide general benefits to properties. There is no widely accepted or statutory formula for quantifying general benefits. General benefits are those derived from improvements or services that are not special in nature, are not "particular and distinct," and are not "over and above" the benefits received by other properties.

The California Supreme Court's decision in *Silicon Valley Taxpayers Association, Inc. v. Santa Clara County Open Space Authority* provides clarification by stating that general benefits provide "an indirect, derivative advantage" and are not necessarily proximate to the improvements.

In interpreting Article XIII D, Section 2, subdivision (b) of the California Constitution, the Court noted: "General benefits are not restricted to benefits conferred only on persons and property outside the assessment district, but can include benefits both 'conferred on real property located in the district or to the public at large.'" (*Silicon Valley Taxpayer's Ass'n v. Santa Clara County Open Space Authority* (2008) 44 Cal.4th 431, 455, citing Art. XIII D, § 2, subd. (i)). Furthermore, the Court found that "public at large" means all members of the public – including those who live, work, and shop within the district – and not simply transient visitors. (*Ibid.*)

While the landscape improvements within the Districts and Zones provide a special benefit to each parcel within the boundaries, they also offer a degree of general benefit since members of the public may pass through the Zones and derive value from the enhanced aesthetics. Additionally, these improvements can contribute to enhanced property values both inside and outside the Zones. Due to the indirect nature of these general benefits, especially those conferred to properties outside of the Zones, it is not feasible to precisely quantify their value. However, these general benefits are conservatively estimated to comprise approximately 12 percent of the total benefits provided by the Zone improvements.

LLA District No. 1

Parcel assessments and benefits for the original parcels in LLA District No. 1 were addressed in previously approved Engineer's Reports. The majority of the improvement maintenance within this District was transferred to the City of Santa Clarita in November 1997 with the remaining maintenance for LLA District No. 1 being associated with improvements in the area known as Stevenson Ranch, the boundaries of which are coterminous with the boundaries of Zone 25 of LLA District No. 2. This transfer of a portion of the improvements to the City of Santa Clarita did not change the benefit findings established in prior Engineer's Report, as the remaining improvements are associated specifically with the properties in Stevenson Ranch. Similar to LLA District No. 1, the improvements associated with Annexation LLA District No. 1A - Copperhill Drive are specifically within the boundaries of those annexation areas and provide a special benefit to only parcels within those respective areas. The general and special benefits for Annexation LLA District No. 1A - Copperhill Drive were addressed in previously approved Engineer's Reports. The City of Santa Clarita has taken over the areas which receive benefit from the improvements for this zone.

The primary benefits derived from the maintenance of the specific landscape improvements associated with each of these distinctive areas of LLA District No. 1 include the following:

- Creation of individual lots for residential and commercial use which, in the absence of the landscape improvements, may not have otherwise been feasible;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-maintained landscape improvements increase the attractiveness of the Zone to prospective businesses and their potential clientele.

In view of the fact that the benefits derived apply equally to all residents and parcels, within each respective area, it has been determined that only the taxable parcels within each respective area of LLA District No. 1 (Stevenson Ranch) receive benefit from the improvements associated with their respective development and community and the net amount to be assessed in each respective area shall be apportioned to only those parcels that benefit in those respective areas.

LLA District No. 2

For Zone Nos. 19, 25, 26, 32, 38, 45, 51, 55 and 58, the determination of general and special benefits was addressed in previously approved Engineer's Reports. For Zone No. 21 a determination of general and special benefit was addressed in the LLA District No. 2, Zone 21, the determination of general and special benefit was addressed in the LLA District No. 2, Zone 21, Sunset Pointe Engineer's Report, March 2025. For Zone No. 37, the determination of the special benefits was addressed in the 2018-19 Engineer's Report. If approved, the determination of the general and special benefit for Zone No. 55, were addressed in LLA District No. 2, Zone 55, Castaic North Bluffs Engineer's Report, June 2025. Said benefits are summarized as follows:

Zone No. 21 (Sunset Pointe)

Special benefits enjoyed by residents assessed in Zone 21 include the following:

- Creation of individual lots for residential and commercial use that, in the absence of the landscape improvements, would not have been created;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-kept landscape improvements increases the draw of businesses to purchase or lease property within the Zone and opportunity to draw clientele; and
- Close proximity, as defined above, to improved landscaped areas and other public improvements within the Zone.

Zone No. 25 (Stevenson Ranch)

For Zone 25 the area within the road rights-of-ways, and surrounding the development are landscaped easements. Special benefits enjoyed by residents assessed in Zone 25 include the following:

- Creation of individual lots for residential and commercial use which, in the absence of the landscape improvements, may not have otherwise been feasible;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-maintained landscape improvements increase the attractiveness of the Zone to prospective businesses and their potential clientele.

Zone Nos. 32, 38, 55, and 58 (Lost Hills Commercial, Sloan Canyon, Castaic North Bluff and Rancho El Dorado)

All of the lots or parcels within each of the Zones receive special benefits equally from the maintenance of the improvements. Special benefits enjoyed by parcels in these zones include the following:

- Creation of individual lots for residential and commercial use which, in the absence of the landscape improvements, would not have been created;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot.

Zone No. 45 (Lake Los Angeles)

Lake Los Angeles Park also known as Stephen Sorensen Park is available for the use and enjoyment of residents, customers, clients, employees, and visitors of those parcels located within the benefit Zone, as well as residents, customers, clients, employees, and visitors of those parcels located outside of the benefit Zone. For Lake Los Angeles Park, the potential for use of the park facilities by residents, customers, clients, employees, and visitors of those parcels located within the benefit Zone is the portion of the benefit allocable to special benefit. The potential for use of the park facilities by residents, customers, clients, employees, and visitors of those parcels located outside the benefit Zone is the portion of the benefit allocable to general benefit.

The primary benefits derived from the maintenance and improvements for Zone 45 - Lake Los Angeles are the beautification of a community park, the creation of an open space, and the development of recreational areas that are available to be used and/or enjoyed by all of the property owners within the Zone. In view of the fact that the benefits derived apply equally to all parcels, it has been determined that all assessable parcels would receive the same net assessment. Costs for general benefits derived from the maintenance and operation of this zone are excluded from the assessment amount.

LLA District No. 4

For Zone Nos. 63, 64, 66, 70, 73, 75, 78, 79, 80 and 82, the determination of general and special benefits was established in previously approved Engineer's Reports and is summarized as follows:

The grading and the landscaped slopes were a necessary condition for the establishment of the separate lots or parcels within the Zones. Since each lot or parcel required the improvements to exist, each lot receives an equal and special benefit from the improvements. No one lot received any more benefit from the improvements than any other lot. Since no lots outside the Zones receive this benefit, it is a unique and special benefit to only these lots of parcels in the Zones.

In a single-family residential Zone, all of the parcels in the Zone receive the same special benefit from the improvements, due to their similarity in size and use and their similar proximity to the improvements. Therefore, as the benefits derived apply equally to all parcels, it has been determined that all taxable parcels would receive the same net assessment.

The same general and special benefits, except for Zone No. 66, 78, 79, 80 and 82, apply for LLA District No. 4.

Zone No. 66 (Valencia Marketplace)

Zone No. 66 includes a landscaped street median. Special benefits enjoyed by parcels in this zone include the following:

- Creation of individual lots for residential and commercial use which, in the absence of the landscape improvements, may not have otherwise been feasible;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-maintained landscape improvements increase the attractiveness of the Zone to prospective businesses and their potential clientele.

Zone No. 78 (The Old Road Area-Wide)

The improvements maintained and funded by the assessments include the landscaping and related amenities of the street median islands along Magic Mountain Parkway and The Old Road within the boundaries of Zone No. 78. Special benefits enjoyed by parcels in this zone include the following:

- Creation of individual lots for residential and commercial use which, in the absence of the landscape improvements, may not have otherwise been feasible;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-maintained landscape improvements increase the attractiveness of the Zone to prospective businesses and their potential clientele.

Zone No. 79 (The Old Road Local)

The improvements maintained and funded by the assessments include the landscaping and related amenities in the public landscaped parkways along Magic Mountain Parkway and The Old Road within the boundaries of Zone No. 79. Special benefits enjoyed by parcels in this zone include the following:

- Creation of individual lots for residential and commercial use which, in the absence of the landscape improvements, would not have been created;
- Enables each parcel to be sold, leased, financed or utilized as a separate lot;
- For commercial properties, the improved aesthetic appeal and enhanced desirability resulting from well-maintained landscape improvements increase the attractiveness of the Zone to prospective businesses and their potential clientele.

Zone No. 80 (Entrada)

The improvements maintained and funded by the assessments include the landscaping and related amenities of the slopes and parkways within the boundaries of Zone 80. The specific plans and specifications for the improvements are on file in the office of the Los Angeles County Department of Public Works, Landscape Maintenance Districts, where they are available for public inspection.

During Fiscal Year 2024-25, the streets surrounding the zone were realigned, which impacted the size of the area being maintained. The type of improvements remains unchanged.

Zone No. 82 (Spring Canyon)

Currently, the district has no maintenance costs as the district is developing. The improvements to be maintained and funded by the assessments once developed include the landscaping improvements and related amenities, which may include landscape improvements and facilities within street rights-of-way, slopes, parks, open spaces, or other public areas and/or easements that are in proximity to and provide special benefits to the properties and developments within LLAD No. 4.

D. LLA DISTRICT/ZONE ASSESSMENT METHODOLOGY

For all districts and zones, in determining the total cost per zone for each fiscal year, the total estimated cost of the landscape improvements (installation, construction, annual maintenance and servicing expenses, and operating reserves) less the surplus from the previous fiscal year and the interest earned on said surplus, were used to determine the amount to be assessed. In

addition to any prior year surpluses, a credit may be applied to certain zones to reduce the amount to be assessed based on maintenance to the authorized improvements that is funded by other sources. For all zones, except for the “exceptions” described below, due to the fact that the benefits derived apply equally to all parcels, it has been determined that all assessable parcels would receive the same net assessment. The cost to be assessed on each parcel is determined by dividing the total amount to be assessed by the number of assessable parcels within the Zone.

Exceptions to the above-mentioned methodology are for improvements and services associated with specific annexations or Zones where it has been determined that a variation in benefit exist between parcels within that Zone or annexation area and a more appropriate allocation of benefit is based on EBU rather than a per parcel method of apportionment. An EBU method of apportionment is currently applied to calculate each parcel's proportional benefit and assessment in the following Zones or District Designations:

Zone 21 (Sunset Pointe) of LLA District No. 2
 Zone 25 (Stevenson Ranch) of LLA District No. 2
 Zone 37 (Castaic Hillcrest) of LLA District No. 2
 Zone 78 (The Old Road Area-Wide) of LLA District No. 4
 Zone 79 (The Old Road Local) of LLA District No. 4
 Zone 80 (Entrada) of LLA District No. 4
 Zone 82 (Spring Canyon) of LLA District No. 4

Accordingly, the methodologies used for the Districts and Zones in the LLA Districts No. 1, No. 2, and No. 4 are as follows:

Land Use	Description	Parcel or EBU
All Parcels	Various	1.00

Zones 21, 25, 26 and 37 within LLA District No. 2; Zones 78, 79, 80 and 82 within LLA District No. 4, which are the exceptions to the above table are identified below.

FINDINGS PURSUANT TO CEQA GUIDELINES SECTION 15273

The Board of Supervisors finds as follows:

1. The proposed action is to levy assessments for landscape maintenance charges for the Landscape Maintenance Districts (LMDs), beginning Fiscal Year 2025-26.
2. The proposed assessments are based on a detailed Engineer's Report, which has estimated anticipated expenses for the operation and maintenance of landscaping and related to each LMD. The Engineer's Report has confirmed that the assessments are necessary to recover actual costs associated with performance of specific services related to each LMD.
3. For the above reasons and those stated in the July 1, 2025, Board letter and accompanying documents related to this assessment increase, the proposed action is exempt under the California Environmental Quality Act pursuant to Section 21080, subsections (b)(8), of the California Public Resources Code and Section 15273 of the California Environmental Quality Act guidelines.
