8.		Favor	DeLlora Ellis-Gant	<p>The Los Angeles County African American Employees Association (LACAAEA)supports this motion. We commend the Board's commitment to advancing employee well-being, community engagement, and culture of wellness within the County family.</p> <p>While LACAAEA will not be able to participate in the Wellness Challenge event due to our schedule Hate Crime, Hate Incident Report presentation, we will actively encourage our members to attend and participate on Saturday, October 4th, 2025 at Whittier Narrows. The Countywide Wellness Challenge aligns with our association's strategic plan to foster health, holistic wellness, and euity among African American employees and the broader workforce. We will amplify and promote the Challenge across our social media platforms to increase awareness and participation.</p> <p>Please do not hesitate to contact us at president@lacaaea.org, if there is any way we may be of additional assistance or support. We look forward to the continued efforts that this Board takes to enhance the health and vitality of our County family.</p>
