Agenda #	Relate To	Position	Name	Comments
14.		Favor	Ann Dorsey	
			Carlos M Montes	Public safety police officers have no reason to hide their faces and identity.
			grace doyle	In support of requiring unmasked officers.
			Jannet Torres	
			Jenna Cobb	
			Joel Barrus	
			Lawrence Murata-Shih	Secret police are a feature of authoritarian governments, and have NO place in our County. I urge all Supervisors to approve this motion, and take a stand for all of us to hold law enforcement accountable. My hope is that this bill is not only approved unanimously, but also expeditiously handled so that we may protect our fellow County residents ASAP. Thank you.
			Nick ScottRussell	Unmask officers to protect Angelenos.
			Nick ScottRussell	Unmask officers please. I've never seen my community in such a state of fear... all agents, at all levels, should be her to protect the community, not create fear.
			Yadi -	I support the identification requirement. The mask restrictions may not hold up to legal scrutiny, plus the state is working to protect individual's rights to wear a mask for health and safety reasons, which can be used as a loophole and render a ban futile. The board should also write the governor to sign SB 805.
