Agenda #	Relate To	Position	Name	Comments
41.		Oppose	Yadi -	Oppose Federal Equitable Sharing. Asset forfeiture is government-sanctioned money laundering. These funds are MAINLY used for law enforcement equipment which reporting has found prolific abuse, buys military and surveillance equipment. The other small funds are used for law enforcement overtime.
				Although permitted through the federal equitable sharing, Los Angeles uses NO/ZERO funds for educational or awareness programs. Uses NO/ZERO funds for community programs.
				If funds aren't used for direct community reinvestment, then what is the point?
