37.		Oppose	Jillian A Conde	There is no need to place a tow away zone on Rosemead Blvd. This is a way for the county to force people to pay the \$10 daily fee to enter Whitter Narrows. I Request the county not pass the traffic regulation on Rosemead Blvd but also rescind the traffic regulation order prohibiting parking anytime on the east side of Lexington-Gallatin Road. Also, I request that a crosswalk or walkway be installed for pedestrian crossing on Santa Anita Avenue from Lexington-Gallatin Road to get to Legg Lake, and that the empty lot on the west side of Lexington-Gallatin Road be cleaned up to prevent a fire hazard and allow people to access to their vehicles from the passenger side of their vehicles. Thank you.
