August 12, 2025

Ratification of Proclamation for Local Emergency for the Canyon Fire

Beginning on August 7, 2025, the Canyon Fire ignited in Ventura County, rapidly spreading to surrounding areas in the County of Los Angeles (County), including Hasley Canyon, Oak Canyon, Romero, and Val Verde, and has burned over 4,856 acres. The Canyon Fire has necessitated evacuations of County residents, led to major road closures and power disruption, and required multiple human and pet sheltering operations. The Canyon Fire poses a threat to residential structures, businesses, and critical infrastructures in the area. Coordination, collaboration, and the combined forces of different jurisdictions are imperatively needed to effectively respond to and recover from these and other likely related events.

On August 7, 2025, the Chair of the Los Angeles County Board of Supervisors, proclaimed the existence of a local emergency for the Canyon Fire (Proclamation of Local Emergency) in the County.
