37.	49	Favor	Cindy H Berra	We of the unincorporated areas of the 2nd District agree with the motion to amend Section 15.64.075, adding fines for all nonconforming vehicles illegally parked on public roadways. Our areas have been plagued with large, oversized, unsightly and dilapidated vehicles for close to a decade with extremely little help from former Supervisor Mark Ridley-Thomas and current Supervisor Holly J Mitchell. The only assistance which has been 100% effective has been the installation of prohibitive NCV signs and the reliable enforcement of these restrictions. The use of these signs must be expanded to the entire length and breadth of the unincorporated areas as quickly as possible and appropriate fines should be made applicable post haste. We stand in favor of the motion.

49.		Favor	Cindy H Berra	We of the unincorporated areas stand in favor of adding applicable fines for the signs we rely upon to protect our streets and communities. Applicable fines and penalties are the most effective means of preventing drivers from violating parking restrictions, clogging our already congested streets. We say YES!
