10.		Other	Kim Cooper	We have expressed our concerns to the office of Supervisor Janice Hahn about this site's history as the historic Rancho Los Amigos cemetery, and the likelihood that thousands of cremains still remain in the earth. We appreciate the assurance from the Supervisor's office that it has taken this information to the California State Office of Historic Preservation (OHP), and is working with a private contractor to do a proper survey of the site before any development begins. We are hopeful that after any former residents of Rancho Los Amigos site are located and moved to an active cemetery, that a memorial garden can be installed, with a plaque honoring the souls who long rested here. -Kim Cooper & Richard Schave Esotouric - Looking out for Los Angeles esotouric.com/pottersfield
