Heal the Bay (HTB) is a nonprofit advocacy group started in 1985 that is dedicated to protecting our waters and watersheds. Through advocacy, education, cleanups, and more, HTB mobilizes thousands of volunteers each year to ensure our coastal waters remain safe, healthy, and clean.

On September 20<sup>th</sup>, 2025, HTB will host their 36<sup>th</sup> Annual Coastal Cleanup Day, “Rebuilding with Resilience”. Coastal Clean Up Day is an international day of action to protect oceans and beaches from debris and plastic pollution. This year, the event will be hosted in collaboration with the California Coastal Commission and the Ocean Conservancy. There will be more than 70 cleanup sites throughout the County.

**I, THEREFORE MOVE** that the Board of Supervisors instruct the Director of the Department of Beaches and Harbors to waive the cost of all parking fees for approximately 7,000 volunteers and support staff at County-operated beach parking lots, excluding the cost of liability insurance, for the Annual Coastal Cleanup Day to be held on September 20, 2025.
