Agenda #	Relate To	Position	Name	Comments
51.		Favor	Daria Brooks	We of the unincorporated areas champion any effort to improve and expand the use of Title 15 codes, particularly the Nonconforming Vehicle Codes, to help to control the excess of unwanted outside parking in our neighborhoods. Our residential streets are being overrun by Recreational Vehicle parking from interlopers, parking by employees from nearby businesses, outsiders who use our streets for illegal food vending, diesel rig parking for sleeping drivers and even vehicles being parked for sale. Without proper signage and fines, our beleaguered Parking Enforcement officers are limited in what they can do to help us. We ask you to approve this motion and to rapidly expand the use of Title 15 NCV ordinances and fines to further protect every unincorporated community in Los Angeles County.
