Continuing Housing Opportunities for Transition-Aged Youth

California's high housing costs have led to housing instability and homelessness. This reality is felt most by young people, including those who are or have been in foster care. Housing instability is critical to the pursuit of higher education, meaningful employment, and self-sufficiency for youth as they transition to adulthood.

When young people exit foster care, it can be challenging to find resources and housing opportunities; and when there are resources, they are often limited in number. Transitional Housing Program Plus (THP-Plus) is one such program, but it has expanded in recent years at the direction of the Los Angeles County Board of Supervisors and the hard work of the Department of Children and Family Services (DCFS). THP-Plus has been a critical housing program for youth ages 18-25 years old who were formerly in foster care.

Housing Navigators can assist youth with identifying appropriate and available housing options; help them access financial support for move-in costs, such as deposits; and provide stabilization support including budgeting, establishing utilities and landlord communication. The State of California, Department of Housing and Community Development issued several allocation acceptance forms, including:

Angeles County may use the funding to provide housing navigation services directly or through a contract with other housing assistance programs in the County.

The THP allocations will be shared among participating counties for the purpose of housing stability to help young people ages 18 to 25 years old secure and maintain housing through THP-Plus. This is a critical opportunity and Los Angeles County should leverage it to support youth previously in foster care.

I, THEREFORE, MOVE that in order to participate in the State of California THP Round 7, HNMP Round 4, and THP-Plus Housing Supplement Round 5 funding allocations, the Los Angeles County Board of Supervisors:

1. Approve the attached resolution authorizing the DCFS to participate in the THP Round 7, HNMP Round 4, and THP-Plus Housing Supplement Round 5 and accept the additional funding allocation.
2. Instruct the Director of DCFS, or designee, to accept the funding for the THP Round 7, HNMP Round 4, and THP-Plus Housing Supplement Round 5 for Los Angeles County, by submitting the signed resolution to the California Department of Housing and Community Development.
3. Delegate authority to the Director of DCFS, or designee, in consultation with County Counsel, to execute amendments to THP-Plus contracts to increase the Maximum Contract Sum to distribute the new funding allocation to accommodate an increase in units of service and/or increase the current rate of the units, and to update THP-Plus contracts for necessary programmatic changes. Execution of

amendments is contingent upon:

a. County Counsel approval being obtained prior to execution of such amendments, and

b. DCFS notifying the Board and the Chief Executive Officer (CEO) in writing, within 10 business days of such amendment.

4. Instruct the Director of DCFS, or designee, in consultation with County Counsel, to execute amendments to the Memorandum of Understanding (MOU) between DCFS and the Department of Health Services (DHS) for Housing Navigators to increase the MOU amount with the new funding allocation.

The THP Allocation Acceptance Form, the HNMP Allocation Acceptance Form, and the THPSUP Allocation Acceptance Form are collectively referred to as the "Allocation Acceptance Forms".

WHEREAS, the Allocation Acceptance Forms relate to the availability of the funds under the THP, HNMP, and THPSUP Programs; and

SECTION 2. That County hereby affirms that if THP funds remain available for allocation after the deadline for submitting a signed Allocation Acceptance Form, and if the County is eligible for an additional allocation from the remaining funds for the THP program, the County is hereby authorized and directed to accept this additional allocation of funds ("Additional THP Allocation") up to the amount authorized by Department but not to exceed $20,883,278.

SECTION 3. That County is hereby authorized and directed to apply for and accept County's allocation award in the amount of $4,489,197 as detailed in the HNMP Allocation Acceptance Form at the time this resolution is executed and authorized.

SECTION 4. That County hereby affirms that if HNMP funds remain available for allocation after the deadline for submitting a signed Allocation Acceptance Form, and if the County is eligible for an additional allocation from the remaining funds for the HNMP program, the County is hereby authorized and directed to accept this additional allocation of funds ("Additional HNMP Allocation") up to the amount authorized by Department but not to exceed $8,978,394.

SECTION 5. That County is hereby authorized and directed to apply for and accept County's allocation award in the amount of $2,629,972 as detailed in the THPSUP Allocation Acceptance Form at the time this resolution is executed and authorized.

SECTION 7. That Director of DCFS, or his or her designee, is hereby authorized and directed to act on behalf of County in connection with the THP, HNMP, or THPSUP Allocation Award and any Additional THP, HNMP, or THPSUP Allocation, and to enter into, execute, and deliver any and all documents required or deemed necessary or appropriate to participate in the THP, HNMP, or THPSUP Program, including but not limited to a Standard Agreement, be awarded the THP, HNMP, or THPSUP Allocation Award, and any additional THP, HNMP, or THPSUP Allocation, and any amendments to such documents (collectively, the "Allocation Award Documents").

***INSTRUCTION**: Multiple signors may be included in Section 7 above. The word "and" between each identified signor should be used if County requires multiple signatures to create a valid, legally enforceable instrument. The word "or" should be used between each identified signor if the County requires the signature of only one of the identified signors in order to create a valid, legally enforceable instrument. The use of "and/or" in this context is legally insufficient and is not acceptable. **It is recommended that Counties list the signatories by title only** so that, in the event of employee turnover, the Department may accept the signature of whomever holds the title when the THP, HNMP, and THPSUP Allocation Award Documents are required to be signed.*

If the County resolution identifies a signor by name, the Department will only accept signatures from that named person as signor on County's behalf, or that named person's designee if the resolution allows signature by a designee. If County's signor is a designee, written proof of the designee signature authority must be provided to the Department with the Resolution. The Department will not accept the signature of the designee without such written proof. The Department will make available a template letter with suggested language which would constitute acceptable proof of designee signature authority.

SECTION 8. That County shall be subject to the terms and conditions that are specified in the THP, HNMP, and THPSUP Allocation Award Documents, and that County will use the THP, HNMP, and THPSUP Allocation Award funds, and any additional THP, HNMP, and THPSUP Allocation funds, in accordance with the Allocation Acceptance Form, the THP, HNMP, and THPSUP Allocation Award Documents, and any subsequent amendments or amendment thereto, as well as any and all other THP, HNMP, and THPSUP requirements, or other applicable laws.
