(c) *Interest; Record Date.* The interest on the Series 2025 Bonds shall be payable on each Interest Payment Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Payment Date, such interest to be paid by check or draft mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 in principal amount of outstanding Series 2025 Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date.

(d) *Interest and Sinking Fund.* Principal and interest due on the Series 2025 Bonds shall be paid from the interest and sinking fund of the District established for such Series 2025 Bonds as provided in Section 15146 of the California Education Code.

(e) *Obligation of the District.* No part of any fund or account of the County is pledged or obligated to the payment of the Series 2025 Bonds. The obligation for repayment of the Series 2025 Bonds is the sole obligation of the District.

(f) *Pledge of, Lien on and Security Interest in Taxes.* The District hereby pledges, and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors of the County with respect to each voter-approved bond measure of the District for the payment of Bonds issued under such bond measure and all amounts on deposit in any interest and sinking fund of the District related to such bond measure with respect to the Bonds of such bond measure, in order to secure the payment of the principal or redemption price of and interest on such Bonds. This pledge and grant shall be valid and binding from the date hereof for the benefit of the Owners of the Bonds and successors thereto. The property taxes and amounts held in any interest and sinking fund of the District shall be immediately subject to this pledge and grant, and the pledge and grant shall constitute a lien and security interest which shall immediately attach to (i) the property taxes and (ii) the amounts held in any interest and sinking fund of the District. This pledge and grant shall secure the payment of such Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant and without the need of any physical delivery, recordation, filing, or further act. The pledge and grant is an agreement between the District and the Owners of Bonds to provide security for the Bonds in addition to any statutory lien that may exist, and the Bonds secured by the pledge and grant are or were issued to finance one or more of the projects specified in the applicable voter-approved measure.

(g) *Insurance.* The payment of principal of and interest on all or a portion of the Series 2025 Bonds may be enhanced by a municipal bond insurance policy as shall be described in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized to apply for, or cause to be applied for, municipal bond insurance for the Series 2025 Bonds and to obtain such insurance if doing so puts the Series 2025 Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis and is deemed to be in the best interests of the District. The Authorized Officers are each hereby authorized, for and in the name and on behalf of the District, to execute and deliver a contract or contracts for such insurance if such contract is deemed by the Authorized Officer executing the same to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract. If the Authorized Officers so deem and obtain municipal bond insurance, and such insurance is issued by a mutual insurance company, the Authorized Officers are each hereby authorized to enter into any required mutual insurance agreement substantially in such insurer's standard form with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of such agreement by such Authorized Officer.

Section 7. Redemption Provisions. (a) *Optional Redemption.* The Series 2025 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be

designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Series 2025 Bonds shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Series 2025 Bonds, if any, are subject to such redemption and are called for redemption, such Series 2025 Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District (or as otherwise set forth in the Bond Purchase Agreement), and if less than all of the Series 2025 Bonds of any given maturity are called for redemption, the portions of such Series 2025 Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent (or as otherwise set forth in the Bond Purchase Agreement).

(c) *Mandatory Sinking Fund Redemption.* The Series 2025 Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Series 2025 Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Series 2025 Bonds shall not be subject to mandatory sinking fund redemption. The Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Series 2025 Bonds as shall be necessary to accomplish the purposes of this Section.

(d) *Notice of Redemption.* Notice of any redemption of the Series 2025 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Series 2025 Bonds and the date of issue of the Series 2025 Bonds; (iii) the redemption date; (iv) the redemption price; (v) the series of Series 2025 Bonds and the dates of maturity or maturities of Series 2025 Bonds to be redeemed; (vi) if less than all of the Series 2025 Bonds of a series of any maturity are to be redeemed, the distinctive numbers of the Series 2025 Bonds of each maturity of such series to be redeemed; (vii) in the case of Series 2025 Bonds of a series redeemed in part only, the respective portions of the principal amount of the Series 2025 Bonds of each maturity of such series to be redeemed; (viii) the CUSIP number, if any, of each maturity of Series 2025 Bonds of a series to be redeemed; (ix) a statement that such Series 2025 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Series 2025 Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2025 Bonds called for redemption or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2025 Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Series 2025 Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2025 Bonds at the place specified in the notice of redemption, such Series 2025 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2025 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund of the District established therefor or the trust fund established for such purpose. All Series 2025 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Series 2025 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption monies are not available in the interest and sinking fund established for the Series 2025 Bonds or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Series 2025 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Series 2025 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption.* Prior to or on the redemption date of any Series 2025 Bonds there shall be available in the interest and sinking fund of the District established for the Series 2025 Bonds, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Series 2025 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Series 2025 Bonds to be redeemed upon presentation and surrender of such Series 2025 Bonds, provided that all monies in the interest and sinking fund of the District established for the Series 2025 Bonds shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District established for the Series 2025 Bonds, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2025 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District established for the Series 2025 Bonds or otherwise held in trust for the payment of the redemption price of the Series 2025 Bonds, the monies shall be held in or returned or transferred to any interest and sinking fund of the District for payment of any outstanding Bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of Bonds of the District, the monies shall be transferred

to the fund created for the payment of principal of and interest on such Bonds. If no such Bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Series 2025 Bonds all or any part of the principal, interest and premium, if any, on the Series 2025 Bonds at the times and in the manner provided herein and in the Series 2025 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District and the County as provided in Section 6 hereof, and such obligation and all agreements and covenants of the District to such Owners hereunder and under the Series 2025 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series 2025 Bonds, but only out of monies on deposit in the interest and sinking fund established for the Series 2025 Bonds or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Series 2025 Bonds by depositing in trust with the Paying Agent or an escrow agent selected by the District, at or before maturity, money and/or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District established for the Series 2025 Bonds, be fully sufficient to pay and discharge the indebtedness on such Series 2025 Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Series 2025 Bonds and remaining unclaimed for two years after the principal of all of the Series 2025 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to any interest and sinking fund of the District for payment of any outstanding Bonds of the District payable from the fund; or, if no such Bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Trustees does hereby consent to and confirm the appointment of the Treasurer, to act as the initial paying agent for the Series 2025 Bonds. The Treasurer is hereby authorized to contract with any third party to perform the services of Paying Agent under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Series 2025 Bonds, or from the interest and sinking fund of the District established for the Series 2025 Bonds, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the Treasurer. If at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution, doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Treasurer and his designated agents or his successors or assigns, acting in the capacity of Paying Agent, and any reference herein to the “principal corporate trust office” of the Paying Agent for purposes of transfer, registration, exchange, payment, and surrender of the Series 2025 Bonds shall initially mean the office of the Treasurer or the principal corporate trust office of his designated agent bank or other office of his designated agent bank designated thereby for a particular purpose; provided, however, that in the event that “Paying Agent” shall refer to any successor paying agent, bond registrar, authenticating agent or transfer agent for the Series 2025 Bonds, “principal corporate trust office” shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(d) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office, sufficient books for the registration and transfer of the Series 2025 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2025 Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2025 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) *Appointment of Depository; Book-Entry System.* Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for each series of the Series 2025 Bonds and the Series 2025 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of “Cede & Co.,” as nominee of DTC. One bond certificate shall be issued for each maturity of each series or subseries of the Series 2025 Bonds; provided, however, that if different CUSIP numbers are assigned to Series 2025 Bonds of a series or subseries maturing in a single year or, if Series 2025 Bonds of the same series or subseries maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Series 2025 Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a “substitute depository”); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) *Transfers.* In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2025 Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Series 2025 Bond for each maturity shall be executed and delivered (in the aggregate principal amount of such Series 2025 Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Series 2025 Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Series 2025 Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Series 2025 Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Series 2025 Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) *Partial or Advance Refundings.* In the case of partial redemption or an advance refunding of the Series 2025 Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Series 2025 Bonds indicating the date and amounts of such reduction in principal.

(d) *Treatment of Registered Owner.* The District and the Paying Agent shall be entitled to treat the person in whose name any Series 2025 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2025 Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series 2025 Bonds.

(e) *Form of Payment.* So long as the outstanding Series 2025 Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Series 2025 Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange. (a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Series 2025 Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2025 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series 2025 Bond or Series 2025 Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2025 Bond or Series 2025 Bonds, of the same series, maturity, Interest Payment Dates and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by any Owner of Series 2025 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series 2025 Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2025 Bonds for redemption, and (ii) after any Series 2025 Bond has been selected for redemption.

(b) *Exchange.* The Series 2025 Bonds may be exchanged for Series 2025 Bonds of other authorized denominations of the same series, maturity, Interest Payment Date and interest rate or rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2025 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2025 Bond or Series 2025 Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2025 Bond or Series 2025 Bonds of the same series, maturity and Interest Payment Dates and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series 2025 Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2025 Bonds for redemption, and (ii) after any Series 2025 Bond has been selected for redemption.

Section 11. Bond Purchase Agreement; Sale of Bonds. (a) *Bond Purchase Agreement.* The form of Bond Purchase Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute

and deliver the Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (a) the true interest cost for the Series 2025 Bonds shall not be in excess of 6.00%, (b) the interest rates on the Series 2025 Bonds shall not exceed 8.00% per annum, (c) the ratio of total debt service to principal of the Series 2025 Bonds shall not exceed four to one, (d) the Underwriter's discount for the sale of Series 2025 Bonds shall not exceed 0.80% of the principal amount of such Series 2025 Bonds (exclusive of any costs of issuance the Underwriter contracts to pay), and (e) the Series 2025 Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Agreement shall recite the aggregate principal amount of the Series 2025 Bonds, and the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any.

(b) *Method of Sale.* The Board of Trustees hereby finds and determines that the sale of the Series 2025 Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Series 2025 Bonds to fit the needs of particular purchasers, and greater opportunity for the Underwriter to pre-market the Series 2025 Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds.

(c) *Reserves and Capitalized Interest.* In accordance with subsections (i) and (j) of Section 15146 of the California Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in the interest and sinking fund of the District established for the Series 2025 Bonds proceeds of sale of the Series 2025 Bonds (in addition to any premium or accrued interest received by the District) to fund (i) an annual reserve permitted by Section 15250 of the California Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Series 2025 Bonds for a period of two years from the date of issuance of the Series 2025 Bonds, as shall be set forth in the Bond Purchase Agreement, if any such deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

(d) *Good Faith Estimates.* In accordance with California Government Code Section 5852.1 and subsection (b)(1)(D) of Section 15146 of the California Education Code, good faith estimates of the following have been obtained from the Municipal Advisor and the Underwriter and are set forth on Exhibit A attached hereto: (i) the true interest cost of the Series 2025 Bonds, (ii) the sum of all fees and charges paid to third parties with respect to the Series 2025 Bonds, (iii) the amount of proceeds of the Series 2025 Bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the Series 2025 Bonds, and (iv) the sum total of all debt service payments on the Series 2025 Bonds calculated to the final maturity of the Series 2025 Bonds plus the fees and charges paid to third parties not paid with the proceeds of the Series 2025 Bonds. In accordance with Section 15146(d) of the California Education Code, the actual costs associated with the issuance of the Series 2025 Bonds shall be presented to this Board of Trustees at its next scheduled public meeting following the sale of the Series 2025 Bonds.

(e) *Costs of Issuance.* In accordance with subsection (h) of Section 15146 of the California Education Code, to the extent not contracted to be paid by the Underwriter, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth in Section 8, as cost of issuance administrator, proceeds of sale of the Series 2025 Bonds (exclusive of any premium or accrued interest received by the District) in an amount not exceeding 2.00% of the principal amount of the Series 2025 Bonds sold, as shall be set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Series 2025 Bonds.

Section 12. Continuing Disclosure Certificate. The Continuing Disclosure Certificate, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer.

Section 13. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Series 2025 Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement by the Underwriter in connection with the offering and sale of the Series 2025 Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). If and to the extent it is necessary to make substantial changes to the Preliminary Official Statement prior to the offering and sale of the Series 2025 Bonds, the use of the Preliminary Official Statement by the Underwriter in connection with the offering and sale of the Series 2025 Bonds, and the certification of its finality within the meaning of Rule 15c2-12 by an Authorized Officer, shall follow the distribution to the Board of Trustees of a revised draft of the Preliminary Official Statement with accompanying directions and instructions to members of the Board of Trustees to review the revised Preliminary Official Statement and provide comments to such Authorized Officer.

Section 14. Official Statement. The preparation and delivery of an Official Statement with respect to the Series 2025 Bonds, and its use by the Underwriter in connection with the offering and sale of the Series 2025 Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Series 2025 Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Series 2025 Bonds and any amendment or supplement

thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 15. Investment of Proceeds. (a) *Deposit of Proceeds.* As provided in subsection (g) of Section 15146 of the California Education Code, (i) except as permitted by subsections (h), (i) or (j) of Section 15146 of the California Education Code, the proceeds of the sale of the Series 2025 Bonds, exclusive of any premium or accrued interest received by the District, shall be deposited in the County treasury to the credit of the building fund of the District established for the Series 2025 Bonds, (ii) the proceeds deposited in the building fund of the District established for the Series 2025 Bonds shall be drawn out as other school monies are drawn out, and (iii) the bond proceeds withdrawn shall not be applied to any purposes other than those for which the Series 2025 Bonds were issued. In accordance with subsection (g) of Section 15146 of the California Education Code, at no time shall the proceeds of the Series 2025 Bonds be withdrawn by the District for investment outside the County treasury. Amounts in the building fund of the District established for the Series 2025 Bonds shall be invested so as to be available for the aforementioned disbursements and the District shall keep a written record of such disbursements. Pursuant to subsection (g) of Section 15146 of the California Education Code, any premium or accrued interest received by the District from the sale of the Series 2025 Bonds, shall be deposited in the interest and sinking fund of the District established for the Series 2025 Bonds.

(b) *Investment of Proceeds.* All funds held in the interest and sinking fund of the District established for the Series 2025 Bonds shall be invested at the discretion of the Treasurer of the County pursuant to State law, including California Government Code Section 53601 *et. seq.*, and the investment policy of the County, as either may be amended or supplemented from time to time. Proceeds of the Series 2025 Bonds held in the building fund of the District established for the Series 2025 Bonds shall be invested at the discretion of the Treasurer of the County pursuant to State law, including California Government Code Section 53601 *et. seq.*, and the investment policy of the County, as either may be amended or supplemented from time to time.

(c) *Investment Agreements.* To the extent permitted by law, at the written request of an Authorized Officer, each of whom is hereby expressly authorized to make such request, all or any portion of the building fund of the District established for the Series 2025 Bonds may be invested on behalf of the District, in investment agreements, including guaranteed investment contracts, float contracts or other investment products (collectively, "Investment Agreements"), which comply with the requirements of each rating agency then rating the Series 2025 Bonds necessary in order to maintain the then-current rating on the Series 2025 Bonds. Pursuant to Section 5922 of the California Government Code, the Board of Trustees hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Series 2025 Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Series 2025 Bonds and funds held to pay the Series 2025 Bonds.

Section 16. Tax Covenants. (a) *General.* The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on any Tax-Exempt Series 2025 Bonds under Section

103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of any Tax-Exempt Series 2025 Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Series 2025 Bonds.

(b) *Yield Restriction.* In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer of the County on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer of the County in writing, and the District shall make its best efforts to ensure that the Treasurer of the County shall take such action as may be necessary in accordance with such instructions.

(c) *Reliance on Opinion of Bond Counsel.* Notwithstanding any provision of this Section, if the District shall provide to the Treasurer of the County an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on any Tax-Exempt Series 2025 Bonds under Section 103 of the Code, the Treasurer of the County may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 17. Professional Services. Mission Trail Advisors, LLC shall serve as Municipal Advisor to the District for the Series 2025 Bonds. Orrick, Herrington & Sutcliffe LLP shall serve as bond counsel and disclosure counsel to the District for the Series 2025 Bonds. Ramirez & Co., Inc., shall serve as Underwriter for the Series 2025 Bonds.

Section 18. Delegation of Authority. The Authorized Officers are, and each of them is, hereby authorized and directed, jointly and severally, to execute and deliver, for and on behalf of the District, any and all agreements, documents, certificates and instruments, and to do and cause to be done any and all things, which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including, without limitation negotiating the terms of the insurance policy, if any, referred to herein.

Section 19. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the issuance and sale of the Series 2025 Bonds, or in connection with or related to any of the agreements, documents, certificates or instruments referred to herein, are hereby approved, confirmed and ratified.

Section 20. Debt Management Policy; Notice to California Debt and Investment Advisory Commission. With the passage of this Resolution, the Board of Trustees hereby certifies that the Debt Management Policy complies with California Government Code Section 8855(i), and that the Series 2025 Bonds authorized to be issued pursuant to this Resolution are consistent with such policy, and instructs Bond Counsel, on behalf of the District, with respect to each series of Series 2025 Bonds issued pursuant to this Resolution, (a) to cause notices of the proposed sale and final sale of the Series 2025 Bonds to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to California Government Code Section 8855, and (b)

to check, on behalf of the District, the “Yes” box relating to such certifications in the notice of proposed sale filed pursuant to California Government Code Section 8855.

Section 21. Electronic Signatures; DocuSign. The Board of Trustees hereby approves the execution and delivery of all agreements, documents, certificates and instruments referred to herein with electronic signatures as may be permitted under the California Uniform Electronic Transactions Act and digital signatures as may be permitted under Section 16.5 of the California Government Code using DocuSign.

Section 22. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to the Auditor-Controller of the County the final terms of sale of the Series 2025 Bonds, and to file with the Auditor-Controller and with the Treasurer of the County a copy of the executed Bond Purchase Agreement and this Resolution, and the schedule of amortization of the principal of and payment of interest on the Series 2025 Bonds, and to file with the Treasurer of the County a proposed schedule of draws on the building fund of the District established for the Series 2025 Bonds, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the California Education Code and as the District’s request to the Auditor-Controller of the County and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Series 2025 Bonds, pursuant to law; and to the other officers of the County to levy and collect said taxes for the payment of the Series 2025 Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Series 2025 Bonds the principal, interest, and premium, if any, due on the Series 2025 Bonds in each year, and to create in the County treasury to the credit of the District a building fund and an interest and sinking fund for the Series 2025 Bonds pursuant to Section 15146 of the California Education Code.

Section 23. Contract with Bondholders. The provisions of this Resolution shall be a contract with each and every Owner of Bonds and the duties of the District and of the Board of Trustees and the officers of the District shall be enforceable by any Owner of Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 24. Amendments. This Resolution may be modified or amended without the consent of the Owners of the Series 2025 Bonds (a) to add to the covenants and agreements of the District in this Resolution contained other covenants and agreements thereafter to be observed or to surrender any right or power herein reserved to or conferred upon the District, (b) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision contained in this Resolution, (c) to permit the qualification of this Resolution under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, (d) to cause interest on any Tax-Exempt Series 2025 Bonds to be excludable from gross income for purposes of federal income taxation by the United States of America; and (e) in any other respect whatsoever as the District may deem necessary or desirable, provided that such modification or amendment does not, as set forth in a written certificate of the District, materially adversely affect the interests of the Owners hereunder. For any other purpose, this Resolution may be modified or amended only with the consent of the Owners of a majority of the aggregate principal amount of all Series 2025 Bonds then outstanding; provided that any such

modification or amendment to Section 6(f) or Section 23 shall require the consent of the Owners of a majority of the aggregate principal amount of all Bonds then outstanding. No such modification or amendment shall extend the maturity of, reduce the interest rate or redemption premium on or principal amount of any Series 2025 Bond or reduce the percentage of consent required for amendment hereof without the express consent of all the Owners so affected.

Section 25. Indemnification of County. The District shall indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees ("Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of any resolution by the Board of Supervisors of the County authorizing the District to issue and sell the Series 2025 Bonds without the further action of the Board of Supervisors pursuant to Sections 15140 and 15146 of the California Education Code, as permitted by Section 53508.7 of the California Government Code. The District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

Section 26. Interpretation. The terms of this Resolution shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the issuance of, and issue, the Series 2025 Bonds in accordance with the provisions of the agreements, documents, certificates and instruments described herein on the terms set forth in this Resolution.

Section 27. Effective Date. This Resolution shall take effect from and after its date of adoption.

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the Series 2025 Bonds in compliance with Section 15146(b)(1)(D) of the California Education Code and Section 5852.1 of the California Government Code. Such good faith estimates have been provided to the District by Mission Trail Advisors, LLC, as the District's financial advisor under California Education Code Section 15146(b)(1)(C) and the District's municipal advisor under Section 15B of the Securities Exchange Act of 1934 (the "Municipal Advisor"), and by Ramirez & Co., Inc., the underwriter of the Series 2025 Bonds (the "Underwriter").

Principal Amount. The Municipal Advisor and the Underwriter have informed the District that, based on the District's financing plan and market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the aggregate principal amount of the Series 2025 Bonds to be sold in a public offering is \$40,000,000 (the "Estimated Principal Amount").

True Interest Cost of the Series 2025 Bonds. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2025 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the true interest cost of the Series 2025 Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Series 2025 Bonds, is 4.85%.

Finance Charge of the Series 2025 Bonds. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2025 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the finance charge for the Series 2025 Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Series 2025 Bonds), is \$496,557.13, as follows:

a)	Underwriter's Discount	\$170,000.00
b)	Credit Enhancement*	131,557.13
c)	Bond Counsel and Disbursements	42,500.00
d)	Disclosure Counsel and Disbursements	27,500.00
e)	Municipal Advisor and Disbursements	65,000.00
f)	Rating Agency	45,000.00
g)	Other Expenses	15,000.00

* A municipal bond insurance policy with respect to the Series 2025 Bonds may be obtained if economically advantageous to the District.

Amount of Proceeds to be Received. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2025 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the amount of proceeds expected to be received by the District for sale of the Series 2025 Bonds, less the finance charge of the Series 2025 Bonds, as estimated above, and

any reserves or capitalized interest paid or funded with proceeds of the Series 2025 Bonds, is \$39,503,442.88.

Total Payment Amount. The Municipal Advisor and the Underwriter have informed the District that, assuming that the Estimated Principal Amount of the Series 2025 Bonds is sold, and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Series 2025 Bonds, plus the estimated finance charge for the Series 2025 Bonds, as described above, not paid with the proceeds of the Series 2025 Bonds, calculated to the final maturity of the Series 2025 Bonds, is \$86,743,620.11.

The foregoing estimates constitute good faith estimates only and are based on market conditions prevailing at the time of preparation of such estimates. The actual principal amount of the Series 2025 Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates for a variety of reasons, including, without limitation, due to (a) the market conditions prevailing on the actual date of the sale of the Series 2025 Bonds being different than the market conditions prevailing at the time of preparation of the estimates contained herein, (b) the actual principal amount of Series 2025 Bonds sold being different from the Estimated Principal Amount, (c) the actual amortization of the Series 2025 Bonds being different than the amortization assumed for purposes of preparing the estimates contained herein, (d) the actual interest rates at which the Series 2025 Bonds are sold being different than those estimated for purposes of preparing the estimates contained herein, (e) other market conditions, or (f) alterations in the District's financing plan, or a combination of such factors. The actual date of sale of the Series 2025 Bonds and the actual principal amount of Series 2025 Bonds sold will be determined by the District based on the need for project funds and other factors. The actual interest rates borne by the Series 2025 Bonds will depend on market conditions at the time of sale thereof. The actual amortization of the Series 2025 Bonds will also depend, in part, on market conditions at the time of sale thereof. Market conditions, including, without limitation, interest rates are affected by economic and other factors beyond the control of the District, the Municipal Advisor and the Underwriter. The Board of Trustees has approved the issuance of the Series 2025 Bonds with a maximum true interest cost of 6.00%.

Capitalized undefined terms used herein have the meanings ascribed thereto in the Resolution.

The principal hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of the paying agent/registrar and transfer agent of the District (the "Paying Agent"), initially the Treasurer and Tax Collector of the County of Los Angeles. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the Registered Owner hereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check or draft mailed to such Registered Owner at the owner's address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Series 2025 Bonds aggregating at least \$1,000,000 in principal amount, interest will be paid by wire transfer in immediately

available funds to an account maintained in the United States as specified by the Registered Owner in such request. So long as Cede & Co. or its registered assigns shall be the Registered Owner of this Series 2025 Bond, payment shall be made in immediately available funds as provided in the Resolution hereinafter described.

This Series 2025 Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates, interest payment modes, maturities and redemption provisions), in the aggregate principal amount of \$_____, and designated as "Palmdale School District (Los Angeles County, California) General Obligation Bonds, Election of 2022, Series 2025" (the "Series 2025 Bonds"). The Series 2025 Bonds were authorized by a vote of at least 55% percent of the voters voting at an election duly and legally called, held and conducted in the District on November 8, 2022. The Series 2025 Bonds are issued and sold by the Board of Trustees of the District pursuant to and in strict conformity with the provisions of the Constitution and laws of the State, and of the Resolution, and subject to the more particular terms specified in the Bond Purchase Agreement, dated _____, 2025 (the "Bond Purchase Agreement"), by and between the District and Ramirez & Co., Inc., as underwriter.

The Series 2025 Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple thereof, provided that no Series 2025 Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Series 2025 Bonds may be exchanged for a like aggregate principal amount of Series 2025 Bonds of the same tenor, interest payment mode, and maturity of other authorized denominations.

This Series 2025 Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Series 2025 Bond. Upon such transfer, a new Series 2025 Bond or Series 2025 Bonds of authorized denomination or denominations of the same tenor, interest payment mode, and same aggregate principal amount will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the District and the Paying Agent shall not be affected by any notice to the contrary.

[The Series 2025 Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the Resolution and the Bond Purchase Agreement. If this Series 2025 Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.]

The Board of Trustees of the District hereby certifies and declares that the total amount of indebtedness of the District, including the amount of this Series 2025 Bond, is within the limit provided by law; that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Series 2025 Bond have been done and performed in strict conformity with the laws authorizing the issuance of this Series 2025 Bond; and that this Series

2025 Bond is in substantially the form prescribed by order of the Board of Trustees of the District duly made and entered on its minutes. The Series 2025 Bonds represent an obligation payable out of the interest and sinking fund of the District established for the Series 2025 Bonds, and the money for the payment of principal of, premium, if any, and interest hereon, shall be raised by taxation upon the taxable property of the District.

Unless this Series 2025 Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Paying Agent for registration of transfer, exchange, or payment, and any Series 2025 Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Series 2025 Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been signed by the Paying Agent.

IN WITNESS WHEREOF, the Board of Trustees of the Palmdale School District, County of Los Angeles, State of California, has caused this Series 2025 Bond to be signed by its President and countersigned by the Clerk of said Board, as of the date set forth above.
