Mayor Karen Bass' "Games for All" Vision Event Parking Fee Waiver 2025

On October 17, 2025, City of Los Angeles Mayor Karen Bass announced her “Games for All” Vision at Winward Plaza at Venice Beach. This City-hosted event reinforced the collective efforts to ensure that the 2028 Olympic and Paralympic Games will be a “Games for All” that not only highlights athletic excellence, but also creates a legacy that benefits Angelenos long after 2028. Additionally, this event recognized the efforts of City personnel and key partners, and celebrated the City through music, art, sports demonstrations, and a CoachLA clinic for invitees. Mayor Bass was joined by about 100 guests, including Councilmember Traci Park, Executive Director Paul Krekorian, PlayLA Coach Coco Atama, LA28 leadership, LA84 Foundation staff, department general managers and staff, and the Venice High School Gondolier marching band, and LAUSD staff. The City of Los Angeles will continue to build excitement for the 2028 Games and reassure constituents that they are prepared to maximize positive impacts for Angelenos.
