			Terri M Tippit	The West of Westwood HOA represents 1200 households in Rancho Park. Our members have long been impacted by the Predatory and Aggressive Solicitation as they walk in front of the DPSS Building on Pico at Sepulveda in WLA. The vendors block the sidewalk and put their belongings on the bus bench so no one can seat on the bench while waiting for the bus. They aggressively block our pedestrian path sticking a phone in our faces asking us to sign up for the free phone. When we tell them they are blocking the sidewalk they get very defensive and with loud voices shout obscenities at us. We do not feel safe using the public sidewalk and must cross the street and then cross back. We know there are families with children waiting in line that probably do not feel safe either and are pressured to sign up for their items.
