Declaring November as Chinese American Film Festival and Chinese American Television Festival Month in Los Angeles County

The month of November commemorates EDI Media's 21st Annual Chinese American Film Festival and Chinese American Television Festival. Each year, the event lasts through November and is one of the most anticipated celebrations for the Chinese American community. The festival includes a film and television summit, showcases, and the Golden Angel Awards ceremony.

The festival unites moviemakers, stars, and fans both in America and China attracting more than 1.8 million viewers since its establishment. The theme for this year is "Beyond the Screen, Film Forever." The event proves that despite different backgrounds, everyone unites in their love of compelling stories. These efforts have helped to foster a meaningful friendship and mutual understanding between American and Chinese communities across Los Angeles County and continue to contribute to the residents of Los Angeles County.

I, THEREFORE, MOVE THAT THE BOARD that the Board of Supervisors declare the month of November as Chinese American Film Festival and Chinese American Television Festival Month in Los Angeles County.
