**BOARD OF EDUCATION
PASADENA UNIFIED SCHOOL DISTRICT
PASADENA, CALIFORNIA**

Topic: APPROVAL OF RESOLUTION 2848 AUTHORIZING ISSUANCE AND SALE OF
2024 MEASURE R, SERIES A BONDS

RECOMMENDATION: The Governing Board of the Pasadena Unified School District Approve Resolution 2848 Authorizing Issuance and Sale of 2024 Measure R, Series A Bonds

Anticipated Effect on Student Outcomes: The bond proceeds will improve school facilities, creating safer and more modern learning environments that support achievement and well-being.

I. BACKGROUND:

The District received approval from the voters on November 5, 2024, to issue \$900,000,000 principal amount of general obligation bonds (the “Authorization”) in order to finance the acquisition, construction, equipping, furnishing and improvement of school facilities (the “Projects”). The District is now considering the issuance of its first series of general obligation bonds under the Authorization in a maximum principal amount of **\$50,000,000** (the “Series A Bonds”) to finance the Projects.

Certain legal and disclosure documents related to the Series A Bonds are submitted in draft form to be approved by adoption of the Resolution. These documents include the following:

- Bond Purchase Agreement by and between the District and the Underwriters of the Series A Bonds;
- Preliminary Official Statement (the “POS”) - the marketing document that will be distributed to investors to provide information to assist them in deciding whether to invest in the Series A Bonds; and
- Continuing Disclosure Agreement (an exhibit to the POS) - required by federal securities laws and obligates the District to provide annual reports and notices of certain events to the municipal marketplace through an online portal to update the information provided to investors in the POS.

The Resolution authorizes certain District officials to finalize and execute the final versions of the documents with information from the negotiated bond sale.

II. STAFF ANALYSIS:

District staff recommends adoption of Resolution No. 2848 titled “Resolution of the Board of Education of the Pasadena Unified School District Authorizing the Issuance and Sale of Not to Exceed **\$50,000,000** Aggregate Principal Amount of General Obligation Bonds By a Negotiated Sale Pursuant to a Bond Purchase Agreement, Prescribing the Terms of Sale, Approving the Form of and Authorizing the Execution and Delivery of a Bond Purchase Agreement and a Continuing Disclosure Agreement, Approving the Form of and Authorizing the Distribution of an Official Statement for the Bonds, and Authorizing the Execution of Necessary Documents and Certificates and Related Actions.”

III. FISCAL IMPACT:

There is no budget implication for the District. The costs of issuance for the Series A Bonds will be paid from proceeds of the Series A Bonds and no such costs will be paid from the general fund. Disclosures of such estimated costs are set forth in the Resolution as an exhibit. Principal of and interest on the Series A Bonds is paid from the levy of *ad valorem* taxes collected by the County from taxpayers in the District.

The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay, or cause to be paid, from such taxes all amounts due on the Bonds. (ii) The *ad valorem* tax revenues levied to pay the Bonds shall, when collected, be deposited into the Interest and Sinking Fund of the District.

(iii) The foregoing Interest and Sinking Fund and *ad valorem* tax revenues are irrevocably pledged, and the District hereby grants a lien and security interest therein, for the payment of the principal, redemption premium, if any, and interest on the Bonds when and as the same fall due. The moneys in the Interest and Sinking Fund, to the extent necessary to pay the principal, redemption premium, if any, and interest on the Bonds as the same become due and payable, shall be transferred to the Paying Agent, as paying agent for the Bonds, as necessary to pay the principal, redemption premium, if any, and interest on the Bonds. The property taxes and amounts held in the Interest and Sinking Fund of the District shall immediately be subject to this pledge, and the pledge shall constitute a lien and security interest which shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. The pledge is an agreement between the District and the Owners of the Bonds in addition to any statutory lien that may exist, and the Bonds are being issued to finance one or more projects and not to finance the general purposes of the District.

(iv) Additionally, in accordance with Section 15251(b) of the California Education Code and Section 53515(a) of the California Government Code, the Bonds

shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the Bonds. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time the Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

(b) Principal. The principal of the Bonds shall be payable in lawful money of the United States of America to the Owners thereof, upon the surrender thereof at the office of the Paying Agent.

(c) Interest; Record Date. The interest on the Bonds shall be payable on each Interest Payment Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Payment Date, such interest to be paid by check or draft mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date.

(d) Interest and Sinking Fund. Principal and interest due on the Bonds shall be paid from the Interest and Sinking Fund of the District as provided in Section 15250 of the California Education Code.

(e) Obligation of the District. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The obligation for repayment of the Bonds is the sole obligation of the District.

Section 7. Redemption Provisions.

(a) Optional Redemption. The Bonds will be subject to optional redemption on the dates and in the amounts specified in the Bond Purchase Agreement.

(b) Selection of Bonds for Redemption. If less than all of the Bonds shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called in such order as shall be directed by the District and, in lieu of such direction, on a proportional basis. Within a maturity, the Paying Agent shall select the Bonds for redemption as directed by the District, and, in lieu of such direction by lot; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of five thousand dollars (\$5,000) or some integral multiple thereof and that, in selecting Bonds for redemption, the Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by five thousand dollars (\$5,000).

(c) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to

their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity redeemed in accordance with subsection (a) or (b) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Bonds shall not be subject to mandatory sinking fund redemption. The County Treasurer is hereby authorized to create such sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

(d) Notice of Redemption.

(i) The Paying Agent, upon written instruction from the District given at least 20 days prior to the date designated for such redemption, shall give notice of the redemption of the Bonds at least twenty (20) but not more than sixty (60) days prior to the redemption date, to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid. Such notice shall specify: (A) that the Bonds or a designated portion thereof are to be redeemed, (B) the numbers and CUSIP numbers of the Bonds to be redeemed, (C) the date of notice and the date of redemption, (D) the place or places where the redemption will be made, and (E) descriptive information regarding the Bonds to be redeemed including the dated date, interest rate and stated maturity date. Such notice shall further state that on the specified date there shall become due and payable upon each Bond to be redeemed, the portion of the principal amount of such Bond to be redeemed, together with interest accrued to said date, and that from and after such date interest with respect thereto shall cease to accrue and be payable.

(ii) Notice of redemption shall be by registered or otherwise secured mail or delivery service, postage prepaid, to the registered Owner of the Bonds, or if the registered Owner is a syndicate, to the managing member of such syndicate, to a municipal registered securities depository, such as the Securities Depositories and to a national information service that disseminates securities redemption notices, such as Information Services and by first class mail, postage prepaid, to the District and the respective Owners of any registered Bonds designated for redemption at their addresses appearing on the bond register, in every case at least twenty (20) days, but not more than sixty (60) days, prior to the redemption date; provided that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

(iii) Any notice of redemption for an optional redemption of the Bonds delivered in accordance with this section may be conditional, and, if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date: (A) the notice of redemption shall be of no force and effect, (B) the District shall not be required to redeem such Bonds, (C) the redemption shall not be made, and (D) the Paying Agent shall within a reasonable time thereafter give notice to the persons in the manner in which the conditional notice of redemption was given that such condition or conditions were not met and that the redemption was canceled.

(e) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the registered Owner thereof a new

Bond of like tenor and maturity and of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such registered Owner, the Paying Agent and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(f) Effect of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside for such purpose, the Bonds to be redeemed shall become due and payable on such date of redemption. If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in this Section, together with interest to such redemption date, shall be held irrevocably in trust so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent, or an independent escrow agent selected by the District for the redemption of Bonds, shall be held in trust for the account of the registered Owners of the Bonds so to be redeemed. All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section shall be canceled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be canceled by the Paying Agent. Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by or on behalf of the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, all as provided in this Resolution, then such Bonds shall no longer be deemed outstanding and shall be surrendered to the Paying Agent for cancellation.

(g) Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Interest and Sinking Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

Section 8. Paying Agent.

(a) Appointment of Paying Agent. This Board does hereby appoint the County Treasurer to act as authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds on behalf of the District and consents to the County Treasurer's contracting with a third party to perform the services of Paying Agent. All fees and expenses of the paying agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the County after consultation with the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the County Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$50,000,000 in net assets.

(c) Paying Agent May Hold Bonds. The Paying Agent may become the owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

(d) Liability of Agents. The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

(i) In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution; but in the case of any such certificates or opinions by which any provision hereof are specifically required to be furnished to the Paying Agent, the Paying Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Resolution.

(ii) The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer unless it shall be proved that the Paying Agent was negligent in ascertaining the pertinent facts.

(iii) No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(iv) The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys.

(e) Notice to Agents. The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be of counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

(f) Right to Rely on District Certifications. Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(g) Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund of the District, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District. An Authorized Officer is hereby authorized to execute an agreement or agreements with the Paying Agent in connection with such fees and expenses.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.

(a) DTC Appointed as Depository. Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for the Bonds, and the Bonds shall be issued in book-entry form only and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of the Bonds; provided, however, that if different CUSIP numbers are assigned to Bonds maturing in a single year or, if Bonds maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the

District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) Transfers of Ownership. In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Bond for each maturity shall be executed and delivered in the aggregate principal amount of such Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof provided, however, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) Partial Redemption/Advance Refunding. In the case of partial redemption or an advance refunding of the Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Bonds indicating the date and amounts of such reduction in principal.

(d) No Responsibility of District or Paying Agent. The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(e) Cooperation with Cede & Co. So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange.

(a) Transfer. Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent. Whenever any Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, new Bonds, of the same maturity and interest rate

for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer. Neither the District nor the Paying Agent will be required to transfer any Bonds:

(i) during the period from the Record Date next preceding any Interest Payment Date to such Interest Payment Date,

(ii) during the period beginning with the opening of business on the 15th business day next preceding any date of selection of Bonds to be redeemed and ending with the close of business on the day on which the applicable notice of redemption is given, or

(iii) which have been selected or called for redemption in whole or in part.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same maturity and interest rate, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent. Whenever any Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, new Bonds of the same maturity and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. Neither the District nor the Paying Agent will be required to exchange any Bonds:

(i) during the period from the Record Date next preceding any Interest Payment Date to such Interest Payment Date,

(ii) during the period beginning with the opening of business on the 15th business day next preceding any date of selection of Bonds to be redeemed and ending with the close of business on the day on which the applicable notice of redemption is given, or

(iii) which have been selected or called for redemption in whole or in part.

Section 11. Bond Purchase Agreement; Sale of Bonds.

(a) Approval. The form of Bond Purchase Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that: (i) the true interest cost for Bonds shall not be in excess of legal limits, (ii) the interest rate on the Bonds and the final maturity of the Bonds shall not exceed legal limits, (iii) the minimum purchase price for the Bonds shall be not less than the aggregate principal amount thereof, (iv) the Underwriters' discount for the sale of Bonds shall not exceed 0.5% of the principal amount of such Bonds exclusive of any costs of issuance the Underwriters may contract to pay, (v) the Bonds shall have a ratio of total debt service to principal of not

to exceed four to one, and (vi) the Bonds shall otherwise conform to the limitations specified herein.

(b) Terms of Bonds. The Bond Purchase Agreement shall recite the aggregate principal amount of the Bonds and shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof, if any.

(c) Board Findings. The Board hereby finds and determines pursuant to California Government Code section 53508.7 that the sale of the Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and greater opportunity for the Underwriters to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. Estimates of the costs associated with the issuance of the Bonds are set forth on **Exhibit B** attached hereto and incorporated herein.

(d) Costs of Issuance. In accordance with Section 15146(h) of the California Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by the Cost of Issuance Custodian, proceeds of the sale of the Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Bonds sold, as shall be set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Bonds.

(e) Annual Reserve and Capitalized Interest. In accordance with subsection (i) and (j) of Section 15146 of the California Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in the Interest and Sinking Fund of the District proceeds of sale of the Bonds (in addition to any premium or accrued interest received) to fund (i) an annual reserve permitted by Section 15250 of the California Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Bonds for a period of three years from the date of issuance of the Bonds, as shall be set forth in the Bond Purchase Agreement, if any such a deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

(f) Good Faith Estimates of Cost. For purposes of California Education Code section 15146(b) and California Government Code section 5852.1, good faith estimates of (i) the true interest cost of the Bonds; (ii) the costs associated with the issuance of the Bonds, including any such costs which the Underwriters agree to pay pursuant to the Bond Purchase Agreement; (iii) the amount of proceeds to be received by the District (less the Costs of Issuance or reserves or capitalized interest, if any); and (iv) the total payments of principal of and interest on the Bonds through the final maturity of the Bonds, are set forth on **Exhibit B** attached hereto and incorporated herein.

Section 12. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that a bond insurer makes payment of the principal, or interest of the Bonds, it shall become the Owner of such Bonds with the right to payment of principal or interest on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the bond insurer's rights as subrogee on the registration books for the Bonds

maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the bond insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the bond insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the bond insurer or the insurance trustee for the bond insurer.

Section 13. Continuing Disclosure Agreement. The Continuing Disclosure Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Continuing Disclosure Agreement in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Agreement by such Authorized Officer.

Section 14. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of the Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 15. Official Statement. The preparation and delivery of an Official Statement with respect to the Bonds, and its use by the Underwriters in connection with the offering and sale of the Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Bonds and any amendment or supplement thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Underwriters. The final Official Statement, when prepared, is approved for distribution in connection with the offering and sale of the Bonds.

Section 16. Application and Investment of Proceeds.

(a) Proceeds Deposit. The proceeds from the sale of the Bonds, other than amounts deposited to the Interest and Sinking Fund and a costs of issuance account as described in Section 11 hereof, shall be deposited in the County Treasury to the credit of the Building Fund of the District. Any premium or accrued interest received by the District shall be deposited in the Interest and Sinking Fund of the District. Earnings on the investment of moneys in either fund will be retained in that fund and used only for the purposes to which that fund may lawfully be applied. Moneys in the Building Fund may only be applied for the purposes for which the Bonds were approved. Moneys in the Interest and Sinking Fund may only be applied to make payments of interest, principal, and premium, if any, on the Bonds. Any excess proceeds of the Bonds not needed for the authorized

purposes set forth herein for which the Bonds are being issued shall be transferred to the Interest and Sinking Fund and applied to the payment of the principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

(b) Investment of Funds. Amounts deposited into the Building Fund and the Interest and Sinking Fund, as well as proceeds of taxes held therein for payment of the Bonds, will be invested at the County Treasurer's discretion pursuant to State law and the investment policy of the County.

Section 17. Rebate Fund.

(a) Establishment of Rebate Fund. The District shall create and establish a special fund designated the "Pasadena Unified School District (Los Angeles County, California) General Obligation Bonds, 2024 Election, 2025 Series A Bonds Rebate Fund" ("Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States ("Rebate Requirement") pursuant to Section 148 of the Code, and the United States Treasury Regulations promulgated thereunder ("Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Rebate Calculations. Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Tax-Exempt Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the "rebate amount" so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the "rebate amount" and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Tax-Exempt Bonds (including amounts treated as proceeds of the Tax-Exempt Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a "bona fide debt service fund." In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Remittance of Balance. Any funds remaining in the Rebate Fund after redemption of all the Tax-Exempt Bonds and any amounts described in paragraph (ii) of

subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Payment of Rebate. Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the "rebate amount" and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(i) not later than 60 days after the end of (A) the fifth Bond Year, and (B) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the "rebate amount" calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(ii) not later than 60 days after the payment of all Tax-Exempt Bonds, an amount equal to 100% of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) Deficiencies in Fund. In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Payment to IRS. Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or cause to be prepared by the District.

(g) Withdrawal of Excess Funds. In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Interest and Sinking Fund.

(h) Maintenance of Records. The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Tax-Exempt Bonds.

(i) Survival of Rebate Requirement. Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

Section 18. Other Covenants of the District.

(a) Punctual Payment. The District will punctually pay, or cause to be paid, the principal of and interest on the Bonds, in strict conformity with the terms of the Bonds and of this Resolution, and it will faithfully observe and perform all of the conditions, covenants and requirements of this Resolution and of the Bonds. Nothing herein contained shall prevent the District from making advances of its own moneys, howsoever derived, to any of the uses or purposes permitted by law.

(b) Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the District will not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and will not, directly or indirectly, approve any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the District, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Resolution, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have so extended or funded.

(c) Protection of Security and Rights of Owners. The District will preserve and protect the security of the Bonds and the rights of the Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the District, the Bonds shall be incontestable by the District.

(d) Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement, substantially in the form attached to the Official Statement as Appendix D. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Agreement shall not be considered an event of default; however, any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate of specific performance by court order.

(e) Further Assurances. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Resolution.

(f) Tax Covenants.

(i) The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on Tax-Exempt Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate with respect to the Tax-Exempt Bonds to be executed by the District on the date of issuance of such Tax-Exempt Bonds. The provisions of this subsection (i) shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(ii) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the County Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer in writing, and the District shall make its best efforts to ensure that the County Treasurer shall take such action as may be necessary in accordance with such instructions.

(iii) Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on

Tax-Exempt Bonds under Section 103 of the Code, the County Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate with respect to the Tax-Exempt Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 19. Supplemental Resolutions.

(a) Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners of the Bonds, shall be fully effective in accordance with its terms:

(i) to add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(ii) to add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(iii) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(iv) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution;

(v) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Tax-Exempt Bonds; or

(vi) to amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the Opinion of Bond Counsel, adversely affect the interests of the Owners.

(b) With Consent of the Owners. Any modification or amendment of this Resolution and of the rights and obligations of the District and of the Owners of the Bonds, in any particular, may be made by a Supplemental Resolution, with the written consent of the Owners of at least two-thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of maturity of the principal of any Outstanding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or shall reduce the percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall reduce the amount of moneys pledged for the repayment of the Bonds without the consent of all the Owners of such Bonds, or shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto.

Section 20. Defeasance.

(a) Discharge of Resolution. Any or all of the Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on Bonds Outstanding, as and when the same become due and payable; or

(ii) by depositing with an escrow agent selected by the District, in trust, at or before maturity, money or securities in the necessary amount, including investment earnings thereon (as provided in subsection (c)), to pay or redeem Bonds Outstanding; or

(iii) by delivering to the Paying Agent, for cancellation by it, Bonds Outstanding.

If the District shall pay all Bonds Outstanding, and shall also pay or cause to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of an Authorized Officer, filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Bonds shall not have been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in subsection (b) of this section. In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in subsection (c)) to pay or redeem any Outstanding Bond (whether upon or prior to its maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed prior to maturity, notice of such redemption shall have been given as in Section 7 provided or provision satisfactory to the escrow agent shall have been made for the giving of such notice, then all liability of the District in respect of such Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the escrow agent as aforesaid for such payment; provided further, however, that the provisions of subsection (d) shall apply in all events. The District may at any time surrender to the Paying Agent for cancellation by it any Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Escrow Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by an escrow agent money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by an

escrow agent in the funds and accounts established pursuant to this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as in Section 7 provided or provision satisfactory to the escrow agent shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in Section 7 or provision satisfactory to the Paying Agent or an escrow agent shall have been made for the giving of such notice; provided, in each case, that the escrow agent shall have been irrevocably instructed (by the terms of this Resolution or by request of the District) to apply such money to the payment of such principal or redemption price and interest with respect to such Bonds.

(d) Payment of Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the escrow agent in trust for the payment of the principal or redemption price of, or interest on, any Bonds and remaining unclaimed after the payment is due (whether at maturity or upon call for redemption as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall be repaid to the District free from the trusts created by this Resolution, and all liability of the escrow agent with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Bonds which have not been paid at the addresses shown on the Bond Register a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

Section 21. Professional Services. Dannis Woliver Kelley shall serve as Bond Counsel to the District for the Bonds. Raymond James & Associates, Inc. shall serve as Representative of itself, Siebert Williams Shank & Co., LLC and Cabrera Capital Markets LLC, co-managing Underwriters for the Bonds, and Dale Scott & Co., Inc. shall serve as Municipal Advisor to the District for the Bonds.

Section 22. Delegation of Authority; Electronic Signatures. The Authorized Officers are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution. The Board hereby consents to the use of electronic signatures, in

accordance with the Uniform Electronic Transactions Act (Cal. Civ. Code, § 1633.1 et seq.), by any Authorized Officer (or designee) in order to accomplish the foregoing.

Section 23. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 24. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to the County Treasurer (or similar officer) the final terms of sale of the Bonds, and to file with the County Treasurer a copy of the executed Bond Purchase Agreement and this Resolution, and the schedule of amortization of the principal of the Bonds, and to file with the County Treasurer a proposed schedule of draws on the Building Fund of the District, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the California Education Code and as the District's request to the County Treasurer and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Bonds, pursuant to law, to levy and collect said taxes for the payment of the Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Bonds the principal, interest, and premium, if any, due on the Bonds in each year, and to create in the County Treasury to the credit of the District a Building Fund and an Interest and Sinking Fund pursuant to Section 15146 of the California Education Code.

Section 25. Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the full faith and credit of the County, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* property taxes lawfully levied to pay the principal of or interest on the Bonds.

Section 26. Indemnification of County. The District shall indemnify the County, its officers, agents and employees against any and all losses, claims, actions, suits, judgments, demands, damages, liabilities and expenses (including attorney fees and costs of investigation) of any nature arising out of any action or inaction of the District with respect to the issuance of the Bonds.

Section 27. Reimbursement of County Costs. The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in connection with the issuance of the Bonds.

Section 28. Effective Date. This Resolution shall take effect from and after its date of adoption.
