Agenda #	Relate To	Position	Name	Comments
47.		Favor	helen M eigenberg	between the non compliance of the juvenile halls and all the moving pieces for the depopulation plan, it is imperative that we have weekly reports on finding alternative housing for our pregnant justice involved youth. it just seems dangerous to have our pregnant youth all the way out in malibu. it is our responsibility to make sure we take good care of them. thank you for ordering this report.
