SUBJECT

Approval of the recommended actions would authorize the County of Los Angeles (County) to publish a Notice of Intention to Purchase and after the notice period if approved by your Board, execute the Purchase and Sale Agreement (Agreement) with Pacific Bell Telephone Company, a California corporation dba AT&T California (Seller) for certain real property described as APN 5141-013-805 and commonly referred to as either 2615 West 8th Street or 741 South Coronado Street, Los Angeles, CA (Property), establish a capital project, consummate the proposed acquisition of the Property, and approve a two-year license agreement (License) with Inclusive Action for the City (IAC) to manage and maintain the Property immediately upon purchase of the Property.

IT IS RECOMMENDED THAT THE BOARD:

approval of the Land Bank Pilot Program Site No. 1 Project (Project), License Agreement and related recommendations are exempt from CEQA for the reasons stated in this Board letter and in the record of the proposed activity.

2. Approve the Notice of Intention to Purchase the Property, in the form as Enclosure A, from the Seller, for a purchase price of \$4,300,000.00, plus associated title and escrow fees of \$11,096.00, and independent consideration of \$100.00, for a total not to exceed amount of \$4,311,196.00.
3. Instruct the Executive Office, Board of Supervisors to publish the Notice of Intention to Purchase, in accordance with Government Code Section 6063, which will state the date following the publishing period that your Board will meet to consummate the purchase.

AT THE DECEMBER 16 2025, BOARD OF SUPERVISORS MEETING, SET BY THE NOTICE OF INTENTION TO PURCHASE, FOLLOWING THE GOVERNMENT CODE SECTION 6063 PUBLISHING PERIOD, IT IS RECOMMENDED THAT THE BOARD:

5. Instruct the County's Assessor's Office to place the Property under the complete ownership of the County and remove the Property from the tax roll effective upon the transfer of title to the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will find that the Notice of Intention to Purchase for the Property is not a project under CEQA and that the remaining recommended actions included in this Board letter, including the proposed purchase transaction, approval of the Project, License Agreement and related recommendations are exempt from CEQA, and that no mitigation is required for the Project.

The Board established the Land Bank Pilot Program (Pilot) on June 14, 2022, to create new opportunities for affordable housing in areas experiencing and set to experience rapid gentrification and displacement. The Board allocated \$25 million toward the program.

On May 3, 2024, the Chief Executive Office (CEO) Homeless Initiative and Affordable Housing (CEO-HI) entered into a consultant services agreement (HI-024-002) with IAC, a community development financial institution, to administer and manage the Pilot, in collaboration with CEO-HI.

IAC identified Project partners, assembled CEO-HI, IAC, and its authorized subcontractors, CEO-Real Estate Division (RED), Department of Public Works (DPW), and County Counsel (Project Team), and created an advisory working group. The Project Team developed a robust, data-driven parcel assessment process to identify and recommend sites for acquisition. They facilitated an open, public call for parcel submissions. The Project Team presented to the Affordable Housing Coordination Committee in October 2024 and April 2025, and the team held numerous briefings with deputies from the Board of Supervisors (Board) offices. The Project Team conducted pertinent due diligence investigations, in collaboration with staff from CEO-RED, DPW, and County Counsel.

Upon acquisition of the Property, if adopted by the Board, the County will enter into a gratis, two-year License with IAC with two, one-year renewal options, pursuant to which IAC, or its authorized subcontractors, would maintain and secure the Property, as authorized in the existing contract dated May 3, 2024, between the County and IAC (HI-024-002). Any revenue generated by the parking lot during the term of the License would be deposited into the Affordable Housing Programs Budget. Concurrently, IAC and the Project team, in collaboration with CEO-HI, would leverage the Master Agreements for Services framework to develop a Request for Statement of Qualifications, and later a Work Order Solicitation, to solicit development proposals from developers. Ultimately, if the recommended actions herein are adopted, the County would enter into a proposed exclusive negotiating agreement and, later, a proposed ground lease with a developer to build affordable housing at the Property.

CEO-HI has elected to purchase the Property so that it may develop affordable housing and prevent loss of property to market rate/luxury housing in a community at risk for displacement. Further, the Property met the County's Land Bank Pilot selection criteria, as the site is: 0.5 acres or larger for efficient ground-up development and higher unit density, vacant or underutilized, and near existing Metro rail and bus rapid transit lines to facilitate transit access.

The Property is approximately 27,641 square feet of land, consisting of an improved parking lot with no buildings on the Property. The proposed Project would consist of an affordable housing project of up to 160 units, up to 4.5:1 Floor Area Ratio. The Project could also include 1,400 square feet of community-serving commercial space and an approximately 2,700 square feet of community room and/or amenity space primarily to serve project residents, and a height of approximately 78 feet with parking provided in accordance with code. The Project would include minor landscaping and security lighting. Construction is anticipated to take approximately 24 months.

CEO-HI recommends acquiring the Property as part of the Land Bank Pilot for future development as affordable housing to serve the surrounding area and nearby communities.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan North Star 1 – “Make Investments That Transform Lives” – provides that LA County is a highly responsive organization investing in solutions that address our most complex societal challenges (health, jobs, housing, food insecurity, and recidivism) affecting our most vulnerable communities – one person at a time.

The proposed purchase is also consistent with North Star 3 – “Realize Tomorrow’s Government Today” – ensures we provide an increasingly dynamic and complex environment, challenges collective abilities to respond to public needs and expectations. LA County is an innovative, flexible, effective, and transparent partner focused on advancing the common good & being fiscally responsible. The proposed acquisition of the Property would also be consistent with Strategic Asset Management Goal – Maximize use of County space and achieve cost savings, and Key Objective No. 3 – Optimize Real Estate Portfolio.

The proposed acquisition of the Property supports the above goals and objective by acquiring a property that, once developed, would support the County’s efforts to prevent displacement of individuals and families, and increases housing stability. The proposed acquisition of the Property and its subsequent development will also provide affordable housing and will assist in mitigating the housing emergency in the region.

FISCAL IMPACT/FINANCING

Under the proposed License Agreement and its consultant services agreement with CEO-HI, IAC would be responsible for the maintenance and security of the Property following the proposed acquisition, for a two-year period. Sufficient program funds have been budgeted for site maintenance and security. As the Project site is currently a parking lot, the Project team is exploring pathways to potentially operate the Property as a revenue-generating parking lot, which could potentially offset or eliminate maintenance and security costs.

The purchase price of \$4,300,000.00 was substantiated by a fair market appraisal completed by a licensed appraiser.

The \$4,311,196.00 total cost of the proposed acquisition is fully funded with American Rescue Plan Act Coronavirus Local Fiscal Recovery Funds–Enabled funding that is already included in the Fiscal Year 2025-26 budget for Land Bank Pilot Program No. 1, Capital Project No. 7A001.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 25353 of the California Government Code authorizes the Board to purchase real property necessary for the use of public purposes. Pursuant to Government Code Sections 6063 and 25350, a Notice of Intention to Purchase will be published for the intended action to purchase real property, and a Board meeting will be held on December 9, 2025, or thereafter following the three-week publishing period to receive comments prior to consummating the proposed acquisition.

Additionally, as required by Government Code Section 65402, notice of the proposed acquisition was submitted to the City of Los Angeles (City) on July 14, 2025. The City responded and found that the acquisition of the Property for the County’s use conforms to the City’s General Plan.

The Project team completed pertinent environmental due diligence assessments, surveys, studies, reports, and materials for the Property to ensure that the Property meets all the requirements for acquisition in accordance with the County's real estate acquisition policy. DPW has reviewed the prepared due diligence reports including a Phase I and Phase II environmental site assessment, surveys, and studies to ensure that the Property meets all the requirements for acquisition in accordance with the County's real estate acquisition policy.

County Counsel has reviewed the Agreement, and the grant deed related to the proposed acquisition and approved them as to form. County Counsel has also reviewed all associated real estate documents and encumbrances on title.

ENVIRONMENTAL DOCUMENTATION

Approval of the Notice of Intention to Purchase for the Property is not a project under the CEQA because it is not included in the definition of a project pursuant to section 21065 of the California Public Resources Code and is organizational or administrative activity of government pursuant to State CEQA Guidelines Section 15378(b)(5) that will not result in direct or indirect physical changes in the environment. This activity is also statutorily exempt from CEQA pursuant to State CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the proposed action would have a significant effect on the environment.

The recommended actions related to approval of the proposed Property transaction, approval of the Land Bank Pilot No. 1 Project, as described herein, License Agreement and related recommendations are exempt from CEQA. Use of the Property for affordable housing is exempt pursuant to section 21080.27 (c)(1)(2)(3) and (5) and (d)(1)(2) and (3) – Los Angeles Exemption for Affordable Housing (AB 785). The proposed use would be a 100 percent affordable housing development project (consistent with section 65589.5 of the Government Code). Funding is anticipated to include one or more of the 14 sources identified in Public Resources Code 21080.27(a)(2). The Project site is not vacant and is not anticipated to contain tribal resources. The Project site is not listed as hazardous pursuant to Government Code Section 65962.5 or designated hazardous by the Department of Toxic Substances Control pursuant to section 25356 of the Health and Safety Code. The Property is not within a special flood hazard area or regulatory floodway as determined by Federal Emergency Management Agency. The Project site has not been identified for conservation and does not provide habitat for protected species. The Property is not subject to a conservation easement. The Project would be undertaken by the County in the City and would be: “[a]n action to ... encumber land for an affordable housing project...; “[a]n action to facilitate ... encumbrance of land owned or to be purchased for an affordable housing project” and “[a]n action to provide financial assistance in furtherance of implementing an affordable housing project...”. The Project is anticipated to either be a public work [Chapter 1 (commencing with section 1720) of Part 7 of Division 2 of the Labor Code] or will comply with the prevailing wage requirements for CEQA Section 21080.27(e).

Affordable housing on the Property, as described herein, would also be statutorily exempt as an emergency project to address the homelessness emergency pursuant to Public Resources Code Section 21080(b)(4) and State CEQA Guidelines Section 15269(c), which include specific actions to prevent or mitigate an emergency. On December 12, 2022, the City declared a state of emergency on homelessness. On January 10, 2023, the Board unanimously voted to proclaim a local emergency for homelessness in the County. Previously, on April 17, 2018, the mayor declared a shelter crisis to provide emergency housing for the unsheltered homeless people in the City. On

October 30, 2018, the Board declared a shelter crisis to address homelessness in unincorporated County. This proposed use would provide permanent affordable housing that would address the homelessness emergency by providing for people to avoid or move from temporary shelters.

The proposed use for affordable housing at the Project site as described herein is also categorically exempt pursuant to State CEQA Guidelines Section 15332, because it meets the requirements of the in-fill exemption. It is anticipated that housing would be consistent with applicable general plan designation and zoning. The Project site is within the City, and is less than five acres and is surrounded by urban uses. There is no habitat on the Project site. The proposed housing use would not have the potential to significantly impact traffic, noise, air quality or water quality based on proposed site improvements and anticipated changes in occupancy.

Continued interim use of the Property as a surface parking lot under a License Agreement is also categorically exempt under State CEQA Guidelines Section 15301 and County of Los Angeles Environmental Document Reporting Procedures and Guidelines Class 1 which apply to operation, leasing or licensing of an existing facility. Parking at the Project site is already existing and would remain substantially the same under the proposed license arrangement.

Additionally, the proposed use of the property for housing and interim parking use will comply with all applicable regulations and is not located in a sensitive environment and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste sites compiled pursuant to Government Code Section 65962.5, or indications that the proposed Project may cause a substantial adverse change in the significance of a historical resource that would make the exemptions inapplicable based on the record of the Project.

Documentation in support of the exemption is available by request from the CEO.

Upon the Board's approval of the recommended actions in this Board letter, the CEO will file a Notice of Exemption with the County Clerk and with the State Office of Land Use and Climate Innovation pursuant to Public Resources Code 21152 and will post the Notice to the County's website in accordance with section 21092.2.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed acquisition of the Property will not impact current services or projects.

AGREEMENT

1. **Purchase and Sale; Property.** Seller agrees to sell and convey to County, and County agrees to purchase and accept from Seller, at the price and upon the terms, provisions and conditions set forth in this Agreement, all of Seller’s right, title and interest in the Land, free and clear of all liens, encumbrances, assessments, easements, and taxes, except as set forth herein, together with all of Seller’s right, title and interest in all of the following items in respect of the Land (collectively, the “**Property**”):

1.1. all rights, privileges, easements, appurtenances, and other estates pertaining or appurtenant to the Land, including, without limitation, all easements, rights, mineral rights, oil and gas rights, water, water rights, water and other utility meters, air rights, and any rights-of-way and other appurtenances used or connected with the beneficial use or enjoyment of the Land and all of Seller’s right, title and interest, if any, in and to all roads and alleys adjoining or servicing the Land (collectively, the “**Appurtenances**” and together with the Land, the “**Real Property**”);

1.2. all personal property, equipment, supplies and fixtures, if any, located on the Real Property on the Effective Date and used in connection with the ownership, operation or maintenance of, or otherwise relating to, the Real Property (collectively, the “**Personal Property**”).

1.3. all contracts and agreements, if any, existing on the Effective Date, as listed on Exhibit B (collectively, the “**Contracts**”), in each case to the extent (a) County elects to receive assignment of such Contract by written notice to Seller during the Due Diligence Period, (b) such Contracts are assignable without consent or cost (other than any consents that either Party may obtain and costs that either Party may agree to pay, in each case, without any obligation to do so) and (c) such Contracts remain in effect subsequent to the Closing (Seller shall terminate effective prior to the Close of Escrow any Contracts not being assigned to County at the Close of Escrow pursuant to the preceding clauses (a) or (b)); and

1.4. all intangible property used and necessary in connection with the Real Property, including, without limitation, all warranties, guaranties, development rights, entitlements, governmental permits, licenses, certificates, other governmental approvals, which benefit the Real Property and/or the Personal Property; but specifically excluding all logos, trade names, trademarks, service marks, styles or similar intellectual property owned by Seller with respect to the Property, including, without limitation, the AT&T name and any variant thereof, all social media accounts (if any) with respect to the Property, all marketing and merchandising materials (including, but not limited to, signs, advertisements, brochures, project names, logos, and all computer source disk materials for the foregoing items) (collectively, the “**Intangible Property**”).

2. **Purchase Price; Independent Consideration.**

2.1. **Purchase Price.** The purchase price for the Property is Four Million Three Hundred Thousand and no/100 Dollars (\$4,300,000.00) (the “**Purchase Price**”).

2.1.1. **Independent Consideration.** Within fourteen (14) Business Days (as defined in Section 3.3.4.3) after the Effective Date, County shall deliver to the Title Company (as defined in Section 5.1), the sum of one hundred dollars (\$100.00) (the “**Independent Consideration**”), which Title Company shall immediately release and deliver to Seller as independent consideration for County’s rights under this Agreement and for Seller providing to County the Due Diligence Period within which to perform County’s Investigation of the Property. Seller shall, in all events, retain the Independent Consideration, but the Independent Consideration shall be applied as a credit against the Purchase Price at the Closing (defined in Section 5.1).

2.1.2. **Purchase Price Balance.** Provided that all of the other conditions precedent to County’s obligation to purchase the Property are timely satisfied, then one (1) business day prior to the Closing Date, County shall deposit into Escrow (as defined in Section 5.1) the balance of the Purchase Price (i.e., the Purchase Price less the Independent Consideration) (the “**Purchase Price Balance**”).

3. **Condition of Property.**

3.1 **Due Diligence Materials.** Seller previously provided County with a copy of certain due diligence materials listed on Schedule 3(a) attached hereto (collectively, the “**Due Diligence Materials**”). Notwithstanding the foregoing, if, after Seller initially provides the Due Diligence Materials to County, but prior to the Closing or termination of this Agreement, any new, modified or supplemented Due Diligence Materials shall come into Seller’s possession or control, then, within three (3) Business Days thereafter, Seller shall make such new, modified or supplemented Due Diligence Materials available to County and County’s Representatives (as

defined in Section 3.3). If Seller provides any new, modified, or supplemented Due Diligence Materials after the Due Diligence Deadline, the Closing shall be extended to the extent reasonably necessary to accommodate County's review and approval of such new, modified or supplemented Due Diligence Materials.

3.2 **Preliminary Title Report.** Not more than seven (7) Business Days after the Effective Date, Seller shall provide County a preliminary title report or title commitment (in either case, the "**PTR**") for the Land issued by the Title Company (as defined in Section 5.1), and a legible and complete copy of each and every document referenced in the PTR. From the Effective Date and until the earlier of the Closing Date or the date of termination of this Agreement, Seller shall send County a copy of any correspondence concerning the Property that Seller receives from any Governmental Authority or that Seller sends to any Governmental Authority.

3.3 **County's Inspections.** During the Due Diligence Period (defined in Section 3.4) and thereafter prior to any termination of this Agreement, County and County's elected and appointed officers, employees, agents, attorneys, lenders, consultants, and contractors (collectively, "**County's Representatives**") may, during normal business hours and upon not less than one (1) Business Day prior notice (which may be oral notice) to Seller's representative, Roger Gage, Cushman & Wakefield of California, Inc., 300 Santana Row, 5th Floor, San Jose, CA, 95128; roger.gage@cushwake.com; (408) 718-9861 ("**Seller's Representative**") enter upon the Real Property solely to conduct such inspections, investigations and tests as County deems appropriate in its sole and absolute discretion. The inspections, investigations, tests, retests and activities referred to in the immediately-preceding sentence, and any borings and invasive testing activities described below, are referred to in this Agreement, collectively, as "**County's Inspections.**" Prior to entering upon the Real Property for the first time to conduct any invasive or destructive testing, including without limitation a Phase II environmental survey, County shall obtain the written approval of Seller's Representative, in his reasonable discretion, of such invasive or destructive testing. In conducting County's Inspections, County and County's Representatives shall use reasonable care and consideration and shall use its good faith efforts to schedule the date(s) and time(s) of County's Inspections so as not to unreasonably interfere with the operations of Seller on the Property. In connection with County's Inspections, County shall immediately restore the Property to substantially the same condition as it was in prior to the inspection or test at County's sole expense unless such non-restoration is approved in writing by Seller in its reasonable discretion. If County or County's Representatives undertake any borings or other disturbance of the soil, the soil shall be replaced and, if Seller shall reasonably require, recompacted to its condition immediately prior to any such borings or other disturbance and County shall obtain at its own expense a certificate from a licensed soils engineer that certifies that such disturbance has been recompacted to such condition. County shall cause County's Inspections, including, without limitation, all investigations, borings, and invasive testing activities, to be conducted; (i) in a safe and professional manner; (ii) so as not to create any dangerous or hazardous condition on or about the Property, (iii) in compliance with any and all applicable laws, statutes, ordinances, orders, rules, regulations, codes, demands or other directives or requirements of any local, state or federal Governmental Authority (collectively, "**Applicable Laws**"); (iv) only after obtaining all permits required to be obtained with respect to such activities; and (v) in a manner that does not cause any damage (except to the extent restoration is not required, as described above), loss, cost or expense to, or claims against Seller or the Property. Seller shall have no obligation to repair any problems or defects disclosed by County's Inspections. A representative of Seller may accompany County during the County's Inspections at County's election. County shall have the right to meet with governmental officials having jurisdiction over the Property, subject to prior written notice to Seller of, and a reasonable right of Seller's representative (and/or Seller's counsel) to attend, any such meetings or to participate in any such calls.

3.4 County's Due Diligence Approvals.

3.4.1 **Due Diligence Review.** County's obligations under this Agreement, including, but not limited to, its obligations to purchase the Property on the Closing Date, are subject to the approval or confirmation by County, in County's sole and absolute discretion, of County's due diligence investigations of the Property, including without limitation, review and approval of the Due Diligence Materials and County's Inspections, during the period (the "**Due Diligence Period**") from the Effective Date through 5:00 pm Pacific time one (1) business day prior to closing (the "**Due Diligence Deadline**"). If, during the Due Diligence Period, County determines that it is dissatisfied, in County's sole and absolute discretion, for any reason or no reason whatsoever, with any aspects of the Property and/or its condition or suitability for County's intended use, or with any of the Due Diligence Materials or the results of County's Inspections, then County may terminate this Agreement, and the Escrow created pursuant hereto, by delivering written notice to Seller and Title Company on or before the Due Diligence Deadline of County's election to terminate (a "**Termination Notice**"), in which event this Agreement, the Escrow, and the rights and obligations of the Parties hereunder shall terminate, other than the Surviving Obligations (as defined in Section 5.5), and neither Party shall have any further right or obligation hereunder other than the Surviving Obligations.

3.4.2 **Assumed Contracts.** County shall, on or prior to the Due Diligence Deadline, advise Seller of which Contracts, if any, County elects to assume. Other than the Contracts that County has so elected to assume, Seller shall terminate all other Contracts effective as of the Closing.

3.4.3 Title Review.

3.4.3.1 County shall have until the Due Diligence Deadline to deliver to Seller written notice ("**County's Title Notice**") of County's approval, conditional approval, or disapproval, in County's sole and absolute discretion, of any matter in the PTR or disclosed by the Survey.

3.4.3.2 Seller shall have five (5) Business Days after receipt of County's Title Notice or County's deemed disapproval ("**Seller Response Period**"), to provide County with a written response ("**Seller's Title Response**") stating that Seller shall: (a) cause the matters disapproved by County to be removed of record, or commit to cause the Title Company to endorse over such matters pursuant to an endorsement or endorsements acceptable to County, in County's sole and absolute discretion, or otherwise cure such matters, prior to the Closing, and to give County and the Title Company written notice of those matters that have been or will be cured on or before the Closing; or (b) not cause such matters to be so cured. If Seller does not, during the Seller Response Period, deliver a Seller's Title Response that is satisfactory to County in County's sole discretion, then Seller shall be deemed to have elected not to cure any matters disapproved by County. Notwithstanding the foregoing, Seller shall be obligated to remove as exceptions to title to the Property as of the Closing all delinquent tax liens for the Property, mechanics' liens (attributable to work not contracted for by County), mortgages, deeds of trust, financing statements, judgment liens, and other monetary encumbrances recorded against the Property (collectively, "**Monetary Liens**") or encumbrances and all claims to fee title or leasehold or other possessory interests in the Property, other than those arising from County's Inspections. Upon instruction from Seller, Title Company shall use the proceeds of the Purchase Price otherwise due to Seller in order to remove Monetary Liens continuing to encumber the Property immediately prior to the Closing.

3.4.3.3 If Seller does not state in Seller's Title Response that it shall cause all of the matters disapproved by County to be cured prior to the Closing Date, then County may, by not later than ten (10) Business Days after receipt of Seller's Title Response, (x) terminate this Agreement, in which case this Agreement, the Escrow and the rights and obligations of the parties hereto shall terminate, or (y) terminate its disapproval of those matters that Seller does not elect to cure by delivering written notice of such waiver (the "**Title Approval Notice**") to Seller and the Title Company. If County does not deliver the Title Approval Notice in such case, County shall be deemed to have terminated this Agreement. A "**Business Day**" shall mean any day of the year that is not a County holiday (as such County holidays are disclosed on <https://www.lacounty.gov/government/about-la-county/county-holidays/>) and any other day in which commercial banks are either not required to open or are authorized to close in Los Angeles, California.

3.4.3.4 If the Title Company issues any supplement or amendment to the PTR after the Due Diligence Deadline, then County may issue a supplement to its County's Title Notice within ten (10) Business Days after County's receipt of legible copies of the title documents referenced in such supplement and, if such supplement includes disapproval of any matter, then Seller shall respond within five (5) Business Days with a supplement to Seller's Title Response.

3.4.4 County's failure to either disapprove or approve in writing any of the items described in this Section 3.4 within the time period allotted to such item shall be deemed to constitute County's disapproval of same.

4. **Prorations and Apportionments.**

4.1. All real and personal property ad valorem taxes, assessments and bonds levied or assessed against the Property, whether payable in installments or not, shall be prorated between Seller and County and paid through Escrow (as defined in Section 5.1) as of 12:01 A.M. Pacific time on the Closing Date (the "**Proration Time**"). County expressly acknowledges and agrees that Seller, as a regulated public utility, pays Taxes on the Property based on assessments provided by the State Board of Equalization ("SBE"). Once property is assessed to Seller as of January 1 of any fiscal year, Seller automatically is obligated to pay Taxes thereon based on the SBE assessment for the following fiscal year, and in this case, Seller may be obligated to pay Taxes on the Property through the end of the 2025-2026 (through June 30, 2026) fiscal year, depending upon when the Closing occurs. At Closing, Taxes shall be prorated between Seller and County in light of the foregoing, and County shall repay to Seller, through Escrow Agent, the Taxes for the 2025-2026 fiscal year as applicable, prorated as of the Proration Time. The Taxes, for proration purposes, shall be based on the actual figures for the 2025-2026 fiscal year as provided by Seller and/or the SBE, unless Escrow Agent is to close before these figures are available, in which case the proration shall be based on the immediately preceding year's figures. The 365-day year shall be used for proration purposes. There shall be no re-proration of any of the foregoing items, and the Title Company's closing statement shall be final and conclusive absent manifest error. Assessments of record shall be taken "subject to" by County with no adjustment to the Purchase Price or escrow retention. If the amount of any proration cannot be determined at the Closing, the adjustments will be made between the parties as soon after Closing as possible. County shall be liable for payment of any supplemental tax bills issued by the County of Los Angeles as a result of the Closing of this transaction. Seller shall remain liable for any supplemental tax bills issued after the Closing which relate to the period prior to the Closing. If the Property is assessed as part of a larger parcel as of the Closing, the parties shall equitably allocate tax liability based upon square footage after deducting taxes attributable to improvements (if any).

4.2. Subject to Sections 4.3 and 4.4, all revenues and expenses, if any, of the Property shall be prorated and apportioned as of the Proration Time so that Seller shall bear all expenses incurred by Seller with respect to the Property through and including the period preceding the Proration Time and shall have the benefit of all income with respect to the Property through and including the period preceding the Proration Time. Any revenue or expense amount which cannot be ascertained with certainty as of the Proration Time shall be prorated on the basis of the parties' reasonable estimates of such amount and shall be the subject of a final proration thirty (30) calendar days after the Closing, or as soon thereafter (but not later than one hundred eighty (180) calendar days after the Closing) as the precise amounts can be ascertained. Either Party owing money to the other Party based on any adjustments to the prorations shall promptly pay such sum upon demand, together with interest at the maximum legal rate if payment is not made within thirty (30) calendar days following such demand. A proposed estimated statement of such prorations shall be delivered by Title Company to County and Seller at least three (3) days prior to the Closing Date, and County and Seller shall use diligent efforts to reach agreement as to prorations and to deliver to Title Company a statement setting forth their agreed prorations at least two (2) Business Days prior to the Closing Date.

4.3. Expenses to be prorated shall include payments under Contracts, water, and other expenses customarily prorated in Los Angeles County, California. The electrical service to the Property is a separate line and account that Seller intends to assign to County as of the Closing Date. County shall use commercially reasonable efforts to cause the transfer of such utility to the name of County as of the Closing Date, and Seller shall use commercially reasonable efforts to have such utility meter read as of the Closing Date.

4.4. County and Seller each agree to deposit with Title Company or otherwise make arrangements with Title Company with respect to such Party's share of the prorations.

4.5. All prorations, unless otherwise provided herein, shall be on an accrual basis and based upon actual elapsed calendar days. County and Seller shall allow the other access upon reasonable prior written notice to their respective records relating to the Property to verify the prorations and adjustments provided in this Agreement.

4.6. In addition to the foregoing, County and Seller shall cooperate reasonably with respect to the exchange and/or delivery of any and all items evidencing and/or relating to the Intangible Property, and keys to County on or about the Closing Date.

4.7. The provisions of this Section 4 shall survive the Closing and the delivery and recording of the Deed (as defined in Section 5.1).

5. **Opening and Closing.**

5.1. **Opening; Closing Date and Place.** Within three (3) Business Days after the Effective Date, County and Seller shall deposit one (1) fully executed original Agreement into escrow (the "**Escrow**") with Commonwealth Land Title Insurance Company (or such other company as agreed to in writing by County and Seller) (the "**Title Company**"), which shall be the title company and escrow agent with respect to the transaction provided for in this Agreement. For purposes of this Agreement, the "**Closing**" shall be defined as the date (the "**Closing Date**") on which the grant deed in the form of Exhibit C attached hereto (the "**Deed**"), conveying the Real Property to County, is recorded in the Official Records of Los Angeles County, California. The Closing Date shall occur on the date that is thirty (30) Business Days after the Effective Date, or such other date as Seller and County may agree in writing, without penalty. Time is of the essence

with respect to each of the dates specified above. All funds necessary to consummate the Closing (the "**Funds**") shall be deposited by County into Escrow no later than one (1) Business Day prior to the Closing Date. The Title Company is located at: 601 S. Figueroa Street, 40th floor, Suite 4000, Los Angeles, CA 90017 and the primary contact person is Cheryl Greer, Email: _____; Telephone: _____.

5.2. **Seller's Closing Deliveries**. At or before the Closing Date (except as otherwise set forth herein), Seller shall execute, acknowledge and/or deliver, as applicable, the following items into Escrow (collectively, the "**Seller's Deliveries**"):

5.2.1. The Deed, executed and acknowledged by Seller;

5.2.2. Intentionally Omitted;

5.2.3. An assignment and assumption in the form of Exhibit E attached hereto ("**General Assignment**"), executed by Seller;

5.2.4. A Certificate of Non-Foreign Status in the form of Exhibit F attached hereto ("**FIRPTA**"), executed by Seller;

5.2.8. Such evidence of Seller's authority, the owner's affidavit in the form of Exhibit G attached hereto and other documents reasonably required by the Title Company.

5.3. **County's Closing Deliveries**. At or before Closing, County shall execute, acknowledge and/or deliver, as applicable, the following items into Escrow (collectively, the "**County's Deliveries**"):

5.3.1. The Purchase Price Balance;

5.3.2. County's share of any prorations and expenses as provided in Section 4;

5.3.3. The General Assignment, executed by County;

5.3.4. The Closing Statement, executed by County;

5.3.5. Such evidence of County's authority and other documents reasonably required by the Title Company; and

5.3.6. A Certificate of Acceptance ("**Certificate of Acceptance**"), executed by County.

5.4. **Closing Expenses.** At Closing, Seller shall pay: (i) all documentary transfer taxes required to be paid as to the Deed, if any; (ii) all costs regarding the satisfaction and discharge of any Seller Liens (as defined in Section 6.1); (iii) the premium for the CLTA Policy (as defined in Section 6.1); and (iv) one-half of the Escrow fees and the recording charges with respect to the Deed, if any. At Closing, County shall pay: (1) the additional premium costs to obtain an ALTA Policy (as defined in Section 6.1), if requested by County, and any endorsements desired by County; (2) the cost of any Survey ordered by County; and (3) one-half of the Escrow fees and the recording charges with respect to the Deed, if any. Each Party shall be responsible for its own attorney fees (if any). Any Closing expenses not specified herein shall be paid as customary in Los Angeles County. Each Party's obligation to pay costs under this Section 5.4 shall survive the Closing and the delivery and recording of the Deed.

5.5. **County's Conditions Precedent to Closing.** County's obligation to consummate the transaction contemplated by this Agreement is subject to the satisfaction of the following conditions (the "**County Conditions Precedent**"):

5.5.1. The due performance by Seller of each and every undertaking and agreement to be performed by it pursuant to this Agreement, in all material respects, and the truth of each representation and warranty made by Seller in this Agreement in all material respects at the time as of which the same is made and as of the Closing Date as if made on and as of the Closing Date.

5.5.2. That at no time on or before the Closing Date shall have occurred a bankruptcy or any other event of dissolution with respect to Seller.

5.5.3. Seller shall have delivered Seller's Deliveries into Escrow in accordance with Section 5.2 above.

5.5.4. The Title Company shall unconditionally commit to County at Closing to issue the Title Policy to County pursuant to Section 6 herein.

5.5.5. County shall have obtained all approvals required by any Governmental Authority (including County) having jurisdiction over the acquisition of the Property, in compliance with all Applicable Laws.

In the event that any of the County Conditions Precedent are not satisfied as of the Closing Date (a) County may waive such contingency by giving written notice thereof to the Title Company and proceed with the Closing (provided, however, Section 5.5.5 is a nonwaivable County Condition Precedent), or (b) in the absence of such waiver, this Agreement, the Escrow, and the rights and obligations of the Parties hereunder shall terminate, other than the Surviving Obligations (as hereinafter defined), and neither Party shall have any further right or obligation hereunder other than the Surviving Obligations; provided, however, that notwithstanding the foregoing, if the failure of condition is the result of a default by Seller or County of their respective obligations under this Agreement, the disposition of the Parties' respective rights and remedies shall be governed by Section 8 below. "**Surviving Obligations**" shall mean, collectively: (x) any indemnities and any other indemnification obligations of Seller to County, or of County to Seller, under this Agreement that are designated by their terms to survive the termination of this Agreement or the Closing hereunder; (y) those costs, expenses, and payments specifically stated herein to be the responsibility of County or Seller, respectively, and (z) and any other obligations by the Parties under this Agreement that are designated by their terms to survive the termination of this Agreement or the Closing, it being the intention of the Parties that the Parties shall nonetheless be

and remain liable for their respective obligations under clauses (x) through (z) above, notwithstanding the termination of this Agreement for any reason or the Closing hereunder.

5.6. **Seller's Conditions Precedent to Closing.** Seller's obligation to consummate the transaction contemplated by this Agreement is subject to the satisfaction of the following conditions (the "**Seller Conditions Precedent**");

5.6.1. The due performance by County of each and every undertaking and agreement to be performed by it pursuant to this Agreement, in all material respects, and the truth of each representation and warranty made by County in this Agreement in all material respects at the time as of which the same is made and as of the Closing Date as if made on and as of the Closing Date.

5.6.2. That at no time on or before the Closing Date shall have occurred a bankruptcy or any other event of dissolution with respect to County.

5.6.3. County shall have delivered County's Deliveries into Escrow in accordance with Section 5.3 above.

In the event that any of the Seller Conditions Precedent are not satisfied as of the Closing Date (a) Seller may waive such contingency by giving written notice thereof to the Title Company and proceed with the Closing, or (b) in the absence of such waiver, this Agreement and the obligations of the Parties hereunder shall terminate (other than the Surviving Obligations), and neither Party shall have any further right or obligation hereunder other than the Surviving Obligations; provided, however, if the failure of condition is a result of a default by Seller or County of their respective obligations under this Agreement, the Parties' respective rights and remedies shall be governed by Section 8 below.

5.7. **Title Company Actions at Closing.** At Closing, upon the Title Company's receipt of (i) the Purchase Price Balance and applicable prorations and expenses, (ii) the County's Deliveries and the Seller's Deliveries, (iii) the final Closing Statement approved and signed by County and Seller, and (iv) final authorization from each of Seller and County to proceed with Closing, Seller and County hereby instruct the Title Company to:

5.7.1. Prorate all matters referenced in Section 4 based upon the Closing Statement delivered to the Title Company and signed by the Parties.

5.7.2. Disburse from funds deposited by County with the Title Company towards payment of all items chargeable to the account of County pursuant to this Agreement (as reflected in the Closing Statement), including the payment of the Purchase Price and all other amounts required to be paid by County to Seller pursuant to this Agreement, net of any amounts required to be paid by Seller to County pursuant to this Agreement and the approved Closing Statement, and disburse the balance of such funds, if any, to County.

5.7.3. Record the Deed, together with the Certificate of Acceptance, and deliver to the County Assessor any off-record transfer tax declaration and/or change of ownership statement that may be required by law.

5.7.4. Issue the Title Policy to County.

5.7.5. Deliver to Seller: (i) copies of all documents recorded at Closing by the Title Company; (ii) one (1) fully executed original of the General Assignment; and (iii) a certified copy of the approved Closing Statement; and

5.7.6. Deliver to County: (i) copies of all documents recorded at Closing by the Title Company; (ii) one (1) fully executed original of the General Assignment; (iii) a certified copy of the approved Closing Statement; and (iv) a copy of each of the FIRPTA and Form 593-C.

5.8. **Operation of the Property Prior to the Closing Date.** Between the Effective Date and the Closing Date, Seller shall continue to operate and maintain the Property in the usual and ordinary course of business consistent with past practices. Seller shall take no action, and shall not cause any third party to take, any action that would materially alter or affect the condition of the Property. Seller shall not enter into, amend, or terminate any leases, licenses or occupancy agreements without obtaining prior County's written consent, which shall be subject to County's sole and absolute discretion. Seller shall not enter into or amend any contract that is not reasonably necessary for the normal operation of the Property and that cannot be terminated on thirty (30) or fewer days' notice, or waive, compromise or settle any rights of Seller under any contract or other agreement affecting the Property without, in each case, obtaining County's prior written consent, which shall be subject to County's sole and absolute discretion. Seller shall keep in full force and effect all of the existing insurance policies maintained by Seller respecting the Property or policies providing similar coverage to the existing insurance policies.

6. **Title Policy; Permitted Exceptions.**

6.1. A condition precedent to County's obligation to purchase the Property shall be the willingness of the Title Company to issue to County at the Closing, a standard CLTA owners policy of title insurance ("**CLTA Policy**"), or equivalent form acceptable to County, in the face amount of the Purchase Price and dated as of the date the Deed is recorded, indicating title to the Property to be vested of record in County, subject solely to the Permitted Exceptions (as defined in this Section 6.1), and containing endorsements and additional coverages as reasonably requested by County; provided, however, County may elect to obtain from the Title Company an ALTA extended coverage owner's policy of title insurance insuring fee title to the Property vested in County (an "**ALTA Policy**"), subject only to the Permitted Exceptions. The selected policy (whether it be a CLTA Policy or an ALTA Policy) shall be referred to herein as the "**Title Policy**," and the issuance of the Title Policy shall be a condition to the Closing for the benefit of County. "**Permitted Exceptions**" shall mean collectively, (a) the lien of all non-delinquent general and special real property taxes and assessments, which will be prorated at the Closing pursuant to Section 4.1, and (b) any other title or survey conditions, defects, objections or matters that have been approved or deemed approved by County in accordance with this Agreement. Notwithstanding anything to the contrary in this Agreement, Seller shall have no obligation to eliminate or cure County's title objections or any other title exceptions other than Monetary Liens. The provisions of this Section 6.1 shall survive termination of this Agreement or the Closing and delivery and recording of the Deed; provided, however, that the "Permitted Exceptions" shall in no event include any existing mortgage liens, mechanics liens or other monetary liens created or assumed by Seller against the Property (collectively, "**Seller Liens**").

6.2. In the event that County elects to obtain an ALTA Policy, County shall pay the difference in cost between a CLTA Policy and an ALTA Policy and the cost of the Survey. County shall pay the cost of any endorsements to the CLTA Policy or ALTA Policy that County may elect to obtain.

7. **Representations, Warranties, Covenants and Acknowledgments.**

7.1. **Seller Representations and Warranties.** Seller warrants, represents, covenants and agrees, which warranties, representations, covenants and agreements shall survive the Close of Escrow for a period of two (2) years, that:

7.1.1. Seller is a duly formed, duly organized and validly existing corporation, and in good standing under the laws of its jurisdiction of formation, and is authorized to transact business in the State of California. Seller has the full power and authority to enter into, be bound by and comply with the terms of this Agreement and has obtained all necessary consents and approvals to enter into and consummate the transaction contemplated hereby. Upon execution and delivery of this Agreement on behalf of Seller, this Agreement shall constitute the valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, subject to equitable principles and principles governing creditors' rights generally.

7.1.2. Seller is not a "foreign person" within the meaning of Section 1445(f) of the Internal Revenue Code of 1986, as amended.

7.1.3. To Seller's knowledge, neither the entering into this Agreement nor the consummation of this sale (a) constitutes a violation or breach by Seller of any contract or other instrument to which it is a party, or to which it is subject, or by which any of its assets or properties may be affected, or a violation of any judgment, order, writ, injunction or decree issued against or imposed upon it, or (b) will result in a violation of any Applicable Laws.

7.1.4. No consent, waiver, approval or authorization is required from any person or entity (that has not already been obtained) in connection with the execution and delivery of this Agreement or the performance by Seller of its obligations under this Agreement.

7.1.5. To Seller's knowledge, there are no legal actions, suits or similar proceedings pending and served, or threatened in writing against Seller or the Property which could adversely affect the value of the Property or Seller's ability to consummate the transactions contemplated hereby. As of the Effective Date and as of the Closing Date, to Seller's knowledge, the Property is not subject to any outstanding decree, injunction, judgment, order, ruling, assessment or writ.

7.1.6. To Seller's knowledge, Seller has not (a) commenced a voluntary case, or had entered against it a petition, for relief under any federal bankruptcy act or any similar petition, order or decree under any federal or state law relative to bankruptcy, insolvency or other relief for debtors, (b) caused, suffered or consented to the appointment of a receiver, trustee, administrator, conservator, liquidator or similar official in any federal, state or foreign judicial or non-judicial proceedings, to hold, administer and/or liquidate all or substantially all of its property, or (c) made an assignment for the benefit of creditors.

7.1.7. Seller is not entering into the transactions contemplated by this Agreement with the actual intent of hindering, delaying or defrauding any person or entity, including any present or future creditor. Seller is solvent, able to pay its own debts as and when they become due and adequately capitalized to conduct its business and affairs as a going concern, and the transactions contemplated hereby will not render it insolvent.

7.1.8. To Seller's knowledge, Seller has not received any written notice of condemnation of any portion of the Property, or of any special assessment affecting the Property

(other than as shown in the PTR), and, to Seller's knowledge, no such condemnation or special assessment, has been threatened or proposed.

7.1.9. To Seller's knowledge, there are no (a) unpaid obligations that could give rise to a mechanics' materialmen's or other lien on the Property, (b) unsatisfied mechanics' or materialmen's or other lien rights concerning the Property, except as shown in the PTR, and (c) encumbrances, claims, covenants, conditions, restrictions, easements, rights of way, options, judgments or other matters affecting the Property, except as shown in the PTR.

7.1.10. To Seller's knowledge, Seller has not received any written notice of any current or pending litigation or condemnation proceeding affecting Seller or the Property.

7.1.11. To Seller's knowledge, Seller is in compliance with all applicable anti-money laundering and anti-terrorist laws, regulations, rules, executive orders and government guidance, including the reporting, record keeping and compliance requirements of the BSA, as amended by The International Money Laundering Abatement and Financial Anti-Terrorism Act of 2001, Title III of the Patriot Act, and other authorizing statutes, executive orders and regulations administered by OFAC, and related Securities and Exchange Commission, or other agency rules and regulations.

7.1.12. Except for this Agreement, Seller has not entered into any contracts (other than contracts that have terminated prior to the Effective Date), or granted any options, rights of first offer, rights of first refusal or similar rights (in each case, whether oral or written), for the sale, assignment or transfer of all or any portion of the Property.

7.1.13. To Seller's knowledge, there are no leases, licenses or other agreements for use or occupancy of any portion of the Property that will be in force after the Closing. As of Closing, no person or entity other than County is in or entitled to possession of the Property.

7.1.14. To Seller's knowledge, Seller has not received any written notice to the effect that, and Seller does not otherwise have knowledge that, the Property or the current use, occupation and condition thereof is not in compliance with Applicable Laws (other than violations which have been cured) or that there has been or may be an investigation of the Property by any governmental authority having jurisdiction over the Property. To Seller's knowledge, the conveyance of the Real Property to County will not violate any laws and will include all rights necessary to permit continued compliance by the Real Property with all Applicable Law; provided, Seller makes no representation or warranty regarding County's use of the Property on and after the Closing Date. To Seller's knowledge, Seller has received no written notice that the Property is in violation of any easement, covenant, condition, restriction or similar provision in any instrument or record or other unrecorded agreement affecting the Property.

7.1.15. To Seller's knowledge, Seller has not received written notice of, and does not otherwise have knowledge of, (a) any violation of Environmental Laws concerning the Property (other than any violation disclosed in any Phase I or Phase II environmental site assessment delivered by Seller to County during the Due Diligence Period), or (b) the presence or release of Hazardous Substances on or from the Property that would give rise to any obligation to report, monitor or remediate or which would reasonably be likely to pose a material threat to the environment or person or property (other than as disclosed in any Phase I or Phase II environmental site assessment delivered by Seller to County during the Due Diligence Period).

approvals required for County to enter into and consummate the transaction described in this Agreement.

7.2.3. This Agreement, and all instruments referenced herein to be executed by County in connection with the transaction described in this Agreement, are, or at the time of Closing will be, duly authorized, executed and delivered by County, and are, or at Closing will be, legal, valid and binding obligations of County and do not, and at the time of Closing will not, violate any provisions of any agreement or judicial order to which County is a party or to which County is subject.

7.2.4. The execution and delivery of this Agreement, and consummation of the transaction described in this Agreement, will not, to County's knowledge, constitute a default under any contract or agreement to which County is a party.

For purposes of this Agreement, whenever the phrase "to County's knowledge," or the "knowledge" of County or words of similar import are used, they shall be deemed to refer to facts within the actual knowledge of Michael G. Rodriguez, without duty of inquiry. County represents and warrants to Seller that the foregoing individual is the employee or representative of County most knowledgeable with respect to the subject matter of the representations, warranties and other agreements herein that are qualified by County's knowledge.

7.3. **As Is Condition.** County acknowledges that it has performed a personal inspection of the Property and the surrounding area and made an evaluation of the extent to which the physical condition thereof will affect the purchase of the Property. County accepts the Property in its "AS IS" "WHERE IS" physical condition without any representations or warranties, express or implied, as to the suitability of the Property for County's use; its physical condition, including the condition and stability of the Property; and the presence of Hazardous Substances therein. County agrees that County has entered into this Agreement with the agreement to make and rely upon its own investigation of the physical, environmental, economic use, compliance, and legal condition of the Property and that County is not now solely relying, and will not later rely, upon any representations and warranties made by Seller or anyone acting or claiming to act, by, through or under, or on Seller's behalf concerning the Property, except for those expressly provided by Seller herein.

Consistent with the foregoing and subject solely to the warranties given by Seller herein, effective as of the Closing Date, County, for itself and the County's Representatives, hereby releases, covenants not to sue, and forever discharges Seller from any and all rights, losses, liabilities, damages, costs, claims and demands at law or in equity, as between themselves, whether known or unknown or foreseen or unforeseen at the time of this Agreement, which County (as opposed to a third party) has or may have in the future arising out of the physical, environmental, economic use, compliance, and legal condition of the Property.

7.4 **Survival.** The representations and warranties of County set forth in this Agreement are made as of the Effective Date and are remade as of the Closing Date, shall not be deemed to be merged into or waived by the instruments delivered at the Closing Date, and shall survive the Closing for a period of two (2) years.

8. Rights and Remedies Upon Default.

8.1 **Seller's Remedies Upon Default of County.** If the Closing does not occur because of a default under or breach of this Agreement on the part of County, Seller may terminate this Agreement, in which case neither Party shall have any further right or obligation hereunder other than the Surviving Obligations, and thereupon, Seller shall have all rights and remedies at law or in equity, including, without limitation, the right to seek damages (except for any punitive, speculative, consequential, or special damages).

8.2 **County's Remedies Upon Default of Seller.** If the Closing does not occur because of a default under or breach of this Agreement on the part of Seller, County may: (i) terminate this Agreement, in which case neither Party shall have any further right or obligation hereunder other than the Surviving Obligations, and thereupon, County shall have all rights and remedies at law or in equity, including, without limitation, the right to seek damages (except for any punitive, speculative, consequential, or special damages); or (ii) pursue the remedy of specific performance of Seller's obligations to proceed to Closing under Section 5. Seller acknowledges the unique and special character of the Property and its utility to County and agrees that specific performance is an appropriate remedy for Seller's default under this Agreement. The foregoing options are mutually exclusive and are the exclusive rights and remedies available to County at law or in equity in the event the sale of the Property is not consummated because of Seller's default under or breach of this Agreement. Notwithstanding anything to the contrary contained herein, in the event that the remedy of specific performance is unavailable to County due to Seller's conveyance of the Property to a third-party prior to the termination of this Agreement, County shall have available all remedies at law or in equity against Seller.

8.3 **Limitation Period.** Seller's covenants, indemnities, warranties and representations contained in this Agreement including any instrument of closing executed by Seller pursuant to this Agreement shall survive County's purchase of the Property only for a period commencing on the Closing Date and ending two (2) years after the Closing Date (the "**Limitation Period**"). To the extent County is entitled under the terms of Section 8.2 above to seek damages due to the breach by Seller thereof or otherwise under this Agreement, Seller's aggregate liability for claims arising out of such covenants, indemnities, representations and warranties shall not exceed two percent (2%) of the Purchase Price (the "**Damage Limit**"). County shall provide written notice to Seller prior to the expiration of the Limitation Period of any alleged breach of such covenants, indemnities, warranties or representations and shall allow Seller thirty (30) days within which to cure such breach, or, if such breach cannot reasonably be cured within thirty (30) days, an additional reasonable time period, so long as such cure has been commenced within such thirty (30) days and is being diligently pursued. If Seller fails to cure such breach after written notice and within such cure period, County's sole remedy for damages shall be an action at law for actual damages as a consequence thereof, and any permitted remedies hereunder must be commenced, if at all, within the Limitation Period; provided, however, that if within the Limitation Period County gives Seller written notice of such a breach and Seller notifies County of Seller's commencement of a cure, commences to cure and thereafter terminates such cure effort, County shall have an additional thirty (30) days from the date of such termination within which to commence an action at law for actual damages up to the Damage Limit or seek any remedy permitted hereunder as a consequence of Seller's failure to cure. The Limitation Period referred to herein shall apply to known, as well as unknown, breaches of such covenants, indemnities, warranties or representations. For purposes of this Agreement, any action shall be commenced only if a lawsuit therefore is filed with a court as provided in this Agreement. County specifically acknowledges that such termination of liability represents a material element of the consideration to Seller. The limitation as to Seller's liability in this Section 8.2 does not apply to Seller's liability with respect to prorations and adjustments under Section 4.

8.4 The provisions of this Section 8 shall survive termination of this Agreement.

9.0 **Casualty or Condemnation.**

9.1 In the event that, after the Effective Date and prior to the Close of Escrow, a material portion of the Property (as hereinafter defined) is destroyed or damaged, or any portion of the Real Property is subject to a taking by a governmental authority, County shall have the right, exercisable by written notice to Seller within 10 Business Days after County's receipt of written notice of such damage or destruction, either (a) to terminate this Agreement and receive return of the Deposit, less one-half (1/2) of any Escrow termination charges, in which event any other funds or documents in Escrow shall be returned to the Party depositing the same and this Agreement shall terminate except for Surviving Obligations, or (ii) to accept the Property in its then condition and to proceed with the Closing. Unless County terminates this Agreement pursuant to its rights in the immediately-preceding sentence (or as otherwise provided in this Agreement), County shall be bound to purchase the Property for the full Purchase Price as required by the terms hereof, without regard to the occurrence or effect of any damage to the Property or destruction of any improvements thereon or condemnation (or any issuance by a governmental authority with jurisdiction of a notice of intent to adopt a resolution of necessity to condemn) of any portion of the Property or the improvements thereon ("**Loss**"). In the event of any Loss after the Effective Date and prior to the Close of Escrow, County shall be entitled, at the Closing, to a credit against the Purchase Price due hereunder equal to the amount of any insurance proceeds or condemnation awards collected by Seller as a result of any such damage or destruction or condemnation, plus the amount of any insurance deductible, less any sums expended by Seller toward the restoration or repair of the Property or in collecting such insurance proceeds or condemnation awards. If the proceeds or awards have not been collected as of the Closing, then Seller's rights to claim and receive such proceeds or awards shall be assigned to County, except to the extent needed to reimburse Seller for sums expended prior to the Close of Escrow to repair or restore the Property or to collect any such proceeds or awards. For purposes of this Section 9.1, damage to the Property shall be deemed to involve a material portion thereof if the estimated cost of restoration or repair of such damage, as reasonably estimated by County and Seller shall exceed five percent (5%) of the Purchase Price.

9.2 Notwithstanding anything to the contrary in the foregoing, if, prior to the Closing any damage to the Real Property occurs as the result of a release of Hazardous Substances to, on, under or in the Property (by a party other than County or a County's Representative), County shall have the option to terminate this Agreement upon written notice to Seller given not later than twenty (20) Business Days after County's receipt of written notice thereof from Seller.

10. **Binding Effect.** This Agreement shall be binding upon, shall inure to the benefit of, and shall be enforceable by, the Parties and their respective successors and permitted assigns.

11. **Governing Law.** This Agreement shall be governed by and construed under and in accordance with the laws of the State of California. Any litigation with respect to this Agreement shall be conducted in the County of Los Angeles, California.

12. **Time of Essence** Time shall be deemed of the essence with respect to consummating the transactions contemplated under this Agreement on the Closing Date and with respect to all other obligations of County and Seller hereunder.

13. **Counterparts.** This Agreement may be executed in one or more counterparts each of which shall be deemed an original but all of which shall constitute one and the same Agreement. The Parties contemplate that they may be executing counterparts of this Agreement transmitted by facsimile or email in PDF format and agree and intend that a signature by email in PDF format shall bind the Party so signing with the same effect as though the signature were an original signature

14. **Waiver.** Except as otherwise provided herein, the failure of Seller or County to insist upon or enforce any of their respective rights hereunder shall not constitute a waiver thereof.

15. **Construction.** Each Party acknowledges that the Parties have participated equally in the drafting of this Agreement and that accordingly, no court construing this Agreement shall construe it more stringently against one Party than the other.

16. **Headings.** The captions used herein have been included for convenience of reference only and shall not be deemed to vary the content of this Agreement or limit the provisions or scope of any section or paragraph hereof.

17. **Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but in the event that any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

18. **Broker.** Upon the Closing, Seller shall pay real estate brokerage commissions to Cushman & Wakefield of California, Inc. ("**Seller's Broker**") with respect to this transaction, in accordance with Seller's separate agreement with Seller's Broker (the "**Broker Agreement**"), and Seller hereby agrees to indemnify and hold County free and harmless from such commission obligations payable to Seller's Broker. The Parties hereby warrant that they have dealt with no other real estate broker in this transaction and that no other broker or other person is entitled to any commission, finder's fee or other similar compensation by virtue of the Parties entering into or consummating this Agreement. Each Party hereby defends and indemnifies the other Party against any claims, losses, liability and damages, including reasonable attorneys' fees and costs, in connection with any commissions, finders' fees or other similar compensation sought, based upon some obligation of the indemnifying Party with respect to this transaction. This Section 18 shall survive the Closing.

19. **Assignment.** This Agreement shall not be assigned by County without the prior written consent of Seller. Notwithstanding the foregoing, County may assign this Agreement to an affiliate of County without Seller's consent. Any permitted assignee shall succeed to all of County's rights and remedies hereunder and no such assignment shall relieve County from its liability under this Agreement.

20. **Merger.** All prior statements, understandings, letters of intent, representations and agreements between the Parties, oral or written, are superseded by and merged in this Agreement, which alone fully and completely expresses the agreement between Seller and County in connection with this transaction and which is entered into after full investigation, neither Party relying upon any statement, understanding, representation or agreement made by the other not embodied in this Agreement.

21. **General Rules of Interpretation.** Words and phrases contained herein shall be construed according to the context and the approved usage of the English language, but technical words and phrases, and such others as have acquired a peculiar and appropriate meaning by law, or are defined in this Agreement, are to be construed according to such technical, peculiar, and appropriate meaning or definition. Whenever the context requires, all words used in the singular will be construed to have been used in the plural, and vice versa, and each gender will include any other gender. As used in this Agreement, the word "includes or "including" means including without limitation, the word "or" is not exclusive and the words "herein," "hereof," "hereto" and hereunder refer to this Agreement as a whole unless the context otherwise requires, and references herein: (a) to articles, paragraphs, sections and exhibits mean the articles, paragraphs, sections and exhibits which are part of this Agreement as amended, supplemented or modified from time to time to the extent permitted by the provisions thereof and by this Agreement, (b) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented or modified from time to time to the extent permitted by the provisions thereof and by this Agreement, and (c) to a statute means such statute as amended, supplemented or replaced from time to time. The exhibits, schedules, addenda, and attachments which are attached to this Agreement are made a part of this Agreement.

22. **Date of Performance.** If the date of the performance of any term, provision or condition of this Agreement shall happen to fall on a Saturday, Sunday or other non-Business Day, the date for the performance of such term, provision or condition shall be extended to the next succeeding Business Day immediately thereafter occurring.

23. **Third Parties.** This Agreement shall not be deemed to confer in favor of any third parties any rights whatsoever as third-party beneficiaries, the Parties intending by the provisions hereof to confer no such benefits or status.

24. **Acceptance of the Deed.** The delivery by Seller of the Deed into Escrow, and the recording thereof by the Title Company in accordance with the terms and conditions of this Agreement, shall be deemed to be the full performance and discharge of every agreement, obligation, and covenant, guaranty, representation, or warranty on the part of Seller and County, respectively, to be performed pursuant to the provisions of this Agreement in respect of the Property, except for the Surviving Obligations. Certain provisions of this Agreement, as expressly provided herein, shall survive Closing or termination. This Section 24 shall survive the Closing.

25. **Notices.** All notices, elections, consents, approvals, demands, objections, requests or other communications which Seller or County may be required or desire to give pursuant to, under or by virtue of this Agreement (collectively, "**Notices**") must be in writing and sent by (a) personal delivery, (b) registered or certified mail, return receipt requested, with postage prepaid, or (c) nationally recognized overnight courier service that provides receipted delivery service, delivery charges prepaid, addressed to the respective party at the address for each set forth below. Notices shall be deemed received, and the time period for which a response to any such notice must be given or any action taken with respect thereto (including cure of any prospective Event of Default) shall commence to run upon the earlier of (a) if personally delivered or sent by overnight courier, on the date of delivery if delivered before 5:00 p.m. on a Business Day, and otherwise on the next Business Day, or (b) if mailed, on the date of delivery as shown on the sender's registered mail or certified mail receipt. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to constitute receipt of the Notice. Seller or County may designate another addressee or change its address for notices and other communications hereunder by a notice given to the other in the manner provided in this Section 25.

26. **No Modification.** This Agreement constitute the entire agreement between the Parties with respect to the transactions contemplated hereby and supersedes all prior understandings or agreements between the Parties as to the subject matter hereof. No term or provision of this Agreement may be changed or waived, discharged or terminated orally, but only by an instrument in writing signed by the Party against which enforcement of the change, waiver, discharge or termination is sought.

27. **Rights of the Title Company.** If there is any dispute as to whether the Title Company is obligated to deliver any monies and/or documents which it now or hereafter holds (collectively, the “**Escrowed Property**”) or as to whom any Escrowed Property are to be delivered, the Title Company shall not be obligated to make any delivery, but, in such event, may hold same until receipt by the Title Company of an authorization, in writing, signed by all of the parties having an interest in such dispute directing the disposition of same; or, in the absence of such authorization, the Title Company may hold any Escrowed Property until the final determination of the rights of the parties in an appropriate proceeding. Within three (3) Business Days after receipt by the Title Company of a copy of a final judgment or order of a court of competent jurisdiction, certified by the clerk of such court or other appropriate official, the Escrowed Property shall be

delivered as set forth in such judgment or order. A judgment or order under this Agreement shall not be deemed to be final until the time within which to take an appeal therefrom has expired and no appeal has been taken, or until the entry of a judgment or order from which no appeal may be taken. If such written authorization is not given or proceeding for such determination is not begun and diligently continued, the Title Company shall have the right to bring an appropriate action or proceeding for leave to deposit the Escrowed Property in court, pending such determination. In the event that the Title Company places any Escrowed Property in the registry of the governing court in and for Los Angeles County, California and files an action of, interpleader, naming the Parties, the Title Company shall be released and relieved from any and all further obligation and liability hereunder or in connection herewith. If, without gross negligence on the part of the Title Company, the Title Company shall become a party to any controversy or litigation with respect to the Escrowed Property or any other matter respecting this Agreement, Seller and County shall jointly and severally hold the Title Company harmless from any damages or losses incurred by the Title Company by reason of or in connection with such controversy or litigation. The provisions of this Section 28 shall survive the Closing or termination of this Agreement.

28. **Solicitation of Consideration.** It is improper for any County officer, employee or agent to solicit consideration in any form from Seller with the implication, suggestion or statement that Seller's provision of the consideration may secure more favorable treatment for Seller in the award of this Agreement or that Seller's failure to provide such consideration may negatively affect the County's consideration of the Seller's offer to sell the Property. Seller shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent who has had any involvement in the negotiation, consummation or administration/management of this Agreement. Seller shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County Manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the Seller's submission being eliminated from consideration.

29. **No Offer or Binding Contract.** The Parties agree that the submission of an unexecuted copy or counterpart of this Agreement by one Party to another is not intended by either Party to be, or be deemed to be a legally binding contract or an offer to enter into a legally binding contract. The Parties shall be legally bound pursuant to the terms of this Agreement only if and when the Parties have been able to negotiate all of the terms and provisions of this Agreement in a manner acceptable to each of the Parties in their respective sole discretion, and both Seller and County have fully executed and delivered this Agreement.

Exhibit E

CERTIFICATE OF NON-FOREIGN STATUS

Section 1445 of the United States Internal Revenue Code (the "Code") provides that a transferee of a U.S. real property interest must withhold tax if the transferor is a foreign person. For U.S. tax purposes (including Section 1445), the owner of a disregarded entity that has legal title to a U.S. real property interest under local law, and not the disregarded entity itself, is treated as the transferor of the property. Pacific Bell Telephone Company, a California corporation ("Transferor") is conveying certain U.S. real property rights to the County of Los Angeles, a body politic and corporate ("Transferee"). To inform Transferee that withholding of tax will not be required upon the transfer of a U.S. real property interest to Transferee by Seller, Transferor hereby certifies to Transferee the following:

1. Transferor is not a disregarded entity (each as such term is defined in Section 1.1445-2(b)(2)(iii) of the Income Tax Regulations promulgated thereunder).
2. Transferor is not a foreign person, foreign corporation, foreign partnership, foreign trust, or foreign estate (as these terms are defined in the Code and the Income Tax Regulations promulgated thereunder).
3. Transferor's United States employer identification number is: 94-0745535.

These minimum insurance coverage terms, types and limits (the "**Required Insurance**") also are in addition to and separate from any other contractual obligation imposed upon Licensee pursuant to this License. The Licensor in no way warrants that the Required Insurance is sufficient to protect the Licensee for liabilities, which may arise from or relate to this License.

A. Evidence of Coverage and Notice to Licensor

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this License by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Licensee identified in this License. Certificates shall provide the full name of each insurer providing coverage, its National Association of Insurance Commissioners ("**NAIC**") identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding twenty five thousand (\$25,000.00) dollars, and list any Licensor required endorsement forms.
- Neither the Licensor's failure to obtain, nor the Licensor's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Licensee, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements, notices of cancellation shall be delivered to:

County of Los Angeles
Chief Executive Office
Real Estate Division
320 West Temple Street
7th Floor Los Angeles, CA 90012

B. Additional Insured Status and Scope of Coverage

The Licensor, which is the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents), shall be provided additional insured status under Licensee's General Liability policy with respect to liability arising from or connected with the Licensee's acts, errors, and omissions arising from and/or relating to the Licensee's operations on and/or its use of the Premises.

Licensor's additional insured status shall apply with respect to liability and defense of suits arising out of the Licensee's acts or omissions, whether such liability is attributable to the Licensee or to the Licensor. The full policy limits and scope of protection also shall apply to the Licensor as an additional insured, even if they exceed the Licensor's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

C. Cancellation of Insurance

Except in the case of cancellation for non-payment of premium, Licensor's insurance policies shall provide, and Certificates shall specify, that Licensor shall receive not less than thirty (30) days advance written notice by mail of any cancellation of the Required Insurance. Ten (10) days prior notice may be given to Licensor in event of cancellation for non-payment of premium.

D. Failure to Maintain Insurance

Licensee's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the License, upon which County immediately may suspend or terminate this License. County, at its sole discretion, may obtain damages from Licensee resulting from said breach. Alternatively, the County may purchase the Required Insurance and without further notice to Licensee, pursue Licensee reimbursement.

Use of the Property shall not commence until Licensee has complied with the insurance requirements, and shall be suspended during any period that Licensee fails to maintain said policies in full force and effect.

E. Compensation for County Costs

In the event that Licensee fails to comply with any of the indemnification or insurance requirements of this License, and such failure to comply results in any costs to County, Licensee shall pay full compensation for all reasonable costs incurred by County.

F. Insurer Financial Ratings

Insurance is to be provided by an insurance company authorized to do business in California and acceptable to the Licensor, with an A.M. Best rating of not less than A:VII, unless otherwise approved by the Licensor.

H. Waiver of Subrogation

To the fullest extent permitted by law, the Licensee hereby waives its and its insurer(s) rights of recovery against Licensor under all required insurance policies for any loss arising from or related to this License. The Licensee shall require its insurers to execute any waiver of subrogation endorsements, which may be necessary to affect such waiver.

I. Deductibles and Self-Insured Retentions (SIRs)

Licensee's policies shall not obligate the Licensor to pay any portion of any Licensee deductible or SIR. The Licensor retains the right to require Licensee to reduce or eliminate policy deductibles and SIRs as respects the Licensor, or to provide a bond guaranteeing Licensee's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

J. Claims Made Coverage

If any part of the Required Insurance is written on claims made basis, any policy retroactive date shall precede the start date of this License. Licensee understands and agrees it shall maintain such coverage for a period of not less than three (3) years following License expiration, termination or cancellation.

K. Application of Excess Liability Coverage

Licensee may use a combination of primary and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

L. Separation of Insureds
