1. County funding at any percentage triggers Measure A protections. The County continues to describe LAHSA positions as "braided funded," but Measure A contains no minimum funding threshold. Its non-displacement clause protects employees whose positions are funded "in whole or in part" by County dollars.

The phrase "in part" has a settled legal meaning in California statutes and case law:

?? any non-zero percentage of County funding triggers legal coverage.

Therefore:

A position funded by 10% County dollars is a County-funded position.

A position funded by 40% County dollars is a County-funded position.

A position funded by 100% County dollars is a County-funded position.

County funding, in any amount, creates a County obligation under Measure A.

2. Vacant positions are also protected under Measure A.

Vacant roles are part of the County-funded staffing footprint. Eliminating or restructuring vacant positions constitutes a reduction in workforce, which Measure A expressly prohibits. Measure A protects the structure of County-funded employment, not only currently filled positions.

Measure A does not distinguish between filled and vacant County-funded positions; it prohibits the County from "reducing or eliminating" County-funded public employees.

Under established California labor and public employment principles, authorized County-funded positions—filled or vacant—constitute the County-funded workforce. Eliminating a vacant County-funded position reduces the authorized workforce and prevents placement of existing employees into those roles, producing the same effect as eliminating a filled position.

For this reason, Measure A's non-displacement protections apply to the entire staffing structure, not only to currently filled seats.

3. The County's own feasibility report contradicts the County's "braided funding" narrative.

The County's March 2025 Feasibility Report (Attachment: Feasibility of Implementing BRCH Recommendations No. 1 and 3, March 2025) makes clear that LAHSA's Measure A exposure is not ambiguous. On page 3, the County identifies:

470 LAHSA positions—52% of the workforce—as County-funded.

Attachment VI further shows that many so-called "partially County-funded" classifications are supported by 40–70% County dollars.

Under Measure A's non-displacement clause, any position funded "in whole or in part" by County dollars is a protected County-funded public employee. The Feasibility Report therefore already unbraided these streams, identified the

County-funded positions, and quantified exposure.  
The County cannot claim ambiguity now when its own report established its knowledge — and its obligation — months before this transition process began.

The County cannot claim ambiguity when its own report already:  
unbraided these funding streams,

identified County-funded positions, and

quantified County exposure.

The Feasibility Report establishes the County's knowledge — and its obligation — months before this transition process began.

4. Internal documents show the County already knows which positions will be cut.

At the last Board meeting, departments stated they "don't know" which positions will be affected because the funding must first be "unbraided." However, the County's own documents contradict this:

A. The March 2025

Already identified which programs were slated for reduction and which roles those reductions impact.

B. The HSH & DHS presentations right after the board meeting on Nov. 18th provided explicit staffing cuts, including:

LAHSA HET teams reduced from 68 FTEs to 33 FTEs  
(EHCRA "Connect/Outreach" presentation, Nov. 21, 2025)

\$0 allocated to LAHSA for Housing Navigation, eliminating those functions  
(EHCRA "Connect/Outreach Funding Table," Nov. 21, 2025)

Program eliminations or transitions, including:

Problem Solving, Prevention Case Management, Youth Family  
Reconnection, and others

(EHCRA Slide Decks I-III, Nov. 21, 2025)

Detailed FTE reallocations tied to bed/slot counts, staffing ratios, and  
program models

(HSH/Deputies Meeting Presentation, Nov. 20, 2025)

C. Program cuts inherently mean staff cuts.

It is also important to distinguish the relationship between County-funded  
programs and LAHSA-delivered roles.

If the County has already specified which programs are being reduced or  
zeroed out, then the affected LAHSA roles are also known.

LAHSA cannot lose a County-funded program without losing the workers who deliver it.

D. Any remaining "uncertainty" could be resolved immediately.

The Board has the authority to request from LAHSA a list of all positions tied to the County-funded programs being reduced, and DSHS has already provided organizational charts and planned ordinance positions for the new department.

The County has full access to the information needed to determine which roles are affected.

A lack of information is not the issue — a lack of disclosure is.

If the County can identify staffing and program reductions with this level of precision in internal briefings, then the County does not lack information — it is choosing not to present it publicly.

You cannot "unbraid" funding in March and then claim in November that the same funding is too braided to determine staff impact.

Workers deserve transparency, not delay.

5. The HR "concierge program" is a competitive hiring process, not placement — and therefore constitutes displacement under Measure A.

The LA County HR "Concierge Hiring Program" presentation (Nov. 19, 2025) outlines a standard civil service process requiring:  
submit new applications

undergo minimum qualification screening

take civil service exams

be ranked on eligibility lists

participate in interviews

and complete probationary periods

This is the standard competitive civil service hiring process. It is not a transition, not a placement, and not a non-displacement mechanism.

Workers have already reported being rejected at the MQ screening stage despite following all instructions provided by HR, which means the process produces displacement by design. Under Measure A, requiring a County-funded worker to reapply, pass new examinations, or compete for the same work they already perform constitutes displacement, regardless of terminology.

Measure A prohibits the County from "reducing or eliminating" County-funded employees.

A process that forces existing County-funded workers into competitive exams, eligibility lists, and possible rejection is a reduction in workforce by another name.  
? And critically: the County is in an active hiring freeze.  
Departments across the County — including DHS, DPSS, DMH, CEO, and DHR — have acknowledged:  
frozen vacancies

limited funding for new hires

restricted onboarding

delays in filling positions

This means:  
LAHSA workers are being told to “apply into County jobs”

at the same time the County is freezing hiring and reducing vacancies

This creates a structural contradiction:  
? The County is eliminating County-funded LAHSA jobs while simultaneously restricting County hiring, making Measure A compliance impossible.  
Under Measure A, the County cannot:  
eliminate a County-funded role,

force the worker to apply for a County job that does not exist,

and call that “non-displacement.”  
A competitive hiring process during a hiring freeze is constructive displacement.  
Renaming the process “concierge hiring” does not change its legal effect.

6. The Board is now formally on notice.  
Given the County’s documented knowledge of program-level reductions and staffing impacts, the forthcoming 30-day report must directly address Measure A compliance. Specifically, the report must clarify:  
A. How the County defines “displacement” under Measure A, including whether the following constitute displacement:  
forcing County-funded wor

Court is poised to rehear Louisiana v. Callais and could nullify Section 2 of the Voting Rights Act (VRA) — the last major safeguard against racially discriminatory political maps.

A new analysis from Fair Fight Action and Black Voters Matter lays bare what's at stake:

Gutting Section 2 could lock in 27 more safe Republican U.S. House seats, with at least 19 directly tied to the loss of its protections.

Up to 30% of the Congressional Black Caucus and 11% of the Congressional Hispanic Caucus could lose their seats.

The ripple effects would reach every level of government, from city councils to school boards, transforming local democracy into a partisan machine.

If Section 2 falls, Republicans' long-term gerrymandering strategy will cement single-party control for a generation ending free and fair elections. Electoral contests would persist in form but not in substance; citizens could still vote, but their votes would no longer determine power.

Thank you for taking action. Please keep fighting to protect our democracy.

The County of Los Angeles must immediately dismiss the frivolous

is a true and correct electronic portable document file copy of Exhibits 1-42,  
all inclusive. Exhibits 1-42 prove by clear and convincing evidence that

MARK Rosenberg (SBN # 291501) in frivolous and RACIST Superior Court of California, County of Los Angeles, Pasadena Superior Court case PDRO001713 on December 20, 2023. Exhibit 7 proves by clear and convincing evidence that pursuant to California Civil Code of Procedure § 527.6, RACIST Rosenberg's petition showed no course of conduct, and also the illegal petition showed that RACIST Rosenberg was never a victim of a credible threat of unlawful violence or a victim of unlawful violence. During the year 2024, the County of Los Angeles paid its employee Timothy R. Martella a grand total of \$ 244,129.00.

County of Los Angeles and RACIST Brian MARK Rosenberg fabricated lies in their 25STRO03574 workplace violence petition legal documents by lying to the Superior Court that RACIST Rosenberg's frivolous PDRO01713 civil harassment petition prevented KING AROGANT from going to RACIST BRIAN MARK ROSENBERG'S workplace located at 150 West Commonwealth Avenue, Alhambra, CA 91801, First Floor. THIS IS NOT AT ALL TRUE! See now Exhibit 7 at page 86. The Superior Court order stated that KING AROGANT must stay 100 yards away from RACIST BRIAN MARK Rosenberg and his vehicle. Nowhere on the frivolous Superior Court of California, County of Los Angeles, Pasadena Superior Court, December 20, 2023, permanent injunction court order does it order KING AROGANT to stay 150 yards away from the job or workplace of RACIST BRIAN MARK Rosenberg! Pursuant to United States Supreme Court case Monell v. Department of Social Services, 436 U.S. 658, 98 S.Ct 2018, 56 L.Ed.2d 611 (1978) County of Los Angeles will be held liable for the reckless, fraudulent, and unconstitutional actions of its employees Timothy R. (paid \$ 244,129 by the County of Los Angeles in 2024) and RACIST Brian MARK

Rosenberg (SBN 291501) (paid \$ 310,478.00 in total pay and benefits by the County of Los Angeles during the year 2024).

County of Los Angeles and its corrupt Sheriff Robert G. Luna did not have any jurisdiction or legal authority to willfully, recklessly, knowingly, fraudulently, wantonly, deliberately, carelessly, and callously lock out a disabled woman named Alison Helen Fairchild out of her home located at 2308 Felicia Avenue, Rowland Heights, CA 91748 using an invalid, phony, bogus, and illicit Superior Court of California, County of Los Angeles, West Covina Superior Court writ of possession that did not bear her name and was attached to an illegal Superior Court of California, County of Los Angeles, West Covina Superior Court civil law case number 24WCUD02475, in which Alison Helen Fairchild was dismissed without prejudice by Plaintiff Chen Property RH LLC. law case 24WCUD02475 in December 2024, which was the same exact case number printed on the illegal 5-day-notice-to-vacate left on her home's front door by County of Los Angeles peace officers on or about June 8, 2025. The reckless actions of County of Los Angeles employee Leslie Bouvier Gutierrez (SBN # 276241) in conspiring with federal district court Defendants Robert G Luna, County of Los Angeles, Songfong Tommy Wang (SBN # 272409), Fae Chen, Orange Chen's Property LLC, Chen Property RH LLC, and DOES 1-10 was one of the main reasons why Alison Helen Fairchild was wrongfully evicted on or about June 15, 2025. County of Los Angeles judicial officer employee Leslie Bouvier Gutierrez allowed

Alison Helen Fairchild to be wrongfully evicted and fraudulently signed off on her co-conspirators' invalid writ of possession, even after KING AROGANT had submitted documents and told her on the record that Plaintiff Chen Property RH LLC had voluntarily dismissed Fairchild from Superior Court of California, County of Los Angeles, West Covina Superior Court civil case 24WCUD02475. Accordingly, Pursuant to United States Supreme Court case Monell v. AROGANT HOLLYWOOD PUBLIC COMMENT FOR DECEMBER 2, 2025,  
COUNTY OF LOS ANGELES BOARD OF SUPERVISORS' PUBLIC BOARD  
MEETING!

The County of Los Angeles must immediately dismiss the frivolous workplace violence petition restraining order 25STRO03574. Attached hereto is a true and correct electronic portable document file copy of Exhibits 1-42, all inclusive. Exhibits 1-42 prove by clear and convincing evidence that Superior Court of California, County of Los Angeles Stanley Mosk Superior Court civil law case 25STRO03574 has no merit because AROGANT HOLLYWOOD [hereinafter "KING AROGANT"] has not made any contact whatsoever with RACIST & LYING County of Los Angeles Deputy District Attorney Brian MARK Rosenberg (SBN # 291501) since KING AROGANT sent a single email to RACIST Brian MARK Rosenberg in early November 2023. The evidence in Exhibits 1-42 clearly proves by clear and convincing evidence that KING AROGANT has never contacted Brian MARK Rosenberg by any means of communication since early November 13, 2023.

The County of Los Angeles will be held legally liable for its judicial officer, Timothy R. Martella, granting both a frivolous temporary restraining order on November 14, 2023, and then shortly thereafter a permanent restraining order for LYING & RACIST Brian

MARK Rosenberg (SBN # 291501) in frivolous and RACIST Superior Court of

California, County of Los Angeles, Pasadena Superior Court case PDRO001713 on December 20, 2023. Exhibit 7 proves by clear and convincing evidence that pursuant to California Civil Code of Procedure § 527.6, RACIST Rosenberg's petition showed no course of conduct, and also the illegal petition showed that RACIST Rosenberg was never a victim of a credible threat of unlawful violence or a victim of unlawful violence. During the year 2024, the County of Los Angeles paid its employee Timothy R. Martella a grand total of \$ 244,129.00.

County of Los Angeles and RACIST Brian MARK Rosenberg fabricated lies in their 25STRO03574 workplace violence petition legal documents by lying to the Superior Court that RACIST Rosenberg's frivolous PDRO01713 civil harassment petition prevented KING AROGANT from going to RACIST BRIAN MARK ROSENBERG'S workplace located at 150 West Commonwealth Avenue, Alhambra, CA 91801, First Floor. THIS IS NOT AT ALL TRUE! See now Exhibit 7 at page 86. The Superior Court order stated that KING AROGANT must stay 100 yards away from RACIST BRIAN MARK Rosenberg and his vehicle. Nowhere on the frivolous Superior Court of California, County of Los Angeles, Pasadena Superior Court, December 20,

2023, permanent injunction court order does it order KING AROGANT to stay 150 yards away from the job or workplace of RACIST BRIAN MARK Rosenberg! Pursuant to United States Supreme Court case Monell v. Department of Social Services, 436 U.S. 658, 98 S.Ct 2018, 56 L.Ed.2d 611 (1978) County of Los Angeles will be held liable for the reckless, fraudulent, and unconstitutional actions of its employees Timothy R. Martella

(paid \$ 244,129 by the County of Los Angeles in 2024) and RACIST Brian MARK Rosenberg (SBN 291501) (paid \$ 310,478.00 in total pay and benefits by the County of Los Angeles during the year 2024).

County of Los Angeles and its corrupt Sheriff Robert G. Luna did not have any jurisdiction or legal authority to willfully, recklessly, knowingly, fraudulently, wantonly, deliberately, carelessly, and callously lock out a disabled woman named Alison Helen Fairchild out of her home located at 2308 Felicia Avenue, Rowland Heights, CA 91748 using an invalid, phony, bogus, and illicit Superior Court of California, County of Los Angeles, West Covina Superior Court writ of possession that did not bear her name and was attached to an illegal Superior Court of California, County of Los Angeles, West Covina Superior Court civil law case number 24WCUD02475, in which Alison Helen Fairchild was dismissed without prejudice by Plaintiff Chen Property RH LLC. Alison Helen Fairchild was dismissed from illegal Superior Court of California, County of Los Angeles, West Covina Superior Court civil law case 24WCUD02475 in December 2024, which was the same exact case number printed on the illegal 5-day-notice-to-vacate left on her home's front door by County of Los Angeles peace officers on or about June 8, 2025. The reckless actions of County of Los Angeles employee Leslie Bouvier Gutierrez (SBN # 276241) in conspiring with federal district court Defendants Robert G Luna, County of Los Angeles, Songfong Tommy Wang (SBN # 272409), Fae Chen, Orange Chen's Property LLC, Chen Property RH LLC, and DOES 1-10 was one of the main reasons why Alison Helen Fairchild was wrongfully evicted on or about June 15, 2025. County of Los Angeles judicial officer employee Leslie Bouvier Guitterez allowed

Alison Helen Fairchild to be wrongfully evicted and fraudulently signed off on her co-conspirators' invalid writ of possession, even after KING AROGANT had submitted documents and told her on the record that Plaintiff Chen Property RH LLC had voluntarily dismissed Fairchild from Superior Court of California, County of Los Angeles, West Covina Superior Court civil case 24WCUD02475. First Name Last Name	once again the venice beach lifeguards are endangering children
	11-13-2025 - 1230pm - for over 1 hour - lifeguard tower 18
	there were 2 people illegally fishing close to children swimmers/surfers
	the venice lifeguards do this on purpose as a way to keep the ocean empty. if the ocean is empty, then venice lifeguards can get a paycheck for doing nothing
	11-30-2025 - 12pm - for many hours - venice pier
	there were hispanics using illegal fishing tactics at the venice pier. i could not get the lifeguard's attention (located on the venice pier) because the lifeguard was blasting loud music in his tower. the music was so loud that i could not yell over it. this is a tactic used by lifeguards to avoid taxpayers.

	Sydney S Shaw	<p>I'm here because DCFS is actively harming my children and punishing me for speaking up—even after this Board stepped in and forced them to replace my abusive social worker, Mia Persona. Her replacement, Roberta Garcia, was supposed to fix things—but it hasn't. The department is retaliating, obstructing visits, and traumatizing my children. My daughter Evelyn is terrified. Last Saturday, she lost a chess game to her brother and had a temper tantrum. She sat down on the street refusing to get up. I tried to help her, but the social worker repeatedly told me to "let her go," turning a normal parenting moment into a tool to accuse me of being unsafe. DCFS is twisting everyday moments</p>

				<p>against me, and my daughter is scared of even trying to trust the system. My children also want to live with my mother, if they can't be with me. She has a perfectly safe, loving home—rooms, pets, friends. DCFS refuses, keeping them in foster care in Hesperia, far from the family who loves them. There is no explanation, no safety concern—only control and punishment. This is retaliation, plain and simple. My children are losing hope. They are scared, confused, and being told their voices don't matter. This Board must step in again. DCFS needs oversight, accountability, and consequences for harming the very children they claim to protect. This is retaliation, cruelty, and complete failure. My children are scared, confused, and losing hope. I am begging this Board: step in again. Stop this abuse. Protect my children. Hold DCFS accountable.</p> <p>Its been over a year since my children were taken from me for their fathers domestic violence. Not once, I repeat NOT ONCE, has there ever been an issue of my being and caring for my children safely. Their father was recorded being abusive to them, which the court believed and found their testimony credible. despite this not even being two months ago, he has overnights, and I STILL DO NOT. This is unfair, it is a nightmare. MY KIDS ARE BEGGING TO BE WITH ME. and there is NO REASON THEY CANT BE except for DCFS IS RETALATING AGAINST ME</p> <p>please, please, enough is enough please help us?</p>

*The above image you see is the Stanley Mosk Courthouse handicap ramp complained upon to this deliberately indifferent County of Los Angeles Board of Supervisors. Due to the County of Los Angeles continuing to recklessly allow individuals working for its in collusion with legal process server companies' employees. **THE VONS ORDER ALLEGEDLY DELIVERED ON OCOTBER 24, 2025 WAS STOLEN AFTER A RETARDED UBER EATS OR DOOR DASH DRIVER NEGLIGENTLY AND RECKLESSLY LEFT THE ENTIRE GROCERY ORDER UNATTENDED DESPITE INSTRUCTIONS ON FAIRCHILD'S ACCOUNT TO NOT LEAVE ANY OF HER GROCERIES UNATTENDED!**

**THE \$ 182.12 VONS ORDER THAT WAS NEVER DELIVERED ON NOVEMBER 2, 2025 WAS RECKLESSLY NEVER BROUGHT TO FAIRCHILD AFTER AN UBER EATS OR DOOR DASH FEMALE DRIVER ENTERED FAIRCHILD'S HOTEL LOBBY BUT NEVER ACTUALLY RETREIVED GROCERIES FROM HER VEHICLE, AND THEN THIS UBER OR DOORDASH DELIVERY DRIVER CARELESSLY LEFT FAIRCHILD'S ADDRESS WITHOUT EVER ATTEMPTING TO DELIVER HER GROCERIES.**

**ON NOVEMBER 2, 2025 AT APPROXIMATELY 9:56 AM KING AROGANT TOLD BETTER BE SOON FIRED ALBERTSONS EMPLOYEE JOSEPH CLARKSON EXACTLY WHAT HAPPENED TO FAIRCHILD'S GROCERY ORDER, AND DEMANDED THAT CLARKSON EITHER IMMEDIATELY RE-DELIVER FAIRCHILD'S VONS ORDER OR REFUND HER CARD. AS OF NOVEMBER 29, 2025 JOSEPH CLARKSON, ALBERTSONS COMPANIES, UBER TECHNOLOGIES INC, DOORDASH INC, & DOES 1-10 HAVE RECKLESSLY FAILED TO REFUND FAIRCHILD FOR A TOTAL OF \$ 311.63 IN FEDERALLY FUNDED STATE OF CALIFORNIA ELECTRONIC BENEFIT TRANSFER CARD FUNDS.**

**IN ADDITION TO KING AROGANT CONTACTING BETTER BE SOON FIRED ALBERTSONS COMPANIES EMPLOYEES ERIC ROSADO AND JOSEPH CLARKSON. DURING PHONE CALLS WITH ALBERTSONS COMPANIES CALL CENTER SUPERVISORS WORKING FROM THE DAMN PHILIPPINES KING AROGANT DEMANDED REFUNDS ON ALL PREVIOUSLY STATED ALBERTSONS COMPANIES GROCERY ORDERS, DEMANED DRIVERS FOLLOW INSTRUCTIONS ON FAIRCHILD'S VONS ACCOUNT, AND DEMANDED THAT ALBERTSONS COMPANIES REQUESTED THAT UBER AND DOOR DASH TAKE ACTION AGAINST THEIR NEGLIGENT DRIVERS! APPARENTLY KING AROGANT AND FAIRCHILD'S DEMANDS FELL ON DEAF EARS AS THERE**

WERE ADDITIONAL PROBLEMS WITH FAIRCHILD'S VONS GROCERY STORE ORDERS ON OCTOBER 24, 2025 AND NOVEMBER 2, 2025. INTERESTINGLY ENOUGH KING AROGANT WARNED A VONS CUSTOMER SERVICE CALL CENTER SUPERVISOR (BOTH SUPERVISORS WORKING FROM THE PHILIPPINES) OF PENDING LITIGATION AND A CEASE AND DESIST LETTER, TO WHICH THIS MALE SUPERVISOR REPLIED BY OFFERING KING AROGANT A DAMN REFERENCE NUMBER AND TELLING HIM HIS FEEDBACK WAS IMPORTANT. SO IMPORTANT THAT ADDITIONAL PROBLEMS OCCURRED ALMOST IMMEDIATELY THEREAFTER! IMPORTANT NOTE. SAFEWAY WHO OWNED VONS GROCERY STORES IS COMPLETELY DISSOLVED, AND THUS VONS COMPANIES INCLUDING ITS PAVILLIONS BRAND IS ALSO COMPLETELY DISSOLVED AND NONEXISTENT! FOR SOME ODD REASON ALBERTSONS COMPANIES CONTINUES TO OPERATE UNDER THESE UNPROFITABLE AND WORTHLESS DISSOLVED GROCERY BRANDS. SEE ALSO JEWEL-OSCO & SHAWS.

## **Written Public Comment – Upper Compton Creek Corridor, District 2**

Submitted by: Elvis Diaz, Watts resident and Verbum Dei High School Parents Association member

Chair and Members of the Los Angeles County Board of Supervisors,

My name is Elvis Diaz. I live in Watts, in the community surrounding the Upper Compton Creek flood control channel near 108th Street and South Central Avenue. I am a member of the parents association at Verbum Dei High School. I submit this written comment on behalf of the children at 112th Street Elementary School, Verbum Dei High School, and Maxine Waters Adult School, the elders who gather at the Watts Labor Community Action Committee senior center, and the families who walk the Upper Compton Creek corridor every day because they have no other safe way to get where they need to go.

### **1. Corridor conditions and proximity to schools and community centers**

The stretch of Upper Compton Creek that runs behind our neighborhood is lined by chain link fencing intended to prevent the public from entering the flood control channel. In practice, this fence has been cut open repeatedly at multiple access points. The County flood control channel is breached. People enter and camp inside a facility that was never designed to hold human beings, particularly those with high medical, behavioral health, or safety needs.

This corridor is not an isolated industrial zone. It is a daily route for:

Children walking to and from 112th Street Elementary School

Students, including teenagers, walking to Verbum Dei High School

Adult learners attending Maxine Waters Adult School

Seniors and community members using the WLCAC campus and senior center

Local families pushing strollers and walking to transit

Children and elders pass these hazards on their way to school, community programs, and home. For more than a year, residents have reported these conditions in good faith. Los Angeles County Public Works has acknowledged ongoing vandalism and damage to the fencing, yet on the ground the same openings remain and the same risks continue.

### **2. Documented incidents: fires, extreme exposure, and gun activity**

These dangers are not abstract or hypothetical. I have personally documented:

Fires inside the easement

Individuals walking nude in front of our school and along the corridor

Gun activity linked to encampments inside or immediately adjacent to the flood control channel

Families, students, school staff, and neighbors have watched these incidents occur in real time. The County infrastructure that should protect both housed and unhoused residents has remained compromised and open throughout.

These are foreseeable, preventable safety risks occurring on County controlled property, in a flood control facility adjacent to schools and community centers.

### 3. Public Records Act request and “storm preparation” response

In order to better understand the delays and internal handling of this site, I submitted a California Public Records Act request regarding Upper Compton Creek. In response, County staff in Public Works, including staff member Thomas Logue, informed me that responding to the request would take time away from storm preparation.

That framing is deeply troubling.

Protecting people experiencing homelessness from being in a dangerous flood control channel, preventing fires and gun activity inside that channel, and keeping children from walking past a repeatedly breached easement next to school routes is storm preparation. Protecting human life is the first duty of emergency management. It is not a distraction from it.

Transparency about how these hazards are handled is not a luxury. It is part of accountability for life safety in communities that already face disproportionate environmental and public safety burdens.

### 4. Emergency Central Response timeline and unresolved status

Emergency Central Response has informed me that cases like this, involving Public Works and flood control concerns, typically take on average eighty nine days to address. My specific case concerning this corridor has now been pending for more than one hundred fifty days with no lasting corrective action where our children and elders actually walk.

The gap between a stated eighty nine day average and a one hundred fifty day unresolved case is not a minor delay. It is a signal that this particular corridor, and this particular community, are not being treated with urgency.

## 5. Meetings with deputies and declined meeting with the Supervisor

I did not begin by going to the Board. I followed the channels available to me.

I previously met with Supervisor Holly Mitchell's deputies, including Anissa Lopez, Ramses Mayorga, and Alfonso Ruiz Delgado, to raise these concerns. In that meeting I was told that the Supervisor oversees a large district and that meetings must be scheduled months in advance. I accepted that explanation and continued to engage in good faith.

After that meeting produced no follow up and no resolution, I requested a meeting with Supervisor Mitchell herself a full year in advance, specifically to discuss the Upper Compton Creek corridor and the safety issues affecting children, families, staff, and elders in Watts.

That meeting request was declined with a generic response that did not address a single one of the specific safety concerns raised. There has been no meaningful engagement from the office on this issue despite repeated attempts.

## 6. "LAPD issue" response and County responsibility

When I raised the fires and gun activity with County staff member Tyler Ladzinski, I was told that this is an LAPD issue. That answer is incomplete and unacceptable.

LAPD does not control the fencing, the easement, or the flood control infrastructure. Those are County responsibilities. What we are asking for is not more enforcement. We are asking for basic stewardship of County property that reduces foreseeable harm to both housed and unhoused residents.

## 7. Homelessness, compassion, and the failure to provide services

I also want to be clear that restricting access to the channel alone will not end homelessness. The people living in that channel need outreach, housing, and services, not just citations and displacement. No one is pretending that fencing and iron alone will solve the complex crisis of homelessness.

But right now we have neither true safety nor true services.

Since the last cleanup of this corridor, there has been no consistent use of County resources at this location to:

Offer sustained services and outreach to the people in the encampments, and

Protect the children, families, staff, and elders who live, learn, and work next to this easement

We are seeing a cycle of temporary cleanups, no durable infrastructure changes, and no sustained service presence. The result is that unhoused people are returned to dangerous conditions and housed residents are left exposed to repeated fires, extreme exposure, and gun activity.

#### 8. Geneva trip and human rights at home

During the same period in which our requests for engagement and a meeting were declined, Supervisor Mitchell traveled to Geneva, Switzerland for a United Nations human rights related event, as highlighted on her public Instagram account.

I do not begrudge any elected official for participating in global human rights conversations. But it is impossible for residents of Watts to ignore the contrast.

If there is time to speak about human rights abroad, there must be time to address basic safety and human dignity for children and elders in Watts. Human rights begin at home, in the places where your constituents walk, learn, work, and grow old. Protecting people from repeated fires, gun activity, and extreme exposure at a County flood control facility next to schools is a human rights issue.

#### 9. Requested Board and District 2 actions

In light of the above, I respectfully request that the Board and District 2 take the following actions:

##### 1. Designate District 2 as a clear conduit for this corridor

Direct Supervisor Mitchell's office to serve as an active conduit between the Watts community and the County departments with jurisdiction over this corridor, especially Public Works and Emergency Central Response, so that residents have a defined point of contact and follow up.

##### 2. Direct Public Works to develop and implement a hardening plan

Instruct Public Works to develop and implement a site specific hardening plan for the Upper Compton Creek corridor adjacent to 112th Street Elementary, Verbum Dei, Maxine Waters Adult School, and the WLCAC campus. This plan should prioritize:

Reinforcing and hardening the specific ingress points where the fence is repeatedly cut

Addressing design weaknesses that allow recurring breaches

Reducing fire risk inside the channel

3. Require coordinated service outreach at the corridor

Ensure that County homeless service providers and behavioral health providers are tasked with regular, coordinated outreach at this site so that people living in or near the channel are consistently offered services, support, and pathways off the easement, rather than simply being displaced from one dangerous location to another.

4. Provide a written response and timeline

Direct District 2 and Public Works to provide a written response and timeline to the community that outlines:

Short term actions to reduce immediate hazards

A schedule for hardening critical ingress points

A plan for coordinated outreach and monitoring

5. Recognize this corridor as a recurring, not one time, issue

Acknowledge that this is not a one time complaint that can be resolved with a single cleanup. Treat the Upper Compton Creek corridor in Watts as an ongoing safety priority that requires structural changes and sustained attention.

10. Closing

I do not submit this comment out of anger. I submit it because communities like mine should not have to beg to be visible or safe. Watts deserves the same care, urgency, and dignity as any other part of Los Angeles County.

If these conditions remain unresolved, I plan to continue returning to this Board, continue documenting and reporting conditions along this corridor, and continue raising this issue until there is a durable solution that protects our children, our elders, and the unhoused people who are currently placed in harm's way inside a County flood control facility.

Their lives are not theoretical. Their safety should not be optional.

Respectfully,

Elvis Diaz

Watts resident and Verbum Dei High School Parents Association member

8 The County of Los Angeles must immediately dismiss the frivolous workplace  
9 violence petition restraining order **25STRO03574**. Attached hereto is a true and correct  
10 electronic portable document file copy of Exhibits 1-42, all inclusive. Exhibits 1-42 prove  
11 by clear and convincing evidence that Superior Court of California, County of Los  
12 Angeles Stanley Mosk Superior Court civil law case **25STRO03574** has no merit  
13 because AROGANT HOLLYWOOD [hereinafter "**KING AROGANT**"] has not made  
14 any contact whatsoever with RACIST & LYING County of Los Angeles Deputy District  
15 Attorney Brian MARK Rosenberg (SBN # **291501**) since KING AROGANT sent a  
16 single email to RACIST Brian MARK Rosenberg in early November 2023. The evidence  
17 in Exhibits 1-42 clearly proves by clear and convincing evidence that KING AROGANT  
18 has never contacted Brian MARK Rosenberg by any means of communication since early  
19 November 13, 2023.  
20

21 The County of Los Angeles will be held legally liable for its judicial officer, Timothy

## 4 AROGANT HOLLYWOOD PUBLIC COMMENT FOR DECEMBER 2, 2025, 5 COUNTY OF LOS ANGELES BOARD OF SUPERVISORS' PUBLIC BOARD 6 MEETING! 7

8 The County of Los Angeles must immediately dismiss the frivolous workplace  
9 violence petition restraining order **25STRO03574**. Attached hereto is a true and correct  
10 electronic portable document file copy of Exhibits 1-42, all inclusive. Exhibits 1-42 prove  
11 by clear and convincing evidence that Superior Court of California, County of Los  
12 Angeles Stanley Mosk Superior Court civil law case **25STRO03574** has no merit  
13 because AROGANT HOLLYWOOD [**hereinafter "KING AROGANT"**] has not made  
14 any contact whatsoever with RACIST & LYING County of Los Angeles Deputy District  
15 Attorney Brian MARK Rosenberg (SBN # **291501**) since KING AROGANT sent a  
16 single email to RACIST Brian MARK Rosenberg in early November 2023. The evidence  
17 in Exhibits 1-42 clearly proves by clear and convincing evidence that KING AROGANT  
18 has never contacted Brian MARK Rosenberg by any means of communication since early  
19 November 13, 2023.  
20

21 The County of Los Angeles will be held legally liable for its judicial officer, Timothy  
22 R. Martella, granting both a frivolous temporary restraining order on November 14, 2023,  
23 and then shortly thereafter a permanent restraining order for LYING & RACIST Brian

1 MARK Rosenberg (**SBN # 291501**) in frivolous and RACIST Superior Court of  
2 California, County of Los Angeles, Pasadena Superior Court case PDRO001713 on  
3 December 20, 2023. Exhibit 7 proves by clear and convincing evidence that pursuant to  
4 California Civil Code of Procedure § 527.6, RACIST Rosenberg's petition showed no  
5 course of conduct, and also the illegal petition showed that RACIST Rosenberg was  
6 never a victim of a credible threat of unlawful violence or a victim of unlawful violence.  
7 During the year 2024, the County of Los Angeles paid its employee Timothy R. Martella  
8 a grand total of \$ 244,129.00.

9  
10 County of Los Angeles and RACIST Brian MARK Rosenberg fabricated lies in their  
11 **25STRO03574** workplace violence petition legal documents by lying to the Superior  
12 Court that RACIST Rosenberg's frivolous **PDRO01713** civil harassment petition  
13 prevented KING AROGANT from going to RACIST BRIAN MARK ROSENBERG'S  
14 workplace located at 150 West Commonwealth Avenue, Alhambra, CA 91801, First  
15 Floor. THIS IS NOT AT ALL TRUE! See now Exhibit 7 at page 86. The Superior Court  
16 order stated that KING AROGANT must stay 100 yards away from RACIST BRIAN  
17 MARK Rosenberg and his vehicle. Nowhere on the frivolous Superior Court of  
18 California, County of Los Angeles, Pasadena Superior Court, December 20, 2023,  
19 permanent injunction court order does it order KING AROGANT to stay 150 yards away  
20 from the job or workplace of RACIST BRIAN MARK Rosenberg! Pursuant to United  
21 States Supreme Court case *Monell v. Department of Social Services*, 436 U.S. 658, 98

County of Los Angeles and its corrupt Sheriff Robert G. Exhibits 1-16 prove by clear and convincing evidence that County of Los Angeles employee **Latrice Antoinette George-Byrdsong (SBN # 247217)**, who was paid by the County of Los Angeles \$ 208,773 during the year 2024, knew that based on Exhibits 1-16 that there was no basis for granting County of Los Angeles's frivolous workplace violence petition on August 19, 2025. Corrupt, partial, in collusion, and biased judicial officer Latrice Byrdsong knew that she was fabricating lies in open court, that she did not see RACIST Brian MARK Rosenberg's perjurious city of Alhambra police department crime report attached as an Exhibit to the County of Los Angeles's frivolous workplace violence petition in illegal Superior Court of California case **25STRO03574**. Corrupt and lying County of Los Angeles employee Latrice Byrdsong knew that she was violating her judicial code of ethics, numerous California Evidence Codes, and KING AROGANT'S United States Fourteenth Amendment Due Process Clause constitutional civil rights by striking evidence of RACIST Rosenberg's police report and not allowing KING AROGANT to ask any further questions regarding a police report that was relevant evidence and was also filed by the County of Los Angeles in its frivolous workplace violence petition in June 2025. County of Los Angeles employee Latrice Byrdsong also violated KING AROGANT'S constitutional civil rights by limiting his cross-examination of RACIST Brian MARK Rosenberg and Cynthina Nakao!
