			helen M eigenberg	giving our youth in the compound access to the library and the pool is vital in so many ways. this is not supposed to be a punitive setting--when you keep youth in the compound/cage and deny them access to healing things---its punishment. thank you for this motion!

			Jennifer Levin	these kids are currently not allowed out of their compound. Allowing them to use the grounds, and enjoy the programs is rehabilitative. Isn't that the whole point?
