A portion of the Bonds may be issued on a taxable basis.

Section 6. Payment of Bonds.

(a) Request for Tax Levy. The money for the payment of principal, redemption premium, if any, and interest on the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the Interest and Sinking Fund, as defined below. The Board of Supervisors and officers of the County are obligated by statute

to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors of the County to annually levy a tax upon all taxable property in the District sufficient to redeem the Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due.

The *ad valorem* tax revenues levied to pay the Bonds shall, when collected, be deposited by the County into the Interest and Sinking Fund of the District ("Interest and Sinking Fund), which is hereby authorized to be created. The Interest and Sinking Fund and *ad valorem* tax revenues are irrevocably pledged, and the District hereby grants a lien and security interest therein, for the payment of the principal, redemption premium, if any, and interest on the Bonds when and as the same fall due. The moneys in the Interest and Sinking Fund, to the extent necessary to pay the principal, redemption premium, if any, and interest on the Bonds as the same become due and payable, shall be transferred by the County or the District, as the case may be, to the Paying Agent, as paying agent for the Bonds, as necessary to pay the principal, redemption premium, if any, and interest on the Bonds. The property taxes and amounts held in the Interest and Sinking Fund of the District shall immediately be subject to this pledge, and the pledge shall constitute a lien and security interest which shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. The pledge is an agreement between the District and the Owners of the Bonds in addition to any statutory lien that may exist, and the Bonds are being issued to refund all or a portion of the Refunded Bonds and not to finance the general purposes of the District.

Additionally, in accordance with Section 15251(b) of the California Education Code and Section 53515(a) of the California Government Code, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the Bonds. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time the Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

(b) Financial. The principal of the Bonds shall be payable in lawful money of the United States of America to the Owner thereof, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(c) Interest, Record Date. The interest on the Bonds shall be payable on each Interest Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Date, such interest to be paid by check or draft mailed on such Interest Date (if a business day, or on the next business day if the Interest Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Date.

(d) Interest and Sinking Fund. Principal and interest due on the Bonds shall be paid from the Interest and Sinking Fund as provided in Section 15146 of the Education Code.

(e) Obligation of the District. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The obligation for repayment of the Bonds is the sole obligation of the District.

Section 7. Redemption Provisions.

(a) Optional Redemption. The Bonds may be subject to redemption, at the option of and as directed by the District, on the dates and terms as shall be designated in the Bond Purchase Agreement.

(b) Selection. If less than all of the Bonds shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called in such order as shall be directed by the District and, in lieu of such direction, on a proportional basis. Within a maturity, the Paying Agent shall select the Bonds for redemption as directed by the District, and, in lieu of such direction by lot; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of five thousand dollars (\$5,000) or some integral multiple thereof and that, in selecting Bonds for redemption, the Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by five thousand dollars (\$5,000).

(c) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity redeemed in accordance with subsection (a) or (b) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Bonds shall not be subject to mandatory sinking fund redemption. The Controller is hereby authorized to create such sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

(d) Notice of Redemption.

(i) The Paying Agent, upon written instruction from the District given at least 20 days prior to the date designated for such redemption, shall give notice of the redemption of the Bonds at least twenty (20) but not more than sixty (60) days prior to the redemption date, to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid. Such notice shall specify: (A) that the Bonds or a designated portion thereof are to be redeemed, (B) the numbers and CUSIP numbers of the Bonds to be redeemed, (C) the date of notice and the date of redemption, (D) the place or places where the redemption will be made, and (E) descriptive information regarding the Bonds to be redeemed including the dated date, interest rate and stated maturity date. Such notice shall further state that on the specified date there shall become due and payable upon each Bond to be redeemed, the portion of the principal amount of such Bond to be redeemed, together with interest accrued to said date, and that from and after such date interest with respect thereto shall cease to accrue and be payable.

(ii) Notice of redemption shall be by registered or otherwise secured mail or delivery service, postage prepaid, to the registered Owner of the Bonds, or if the registered Owner is a syndicate, to the managing member of such syndicate, to a municipal registered securities depository, such as the Securities Depositories and to a national information service that disseminates securities redemption notices, such as Information Services and by first class mail, postage prepaid, to the District and the respective Owners of any registered Bonds designated for redemption at their addresses appearing on the Bond Register, in every case at least twenty (20) days, but not more than sixty (60) days, prior to the redemption date; provided that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

(iii) Any notice of redemption for an optional redemption of the Bonds delivered in accordance with this section may be conditional, and, if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date: (A) the notice of redemption shall be of no force and effect, (B) the District shall not be required to redeem such Bonds, (C) the redemption shall not be made, and (D) the Paying Agent shall within a reasonable time thereafter give notice to the persons in the manner in which the conditional notice of redemption was given that such condition or conditions were not met and that the redemption was canceled.

(e) Effect of Notice. A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Bonds or the cessation of interest on the date fixed for redemption. When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (h) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the Interest and Sinking Fund or the trust fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Interest and Sinking Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Bonds called for redemption.

Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) Funds for Redemption. Prior to or on the redemption date of any Bonds there shall be available in the Interest and Sinking Fund or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this

Resolution provided, the Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the Interest and Sinking Fund shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Interest and Sinking Fund, unless otherwise provided to be paid from such monies held in trust. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Interest and Sinking Fund or otherwise held in trust for the payment of redemption price of the Bonds, the monies shall be held in or returned or transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Bonds all or any part of the principal, interest and premium, if any, on the Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 6 hereof, and such obligation and all agreement and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Bonds, but only out of monies on deposit in the Interest and Sinking Fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (j) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the Interest and Sinking Fund, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent.

(a) Appointment, Payment of Fees and Expenses. This Board does hereby consent to and confirm the appointment of U.S. Bank Trust Company, National Association, to act as

the initial paying agent for the Bonds. All fees and expenses of the paying agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the County after consultation with the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the Treasurer-Tax Collector shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(c) Principal Corporate Trust Office. The initial Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Bonds, and any reference herein to the "principal corporate trust office" of the Paying Agent shall mean the office so designated for a particular purpose. If no office is so designated for a particular purpose, such functions shall be conducted at the office of U.S. Bank Trust Company, National Association in Los Angeles, California, or the principal corporate trust office of any successor Paying Agent.

(d) Registration Books. The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.

(a) DTC as Depository. Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for the Bonds and the Bonds shall be issued in book-entry form only and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of each series of the Bonds; provided, however, that if different CUSIP numbers are assigned to Bonds of a series maturing in a single year or, if Bonds of the same series maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) Transfer of Depository. In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Bond for each maturity shall be executed and delivered in the aggregate principal amount of such Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 4 hereof and the receipt of such a written request of the District, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 9 hereof provided, however, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) Redemption or Refunding. In the case of partial redemption of the Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Bonds indicating the date and amounts of such reduction in principal.

(d) Treatment of Registered Owner. The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(e) Cooperation with Registered Owner. So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange of Bonds.

(a) Transfer. Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, new Bonds, of the same maturity, Interest Date and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Bonds for redemption, and (ii) after any Bond has been selected for redemption.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same maturity and Interest Date, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, new Bonds of the same maturity and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Bonds for redemption, and (ii) after any Bond has been selected for redemption.

Section 11. Approval of Bond Purchase Agreement; Sale of Bonds. The form of Bond Purchase Agreement, in substantially the form submitted herewith and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (a) the true interest cost for the Bonds shall not be in excess of 6.00%, (b) the interest rate on the Bonds shall not exceed legal rates, (c) the minimum purchase price for the Bonds shall be not less than the aggregate principal amount thereof, (d) the Underwriter's discount for the sale of Bonds shall not exceed 0.50% of the principal amount of such Bonds exclusive of any costs of issuance the Underwriter may contract to pay, (e) the minimum present value of savings shall not be less than 5.00% and (f) the Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Agreement shall recite the aggregate principal amount of the Bonds and shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof if any.

The Board hereby finds and determines pursuant to Government Code section 53508.7 that the sale of the Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, and ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. Estimates of the Costs of Issuance associated with the issuance of the Bonds, including any such costs which the Underwriter agrees to pay pursuant to the Bond Purchase Agreement, are set forth on **Exhibit B** attached hereto and incorporated herein.

In accordance with Section 15146(h) of the Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by the Paying Agent as cost of issuance administrator, proceeds of the sale of the Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Bonds sold, as shall be set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Bonds.

For purposes of Education Code section 15146(b) and Government Code section 5852.1, good faith estimates of (a) the true interest cost of the Bonds; (b) the costs associated with the issuance of the Bonds, including any such costs which the Underwriter agrees to pay pursuant to the Bond Purchase Agreement; (c) the amount of proceeds to be received by the District (less the Costs of Issuance); and (d) the total payments of principal and interest on the Bonds through the final maturity of the Bonds, are set forth on **Exhibit B** attached hereto and incorporated herein.

Section 12. Approval of Continuing Disclosure Agreement. The Continuing Disclosure Agreement, in substantially the form appended to the Preliminary Official Statement and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Continuing Certificate in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the applicable Continuing Disclosure Agreement by such Authorized Officer.

Section 13. Approval of Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of the Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 14. Approval of Official Statement. The preparation and delivery of an Official Statement with respect to the Bonds, and its use by the Underwriter in connection with the offering and sale of the Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Bonds and any amendment or supplement thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 15. Approval of Escrow Agreement. The Escrow Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, together with any additions thereto or changes therein deemed necessary or advisable by an Authorized Officer, or any designee thereof, is hereby approved by the Board. An Authorized Officer, or any designee thereof, is hereby authorized and directed to execute the Escrow Agreement for and in the name and on behalf of the District. The Board hereby authorizes the delivery and performance of the Escrow Agreement.

Section 16. Escrow Fund. There is hereby authorized the "Bellflower Unified School District (Los Angeles County, California) 2025 General Obligation Refunding Bonds Escrow Fund" (the "Escrow Fund"), which shall be established by the Escrow Bank under the Escrow Agreement for the purpose of depositing a portion of the proceeds of the Bonds, together with any other available funds, in an amount sufficient, together with interest earnings thereon, to defease each series of the Refunded Bonds.

Section 17. Application and Investment of Proceeds.

(a) Application of Proceeds. On the closing date, the proceeds of sale of the Bonds shall be paid by the Underwriter to the Paying Agent and to the Escrow Bank. As directed by the District, the Paying Agent and Escrow Bank shall deposit or transfer all of such amounts as follows:

(i) The Paying Agent shall deposit in a costs of issuance account the proceeds of the Bonds required to pay the Costs of Issuance (as shall be designated by the District on or prior to the closing date); and

(ii) The Escrow Bank shall deposit in the Escrow Fund such portion of the proceeds of the Bonds as are required for the defeasance of the Refunded Bonds.

(b) Investment of Bond Proceeds. Amounts deposited into the Interest and Sinking Fund, as well as proceeds of taxes held therein for payment of the Bonds, will be invested at the Treasurer-Tax Collector's discretion pursuant to law and the investment policy of the County.

Section 18. Tax Covenants.

(a) The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Bonds, or of any of the property financed or refinanced with the proceeds of the Bonds, or other funds of the District, or take or omit to take any action that would cause the Bonds to be deemed "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). To

that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Bonds. The District further covenants and agrees to comply with the requirements of the Tax Certificate to be executed and delivered in connection with the delivery of the Bonds to the original purchasers thereof.

Section 19. Professional Services. Dennis Woliver Kelley shall serve as bond counsel and as disclosure counsel to the District for the Bonds, Dale Scott & Company, Inc., shall serve as Municipal Advisor to the District for the Bonds.

Section 20. Delegation of Authority; Electronic Signatures. The Authorized Officers are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution. The Board hereby consents to the use of electronic signatures, in accordance with the Uniform Electronic Transactions Act (Cal. Civ. Code, § 1633.1 et seq.), by any Authorized Officer (or designee) in order to accomplish the foregoing.

Section 21. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 22. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to the Controller of the County the final terms of sale of the Bonds, and to file with the Controller and with the Treasurer-Tax Collector a copy of the executed Bond Purchase Agreement and this Resolution, and the schedule of amortization of the principal of and payment on the Bonds, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the Education Code and as the District's request to the Controller of the County and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Bonds, pursuant to law; and to the other officers of the County to levy and collect said taxes for the payment of the Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Bonds the principal, interest, and premium, if any, due on the Bonds in each year, and to create in the County Treasury to the credit of the District the Interest and Sinking fund pursuant to Section 15146 of the Education Code.

Section 23. Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the full faith and credit of the County, and the Bonds and any liability in connection therewith shall be paid solely from ad valorem property taxes lawfully levied to pay the principal of or interest on the Bonds.

Section 24. Effective Date. This Resolution shall take effect from and after its date of adoption.
