ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

45 January 6, 2026

EDWARD YEN
EXECUTIVE OFFICER

Dear Supervisors:

**ADOPT A RESOLUTION TO AUTHORIZE ACCEPTANCE OF AND
PARTICIPATION IN THE CALIFORNIA BOATING SAFETY AND ENFORCEMENT
FINANCIAL AID PROGRAM FOR FISCAL YEAR 2026-27
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Adopt a resolution to accept funding offered by the State of California (State) through the California Department of Parks and Recreation, Division of Boating and Waterways (DBW) in support of boating safety and enforcement on waters within Los Angeles County (County).

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached Resolution whereby the Board:
 - Accepts the Legislature's commitment to provide future baseline funding for the County and gives priority consideration to any application submitted by the County to secure State funding, in support of boating safety and enforcement on waters within the County.
 - Reaffirms the continued participation of the County, through the Los Angeles County Sheriff's Department (Department), in the California Boating Safety and Enforcement Financial Aid Program (Program) for Fiscal Year (FY) 2026-27.

211 WEST TEMPLE STREET, LOS ANGELES, CALIFORNIA 90012

A Tradition of Service
— Since 1850 —

- Certifies that the County, as a participant in the Program, shall expend the equivalent of 100 percent of its revenues collected from personal property tax on vessels of boat owners within the County for boating safety and enforcement.
 - Authorizes the Sheriff, or his designee(s), as County agents to sign and submit an application and related expenditure reimbursement claims to DBW for State funding.
 - Authorizes the State funding received through the Program to be distributed to the Department.
 - Authorizes the Los Angeles County Auditor-Controller to certify the amount of prior year vessel taxes received by the County.
 - Authorizes the Sheriff, or his designee, as the County agent to sign the grant award agreement, if awarded.
2. Find that the resolution and the funding of the County programs are exempt from the California Environmental Quality Act (CEQA), Section 15061(b)(3) of the CEQA Guidelines.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The DBW offers funding as long as the County conducts boating safety and enforcement activities. The DBW requires one adopted resolution by the Board per FY to designate one or more agencies to participate in the Program. The DBW is requesting that the attached resolution for FY 2026-27 be executed for submission with the application.

The designation of the Sheriff, or his designee(s), as signatories to the Department application is consistent with the Board's instructions of December 8, 1994, to pursue long-term funding from the State.

Implementation of Strategic Plan Goals

Approval of the recommended actions will support the County's Strategic Plan's North Star III: Realize tomorrow's government today; Focus Area G: Internal Controls and Processes: Strengthen our internal controls and processes, while being cognizant of efficiency, to continue good stewardship of the public trust and fiscal responsibility; Strategy I. Maximize Revenue: Implement processes to systematically leverage resources to help fund County initiatives.

FISCAL IMPACT/FINANCING

All funds received, up to the \$2,120,000 maximum, will offset existing expenses that would be incurred by the Department's boating and waterways enforcement operations regardless of any subsidies.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under the Program, the DBW provides financial aid from the Harbors and Watercraft Revolving Fund to counties, as authorized by Section 663.7 of the Harbors and Navigation Code. This Program has existed since 1995 and complies with an agreement for the State to provide funding to the County as part of the ownership transfer of eight beaches. A key part of the agreement was the State's commitment to provide long-term funding assistance to the region.

The Harbors and Navigation Code and application criteria require that the Board, by resolution, authorize the County's participation in the Program and certify that the County will expend no less than 100 percent of the amount collected from personal property taxes on vessels for boating safety and enforcement programs during the funding year.

The attached resolution has been approved, as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This Resolution and the funding of the County programs are exempt from the CEQA, pursuant to CEQA Guidelines, Section 15061(b)(3).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The services shall continue upon execution of this Agreement.

CONCLUSION

Continued participation in the Program will prevent disruption to the Department's boating safety and law enforcement efforts. The Board's adoption of the Resolution authorizes participation in the Program.

Upon approval by the Board, please return four copies of the adopted Board letter and attachments to the Department's Grants Unit.

Sincerely,
