PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Since September 1, 2025, the Families Stronger Together-Los Angeles Program, also known as Preventative Legal Services Hub and Warmline programs have proven successful. As of March 2025, 16 of the 301 referred youth (five percent) were removed from foster care. The Preventative Legal Services Hub and Warmline programs have helped to reduce the trauma of unnecessary child and family separation and helped reduce the disproportionate number of Black and Brown families in Service Planning Area (SPA) 6 involved in the child welfare system.

The Amendment will allow the program to continue the preventive efforts in the Vermont Corridor Office and expand the program to the remaining three SPA 6 offices (Compton-Carson, Hawthorne, and Wateridge).

The increase in funding will also allow the continuity of the Community Cultural Broker Program's (CCBP) critical role in advancing the goals of the Family First Prevention Services (FFPS) by offering culturally responsive, community-driven support to prevent unnecessary child welfare involvement and promote family stability. The CCBP also helps bridge systemic gaps by connecting Black/African American families to tailored resources and services that address the root causes of disproportionality in the child welfare system.

In addition, the Amendment will meet the requirement of the federal legislation and affirm the County's commitment to racial equity and community-based prevention.

Implementation of Strategic Plan Goals

The recommended services support the County's Strategic Plan North Star 1, Make Investments That Transform Lives; Focus Area Goal D, Support Vulnerable Populations: Address conditions which drive interactions with the County's child welfare, homeless rehousing, carceral, law enforcement and justice systems.

FISCAL IMPACT/FINANCING

The Agreement will be increased by \$2,798,000, financed using 100 percent State funds. The State funds will be included in the Department's Fiscal Year (FY) 2026-2027 budget request and will be included in the Department's subsequent budget requests.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In August 2021, California elected to opt-in to the Federal FFPSA. Subsequently, California enacted Assembly Bill 153 (Chapter 86, Statutes of 2021), which established the FFPS Program and encouraged counties to consider a holistic view of the prevention of child maltreatment. The California Department of Social Services (CDSS) provided a three-year grant to support implementation of FFPS and required counties to develop a Comprehensive Prevention Plan (CPP). Los Angeles County received a State Block Grant (SBG) allocation of \$49 million, which had to be spent by June 30, 2024. In January 2024, CDSS announced the extension of the deadline for the SBG spend down to the end of FY 2028.

The Board letter and the Amendment (Attachment A) has been reviewed by County Counsel and the CEO.

CONTRACTING PROCESS

On April 18, 2023, the Board approved a Motion, directing the Director of DCFS to enter into an Agreement with the Center for Strategic Partnerships' fiscal agent, SCG, to facilitate an expedited funding pathway to community-based organizations and consultants for the provision of ten (10) prevention and promotion pilot services and supports identified in the Los Angeles County CPP, with the option to extend the FA contingent upon the availability of funding and approval of County Counsel. The FA was executed on June 5, 2023.

On September 24, 2024, the Board approved a Motion, directing the Director of DCFS to amend the Agreement, for the development and implementation of Preventive Legal Services Hub and Warmline to increase the provision of preventive services and increase the Agreement amount by \$1,070,000. The Amendment was executed on October 29, 2024, through September 30, 2025.

On December 17, 2024, the Board approved a Motion, directing the Director of DCFS to amend the Agreement, for the development and implementation of the Plans of Save Care for Pregnant and Parent People Struggling with Substance Use for the provision of prevention services and increased the Agreement amount by \$950,000. The Amendment was effective February 18, 2025, through June 30, 2027.

On October 14, 2025, the Board adopted a Board letter, to delegate authority to the Director of DCFS to increase the Agreement amount by \$1,900,000 effective upon execution through June 30, 2027, with the option to extend effective July 1, 2027, through June 30, 2028.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the current recommendations will allow DCFS to continue to provide FFPSA services to children and youth at imminent risk for entry into the child welfare system.
