Los Angeles, California 90012

Dear Supervisors:

**MEMORANDUM OF UNDERSTANDING WITH THE FEDERAL BUREAU
OF INVESTIGATION FOR PARTICIPATION IN THE LOS ANGELES
COUNTY-NORTH COUNTY SAFE STREETS TASK FORCE
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) seeks approval of a Memorandum of Understanding (MOU) for reimbursement of overtime salary costs for participation in the Los Angeles County-North County Safe Streets Task Force (NCSSTF), funded by the Federal Bureau of Investigation (FBI).

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Sheriff, or his designee, as an agent for the County, to execute the attached MOU and Cost Reimbursement Agreement (CRA) with the FBI for the duration of the NCSSTF operations.
2. Delegate authority to the Sheriff, or his designee, as an agent for the County, to execute any and all amendments to the MOU that are necessary for the effective participation in the NCSSTF.
3. Delegate authority to the Sheriff, or his designee, as an agent for the County, to execute all required contract documents with the FBI, including, but not limited to, MOUs, CRAs, agreements, assurances and certifications, amendments,

modifications, extensions, and payment requests, in future fiscal years (FYs) as necessary for the continued participation in the NCSSTF.

4. Delegate authority to the Sheriff, or his designee, as an agent for the County, to execute all required contract documents with the FBI, including, but not limited to, MOUs, CRAs, agreements, assurances and certifications, amendments, modifications, extensions, and payment requests, as necessary for participation in other local Safe Streets Task Forces.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The NCSSTF is a collaborative, multi-agency initiative aimed at identifying and prosecuting criminal enterprise groups engaged in drug trafficking, money laundering, violent crimes—including murder, aggravated assault, and robbery—and gang-related activity. A key objective is the apprehension of dangerous fugitives where federal investigative interest exists. By coordinating efforts among federal, state, and local agencies, the NCSSTF enhances public safety and regional stability through strategic enforcement and prosecution.

In the northern region of the County—including Lancaster, Palmdale, and Santa Clarita—limited investigative resources have challenged efforts to manage rising violent crime. Lancaster, in particular, has experienced a surge, leading the County with 20 homicides since January 1, 2025. The NCSSTF significantly boosts the Department's ability to combat these trends through targeted, data-driven operations in high-crime areas.

The task force also strengthens investigative capacity to dismantle violent criminal networks and disrupt firearms trafficking into the region. With the flexibility to pursue cases at either the state or federal level, NCSSTF provides critical prosecutorial advantages. This coordinated approach enables law enforcement to more effectively convict and incarcerate dangerous offenders, increasing both community safety and economic stability.

The Department will provide 10 task force officers (TFOs) for participation in the NCSSTF. Subject to the availability of funding and legislative authorization, the FBI will reimburse the Department the cost of overtime worked by non-federal NCSSTF personnel assigned full-time to the NCSSTF, provided overtime expenses were incurred as a result of NCSSTF-related duties, and subject to the provision and limitations set forth in a separate CRA to be executed in conjunction with this MOU. The total overtime reimbursed is not to exceed \$22,155.25 per TFO for federal FY 2025.

Implementation of Strategic Plan Goals

The requested actions support the County Strategic Plan's North Star 2: Foster vibrant and resilient communities; Focus Area C: Public Safety: Enhance the safety of the public and our communities by addressing the risks, danger, harm, and conditions that cause, drive, or can help mitigate unlawful activity and crime and supports law enforcement accountability and transparency; Strategy I. Prevention, Protection & Security: Support and invest in innovative practices, crime prevention resources and infrastructure to provide protection and security.

FISCAL IMPACT/FINANCING

This is a zero net County cost, revenue-offset agreement. The Department will recover any overtime salary costs directly related to work performed in support of the NCSSTF. The Department's FY 2025-26 Mid-Year Budget Adjustment #2 request will include the anticipated expenses and offsetting revenue, which are expected to be approximately \$200,000 in FY 2025-26.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The term of the MOU is for the duration of the NCSSTF's operation, contingent upon approval of necessary funding. Any participating agency may withdraw from the NCSSTF at any time by providing written notification to the Supervisory Special Agent with designated oversight for investigative and personnel matters or program manager of the NCSSTF at least 30 days prior to withdrawal.

Board approval is required for this MOU as the amount of the MOU exceeds the authority previously delegated by the Board to the Sheriff on May 16, 2000.

The NCSSTF MOU is compliant with the California Values Act (SB 54).

County Counsel has approved the attached Agreement as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

None. The Department will continue to provide the personnel and resources required for participation in the NCSSTF.

CONCLUSION

Upon Board approval, please return a copy of the adopted Board letter to the Department's Contract Law Enforcement Bureau.

40. Each party agrees to provide, upon request, details regarding the handling and maintenance of data in electronic and paper recordkeeping systems maintained pursuant to the provisions of this MOU, in order to allow the other party to ensure that appropriate security and privacy protections are in place. Such information shall be provided to the extent allowable by the laws, regulations and policies governing each party.

PROSECUTIONS

41. NCSSTF investigative procedures, whenever practicable, are to conform to the requirements which would allow for either federal or state prosecution.
42. A determination will be made on a case-by-case basis whether the prosecution of NCSSTF cases will be at the state or federal level. This determination will be based on the evidence obtained and a consideration of which level of prosecution would be of the greatest benefit to the overall objectives of the NCSSTF.
43. In the event that a state or local matter is developed that is outside the jurisdiction of the FBI or it is decided to prosecute a NCSSTF case at the state or local level, the FBI agrees to provide all relevant information to state and local authorities in accordance with all applicable legal limitations.

44. For cases assigned to an FBI Special Agent or in which FBI CHSs are utilized, the Parties agree to conform to federal standards concerning evidence collection, processing, storage, and electronic surveillance. FOR OFFICIAL USE ONLY

FOR OFFICIAL USE ONLY

45. In all cases assigned to state, county, or local law enforcement participants, the parties agree to utilize federal standards pertaining to evidence handling and electronic surveillance activities as outlined in the DIOG to the greatest extent possible. However, in situations where the statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by state and local law enforcement agencies shall conform to the requirements of such statutory or common law pending a decision as to venue for prosecution.
46. The use of other investigative methods (search warrants, interceptions of oral communications, etc.) and reporting procedures in connection therewith will be consistent with the policies and procedures of the FBI.

B. Undercover Operations

47. All NCSSTF undercover operations will be conducted and reviewed in accordance with FBI guidelines and the Attorney General's Guidelines on Federal Bureau of Investigation Undercover Operations. All participating agencies may be requested to enter into an additional agreement if an employee of the participating agency is assigned duties which require the officer to act in an undercover capacity.

USE OF LESS-THAN-LETHAL-DEVICES¹

48. The parent agency of each individual assigned to the NCSSTF will ensure that while the individual is participating in FBI-led task force operations in the capacity of a task force officer, task force member, or task force participant, the individual will carry only less-lethal devices that the parent agency has issued to the individual, and that the individual has been trained in accordance with the agency's policies and procedures.
49. The parent agency of each individual assigned to the NCSSTF will ensure that the agency's policies and procedures for use of any less-lethal device that will be carried by the task force officer, task force member, or task force participant are consistent with the DOJ policy statement on the Use of Less-Than-Lethal Devices.²

¹ Pursuant to Section VIII of the DOJ Less-Than-Lethal Devices Policy dated May 16, 2011, all state/local officers participating in joint task force operations must be made aware of and adhere to the policy and its limits on DOJ officers.

² Less-lethal – When use of force is required, but deadly force may not be appropriate, law enforcement officers may employ less-lethal weapons to gain control of a subject. Less-lethal weapons are designed to induce a subject to submit or comply with directions. These weapons give law enforcement officers the ability to protect the safety of officers, subjects, and the public by temporarily incapacitating subjects. While less-lethal weapons are intended to avoid causing any serious harm or injury to a subject, significant injuries and death can occur from their use.

FOR OFFICIAL USE ONLY

DEADLY FORCE AND SHOOTING INCIDENT POLICIES

50. NCSSTF personnel will follow their own agencies' policies concerning firearms discharge and use of deadly force.

DEPUTATIONS

51. Local and state law enforcement personnel designated to the NCSSTF, subject to a limited background inquiry, shall be sworn as federal task force officers by acquiring Title 18 U.S.C. authority (via the United States Marshals Service) and Title 21 U.S.C. authority (via the FBI, to participate in federal drug investigations). The FBI will secure the required deputation authorization(s). The deputation(s) should remain in effect throughout the tenure of each investigator's assignment to the NCSSTF or until the termination of the NCSSTF, whichever comes first.
52. Deputized NCSSTF personnel will be subject to the rules and regulations pertaining to such deputation. Administrative and personnel policies imposed by the participating agencies will not be voided by deputation of their respective personnel.
53. State, local, tribal, and territorial law enforcement officers (LEOs) who serve on the NCSSTF must be federally deputized under Title 18. They must also be deputized under Title 21 to participate in federal drug investigations. The FBI may likewise require federal LEOs who serve on the NCSSTF to be deputized while assigned to the NCSSTF. The FBI will secure the required authorization for deputations, as needed.
54. Under the terms of this MOU, the Participating Agency agrees that non-LEOs detailed to the NCSSTF will not: (1) participate in law enforcement activities; (2) carry a weapon, either lethal or non-lethal; or (3) participate in the execution of search/arrest warrants.

VEHICLES

55. In furtherance of this MOU, employees of participating agencies may be permitted to drive FBI owned or leased vehicles for official NCSSTF business and only in accordance with applicable FBI rules and regulations, including those outlined in the FBI Government Vehicle Use Policy Guide (1357PG). The assignment of an FBI owned or leased vehicle to participating agency NCSSTF personnel will require the execution of a separate Vehicle Use Agreement.
56. The participating agencies agree that FBI vehicles will not be used to transport passengers unrelated to NCSSTF business.

The term "less-than-lethal" is synonymous with "less-lethal", "non-lethal", "non-deadly", and other terms referring to devices used in situations covered by the DOJ Policy on the Use of Less-Than-Lethal Devices. "Less-lethal" is the industry standard and the terminology the FBI has elected to utilize in reference to this policy.

FOR OFFICIAL USE ONLY

9

57. Neither the FBI nor the United States shall not be responsible for any civil liability arising from the use of an FBI owned or leased vehicle by NCSSTF personnel while engaged in any conduct other than their official duties and assignments pursuant to their federal deputation on the NCSSTF.
58. To the extent permitted by applicable law, LASD agrees to hold harmless the FBI and the United States for any claim for property damage or personal injury arising from any use of an FBI owned or leased vehicle by NCSSTF personnel which is outside the scope of their official duties and assignments.

SALARY/OVERTIME COMPENSATION

59. The FBI and each participating agency remain responsible for all personnel costs for their NCSSTF representatives, including salaries, overtime payments and fringe benefits consistent with their respective agency, except as described in paragraph 60 below.
60. Subject to funding availability and legislative authorization, the FBI will reimburse to participating agencies the cost of overtime worked by non-federal NCSSTF personnel assigned full-time to NCSSTF, provided overtime expenses were incurred as a result of NCSSTF-related duties, and subject to the provisions and limitations set forth in a separate Cost Reimbursement Agreement to be executed in conjunction with this MOU. A separate Cost Reimbursement Agreement must be executed between the FBI and the participating agencies for full-time employee(s) assigned to NCSSTF, consistent with regulations and policy, prior to any reimbursement by the FBI. Otherwise, overtime shall be compensated in accordance with applicable participating agency overtime provisions and shall be subject to the prior approval of appropriate personnel.

PROPERTY AND EQUIPMENT

61. Property utilized by the NCSSTF in connection with authorized investigations and/or operations and in the custody and control and used at the direction of the NCSSTF, will be maintained in accordance with the policies and procedures of the agency supplying the equipment. Property damaged or destroyed which was utilized by NCSSTF in connection with authorized investigations and/or operations and is in the custody and control and used at the direction of NCSSTF, will be the financial responsibility of the agency supplying said property.

FUNDING

62. This MOU is not an obligation or commitment of funds, nor a basis for transfer of funds, but rather is a basic statement of the understanding between the parties hereto of the tasks and methods for performing the tasks described herein. Unless otherwise agreed in writing, each party shall bear its own costs in relation to this MOU. Expenditures by each party will be subject to its budgetary processes and to the availability of funds and resources pursuant to applicable laws, regulations, and policies. The parties expressly

acknowledge that the above language in no way implies that Congress will appropriate funds for such expenditures.

FORFEITURES

63. The FBI shall be responsible for processing assets seized for federal forfeiture in conjunction with NCSSTF operations.
64. Asset forfeitures will be conducted in accordance with federal law, and the rules and regulations set forth by the FBI and DOJ. Forfeitures attributable to NCSSTF investigations may be equitably shared with the agencies participating in the NCSSTF.

DISPUTE RESOLUTION

65. In cases of overlapping jurisdiction, the participating agencies agree to work in concert to achieve the NCSSTF's objectives.
66. The participating agencies agree to attempt to resolve any disputes regarding jurisdiction, case assignments, workload, etc., at the field level first before referring the matter to supervisory personnel for resolution.

MEDIA RELEASES

67. All media releases and statements will be mutually agreed upon and jointly handled according to FBI and participating agency guidelines.
68. Press releases will conform to DOJ Guidelines regarding press releases. No release will be issued without FBI final approval.

SELECTION TO NCSSTF AND SECURITY CLEARANCES

69. If a participating agency candidate for the NCSSTF will require a security clearance, he or she will be contacted by FBI security personnel to begin the background investigation process prior to the assigned start date.
70. If, for any reason, the FBI determines that a participating agency candidate is not qualified or eligible to serve on the NCSSTF, the participating agency will be so advised and a request will be made for another candidate.
71. Upon being selected, each candidate will receive a comprehensive briefing on FBI field office security policies and procedures. During the briefing, each candidate will execute non-disclosure agreements (SF-312 and FD-868), as may be necessary or required by the FBI.
72. Before receiving unescorted access to FBI space identified as an open storage facility, NCSSTF personnel will be required to obtain and maintain a "Top Secret" security

clearance. NCSSTF personnel will not be allowed unescorted access to FBI space unless they have received a Top Secret security clearance.

73. Upon departure from the NCSSTF, each individual whose assignment to the NCSSTF is completed will be given a security debriefing and reminded of the provisions contained in the non-disclosure agreement to which he or she previously agreed.

LIABILITY

74. The participating agencies acknowledge that this MOU does not alter the applicable law governing civil liability, if any, arising from the conduct of personnel assigned to the NCSSTF.
75. Each party agrees to notify the other in the event of receipt of a civil claim arising from the NCSSTF. Both parties agree to cooperate fully with one another in the event of any investigation arising from alleged negligence or misconduct arising from the operational relationship. Nothing in this paragraph prevents any party from conducting an independent administrative review of any incident giving rise to a claim. In the event that a civil claim or complaint is brought against a state or local officer assigned to the NCSSTF, the officer may request legal representation and/or defense by DOJ, under the circumstances and pursuant to the statutes and regulations identified below.
76. COMMON LAW TORT CLAIMS

- A. Congress has provided that the exclusive remedy for the negligent or wrongful act or omission of an employee of the U.S. Government, acting within the scope of his or her employment, shall be an action against the United States under the Federal Tort Claims Act, 28 U.S.C. § 1346(b), and §§ 2671-2680.
- B. Notwithstanding any other provision contained in this MOU, for the limited purpose of defending civil claims arising out of NCSSTF activity, any employee detailed from a Participating Agency who is acting within the course and scope of his or her official duties and assignments pursuant to this MOU may be considered an "employee" of the U.S. government, as defined at 28 U.S.C. § 2671. See 5 U.S.C. § 3374(c)(2).
- C. Under the Federal Employee Liability Reform and Tort Compensation Act of 1998 (commonly known as the Westfall Act), see 28 U.S.C. § 2679(b)(1), if an employee of the United States is named as a defendant in a civil action, the Attorney General or his or her designee may certify that the defendant acted within the scope of his or her employment at the time of the incident giving rise to the suit. 28 U.S.C. § 2679(d)(1)&(2). The United States can then be substituted for the employee as the sole defendant with respect to any tort claims alleged in the action. 28 U.S.C. § 2679(d)(1)&(2). Decisions to certify that an employee was acting within the scope of his or her employment at the

time of the incident giving rise to the suit, see 28 U.S.C. § 2679(d)(1)&(2), are made on a case-by case-basis, and such certification cannot be guaranteed.

D. If the Attorney General declines to certify that an employee was acting within the scope of employment, "the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment." 28 U.S. C. § 2679(d)(3)."

77. For the limited purpose of defending against a civil claim arising from an alleged violation of the U.S. Constitution pursuant to 42 U.S.C. § 1983 or Bivens v. Six Unknown Named Agents of the Federal Bureau of Narcotics, 403 U.S. 388 (1971): An individual assigned to the NCSSTF who is named as a defendant in a civil action as a result of or in connection with the performance of his or her official duties and assignments pursuant to this MOU may request individual-capacity representation by DOJ to defend against the claims. 28 C.F.R. §§ 50.15, 50.16. Any such request for individual-capacity representation must be made in the form of a letter from the individual defendant to the U.S. Attorney General. The letter should be provided to Chief Division Counsel (CDC) for the FBI Los Angeles Division, who will then coordinate the request with the FBI Office of the General Counsel. In the event of an adverse judgment against the individual, he or she may request indemnification from DOJ. 28 C.F.R. § 50.15(c)(4). Requests for DOJ representation and indemnification are determined by DOJ on a case-by-case basis. The FBI cannot guarantee the United States will provide legal representation or indemnification to any NCSSTF personnel.

78. Liability for any conduct by NCSSTF personnel undertaken outside of the scope of their duties and assignments pursuant to their federal deputation on the NCSSTF shall not be the responsibility of the FBI or the United States.

DURATION

79. The term of this MOU is for the duration of the NCSSTF's operations, contingent upon approval of necessary funding, but may be terminated at any time upon written mutual consent of the agency involved.

80. Any participating agency may withdraw from the NCSSTF at any time by written notification to the SSA with designated oversight for investigative and personnel matters or program manager of the NCSSTF at least 30 days prior to withdrawal.

81. Upon termination of this MOU, all equipment provided to the NCSSTF will be returned to the supplying agency/agencies. In addition, when an entity withdraws from the MOU, the entity will return equipment to the supplying agency/agencies. Similarly, remaining agencies will return to a withdrawing agency any unexpended equipment supplied by the withdrawing agency during any NCSSTF participation.

**FEDERAL BUREAU OF INVESTIGATION
North County Safe Streets Task Force
Cost Reimbursement Agreement**

NCSSTF File Number: 281-LA-C4123023-MOU

Pursuant to Congressional appropriations, the Federal Bureau of Investigation (FBI) receives authority to pay overtime for police officers assigned to the formalized North County Safe Streets Task Force (NCSSTF), as set forth below, for expenses necessary for detection, investigation, and prosecution of crimes against the United States. It is hereby agreed between the FBI and the Los Angeles Sheriff's Department (LASD), located at 211 W. Temple Street, Los Angeles, CA 90012, Taxpayer Identification Number: 95-6000927W, and Telephone Number: 213-229-1700, that:

This Agreement is entered into pursuant to, and as an annex to, the FBI NCSSTF Memorandum of Understanding (MOU) signed by the Sheriff of the Los Angeles Sheriff's Department on []¹, and shall be read and interpreted in conformity with all terms of that document.

Commencing upon execution of this Agreement, the FBI will, subject to availability of required funding, reimburse LASD for overtime payments made to officers assigned to and working full time on NCSSTF related matters.

Requests for reimbursement shall be made on a monthly basis utilizing the United States Department of the Treasury Invoice Processing Platform (IPP) software system and shall be submitted to the FBI Los Angeles Field Office immediately after the first of the month which follows the month for which reimbursement is requested. The reimbursement request shall be approved by the appropriate Supervisor (or their designee) at LASD prior to the invoice submission in IPP. The invoice submitted in IPP will automatically route to the FBI NCSSTF personnel for their review, approval, and processing for payment.

Overtime reimbursement payments from the FBI will be made via electronic funds transfer (EFT) directly to LASD using the FBI's Unified Financial Management System (UFMS). To facilitate EFT, LASD shall establish an account online in the System for Award Management (SAM) at www.SAM.gov. Verification of LASD banking information is required on an annual basis in order to keep payment information current. For additional information regarding the UFMS and SAM, contact the FBI Los Angeles Financial Liaison Specialist.

Overtime reimbursements will be calculated at the usual rate for which the individual officer's time would be compensated in the absence of this Agreement. However, said reimbursement, per officer, shall not exceed monthly and/or annual limits established annually by the FBI. The limits, calculated using Federal pay tables, will be in effect for the Federal fiscal year running from October 1st of one year through September 30th of the following year, unless changed during the period. The FBI reserves the right to change the reimbursement limits, upward or downward, for subsequent periods based on fiscal priorities and appropriations limits. The FBI will notify LASD of the applicable annual limits prior to October 1st of each year.

The number of LASD deputies assigned full-time to the NCSSTF and entitled to overtime reimbursement by the FBI shall be approved by the FBI in advance of each fiscal year. Based on the needs of the NCSSTF, this number may change periodically, upward or downward, as approved in advance by the FBI.

Prior to submission of any overtime reimbursement requests, LASD shall prepare an official document setting forth the identity of each officer assigned full-time to the NCSSTF, along with the regular and overtime hourly rates for each officer. Should any officers change during the fiscal year, a similar statement shall be prepared regarding the new officers prior to submitting any overtime reimbursement requests for the officers. If the rate changes during the fiscal year for a previously assigned officer, an updated letter shall be attached with the invoice submission in IPP that reflects the new rate. The updated letter shall be mailed to the Los Angeles Field Office NCSSTF personnel to maintain in FBI records.

Each request for reimbursement shall be submitted via IPP to the FBI. The request for reimbursement shall include an invoice number, invoice date, the name, overtime compensation rate, number of reimbursable hours claimed, and the dates of those hours for each officer for whom reimbursement is sought. An attachment signed and dated by an authorized Agency representative noting the dates and hours for each officer overtime reimbursement claimed shall be uploaded in IPP as supporting documentation for the invoice to confirm the information described in this paragraph is accurate, and the personnel for whom reimbursement is claimed were assigned full-time to the NCSSTF.

Requests for reimbursement shall be submitted monthly and all requests shall be received by the FBI no later than December 31st of the next fiscal year for which the reimbursement applies. For example, reimbursements for the fiscal year ending September 30, 2024, shall be received by the FBI monthly and not later than December 31, 2024. The FBI is not obligated to reimburse any requests received untimely and not in accordance herewith.

This Agreement is effective upon signatures of the parties and will remain in effect for the duration of LASD's participation on the NCSSTF, contingent upon approval of necessary funding, and unless terminated in accordance with the provisions herein. This Agreement may be modified at any time by written consent of the parties or based on changing business operations and practices of the FBI. It may be terminated at any time upon mutual consent of the parties, or unilaterally upon written notice from the terminating party to the other party at least 30 days prior to the termination date.
