			Nancy E Verdin	I'm here in strong support of Item 10 and to thank Supervisor Barger for advancing an urgent and coordinated response to rebuild LA County Parks following the Eaton and Hughes Fires. These fires caused over \$250 million in damage, destroying critical recreational, ecological, and community-serving infrastructure. Parks are essential public resources. They support physical and mental health, youth development, and community connection—especially in Wildland Urban Interface communities that have been deeply impacted by these disasters. This motion rightly recognizes the need to maintain recovery momentum. The reopening of Loma Alta Park in less than three months shows what's possible when LA County Parks partners with the LA County Parks Foundation to move quickly and effectively. Expanding this model to other impacted sites—like Eaton Canyon, Altadena Crest Trail, Charles White Park, and Castaic Lake—is both practical and necessary. I also strongly support the workforce development component of this motion. Partnering with Outward Bound Adventures to employ fire-impacted youth from Altadena and Pasadena is a best-practice approach. It rebuilds our parks while creating meaningful career pathways for young people most affected by this disaster. Outward Bound Adventures has over 40 years of experience connecting BIPOC youth to environmental education and careers, and they are a trusted leader in our region.
