# Rosas Quality Improvement Efforts

- The eForce Program was implemented on October 1, 2025.
- The Body Worn Camera policy was published on September 11, 2025, and implemented on October 1, 2025, at the Basin Facilities.
- One Clearpass body scanner machine was installed at each custody facility to assist in the detection of narcotics entering the jail.
- The Cook- Chill system has been successfully implemented at the Men's Central Jail. After additional funding is secured, a buildout for mass production will begin at the Twin Towers Correctional facility.
