20.		Oppose	Jaime S	I will not be voting to increase taxes in this city. There is way too much waste. Too much trash everywhere with broken roads and side walks. Sales tax is already at 10%. Home tax is sky high. Where is the money going that we are already giving you? Please do a proper accounting of funds spent and inform us of the findings. Please build a plan to spend the money you are already being given in a more thoughtful/careful way.
