The following individuals submitted comments on agenda item:				
Agenda #	Relate To	Position	Name	Comments
6.		Oppose	Catherine B Tessier	I am not sure this is the appropriate item regarding the current rental price freeze. There are so many restrictions on the housing rental industry that it is constricting the ability of owners to meet current demands for operations of those rentals, let alone the ability or upgrade housing and/or meet major repairs (such as roofing, hot water tanks, major plumbing repairs, etc. Please reverse the persistent application of rental housing restrictions that prevent current rental ownership to do their jobs and future ownership to invest and support rental housing. Unrealistic and continuing restrictive measures do nothing but discourage ownership --those who want to invest and operate rentals and those who just want to "get out" because they can't survive.
			Gaston Marcus	
			Haniffa Cassim	Board of Supervisors urging them to vote NO on the motion to further extend countywide emergency price restrictions, Agenda Item 2. Any further extension is a clear abuse of power by the Board of Supervisors and causes severe harm to tens of thousands of rental housing providers throughout LA County. The facts in from DCBA and they show that NO FURTHER EXTENSION is warranted.
			Re Ba	there is no price gouging
			Shahram hedayati	
			Yehudah Fersht	Emergency is over.
